Common Stock

We have adopted a dividend reinvestment and direct stock purchase plan to provide both existing shareholders and interested new investors a convenient and cost-effective method to purchase shares of our common stock. You may begin participating in our plan by completing a plan enrollment form and returning it to Registrar and Transfer Company, our plan administrator. Our common stock is listed on the New York Stock Exchange under the symbol FNB. If you are currently participating in our plan, you do not need to take any action.

Some of the significant features of our plan are as follows:

If you are not an existing shareholder, you may enroll in our plan by making an initial cash purchase of our common stock of between \$1,000 and \$25,000.

If you are a shareholder, you can participate in our plan by either making an initial cash investment of between \$1,000 and \$25,000 or enrolling at least 50 shares of our common stock in our plan.

Once enrolled in our plan, you may purchase additional shares of common stock by automatically reinvesting all or any portion of the cash dividends paid on our common stock.

You may also purchase additional shares of common stock by making cash purchases of at least \$50 at any one time, up to \$25,000 per month.

You may also make automatic monthly investments by authorizing electronic funds to be transferred from your bank account. You may make an electronic fund transfer for as little as \$50 per month, up to \$25,000 per month.

Your purchase of shares of our common stock will be free of brokerage fees, commissions or charges. We will bear the expenses for any open market purchases.

The purchase price of any shares purchased directly from us under our plan will be the average of the high and low trading prices for our common stock quoted on the New York Stock Exchange on the day of purchase. The purchase price of any shares purchased in the open market will be the weighted average price per share for the purchase order in which the shares are purchased.

Participation in our plan is entirely voluntary, and you may terminate your participation at any time. If you do not choose to participate in our plan, you will continue to receive cash dividends, as declared, in the usual manner.

This prospectus is for offers and sales made under our plan on and after March 16, 2012.

Investing in our common stock involves risks. Before buying our common stock, you should refer to the risk factors in our periodic reports, in any prospectus supplement hereto and in other information that we file with the Securities and Exchange Commission. See Risk Factors on page 1.

Enrollment

If you meet the requirements outlined below, you are eligible to participate in our plan, whether or not you presently own any shares of our common stock. If you live outside the United States, you should determine whether there are any governmental regulations that would prohibit your participation in our plan.

If you do not currently own any shares of our common stock, you can join our plan by making an initial investment of between \$1,000 and \$25,000. You can join our plan by returning a completed enrollment form to Registrar and Transfer Company along with your check payable to Registrar and Transfer Company. Registrar and Transfer Company will arrange for an independent broker to purchase shares for your account in the open market or directly from us, and we will pay any sales commissions for you with respect to such purchases. Your account will be established and initial shares will be purchased for you within five business days after Registrar and Transfer Company's receipt of your enrollment form and initial investment. You will not receive any interest on amounts held pending investment. See [Purchase of Shares Through the Plan](#) on page 5 and [Independent Broker](#) on page 8.

Table of Contents

If you already own shares of our common stock and the shares are registered in your name, you may join our plan by returning a completed enrollment form to Registrar and Transfer Company and either making an initial cash investment of between \$1,000 and \$25,000 or enrolling at least 50 shares of our common stock in our plan.

We may also approve initial cash investments in excess of \$25,000 as described herein.

If you already own shares of our common stock and the shares are held in street name through a brokerage, bank or other intermediary account, you may be able to arrange for your shares of our common stock to be included in our plan. You should consult directly with the entity holding your shares to determine the manner in which that entity is able to include your shares in our plan. If this inclusion is not possible, you will need to request that the entity holding your shares arrange to have some or all of your stock registered in your name and submit an enrollment form to Registrar and Transfer Company requesting that the stock be transferred to our plan. Enrollment requires a minimum of 50 shares of our common stock.

Our eligible employees not currently enrolled in our plan may enroll in our plan by completing the enrollment form and, if they wish to make purchases through payroll deduction by signing an authorization form and returning the forms to Human Resources at the affiliate with which they are employed. Participation by employee participants electing the payroll deduction option will begin on the first payroll date after Human Resources has received the completed forms. Our employees may also participate without payroll deduction by forwarding an initial payment of at least \$50 along with their enrollment form.

Investment Options

Once enrolled in our plan, you will have the following options for acquiring additional shares of our common stock through our plan:

Dividend Reinvestment. You may choose to reinvest all or a portion of the cash dividends paid on the shares in your plan account toward the purchase of additional shares of our common stock. You may change your dividend reinvestment election at any time, except between the record and payment dates for a dividend, by notifying Registrar and Transfer Company. For a particular dividend to be reinvested, your notification must be received prior to the record date for that dividend (the record date is normally two weeks prior to the dividend payment date).

If you elect to reinvest your dividends, you may choose to reinvest all of your cash dividends or a portion of your cash dividends. If you choose to reinvest less than all of your dividends, you must elect on our plan enrollment form to reinvest dividends based on the number of whole shares you specify (minimum of 50 shares), and receive a cash dividend payment on all remaining shares. This option allows you to receive an increasing amount of cash each quarter, assuming that the dividend paid by us remains the same for each quarter.

Table of Contents

You may have all of your cash dividends remitted to you by check, via U.S. Mail, or by automatic deposit to your bank account.

Optional Cash Investments. You can make your initial purchase of shares of our common stock to enroll in our plan or purchase additional shares of our common stock by using our plan's optional cash investment feature. Once enrolled in the plan, you may make additional investments of at least \$50 at any one time, up to \$25,000 per month, unless we waive this limit. Interest will not be paid on amounts held pending investment. You may make your optional cash investments by either of the following three methods:

By Automatic Withdrawal from your Bank Account. If you wish to make regular purchases, you may authorize an automatic withdrawal from your bank account by completing the appropriate part of the enrollment form. This feature enables you to make ongoing investments without writing a check. You may elect to have funds automatically deducted from your account on a monthly basis on the first day of the month. If one of these dates falls on a bank holiday or weekend, funds will be deducted on the next business day. Please allow four to six weeks for the first automatic withdrawal to be initiated. You must notify Registrar and Transfer Company in writing to change or terminate automatic withdrawal.

By Check. You may make optional cash purchases at any time by sending a personal check in the amount of at least \$50 drawn on a U.S. bank and payable in U.S. dollars to Registrar and Transfer Company. Optional cash purchases must be in U.S. dollars, and checks must be drawn on a U.S. financial institution. Do not send cash. To facilitate processing of your purchase order, please use the transaction stub located on the bottom of your statement. Mail your payment and transaction stub to the address specified on the statement. If you do not have the transaction stub, you may send your payment to Registrar and Transfer Company accompanied by a letter of instruction which includes all required information. You may not sell or withdraw shares purchased by check for a period of 14 days from the date Registrar and Transfer Company receives your check.

By Payroll Deduction (Eligible Employees of F.N.B. Corporation or its Affiliates only). The minimum contribution amounts described in this prospectus under the subheading entitled "Enrollment" (see page 2) are not applicable to contributions made by employee participants through payroll deduction. Our employees and employees of our affiliates may elect to make regular purchases under our plan by authorizing an automatic deduction from their paychecks. The minimum payroll deduction permitted is \$10 per pay period, and payroll deductions may be authorized in any amount in excess of the \$10 minimum deduction so long as it is a multiple of \$5. However, employee participants who elect to make optional cash

Table of Contents

purchases, but do not elect payroll deduction, are subject to the minimum and maximum contribution amounts applicable to plan participants generally as described in this prospectus under the subheading entitled Enrollment (see page 2). An employee participant may increase or decrease the amount of or discontinue his or her authorized payroll deduction at any time by completing and signing the appropriate form and returning it to Human Resources.

Waiver of Limitations. You may make initial cash payments and optional cash payments in excess of \$25,000 per month only pursuant to our written waiver of limitation for the total amount submitted. A copy of our written approval must accompany cash payments to which this limitation applies. You may direct requests for waiver of the \$25,000 limitation (a Request for Waiver) and other questions concerning waivers to Registrar and Transfer Company, Dividend Reinvestment Department, P.O. Box 664, Cranford, New Jersey, 07016; telephone: 800-368-5948.

It is solely within our discretion as to whether we will grant, in whole or in part, any waiver of the allowable maximum amounts. In deciding whether to accept or reject a Request for Waiver in whole or in part, we may consider, among other things: (1) our need for additional funds; (2) our desire to obtain such funds through the sale of our common shares as compared to other sources of funds; (3) the purchase price likely to apply to any sale of our common stock; (4) the extent and nature of your participation in our plan; (5) the number of share of common stock you hold of record; (6) the total amount of optional cash investments in excess of \$25,000 for which requests have been submitted; and (7) the order of receipt of the applicable Request for Waiver. If participants submit requests for any investment date for an aggregate amount in excess of the amount that we are willing to accept, we may honor the requests in order of receipt, pro rata or by any other method which we determine to be appropriate.

In general, we will decide whether to approve a submitted Request for Waiver within three business days after our receipt of the request. If you do not receive a response from us in connection with your request, you should assume we have denied your request.

Purchase of Shares Through the Plan

Registrar and Transfer Company will arrange to acquire shares needed to effect purchases under our plan, including both shares purchased upon reinvestment of dividends and shares purchased with optional cash payments, either by using a broker that is not affiliated with us, an independent broker, to effect such purchases in ordinary, open market transactions, or by purchasing the shares directly from F.N.B. You will not receive interest on any amounts pending the investment of such amounts in our common stock.

Table of Contents

All fractional shares purchased through our plan will be calculated to the fourth decimal place and credited to your account in book entry form.

Pricing of Shares Purchased in the Open Market. For any plan shares purchased in the open market, your per share purchase price will be the weighted average price paid for all shares comprising our plan purchase order that included your shares. The independent broker will use its discretion to execute purchase orders in open market transactions so as to achieve best execution for each aggregate plan order. For this purpose, the independent broker may fill each aggregate plan order in more than one trade or on more than one day. We will pay on your behalf commissions and other fees incurred by our plan for such purchases, but the payments will constitute income to you for income tax purposes.

Pricing of Shares Purchased Directly from Us. For any plan shares purchased directly from us, your purchase price per share will be the average of the high and low trading prices of our common stock quoted on the New York Stock Exchange on the day the shares are purchased. For quarterly reinvestment of dividends, your price per share will be the average of the high and low trading prices of our common stock quoted on the New York Stock Exchange on the dividend payment date. If our common stock does not trade on the New York Stock Exchange on the day on which the shares are to be priced, then we will determine the price per share on the basis of such market quotations as we consider appropriate.

In order to realize more efficient execution of purchase orders, Registrar and Transfer Company may hold any funds received from dividends on shares held in our plan for reinvestment and/or as funds received as initial or optional cash investments, except for employee payroll deductions, for a period of up to five business days and combine these funds into a single purchase order. Except for employee payroll deductions, no funds will be held by Registrar and Transfer Company for more than five business days prior to arranging for shares to be purchased with the funds, although, depending on the volume of orders received, Registrar and Transfer Company may complete such combined purchase order as frequently as daily. If shares are purchased for your plan account through such a combined purchase order, your per share purchase price will be determined as the weighted average purchase price for all shares included in the combined purchase order. Funds from employee payroll deductions will be combined to purchase shares once per month, usually on the date corresponding to the mid-month payroll day.

Shares purchased pursuant to any Request for Waiver may be purchased directly from us or through open market purchases and will be priced in the manner described above under Pricing of Shares Purchased in the Open Market on page 6 or Pricing of Shares Purchased Directly From Us on page 6, as is applicable.

Table of Contents

Sale of Shares Held Under the Plan

You may sell any number of shares held in your plan account, provided that you maintain the minimum required balance, in either of two ways. First, you may withdraw shares from the plan and arrange for the sale of the shares through a broker-dealer of your choice. See *Issuance of Certificates/Withdrawal from Plan* on page 10. Second, you may request that Registrar and Transfer Company arrange for the sale of your shares. See *Independent Broker* on page 8. Sale of your shares through Registrar and Transfer Company requires your payment of a transaction fee, and any applicable brokerage commission. See *Plan Service Fees* on page 10.

In order to execute sale orders more efficiently, Registrar and Transfer Company may aggregate all sale orders received over any five business day period into one combined sale order. In no event will Registrar and Transfer Company wait more than five business days to effect your sale order. If an independent broker is used to effect a sale order, the independent broker will use its discretion to achieve best execution. For this purpose, the independent broker may sell each combined sale order in more than one trade or in a series of trades on more than one trading day. The per share sales price for shares sold for you as part of a combined sale order will be the weighted average price obtained for all shares sold in the combined sale order in which your shares were sold.

For any sale of your plan shares through Registrar and Transfer Company, you will receive your portion of the proceeds of the sale less a sales transaction fee and applicable brokerage commission, and any required tax withholdings. See *Plan Service Fees* on page 10 and *U.S. Federal Income Tax Information* on page 13.

Please note that if you do not purchase shares in our plan by automatic withdrawal or payroll deduction and your total holdings in our plan fall below a minimum number of shares as established by Registrar and Transfer Company from time to time, Registrar and Transfer Company may in its sole discretion liquidate the balance of shares in your plan account and pay the proceeds to you, less any applicable fees, and close your plan account.

Timing and Control

Because Registrar and Transfer Company will purchase or sell the shares on behalf of our plan, you will not have the authority or power to control the timing or pricing of these transactions. Therefore, you will bear the market risk associated with fluctuations in the price of our common stock. In other words, when you send in funds to purchase or a request to sell shares, the market price of our common stock may go down or up between the time you send in your order and the time your transaction is completed.

Table of Contents

Independent Broker

At our discretion, purchases and sales of shares of our common stock for plan participants will be effected either through a direct purchase from, or sale to, us or by an independent broker appointed by Registrar and Transfer Company.

When Registrar and Transfer Company effects purchases or sales of shares for the accounts of plan participants by an independent broker, the independent broker will purchase or sell all such shares in ordinary, open market transactions over the New York Stock Exchange. Neither we nor Registrar and Transfer Company nor any of our other affiliates may exercise any control over any of the following aspects of transactions effected through an independent broker:

the number of shares to be purchased or sold for our plan by the independent broker, which number will be determined by the independent broker based on the number of shares required to fund dividend reinvestment for participants or optional cash purchases by plan participants since the most recent purchase of shares by the independent broker for plan participants or otherwise to complete sale orders requested by Registrar and Transfer Company;

the price at which shares are purchased or sold;

the timing of purchases or sales, except for our plan provisions requiring purchases or sales to occur within five business days, in the case of purchases to fund dividend reinvestment, on each dividend date, or in the case of purchases made through employee payroll deductions;

the manner in which shares are purchased; or

the selection of any broker or dealer, other than the independent broker, through which purchases or sales may be effected.

Safekeeping of Your Stock Certificates and Book Entry

Shares of our common stock purchased for your account under our plan will be maintained in your plan account in book entry form. This means you will not receive a stock certificate; rather a record of your ownership position will be maintained by computer or other electronic media. Certificates for shares held in book entry form under our plan will be issued only upon written request to Registrar and Transfer Company. See Issuance of Certificates/Withdrawal from Plan on page 10. You will receive a quarterly statement detailing the status of your holdings. For more information, see Tracking Your Investments on page 11.

Table of Contents

In addition, you may use the plan's safekeeping service (book entry form) to deposit your existing F.N.B. common stock certificates at no cost. Safekeeping is beneficial because you greatly reduce the risk and cost associated with the loss, theft or destruction of your stock certificates.

To use the plan's safekeeping service, send your certificates to Registrar and Transfer Company by registered mail with written instructions to deposit them in safekeeping. Do not endorse the certificate or complete the assignment section. Please note that you will bear the full risk of loss in the event your certificates are lost prior to receipt by Registrar and Transfer Company.

Gifts or Transfers of Shares to Another Person's Plan Account

You can give or transfer shares held under your account under our plan to another person's plan account by any of the following methods:

making an initial cash investment of between \$1,000 and \$25,000 or transfer at least 50 shares of our common stock from your plan account to a plan account established in the recipient's name; or

submitting an optional cash investment on behalf of an existing participant in our plan in an amount not less than \$50 per investment, and not exceeding \$25,000 per month; or

authorizing an automatic withdrawal from your bank account of a specified amount of between \$1,000 and \$25,000 initially and \$50 at any one time subsequently to be contributed to the recipient's plan account.

The transfer of shares to another person's plan account is subject to compliance with any applicable laws. To effect such a transfer, you must execute a stock assignment form, have your signature guaranteed by a financial institution participating in the Medallion Guarantee Program and return the stock assignment form to Registrar and Transfer Company. The Medallion Guarantee Program ensures that the individual signing the certificate or initiating the instruction is in fact the registered owner of the shares. You may obtain a stock assignment form from Registrar and Transfer Company. If the person to whom the shares are gifted or transferred is not a plan participant, Registrar and Transfer Company will open an account for the person and enroll him or her in our plan upon receipt of a completed enrollment form.

You may not pledge or grant a security interest in plan shares unless certificates representing the shares have been issued to you by Registrar and Transfer Company.

If you need additional assistance, please call Registrar and Transfer Company at 800-368-5948.

Table of Contents

Issuance of Certificates/Withdrawal from Plan

You can withdraw all or some of the shares from your plan account by notifying Registrar and Transfer Company in writing. Certificates will be issued for whole shares only unless you instruct Registrar and Transfer Company to leave your shares in book entry. In the event your request involves withdrawal of a fractional share, a check for the value of the fractional share as of the date of certification (less any applicable fees) will be mailed to you. You should receive any certificate requested and any accompanying check within two to three weeks of receipt of your request.

Certificates will be issued in the name(s) in which the account is registered unless otherwise instructed. If the certificate is issued in a name other than the name(s) in which your plan account is registered, the signature on the instructions or stock power must be guaranteed by a financial institution participating in the Medallion Guarantee Program, as described under the subheading entitled Gifts or Transfers of Shares to Another Person's Plan Account on page 9.

By enrolling in our plan, you agree that in the event Registrar and Transfer Company purchases shares on your behalf and your payment for the shares fails due to insufficient funds, stop pay order, closed account or other failure, Registrar and Transfer Company may sell any shares held in your plan account in an open market transaction in order to collect the insufficient funds assessment and to recover any transaction costs and losses incurred by Registrar and Transfer Company in purchasing the shares.

Tracking Your Investments

Participants whose account has activity, including dividend reinvestment, purchase or sale of shares or enrollment or withdrawal of shares in any quarter will receive a quarterly statement. If you do not reinvest dividends and your plan account has no activity during any regular quarterly period, you will not receive a quarterly statement until the next regular quarter in which your account has activity. Participants whose account has no activity during the calendar year will receive an annual statement. Statements will list information as to all transactions, including shares purchased, sold, deposited or transferred in previous quarters of the current year plus applicable purchase and sale prices and aggregate shares owned in our plan, for your account including year-to-date and other account information. Additionally, as soon as practicable following an optional cash purchase, sale of shares, gift, transfer or withdrawal of shares, you will receive a detailed confirmation of the transaction.

You are responsible for maintaining your own record of the cost basis of the shares deposited with Registrar and Transfer Company or purchased through our plan. Accordingly, we urge you to retain your account statements to establish the cost basis of shares purchased under our plan for income tax and other purposes. See U.S. Federal Income Tax Information on page 13.

You should notify Registrar and Transfer Company promptly in writing of any change in your name or address since Registrar and Transfer Company will mail all notices, account statements and reports to you at your address of record.

Stock Splits, Stock Dividends and Other Distributions

In the event we pay dividends in shares of our common stock, or if we distribute our common stock in connection with any stock split or similar transaction, your plan account will be adjusted to reflect the receipt of our common stock so paid or distributed.

Table of Contents

Voting of Proxies

Prior to any meeting of our shareholders, we will provide to you proxy materials, including voting instructions, which will allow you to vote by proxy all of the shares for which you hold certificates and the shares, whole and fractional, held in your plan account.

Limitation of Liability

Neither we nor Registrar and Transfer Company nor any independent broker appointed to effect purchases or sales under our plan will be liable for any act or for any omission to act except in the case of willful misconduct or gross negligence. This includes, without limitation, any claims of liability for:

failure to terminate your account upon your death prior to receiving written notice of such death; or

the prices at which or dates on which any plan transactions take place; or

any fluctuation in the market value of our common stock before or after your sale or purchase order to Registrar and Transfer Company is completed.

Neither we nor Registrar and Transfer Company can assure you a profit or protect you against a loss on the shares you purchase or sell under our plan.

Plan Modification or Termination

We reserve the right to change any administrative procedures of our plan at any time. We also reserve the right to amend, modify, suspend or terminate our plan at any time. You will receive notice of any such suspension, modification or termination.

Change of Eligibility; Termination of Participation

We reserve the right to deny, suspend or terminate your participation in our plan if we determine, in our sole discretion, that you are using our plan for purposes inconsistent with the intended purpose of our plan. In such event, Registrar and Transfer Company will notify you in writing and will continue to safekeep your shares but will no longer accept cash investments or reinvest your dividends. Registrar and Transfer Company will issue to you upon written request a stock certificate evidencing your plan shares.

Table of Contents

U.S. FEDERAL INCOME TAX INFORMATION

The following is a summary of certain U.S. federal income tax considerations of participation in our plan. This summary is based on provisions of the federal income tax laws as in effect on the date of this Prospectus, which are subject to change, possibly with retroactive effect. This discussion does not purport to be complete or to deal with all aspects of federal income taxation that may be relevant to participants in light of their particular circumstances or who are subject to special rules, such as banks, thrift institutions and certain other financial institutions, real estate investment trusts, regulated investment companies, insurance companies, brokers and dealers in securities or currencies, certain securities traders, tax-exempt investors, individual retirement accounts, certain tax-deferred accounts and foreign investors. This summary is not binding on the Internal Revenue Service (IRS) and no ruling has been or will be sought from the IRS regarding the tax consequences of participation in our plan. Participants are urged to consult their own tax or financial advisors with respect to the U.S. federal, state, local and foreign tax consequences of participation in our plan. Unless otherwise noted, this discussion assumes that participants are U.S. persons and hold shares as capital assets.

Dividend Income and Tax Basis for Participating Shareholders

Reinvested Cash Dividends. Dividends on your shares of our common stock, even though reinvested in shares of our common stock under our plan and therefore not paid in cash to you, are nonetheless taxable for federal income tax purposes. If you receive shares that are issued directly by us through reinvestment of dividends under our plan, you will be treated as receiving a distribution equal to the fair market value of such shares, calculated as of the date when the shares are credited to your account. If you receive shares that were purchased in the open market, you will be treated as receiving a distribution equal to the amount of the cash dividend that you could have received if you had not participated in our plan. We will pay on your behalf commissions and other fees incurred by our plan for such purchases, but such payments will be treated as a distribution to you and will constitute income to you for income tax purposes. See *Purchase of Shares Through the Plan* on page 5. Your tax basis of such shares will be equal to the amount of the distribution you are treated as receiving. Participants will receive an IRS Form 1099-DIV indicating the amount of dividends paid or constructively paid during the year, whether or not the dividends are reinvested, shortly after year-end.

Optional Cash Payments. The purchase of shares with optional cash payments generally will not result in taxable income to a participant in our plan. However, in the case of shares purchased in the open market, you will be treated for federal income tax purposes as having received a dividend distribution in an amount equal to any brokerage commissions paid by us to obtain those shares. If you acquire shares with optional cash payments, the tax basis of shares purchased with optional cash payments will be equal to the amount of the optional payment that you made, increased by any brokerage commissions treated as dividend income to you. See *Optional Cash Investments* on page 4.

Table of Contents

You should consult your tax advisor regarding the tax consequences of account transactions based upon your particular circumstances. In addition, employee participants holding restricted shares issued under any of our benefit plans imposing vesting, holding period or other restrictions on shares issued under such plan should refer to the prospectus relating to the applicable Stock Plan for a discussion of the tax consequences of ownership of and transactions with respect to such shares.

Holding Period

The holding period for common stock purchased through dividend reinvestment or optional cash payments generally begins on the date following the day on which the shares are credited to your account.

Sale of Shares

Participants will generally recognize gain or loss when shares acquired under our plan (including fractions of a share) are sold at their request through the Plan Administrator or are sold after withdrawal from or termination of our plan. The amount of such gain or loss will be the difference between: (1) the amount that the participant received for the shares (or fraction of a share) and (2) the tax basis thereof.

Dividend Withholding

Dividends on participants' shares and proceeds from the sale of shares held in our plan generally will be subject to backup withholding tax (currently at a rate of 28%) unless a participant provides a properly completed IRS Form W-9 to the Plan Administrator. Only the amount of dividends net of any withholding tax will be available for reinvestment under our plan. Any amount withheld as backup withholding tax will be allowable as a refund or credit against a participant's U.S. federal income tax liability. Dividends paid on shares held in our plan for participants who are non-resident aliens or non-U.S. corporations, partnerships or other entities generally are subject to a withholding tax (currently at a rate of 30%). The withholding tax may be reduced or eliminated by treaty between the U.S. and the country in which the participant resides, if the participant provides appropriate documentation to claim the benefit of the treaty. Only the amount of dividends net of any withholding tax will be available for reinvestment under our Plan.

USE OF PROCEEDS

Any proceeds to us from the sale of shares of common stock pursuant to our plan will be used for general corporate purposes, including investments in and advances to our subsidiaries. We will not receive any proceeds in connection with shares acquired for our plan through open market purchases.

Table of Contents

PLAN OF DISTRIBUTION

Registrar and Transfer Company will arrange to acquire shares needed to effect purchases under our plan (including both shares purchased upon reinvestment of dividends and shares purchased with optional cash payments) either by using the independent broker to effect such purchases in ordinary, open market transactions, or by purchasing the shares directly from us. Our only efforts to solicit purchases under our plan will be to mail this prospectus to our shareholders and respond to any requests made by our shareholders or others regarding participation in our plan.

Persons who acquire shares of our common stock through our plan and resell them shortly after acquiring them, including coverage of short positions, under some circumstances, may be participating in a distribution of securities that would require compliance with Regulation M under the Securities Exchange Act of 1934, or the Exchange Act, and may be considered to be underwriters within the meaning of the Securities Act of 1933, or the Act. We will not extend to this person any rights or privileges other than those to which such person would be entitled as a participant, nor will we enter into any agreement with the person regarding the person's purchase of the shares or any resale or distribution thereof.

We may approve requests for optional cash purchases in excess of allowable maximum limitations. If participants submit requests for any investment date for an aggregate amount in excess of the amount that we are willing to accept, we may honor the requests in order of receipt, pro rata or by any other method which we determine to be appropriate.

We will pay any and all brokerage commissions and related expenses incurred in connection with purchases of our common stock under our plan. In connection with any sale of plan shares by a participant through the independent broker under our plan, a participant will receive the proceeds of that sale less a brokerage commission, any required tax withholdings or transfer taxes, and the transaction fee. See **Independent Broker** on page 8 and **Plan Service Fees** on page 10.

Item 15. Indemnification of Directors and Officers.

The Florida Business Corporations Act, as amended (the "FBCA"), provides that, in general, a business corporation may indemnify any person who is or was a party to any proceeding, other than an action by, or in the right of, the corporation, by reason of the fact that he or she is or was a director or officer of the corporation, against liability incurred in connection with such proceeding, including any appeal thereof, provided certain standards are met, including that such officer or director acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, and provided further that, with respect to any criminal action or proceeding, the officer or director had no reasonable cause to believe his or her conduct was unlawful. In the case of proceedings by or in the right of the corporation, the FBCA provides that, in general, a corporation may indemnify any person who was or is a party to any such proceeding by reason of the fact that he or she is or was a director or officer of the corporation against expenses and amounts paid in settlement actually and reasonably incurred in connection with the defense or settlement of such proceeding, including any appeal thereof, provided that such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, except that no indemnification shall be made with respect to any claim as to which such person is adjudged liable, unless a court of competent jurisdiction determines upon application that such person is fairly and reasonably entitled to indemnity. To the extent that any officer or director is successful on the merits or otherwise in the defense of any of such proceedings, the FBCA requires that the corporation indemnify such officer or director against expenses actually and reasonably incurred in connection therewith. However, the FBCA further provides that, in general, indemnification or advancement of expenses shall not be made to or on behalf of any officer or director if a judgment or other final adjudication establishes that his or her actions, or omissions to act, were material to the cause of action so adjudicated and constitute: (i) a violation of the criminal law, unless the director or officer had reasonable cause to believe his or her conduct was lawful or had no reasonable cause to believe it was unlawful; (ii) a transaction from which the director or officer derived an improper personal benefit; (iii) in the case of a director, a circumstance under which the director has voted for or assented to a distribution made in violation of the FBCA or the corporation's articles of incorporation; or (iv) willful misconduct or a conscious disregard for the best interests of the corporation in a proceeding by or in the right of the corporation to procure a judgment in its favor or in a proceeding by or in the right of a shareholder.

The registrant's articles of incorporation provide that the registrant shall indemnify its directors and officers to the fullest extent permitted by law in connection with any actual or threatened action, suit or proceeding, civil, criminal, administrative, investigative or other, whether brought by or in the right of the registrant or otherwise, arising out of the service to the registrant or to another organization at the

Table of Contents

registrant's request, or because of their positions with the registrant. The registrant's articles of incorporation further provide that the registrant may purchase and maintain insurance to protect itself and any such director or officer against any liability, cost or expense asserted against or incurred by him or her with respect to such service, whether or not the registrant would have the power to indemnify him or her against such liability by law or under the provisions of this paragraph.

The registrant's bylaws provide that, to the fullest extent permitted by law, no director of the registrant shall be personally liable for monetary damages for any action taken or any failure to take any action.

Item 17. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b), if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

Table of Contents

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

Table of Contents

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933 each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under Item 15 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
