**Item 1.01 Entry into a Material Definitive Agreement.**

*Underwriting Agreement*

On September 18, 2015, Parsley Energy, Inc. (the Company) entered into an underwriting agreement (the Underwriting Agreement) with Goldman, Sachs & Co., as representative (the Representative) of the several underwriters named therein (the Underwriters), in connection with an underwritten public offering of 13,000,000 shares of Class A common stock (the Shares). The Company expects the net proceeds from the offering to be approximately \$188.6 million, after deducting estimated fees and expenses. Net proceeds from the offering are expected to be used to repay borrowings outstanding under the Company's revolving credit facility and to fund a portion of its capital program, which may include acquisitions. The issuance and sale of the Shares has been registered under the Securities Act of 1933 (the Securities Act) pursuant to an automatic shelf registration statement on Form S-3 (Registration No. 333-204766) of the Company, filed with and deemed automatically effective by the Securities and Exchange Commission on June 5, 2015. Closing of the issuance and sale of the Shares is scheduled for September 23, 2015. A legal opinion relating to the validity of the Shares is filed herewith as Exhibit 5.1.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company and customary conditions to closing, obligations of the parties and termination provisions. Additionally, the Company has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriters may be required to make because of any of those liabilities. Furthermore, the Company has agreed with the Underwriters not to offer or sell any shares of its Class A common stock (or securities convertible into or exchangeable for Class A common stock), subject to limited exceptions, for a period of 45 days after the date of the Underwriting Agreement without the prior written consent of the Representative.

Certain of the Underwriters or their affiliates have from time to time provided investment banking, commercial banking and financial advisory services to the Company, for which they have received customary compensation. The Underwriters and their affiliates may provide similar services in the future. In addition, from time to time, the Underwriters and their affiliates may effect transactions for their own account or the account of customers, and hold on behalf of themselves or their customers, long or short positions in the Company's debt or equity securities or loans, and may do so in the future.

The foregoing description of the Underwriting Agreement is qualified in its entirety by reference to such Underwriting Agreement, a copy of which is filed herewith as Exhibit 1.1 and is incorporated herein by reference.
