Item 1.01. Entry into a Material Definitive Agreement.

On July 22, 2010, Entravision Communications Corporation (the Company) entered into a purchase agreement (the Purchase Agreement), by and between the Company and Citigroup Global Markets Inc., as representative of the initial purchasers (the Initial Purchasers), with respect to the sale by the Company of \$400 million aggregate principal amount of 8.750% senior secured first lien notes due 2017 (the Notes), at an issue price of 98.722% of par.

Subject to customary closing conditions, the offering and sale of the Notes is expected to close on or about July 27, 2010. Concurrently with the closing of the offering and sale of the Notes, the Company also intends to enter into its previously announced revolving credit facility of up to \$50 million. The Company and all of its existing and future wholly-owned domestic subsidiaries will guarantee the Notes and the new revolving credit facility on a senior secured basis. The Notes and the new revolving credit facility will be secured on a first priority basis by the Company's and the guarantors' assets, subject to certain exceptions, certain permitted liens and the provisions of an intercreditor agreement relating to distributions of proceeds of collateral.

The obligations of the Initial Purchasers to purchase the Notes are subject to customary terms and conditions, including accuracy of representations and warranties of the Company and receipt of legal opinions and certificates, in each case as set forth in the Purchase Agreement. In addition, the Company has agreed to indemnify the Initial Purchasers against certain liabilities, including liabilities under the Securities Act of 1933, as amended (the Securities Act), or to contribute to payments the Initial Purchasers may be required to make in respect of those liabilities, as set forth in the Purchase Agreement.

The information relating to the offering of the Notes, including the press release furnished herewith as Exhibit 99.1, disclosed in this Current Report on Form 8-K, shall not constitute an offer to sell, or the solicitation of an offer to buy, any of the Notes, nor shall there be any sale of the Notes in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such state. The Notes have not been registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements of the Securities Act and applicable state securities laws. The Notes will be offered inside the United States only to qualified institutional buyers in reliance on Rule 144A under the Securities Act and to persons outside the United States in reliance on Regulation S under the Securities Act.
