Dear fellow NU shareholder:

Earlier this month you received a dividend check or a direct deposit statement for your March 31, 2011 dividend. The dividend of 27.5 cents per share represented an increase of 7.3 percent over the quarterly dividend we paid in 2010. It represented the 11th consecutive year that your Board of Trustees raised NU's common dividend, this year to an annualized level of \$1.10 per share. This increase underscores the confidence that your management and board have in our financial performance and business strategy.

In addition to notifying you about the dividend increase, I want to thank you for your support for our proposed merger with NSTAR. On March 4, 2011, we held our Special Meeting of NU shareholders to vote on our proposed merger with NSTAR and 98 percent of all shares that were voted supported the merger. You will be pleased to know that NSTAR shareholders also voted overwhelmingly in favor of the merger. While the merger still requires a number of state and federal regulatory approvals, shareholder approval was a critical step in the process. We continue to hope to consummate the merger later this year.

You may recall from the merger materials we sent you that once the merger is completed, NU's first quarterly dividend after the closing will be raised to a level that is at parity with NSTAR's dividend, after accounting for the exchange ratio. Based on NSTAR's current dividend, that would result in an additional 18 percent increase in the NU quarterly dividend to approximately \$0.325 per share, or \$1.30 per share on an annualized basis. We will continue to update you on the status of the merger as we move forward.

In the meantime, we will be holding our regular annual meeting of shareholders on May 10, 2011, and this month you will be receiving your proxy, annual report and voting materials for several items, including the annual election of our Board of Trustees. This is a separate shareholder vote from the merger proposal, and we urge you to vote your NU shares.

Thank you again for your continued support and your investment in our company.

These risks, as well as other risks associated with the merger, are more fully discussed in the joint proxy statement/prospectus that is included in the Registration Statement on Form S-4 (Registration No. 333-170754) that was filed by Northeast Utilities with the SEC in connection with the merger.
