**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On June 8, 2012, Charles J. Neral accepted the offer of SunGard Data Systems Inc. (the Company) to serve as chief financial officer effective July 2, 2012. Mr. Neral will succeed Robert F. Woods, who will resign from his position as chief financial officer of the Company effective as of July 1, 2012.

Mr. Neral brings to the Company more than three decades of technology industry leadership in software, finance and operations. Most recently, Mr. Neral, age 53, was chief financial officer of SafeNet, a cyber-security company, from 2009 to 2012. Previously, from 2004 to 2009, he served as vice president of finance for IBM's worldwide software business, which grew to over \$20 billion during his tenure. From 1981 to 2004, Mr. Neral served in a variety of financial roles across IBM's Sales, Server and Global Services organizations, including executive roles in Asia Pacific and at IBM corporate headquarters.

The Company entered into a definitive employment agreement with Mr. Neral with an effective date of July 2, 2012 (the Effective Date). The terms include the following:

A term through July 2, 2014, with one-year renewals automatically effective one year before expiration, unless terminated on one year's advance notice.

An annual base salary of \$500,000, subject to review periodically for appropriate increases by the CEO or the Compensation Committee of the Board of Directors pursuant to the Company's normal performance review policies for senior level executives.

The opportunity to participate in all short- and long-term incentive programs established by the Company for senior level executives, with an annual 2012 cash bonus of no less than the target amount of \$500,000, pro rated for the time that Mr. Neral is employed by the Company during 2012.

A sign-on bonus of \$100,000 to be paid within 30 days after the Effective Date.

Employee benefits consistent with those made available to the Company's senior level executives.

Relocation benefits up to a maximum of \$100,000 consistent with the Company's relocation policy for reasonable expenses incurred in connection with Mr. Neral's relocation to the Wayne, PA area and temporary living expenses for six months, with all such expense reimbursement to include a tax gross-up.

Subject to the terms and conditions of the Company's equity plan and applicable grant agreements:

An equity grant of restricted stock units (RSUs) valued at approximately \$2,500,000 on date of grant, which will vest 100% on the first anniversary of the Effective Date, provided that if Mr. Neral's employment terminates before such anniversary for any reason other than cause or his resignation without good reason, the RSUs shall vest immediately before his termination of employment.

A second equity grant of RSUs valued at approximately \$3,000,000 on date of grant (the Second Grant), which will vest over four years after the Effective Date and consist of RSUs with 50% subject to time vesting (28% vesting on the first anniversary of the Effective Date and the remaining 72% vesting in equal monthly installments over the remaining 36 months) and 50% subject to performance vesting (25% vesting annually from 2012 through 2015 based upon consolidated company EBITA performance each year). The Second Grant will include the following change in control protections:

Edgar Filing: SUNGARD DATA SYSTEMS INC - Form 8-K

If a Change of Control (as defined in the employment agreement) occurs after July 2, 2014, such grant will become fully vested and exercisable (i) on the date of termination of employment if Mr. Neral's employment is terminated by the

Company without cause or by Mr. Neral for Good Reason (as defined in the employment agreement) and such termination occurs on or within 18 months following the Change of Control or (ii) on the date of the Change of Control if an In Contemplation Termination has occurred. An In Contemplation Termination is a termination of Mr. Neral's employment without cause or for Good Reason within six months prior to a Change of Control if such termination of employment is in contemplation of the Change of Control.

If the Change of Control occurs during the employment term prior to July 2, 2014, then only 50% of the unvested Second Grant will vest and become exercisable upon (i) Mr. Neral's termination of employment by the Company without cause or by Mr. Neral for Good Reason if such termination occurs on or within 18 months following the Change of Control or (ii) the date of the Change of Control if an In Contemplation Termination occurred, and the balance of the unvested portion of the Second Grant shall be terminated.

The right to receive certain severance payments and benefits upon certain terminations. If Mr. Neral's employment is terminated by the Company without cause or Mr. Neral resigns for Good Reason, the Company will pay him (i) a lump sum cash payment equal the sum of his annual base salary plus target incentive bonus; (ii) a pro rated annual bonus for the year in which the termination occurs; (iii) a lump sum cash payment equal to the cost of continued medical, dental and vision coverage for Mr. Neral and as applicable his spouse and dependents for one year following the date of termination at subsidized employee rates, which payment will include a tax gross up, and (iv) other amounts earned, accrued or owing but not yet paid (collectively, the Accrued Amounts). If Mr. Neral's employment is terminated by the Company for cause or Mr. Neral resigns without good reason, he will be entitled to only the Accrued Amounts. If Mr. Neral's employment is terminated on account of his death or disability, he (or his beneficiaries or estate, as applicable) will be entitled to the Accrued Amounts and a pro rated bonus for the year in which the termination of employment occurs.

Certain restrictive covenants (noncompetition, confidentiality and nonsolicitation). Mr. Neral is bound by the noncompetition and nonsolicitation covenants for one year following the termination date.
