Item 1.01. Entry into a Material Definitive Agreement.

On May 31, 2012, Atlas Pipeline Partners, L.P. (APL) entered into an amendment to its amended and restated credit agreement (the Credit Agreement) with Wells Fargo Bank, National Association, as administrative agent, Wells Fargo Securities, LLC, as sole lead arranger, and the lenders party thereto, pursuant to which:

APL received additional commitments of \$150 million, resulting in total aggregate commitments of \$600 million;

the maturity date was extended from December 22, 2015 to May 31, 2017;

the Applicable Margin used to determine interest rates has been reduced by 0.50%;

the negative covenants have been revised to (i) permit investments in joint ventures equal to the greater of 20% of Consolidated Net Tangible Assets (as defined in the Credit Agreement) or \$340 million, so long as APL is in pro forma compliance with the financial covenants and has a Minimum Liquidity (as defined in the Credit Agreement) of at least \$50 million, and (ii) increase the general investment basket to 5% of Consolidated Net Tangible Assets;

the definition of Consolidated EBITDA, which is used to calculate financial covenant compliance, has been revised to permit APL to include estimated projected Consolidated EBITDA for the first 12 months following the commencement of commercial operations of a capital expansion project with a cost in excess of \$20 million, net of actual Consolidated EBITDA attributable to such capital expansion project, provided, however, that the projected Consolidated EBITDA from any such projects, in the aggregate, may not be included to the extent such amounts exceed 15% of unadjusted Consolidated EBITDA; and

APL may request additional incremental revolving credit commitments of up to \$200 million.

This summary of the amendment does not purport to be complete and is qualified in its entirety by reference to the amendment, a copy of which is attached hereto as Exhibit 10.1.
