**Item 1.01. Entry into a Material Definitive Agreement.**

On April 6, 2015, Taxus Cardium Pharmaceuticals Group Inc. ( Taxus Cardium ) entered into a term sheet with Dr. Reddy s Laboratories Ltd. (NYSE: RDY) covering the co-development, marketing and sales of the Generx® [Ad5FGF-4] angiogenic microvascular gene therapy Phase 3 product candidate for patients with refractory angina and myocardial ischemia due to cardiac microvascular insufficiency. The terms sheet outlines the principle agreements between the parties and is binding, but is expected to be superseded by a definitive agreement with more detailed terms.

The term sheet grants Dr. Reddy s Laboratories an exclusive license to market and sell Generx® in Russia, the Commonwealth of Independent States (CIS), Venezuela, Vietnam and Myanmar (the Licensed Territories ) for a period of ten years with two five-year renewal options. Dr. Reddy s Laboratories Russian-based business unit currently markets and sells prescription products in Russia. The term sheet grants Dr. Reddy s Laboratories a right of first negotiation for the license rights to market and sell Generx® in up to 32 other countries in Latin America and the Association of Southeast Asian Nations. Taxus Cardium retains full commercialization rights for North America, Europe, Japan, China, the Middle East, and Africa. Taxus Cardium has established a wholly-owned operating unit Angionetics to manage for the worldwide commercialization of the Generx®.

As co-development partner, Dr. Reddy s Laboratories will assist with physician and hospital relationships as well as patient recruitment to accelerate completion of international Phase 3 ASPIRE clinical study in Russia. Dr. Reddy s Laboratories Russian-based business unit markets and sells prescription products through its team of medical representatives and managers who promote the products to physicians across Russia. It has also agreed to assist with product registrations and regulatory compliance with local country health authorities in other jurisdictions in the Licensed Territories. Upon registration of Generx® in Russia, Taxus Cardium and Dr. Reddy s Laboratories have agreed to share costs for a planned Phase 4 post-marketing clinical study, intended to expand the medical indications for which the product can be used.

The term sheet provides for Dr. Reddy s Laboratories to pay upfront licensing fees on execution of the definitive agreement and upon registration of the Generx® product in Russia. Taxus Cardium will retain control over the manufacturing of Generx® and will supply it to Dr. Reddy s Laboratories on a cost-plus basis. Dr. Reddy s will pay to Taxus Cardium royalties on net sales of Generx®, with the percentage varying based on the degree of market penetration for the product in the relevant territory.

Taxus Cardium issued a press release announcing the entry into the term sheet with Dr. Reddy s Laboratories on April 6, 2015. A copy of the press release is attached as Exhibit 99.1 hereto.
