Employment Agreement with Eric A. Cohen

On June 6, 2012, Power Solutions International, Inc. (the Company) and one of its subsidiaries entered into an employment agreement (the Employment Agreement) with Eric A. Cohen, the Company's Chief Operating Officer, that finalized the terms of his employment with the Company. The Employment Agreement expires on April 1, 2016; however, it automatically renews for an additional one-year period unless either the Company or Mr. Cohen notifies the other party in writing of the intention not to renew the Employment Agreement by no later than January 2, 2016. The Employment Agreement provides for (i) an annual base salary of \$350,000, subject to increase from time to time, and (ii) an annual bonus of up to 100% of Mr. Cohen's base salary, to be paid at the discretion of the Board of Directors of the Company (the Board).

In the event that Mr. Cohen's employment is terminated by the Company without Cause (as defined in the Employment Agreement) during the employment term, he will be entitled to receive, among other things, (i) continued payments of his base salary for 12 months and (ii) an amount equal to the annual bonus earned by Mr. Cohen in the prior period, pro rated for the number of calendar days of the current period during which Mr. Cohen was employed by the Company or its subsidiaries. The Employment Agreement also restricts Mr. Cohen from competing with the Company during the term of the agreement and for 18 months after termination of his employment with the Company, and restricts Mr. Cohen from soliciting the Company's customers or employees during the term of the agreement and for 24 months after termination of his employment with the Company.

The Employment Agreement is attached to this Current Report on Form 8-K as Exhibit 10.1 and is incorporated herein by reference. The foregoing summary of the Employment Agreement is qualified in its entirety by the complete text of the Employment Agreement filed herewith.

SAR Award to Eric A. Cohen under new 2012 Incentive Compensation Plan

As contemplated by the Employment Agreement, on June 6, 2012 (the Grant Date), the Company granted a stock appreciation right (SAR) to Mr. Cohen pursuant to the Company's newly adopted 2012 Incentive Compensation Plan (the Plan), which has been adopted by the Board and is discussed further below. The award of the SAR was approved by the newly-formed Compensation Committee of the Board (discussed below), and the terms of the SAR are set forth in a Stock Appreciation Rights Agreement with Mr. Cohen (the Award Agreement), dated as of the Grant Date. The SAR provides Mr. Cohen the right to receive, upon exercise, shares of the Company's common stock, par value \$0.001 per share (the Common Stock), based upon the appreciation in market value (determined as provided in the Award Agreement) of the shares of Common Stock covered by the SAR above a strike price of \$22.07 per share. That strike price, when multiplied by the number of shares of Common Stock outstanding as of the Grant Date, results in an aggregate equity valuation of the Company of approximately \$200 million. Accordingly, the SAR is designed to compensate Mr. Cohen only to the extent that the total market value of the shares of Common Stock that are currently outstanding exceeds \$200 million.

The SAR covers an aggregate of 543,872 shares of Common Stock and is to be settled only in whole shares of Common Stock. It will vest and become exercisable with respect to one third of the covered shares on each of the first three anniversaries of the Grant Date. However, it will not become exercisable (and accordingly no shares of Common Stock will be issued thereunder) until the date that is the later of (a) the date the Company's stockholders approve the 2012 Plan and (b) the last of any seven Valuation Dates (as defined in the Award Agreement) within any period of ten or fewer Valuation Dates that commence after May 30, 2012 and prior to May 30, 2022, on each of which the market value per share of Common Stock (determined as provided in the Award Agreement) is at least \$22.07. The SAR expires on May 30, 2022.

As noted above, the SAR was granted to Mr. Cohen pursuant to the 2012 Plan. The Board approved and adopted the 2012 Plan on May 30, 2012, and resolved to submit the 2012 Plan for approval at the Company's 2012 annual meeting of stockholders. Under the 2012 Plan, 830,925 shares of Common Stock that were repurchased by the Company and are currently held in treasury are available for awards pursuant to the 2012 Plan. The 2012 Plan is administered by the newly-established Compensation Committee of the Board, which consists only of independent, non-employee directors. The current members of the Compensation Committee are H. Samuel Greenawalt, Jay J. Hansen and Mary E. Vogt, with Mr. Hansen serving as Chair. No shares of Common Stock may be issued, nor may any cash payments be made, under the 2012 Plan unless and until the Company's stockholders have approved the 2012 Plan.

The 2012 Plan is a broad-based plan which allows for a variety of different types of awards, including non-qualified options, incentive stock options, SARs, restricted stock, deferred stock and performance units, to be made to the Company's executive officers, employees, consultants and directors. A more complete description of the terms of the 2012 Plan will be contained in the Company's proxy statement for the Company's

2012 annual meeting of stockholders.

The SAR was granted to Mr. Cohen in a privately negotiated transaction that did not involve a general solicitation. Accordingly, the Company relied upon the exemption from registration provided by Section 4(2) of the Securities Act of 1933.

The Award Agreement and the 2012 Plan are attached to this Current Report on Form 8-K as Exhibit 10.2 and 10.3, respectively, and are incorporated herein by reference. The foregoing description of the SAR granted to Mr. Cohen, the Award Agreement and the 2012 Plan are qualified in their entirety by the complete text of the Award Agreement and the 2012 Plan filed herewith.
