PROXY STATEMENT

Annual Meeting of Stockholders

Wednesday, September 21, 2011

GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the Board) of Broadway Financial Corporation, a Delaware corporation (the Company), for use at the Annual Meeting of Stockholders of the Company (the Annual Meeting) to be held at the Company's principal executive offices, 4800 Wilshire Boulevard, Los Angeles, California, 90010, at 2:00 p.m. on September 21, 2011, and at any postponement or adjournment thereof. This Proxy Statement and the accompanying form of proxy were first mailed to stockholders on or about August 16, 2011.

The Company was incorporated under Delaware law in September 1995 for the purpose of acquiring and holding all of the outstanding capital stock of Broadway Federal Bank, f.s.b. (Broadway Federal or the Bank) as part of the Bank's conversion from a federally chartered mutual savings and loan association to a federally chartered stock savings bank (the Conversion). The Conversion was completed and the Bank became a wholly owned subsidiary of the Company on January 8, 1996. Unless otherwise indicated, references in this Proxy Statement to the Company include the Bank as its predecessor.

**THIS PROXY STATEMENT AND THE COMPANY'S ANNUAL REPORT TO STOCKHOLDERS ARE AVAILABLE AT
<http://www.broadwayfederalbank.com>**

RECORD DATE AND VOTING OF SHARES

The Board has selected August 9, 2011 as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. A total of 1,744,565 shares of the Company's common stock, par value \$0.01 per share (the Common Stock), were outstanding at the close of business on that date. A majority of the shares entitled to vote, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Stockholders will be entitled to cast one vote for each share of Common Stock held by them of record at the close of business on the record date on any matter that may be presented at the Annual Meeting for consideration and action by the stockholders. Abstentions will be treated as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted for a vote of the stockholders. If a broker indicates on its proxy that the broker does not have discretionary authority to vote on a particular matter as to certain shares, those shares will be counted for general quorum purposes but will not be considered as present and entitled to vote with respect to that matter.

Edgar Filing: BROADWAY FINANCIAL CORP \DE\ - Form DEF 14A

A plurality of votes cast is required for the election of directors. The affirmative vote of the majority of shares represented and voting at the Annual Meeting, which must also constitute a majority of the required quorum, will be required to ratify the appointment of Crowe Horwath LLP (Crowe Horwath) as the Company's independent registered public accounting firm and to adopt the proposal to approve executive compensation described in this Proxy Statement. Thus, broker nonvotes will not have any effect in the voting on these proposals. Abstentions could affect whether the majority of the quorum requirement is satisfied.

Table of Contents

All valid proxies received in response to this solicitation will be voted in accordance with the instructions indicated thereon by the stockholders giving such proxies. If no contrary instructions are given, such proxies will be voted FOR the election of the nominees named in this Proxy Statement as directors, and FOR approval of the other proposals described in this Proxy Statement. Although the Board currently knows of no other matter to be brought before the Annual Meeting, if other matters properly are brought before the Annual Meeting and may properly be acted upon, including voting on a substitute nominee for director in the event that any director nominee named in this Proxy Statement becomes unwilling or unable to serve before the Annual Meeting, the proxies solicited hereby will be voted in accordance with the best judgment of the persons named in such proxies.

REVOCATION OF PROXIES

Any stockholder may revoke his or her proxy at any time before it is voted at the Annual Meeting by delivering a later signed and dated proxy card or other written notice of revocation to Daniele Johnson, Secretary of the Company, at 4800 Wilshire Boulevard, Los Angeles, California 90010. A proxy will also be considered revoked if the stockholder executing the proxy is present at the Annual Meeting and chooses to vote in person.

SOLICITATION OF PROXIES

Proxies are being solicited by this Proxy Statement on behalf of the Board. The principal solicitation of proxies is being made by mail. Computershare, the Company's transfer agent, will assist in the solicitation of proxies at no additional fee except for reimbursement of certain expenses. To the extent necessary, proxies may be solicited by officers, directors and employees of the Company, or its wholly owned subsidiaries, none of whom will receive additional compensation for such solicitation. Proxies may be solicited by telephone, personal contact or other means. The Company will bear the cost of this solicitation of proxies, including postage, printing and handling, and will reimburse brokers and other nominee holders of shares for their expenses incurred in forwarding solicitation material to beneficial owners of shares.

Board Leadership Structure

Mr. Hudson has served as a member of our Board since 1985. Mr. Hudson became CEO of Broadway Federal in 1992 and Chairman of the Board in 2007. As Chairman of the Board and CEO of the Company, Mr. Hudson has general charge, supervision and control of the business and affairs of the Company, subject to the overall supervisory authority of the Board, and is responsible generally for ensuring that policy decisions of the Board are implemented as adopted. Mr. Hudson also provides leadership to the Board and works with the Board to define its structure and activities in the fulfillment of its responsibilities. We believe this leadership structure is appropriate for the Company, in that the combined role of Chairman of the Board and CEO promotes unified leadership and direction for the Company and allows for a single, clear focus for management in executing the Company's strategy and business plan.

Mr. Virgil Roberts has served as our Lead Director since 2007. The Lead Director's role is to work with the Chairman to determine Board agenda items and foster contributions of other directors during Board deliberations and to lead Board deliberations during executive sessions.

Risk Oversight

The Board's role in the Company's risk management process includes reviewing regular reports from senior management on areas of material risk to the Company, including operational, financial, legal, regulatory, strategic and reputational risks. The Board reviews these reports to enable it to understand and assess the Company's risk identification, risk management and risk mitigation strategies. While the Board has the ultimate oversight responsibility for the risk management process, various committees of both management and the Board also have responsibility for risk management. In accordance with our audit committee charter, the Audit Committee assists the Board in its oversight of the Company's risk assessment and risk management policies as well as the procedures and the safety and soundness of the Company. The Loan Committee evaluates and manages credit risk and concentration risk, while the Internal Asset Review Committee reviews loan classifications and loss risk in the Bank's loan portfolio. In addition, the Asset and Liability Committee manages investment, interest rate, and financial risk exposure, the Compensation/Benefits Committee oversees the management of risks relating to our executive and non-executive compensation plans and arrangements and the Nominating Committee manages risks associated with the independence of the Board of Directors and potential conflicts of interest. While each committee oversees certain risks and the management of such risks, the entire Board is regularly informed of such risks through committee reports.

Identifying and Evaluating Nominees for Director

The Company's Nominating Committee is charged with the responsibilities of identifying and recommending to the Board candidates for election as directors. The committee considers candidates suggested by its members, other directors and stockholders in anticipation of upcoming director elections and other potential or expected Board vacancies. The committee will consider candidates nominated by stockholders provided that the stockholder submitting a nomination has complied with procedures set forth in the Company's Bylaws. See [Stockholder Proposals for Presentation at the Annual Meeting](#) for additional information regarding stockholder nominations of director candidates.

All director candidates, including those nominated by stockholders, are evaluated on the same basis. In determining the needs of the Board and the Company, the Nominating Committee considers the qualifications of current directors and consults with other members of the Board, the CEO and, where appropriate, external advisors. Generally the committee believes that all directors should exemplify the highest standards of personal and professional integrity, have broad experience in positions with a high degree of responsibility and the ability to commit adequate time and effort to serve as a director. Director candidates who are not current directors are interviewed by members of the committee and the CEO and the results of those interviews are considered by the committee and the Board in their deliberations.

Table of Contents

Neither the Nominating Committee nor the Board has a formal policy on the consideration of diversity in identifying director candidates, although both may consider diversity when identifying and evaluating candidates. The Board may require a candidate to be sufficiently diverse from the other Board members, in ethnicity, gender, educational, professional and/or managerial backgrounds and experience, to provide a range of perspectives and interests among the members of the Board.

AUDIT COMMITTEE REPORT

The following Audit Committee Report does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any other filings by the Company under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent we specifically incorporate this Report by reference.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process, including the Company's systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of the audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, as well as the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under auditing standards generally accepted in the United States of America, including Statement of Accounting Standards (SAS) 61. In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures required by Independence Standards Board Standard No. 1, and has considered the compatibility of non-audit services provided by the auditor with the auditors' independence.

The Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board that the audited financial statements be included in the Annual Report on Form 10-K filed with the SEC for the year ended December 31, 2010. The Committee has also recommended to the Board the selection of the Company's independent registered public accounting firm.

PROPOSAL 3. NON-BINDING STOCKHOLDER APPROVAL OF EXECUTIVE**COMPENSATION**

The Company has issued two series of preferred stock to the U.S. Department of the Treasury pursuant to the Capital Purchase Program component of the Treasury Department's Troubled Asset Relief Program, or TARP. The American Recovery and Reinvestment Act of 2009, which was signed into law on February 17, 2009, imposes a number of requirements for participants in the TARP Capital Purchase Program. One of the requirements is that at each annual meeting of stockholders during the period in which any TARP obligation (which term includes the preferred stock the Company issued to the Treasury Department) remains outstanding, TARP recipients must include a separate nonbinding say on pay stockholder vote on the compensation of their executive officers among the matters to be considered and voted upon at each annual meeting of stockholders.

This proposal gives you, as a stockholder, the opportunity to vote for or against the following resolution:

RESOLVED, that the stockholders of Broadway Financial Corporation approve the compensation of executive officers as described in the executive compensation tables and the related disclosure contained in the Proxy Statement.

Because your vote is advisory, it will not be binding upon the Board and may not be construed as overruling any decision by the Board or the Company's Compensation/Benefits Committee. However, the Compensation/Benefits Committee may, in its sole discretion, take into account the outcome of the stockholders' vote when considering future executive compensation arrangements.

We believe that our compensation policies and procedures are aligned with the long-term interests of our stockholders and that our commitment to responsible compensation practices justifies a vote by stockholders FOR the resolution approving the compensation of our executive officers as disclosed in this Proxy Statement.

**The Board of Directors unanimously recommends that you vote FOR
the proposal to approve the Company's compensation of executive officers.**
