**Item 1.01. Entry into a Material Definitive Agreement**  
***Amendment to a Material Definitive Agreement***

On November 12, 2010, SYNnex Corporation ( SYNnex or the Company ) entered into the Fifth Amendment to the Third Amended and Restated Receivables Sale and Servicing Agreement, by and between SYNnex and SIT Funding Corporation, and SIT Funding Corporation entered into the Fourth Amended and Restated Receivables Funding and Administration Agreement, by and among SIT Funding Corporation, the lenders party thereto and The Bank of Nova Scotia, as a lender and agent (the U.S. Arrangement ). Under the U.S. Arrangement, we now sell a maximum of \$400.0 million in U.S. trade account receivables ( U.S. Receivables ) based upon eligible trade receivables, as compared to a maximum of \$350.0 million in U.S. Receivables that we previously sold prior to this amendment of the U.S. Arrangement. In connection with this program substantially all of our U.S. Receivables are transferred to our wholly-owned subsidiary, SIT Funding Corporation, and we fund our borrowings by pledging all of our rights, title and interest in and to the U.S. Receivables as security. The amended U.S. Arrangement replaces the lead agent and the lenders. In addition, the maturity date of the U.S. Arrangement is now November 12, 2013 and may be renewed upon our mutual agreement with the lenders. The effective borrowing cost under the U.S. Arrangement is a blend of the prevailing dealer commercial paper rates plus a program fee of 0.60% per annum based on the used portion of the commitment, and a facility fee of 0.60% per annum payable on the aggregate commitment of the lenders (which includes liquidity support that the certain of the lenders provide to their affiliates that are also lenders).

On November 12, 2010, SYNnex entered into the Fourth Amended and Restated Credit Agreement, by and among SYNnex, the lender signatories thereto from time to time, and Bank of America, N.A., as a lender and agent (the Revolver ). The amended Revolver removes one of the lenders and increases the maximum commitment of the remaining lender to \$100.0 million. The previous maximum commitment had been \$80.0 million. The Revolver also retains an accordion feature which would allow us to increase the maximum commitment by an additional \$50.0 million to \$150.0 million in the event the current lender consents to such increase or another lender participates in the Revolver. Interest on borrowings under the Revolver is based on a base rate or LIBOR rate, at our option. The margin on our LIBOR rate is determined in accordance with our fixed charge coverage ratio under the Revolver and is currently 2.25%. Our base rate is determined based on the higher of (i) the financial institution's prime rate, (ii) the overnight federal funds rate plus 0.50% or (iii) one month LIBOR plus 1.0%. An unused line fee of 0.50% per annum is payable if the outstanding principal amount of the Revolver is less than half of the lender's commitment, however, that fee is reduced to 0.35% if the outstanding principal amount of the Revolver is greater than half of the lender's commitment. It continues to be an event of default under the Revolver if the maturity date of the U.S. Arrangement is not extended. The Revolver is secured by our inventory and other assets and expires on November 12, 2013.
