The following statement was provided by Allergan, Inc. (Allergan or the Company) in response to media inquiries regarding the announcement by Valeant Pharmaceuticals International, Inc. (Valeant) that Valeant has filed a premerger notification under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 (the HSR Act) relating to a transaction with Allergan:

Any attempt to secure regulatory approval is premature because there is no transaction to approve. The HSR filing by Valeant does not change the fact that its proposal substantially undervalues Allergan, creates significant risks and uncertainties for Allergan s stockholders and is not in the best interests of the Company and its stockholders. We are confident Allergan can create significantly more value for stockholders than Valeant s proposal.
