**Item 1.01. Entry into a Material Definitive Agreement.**

As reported on the Current Report on Form 8-K filed with the Securities and Exchange Commission ( SEC ) on June 26, 2013, as amended by Amendment No.1 on Form 8-K/A filed with the SEC on July 2, 2013 (collectively, the Initial 8-K ), on June 25, 2013, Fidelity National Financial, Inc. ( FNF ) entered into an amendment to amend and restate its existing \$800 million second amended and restated credit agreement (the Existing Credit Agreement ), dated as of April 16, 2012 with Bank of America, N.A., as administrative agent (in such capacity, the Administrative Agent ), the lenders party thereto and the other agents party thereto (the Restated Credit Agreement ). As of July 11, 2013, all of the Lenders under the Restated Credit Agreement have agreed to extend the maturity date of their commitments under the Restated Credit Agreement from April 16, 2016 to July 15, 2018. The Restated Credit Agreement is being attached as Exhibit 10.1 solely for the purpose of reflecting certain technical errors that were corrected in the Restated Credit Agreement discussed on the Initial 8-K. No other changes have been made to the Initial 8-K.

On July 11, 2013, FNF entered into a term loan credit agreement with Bank of America, N.A., as administrative agent (in such capacity, the TL Administrative Agent ), the lenders party thereto and the other agents party thereto (the Term Loan Agreement ). The term loans under the Term Loan Agreement mature on the date that is five years from the funding date of the term loans under the Term Loan Agreement. Term loans under the Term Loan Agreement generally bear interest at a variable rate based on either (i) the base rate (which is the highest of (a) one-half of one percent in excess of the federal funds rate, (b) the TL Administrative Agent s prime rate , or (c) the sum of one percent plus one-month LIBOR) plus a margin of between 50.0 basis points and 100.0 basis points depending on the senior unsecured long-term debt ratings of FNF or (ii) LIBOR plus a margin of between 150.0 basis points and 200.0 basis points depending on the senior unsecured long-term debt ratings of FNF. At the current Moody s and Standard & Poor s senior unsecured long-term debt ratings of Baa3/BBB-, respectively, the applicable margin for revolving loans subject to LIBOR is 175.0 basis points over LIBOR. In addition, FNF will pay an unused commitment fee of 25.0 basis points on the entire term loan facility until the earlier of the termination of the term loan commitments or the funding of the term loans.

Under the Term Loan Agreement, FNF is subject to customary affirmative, negative and financial covenants, including, among other things, limits on the creation of liens, limits on the incurrence of indebtedness, restrictions on investments, dispositions and transactions with affiliates, limitations on dividends and other restricted payments, a minimum net worth and a maximum debt to capitalization ratio. The Term Loan Agreement also includes customary events of default for facilities of this type (with customary grace periods, as applicable) and provides that, if an event of default occurs and is continuing, the interest rate on all outstanding obligations may be increased, payments of all outstanding term loans may be accelerated and/or the lenders commitments may be terminated. In addition, upon the occurrence of certain insolvency or bankruptcy related events of default, all amounts payable under the Term Loan Agreement shall automatically become immediately due and payable, and the lenders commitments will automatically terminate. Under the Term Loan Agreement the financial covenants are the same as under the Restated Credit Agreement.

The Restated Credit Agreement is attached hereto as Exhibit 10.1 and the Term Loan Agreement is attached hereto as Exhibit 10.2 and each is incorporated herein by reference. The foregoing description of the Restated Credit Agreement and the Term Loan Agreement does not purport to be a complete statement of the parties' rights and obligations under the Restated Credit Agreement and the Term Loan Agreement, respectively, and is qualified in its entirety by reference to Exhibits 10.1 and 10.2.
