## **Section 1 Registrant's Business and Operations**

### **Item 1.01 Entry into a Material Definitive Agreement.**

On May 4, 2015, in connection with the previously announced spinoff of PPL Corporation's competitive power generation business, PPL Energy Supply, LLC ( "Energy Supply" ) and the combination of that business with the competitive power generation business ( "RJS Power" ) owned by affiliates of Riverstone Holdings LLC to form Talen Energy Corporation, an independent, publicly traded company to be listed on the New York Stock Exchange, Energy Supply entered into a transition services agreement (the "Transition Services Agreement" ) with Topaz Power Management, LP ( "TPM" ). This summary is qualified in its entirety by reference to the Transition Services Agreement, which is included as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

The Transition Services Agreement sets forth the terms and conditions for the provision of certain business administration services (the "Services" ) by TPM to RJS Power, from and following the date on which the spinoff and combination are consummated.

Unless terminated earlier by mutual agreement of TPM and Energy Supply or under other enumerated circumstances, the Transition Services Agreement terminates on the date that the provider is no longer obligated to provide any Service pursuant to the Transition Services Agreement, but in any event no later than on January 31, 2016. In general, the fees for the Services allow TPM to recover its actual cost, with no margin or profit, for the provision of such services, including salary, hourly and overtime pay, bonuses, benefits and all other employee or labor related costs, retention payments for certain employees, overhead costs and taxes.

TPM is not required to provide any services pursuant to the Transition Services Agreement other than the Services.
