CALCULATION OF REGISTRATION FEE

Title of each class of securities to be registered	Amount to be registered	Proposed maximum offering price per share	Proposed	Amount of registration fee
			maximum aggregate offering price	
Class A Common Stock, \$0.01 par value	157,224,590 shares (1)	N/A	\$8,998,916,149.60 (2)	\$906,190.85 (3)

(1) Represents the maximum number of shares of Marriott International, Inc. (Marriott) Class A Common Stock (Marriott common stock) estimated to be issuable upon the completion of the Combination Transactions (as defined and further described in this joint proxy statement/prospectus), equal to the product of (a) the sum of (i) 168,723,333 shares of Starwood Hotels & Resorts Worldwide, Inc. (Starwood) common stock outstanding on December 18, 2015, and (ii) 2,172,960 shares of Starwood common stock issuable pursuant to the conversion of

SLC Operating Limited Partnership Units and the exercise or settlement of Starwood equity-based awards outstanding on December 18, 2015, that are or may become issuable upon exercise or settlement, as the case may be, before completion of the Combination Transactions and (b) the exchange ratio of 0.920 shares of Marriott common stock for each share of Starwood common stock.

- (2) Calculated pursuant to Rule 457(f)(1) and Rule 457(c) under the Securities Act of 1933, as amended (the Securities Act), solely for the purpose of calculating the registration fee based on the average of the high and low prices for Starwood common stock (the securities to be cancelled in the Combination Transactions) as reported on the New York Stock Exchange on December 18, 2015 (\$66.34 per share), multiplied by the estimated number of shares (157,224,590) that may be exchanged or converted for the securities registered. Pursuant to Rule 457(f)(3) under the Securities Act, the amount of cash that may be payable by Marriott to holders of Starwood common stock has been deducted from the proposed maximum aggregate offering price, which amount of cash was calculated by multiplying (i) the cash consideration of \$2.00 per share of Starwood common stock by (ii) the estimated number of shares (157,224,590) that may be exchanged or converted for the securities registered. The completion of the spin-off of Starwood's Vistana vacation ownership business (Vistana), or, if the spin-off of Vistana and Vistana's subsequent merger with a wholly owned subsidiary of Interval Leisure Group, Inc. is not consummated, the completion of another spin-off, split-off or analogous distribution of Vistana or the sale of Vistana by Starwood, is a condition to the closing of the Combination Transactions. Therefore, \$1,116,913,971, the proposed maximum aggregate offering price in the Form S-4, as amended or supplemented from time to time, filed by Interval Leisure Group, Inc. on December 15, 2015 in connection with its pending acquisition of Vistana, based on the book value of all shares of Vistana common stock to be exchanged in the merger (for which a registration fee has already been paid), has been deducted from the proposed maximum aggregate offering price of securities to be registered by Marriott.
- (3) Calculated by multiplying the estimated aggregate offering price of securities to be registered by Marriott by 0.0001007.

The registrant hereby amends this registration statement on such date or dates as may be necessary to delay its effective date until the registrant shall file a further amendment which specifically states that this registration statement shall thereafter become effective in accordance with Section 8(a) of the Securities Act of 1933 or until the registration statement shall become effective on such date as the Commission acting pursuant to said Section 8(a), may determine.

PRELIMINARY SUBJECT TO COMPLETION DATED DECEMBER 22, 2015

PROPOSED BUSINESS COMBINATION YOUR VOTE IS VERY IMPORTANT

Starwood Hotels & Resorts Worldwide, Inc. (Starwood) and Marriott International, Inc. (Marriott) have entered into an Agreement and Plan of Merger, dated as of November 15, 2015 (the merger agreement), providing for the acquisition of Starwood by Marriott through a series of business combinations (the Combination Transactions). After the completion of the Combination Transactions, Starwood will be an indirect wholly owned subsidiary of Marriott.

If the Combination Transactions are completed, Starwood stockholders will receive 0.920 shares (the exchange ratio) of Marriott Class A Common Stock (Marriott common stock) and \$2.00 in cash, without interest (together with the Marriott common stock to be received by Starwood stockholders, the merger consideration), for each share of Starwood common stock that they own. The exchange ratio is fixed and will not be adjusted to reflect stock price changes before the completion of the Combination Transactions. Based on the closing price of Marriott common stock of \$72.74 on November 13, 2015, the last trading day before public announcement of the merger agreement, the merger consideration represented an implied value of \$68.92 per share of Starwood common stock. Based on the closing price of Marriott common stock of \$ on , 2016, the latest practicable date before the printing of this joint proxy statement/prospectus, the merger consideration represented an implied value of \$ per share of Starwood common stock.

Starwood stockholders will separately receive consideration from the previously announced spin-off of Starwood s vacation ownership business Vistana Signature Enterprises, Inc. (Vistana, such business, the Vistana business and such spin-off, the Vistana spin-off), and Vistana s subsequent merger with a wholly owned subsidiary of Interval Leisure Group, Inc. (ILG and such transactions, the Vistana-ILG transactions). The completion of the Vistana spin-off or, if the Vistana-ILG transactions are not consummated, the completion of another spin-off, split-off or analogous distribution of Vistana or the sale of Vistana by Starwood, is a condition to the closing of the Combination Transactions. Starwood has entered into definitive agreements relating to the Vistana-ILG transactions. Accordingly, Marriott will not acquire Vistana in connection with the Combination Transactions. For more information about Vistana, the Vistana business, the Vistana-ILG transactions and the consideration Starwood stockholders will receive, see the Registration Statement on Form S-4 (registration number 333-208567), as amended or supplemented from time to time, filed with the Securities and Exchange Commission by ILG on December 15, 2015.

The value of the merger consideration will fluctuate with the market price of Marriott common stock. Starwood common stock is currently traded on the New York Stock Exchange (the NYSE) under the symbol HOT and Marriott common stock is currently traded on the NASDAQ Global Select Market (NASDAQ) and the Chicago Stock Exchange under the symbol MAR. **We urge you to obtain current market quotations for Starwood common stock and Marriott common stock before you determine how to vote on the proposals set forth in this joint proxy statement/prospectus.**

Starwood and Marriott will each hold special meetings of their respective stockholders in connection with the proposed Combination Transactions. **Your vote is very important; please submit a proxy to vote your shares as promptly as possible so that your shares may be represented and voted at the Starwood or Marriott special meeting, as applicable. The Starwood board of directors unanimously recommends that Starwood stockholders vote FOR each of the proposals being submitted to a vote of Starwood stockholders at the Starwood special meeting. QUESTIONS AND ANSWERS ABOUT THE COMBINATION TRANSACTIONS AND SPECIAL MEETINGS

The following are brief answers to certain questions that you may have about the proposals being considered at the special meeting of Starwood stockholders, which we refer to as the Starwood special meeting, and the special meeting of Marriott stockholders, which we refer to as the Marriott special meeting. We urge you to read carefully this entire joint proxy statement/prospectus, including its Annexes, and the other documents to which this joint proxy statement/prospectus refers or incorporates by reference, because this section does not provide all of the information that might be important to you. Also see the section entitled Where You Can Find More Information beginning on page 190.

Q: What is the proposed transaction?

A: On November 15, 2015, Marriott, Starwood, Holdco, Starwood Merger Sub, Marriott Corporate Merger Sub and Marriott LLC Merger Sub, entered into the merger agreement, a copy of which is included as Annex A to this joint proxy statement/prospectus. The merger agreement provides that Marriott will combine with Starwood in a series of transactions (the Combination Transactions). After completion of the Combination Transactions, Starwood will be an indirect wholly owned subsidiary of Marriott.

If the Combination Transactions are completed, Starwood stockholders will receive 0.920 shares of Marriott Class A common stock, par value \$0.01 per share (Marriott common stock and such ratio, the exchange ratio) and \$2.00 in cash, without interest, for each share of Starwood common stock, par value \$0.01 per share (Starwood common stock), that they own immediately before the Combination Transactions. The exchange ratio is fixed and will not be adjusted to reflect changes in the price of Starwood common stock or Marriott common stock before the closing of the Combination Transactions.

Starwood stockholders will separately receive consideration from the previously announced spin-off of the Starwood vacation ownership business, Vistana Signature Enterprises, Inc. (Vistana, such business, the Vistana business and such spin-off, the Vistana spin-off), and Vistana's subsequent merger with a wholly owned subsidiary of Interval Leisure Group, Inc. (ILG and such transactions, the Vistana-ILG transactions). The completion of the Vistana spin-off or, if the Vistana-ILG transactions are not consummated, the completion of another spin-off, split-off or analogous distribution of Vistana or the sale of Vistana by Starwood is a condition to the closing of the Combination Transactions. Accordingly, Marriott will not acquire Vistana in connection with the Combination Transactions. For more information about Vistana, the Vistana business, the Vistana-ILG transactions and the consideration to be received by Starwood stockholders, see the Registration Statement on Form S-4 (registration number 333-208567), as amended or supplemented from time to time, filed with the SEC by ILG on December 15, 2015.

Q: Why am I receiving this joint proxy statement/prospectus?

A: You are receiving this joint proxy statement/prospectus because you were a stockholder of record of Starwood or Marriott as of the close of business on the record date for the Starwood special meeting or the Marriott special meeting, respectively.

This joint proxy statement/prospectus serves as the proxy statement through which Starwood and Marriott will solicit proxies to obtain the necessary stockholder approvals for the proposed Combination Transactions. It also serves as the prospectus by which Marriott will issue shares of its common stock as consideration to Starwood stockholders in connection with the Combination Transactions.

In order to complete the Combination Transactions, among other things:

Starwood stockholders must approve the transactions contemplated by the merger agreement, including the Starwood Merger and the Initial Holdco Merger (each as described further herein); and

Marriott stockholders must approve the issuance of shares of Marriott common stock to Starwood stockholders under the merger agreement.

Table of Contents

Starwood and Marriott will hold separate special meetings of their stockholders to obtain these approvals. This joint proxy statement/prospectus, including its Annexes, contains and incorporates by reference important information about Starwood and Marriott, the Combination Transactions and the special meetings of Starwood and Marriott. You should read all the available information carefully and in its entirety.

Your vote is important. We encourage you to vote as soon as possible.

Q: When and where will the special meetings be held?

A: *Starwood Stockholders:* The special meeting of Starwood stockholders will be held at _____, on _____, 2016 at _____, local time.

Marriott Stockholders: The special meeting of Marriott stockholders will be held at the JW Marriott Hotel, 1331 Pennsylvania Avenue, N.W., Washington, D.C. 20004, on _____, 2016 at _____, local time.

Q: Who is entitled to vote at the special meetings?

A: *Starwood Stockholders:* The record date for the Starwood special meeting is _____, 2016. Only holders of record of outstanding shares of Starwood's common stock as of the close of business on the record date are entitled to notice of, and to vote at, the Starwood special meeting or any adjournment or postponement of the Starwood special meeting.

Marriott Stockholders: The record date for the Marriott special meeting is _____, 2016. Only holders of record of outstanding shares of Marriott common stock as of the close of business on the record date are entitled to notice of, and to vote at, the Marriott special meeting or any adjournment or postponement of the Marriott special meeting.

Q: What constitutes a quorum at the special meetings?

A: *Starwood Stockholders:* Stockholders entitled to cast a majority of all the votes entitled to be cast at the Starwood special meeting must be present in person or represented by proxy to constitute a quorum for the transaction of business at the Starwood special meeting. If a quorum is not present, or if fewer shares of Starwood common stock are voted in favor of each proposal than the number required for its approval, the Starwood special meeting may be adjourned (subject to the conditions set forth in the merger agreement) to allow more time for obtaining additional proxies or votes. At any subsequent reconvening of the Starwood special meeting, all proxies will be voted in the same manner as they would have been voted at the original convening of the special meeting, except for any proxies that have been effectively revoked or withdrawn before the subsequent meeting.

Abstentions will be included in the calculation of the number of shares of Starwood common stock represented at the Starwood special meeting for purposes of determining whether a quorum has been achieved. However, broker non-votes will not be included in the calculation of the number of shares of Starwood common stock represented at the Starwood special meeting for purposes of determining whether a quorum has been achieved.

Marriott Stockholders: Stockholders entitled to cast a majority of all the votes entitled to be cast at the Marriott special meeting must be present in person or represented by proxy to constitute a quorum for the transaction of business at the Marriott special meeting. In the absence of a quorum, Marriott stockholders, by a majority of the votes cast at the meeting by Marriott stockholders entitled to vote and present in person or represented by proxy, may adjourn the meeting to another time or place (subject to the conditions set forth in the merger agreement) without further notice other than by announcement at the Marriott special meeting unless the adjournment is for more than 30 days or, if after the adjournment, a new record date is fixed for the adjourned meeting, in which case a notice of the adjourned meeting will be given to each stockholder of record entitled to vote at the meeting. At any such adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the meeting as originally notified.

Table of Contents

Abstentions will be included in the calculation of the number of shares of Marriott common stock represented at the Marriott special meeting for purposes of determining whether a quorum has been achieved. However, broker non-votes will not be included in the calculation of the number of shares of Marriott common stock represented at the special meeting for purposes of determining whether a quorum has been achieved.

Q: How do I vote if I am a stockholder of record?

A: If you are a stockholder of record of Starwood or Marriott as of the close of business on the record date for the applicable special meeting, you may vote in person by attending the applicable special meeting, or, to ensure your shares are represented at the applicable special meeting, you may authorize a proxy to vote by:

accessing the Internet website specified on your proxy card;

calling the toll-free number specified on your proxy card; or

signing and returning your proxy card in the postage-paid envelope provided.

If you hold shares of Starwood common stock or shares of Marriott common stock in street name through a stock brokerage account or through a bank or other nominee, please follow the voting instructions provided by your bank, broker or other nominee to ensure that your shares are represented at the applicable special meeting. If you hold shares through an employee plan provided by Starwood or Marriott, as applicable, please see the question below: How are my employee plan shares voted?

Q: What vote is required to approve each proposal and how are abstentions and broker non-votes treated?

A: *Starwood Stockholders:* The approval of the Starwood combination transactions proposal requires the affirmative vote of the holders of a majority of all outstanding shares of Starwood common stock entitled to vote on the proposal. The approval of the Starwood advisory compensation proposal requires the affirmative vote of a majority of all the votes cast, either in person or represented by proxy, at the Starwood special meeting although such vote will not be binding on Starwood, the Starwood board of directors (Starwood's Board) or Marriott. Failures to vote, votes to abstain and broker non-votes, if any, are treated as follows:

Failures to vote, votes to abstain and broker non-votes, if any, will have the same effect as votes against the Starwood combination transactions proposal.

Failures to vote and broker non-votes, if any, will have no effect on the Starwood advisory compensation proposal. Votes to abstain will have the same effect as votes against the Starwood advisory compensation proposal.

Marriott Stockholders: The approval of the Marriott stock issuance proposal and approval of any vote on the Marriott adjournment proposal each requires the affirmative vote of holders of a majority of the shares of Marriott common stock present in person or represented by proxy at the Marriott special meeting and entitled to vote on the proposal. Votes to abstain will have the same effect as votes against the proposals. Shares held by Marriott stockholders who are not present in person or represented by proxy at the Marriott special meeting and broker non-votes, if any, will have no effect on the outcome of any vote on the Marriott stock issuance proposal or any vote on the Marriott adjournment proposal.

Q: My shares are held in street name by my bank, broker or other nominee. Will my bank, broker or other nominee automatically vote my shares for me?

A: No. If your shares are held in the name of a bank, broker or other nominee, you are considered the beneficial holder of the shares held for you in what is known as street name. You are not the record holder of such shares. If this is the case, this joint proxy statement/prospectus has been forwarded to you by your bank, broker or other nominee. As the beneficial holder, unless your bank, broker or other nominee has

Table of Contents

discretionary authority over your shares, you generally have the right to direct your bank, broker or other nominee as to how to vote your shares. If you do not provide voting instructions, your shares will not be voted on any proposal on which your bank, broker or other nominee does not have discretionary authority. This is often called a broker non-vote.

You should therefore provide your bank, broker or other nominee with instructions as to how to vote your shares of Starwood common stock or Marriott common stock, respectively.

Please follow the voting instructions provided by your bank, broker or other nominee so that it may vote your shares on your behalf. Please note that you may not vote shares held in street name by returning a proxy card directly to Starwood or Marriott or by voting in person at your special meeting unless you first obtain a proxy from your bank, broker or other nominee.

Q: How are my employee plan shares voted?

A: *Employees of Starwood:* If you are a participant in the Starwood Savings and Retirement Plan (the Starwood Savings Plan) or Starwood's Employee Stock Purchase Plan (the Starwood ESPP), you can cause shares held in your plan account to be voted by:

accessing the Internet website specified on your proxy card;

calling the toll-free number specified on your proxy card; or

signing and returning your proxy card in the postage-paid envelope provided.

The trustee of the Starwood Savings Plan or the transfer agent of the Starwood ESPP, as applicable, will then vote the shares in accordance with your instructions. You must provide your voting instructions by _____, Eastern Time, on _____, 2016. If you participate in the Starwood Savings Plan and your vote is not received by the tabulating agent by that above date or if you sign and return your proxy card without specifying your voting instructions, the trustee for the Starwood Savings Plan will vote your shares in the same proportion as the other shares for which such trustee has received timely voting instructions unless contrary to the Employee Retirement Income Security Act of 1974, as amended. If you participate in the Starwood ESPP and your vote is not received by the tabulating agent by that above date or if you sign and return your proxy card without specifying your voting instructions, the transfer agent of the Starwood ESPP will not vote your shares.

Employees of Marriott: If you are a participant in Marriott's Employees' Profit Sharing, Retirement and Savings Plan and Trust, you can cause the number of share equivalents allocated to your plan account to be voted by:

accessing the Internet website specified on your proxy card;

calling the toll-free number specified on your proxy card; or

signing and returning your proxy card in the postage-paid envelope provided.

The plan trustee will vote the shares held in your plan account in accordance with your instructions. If you do not provide the plan trustee with instructions by 11:59 p.m., Eastern Time, on _____, 2016, the trustee will vote the number of shares equal to the share equivalents credited to your account in the same proportion that it votes shares for which it did receive timely instructions, unless contrary to the Employee Retirement Income Security Act of 1974, as amended.

Q: What will happen if I return my proxy card without indicating how to vote?

A: *Starwood Stockholders:* If you properly complete and sign your proxy card but do not indicate how your shares of Starwood common stock should be voted on a matter, the shares of Starwood common stock represented by your proxy will be voted as Starwood's Board recommends and, therefore, **FOR** each of the proposals being submitted to a vote of Starwood stockholders at the Starwood special meeting.

Table of Contents

Marriott Stockholders: If you properly complete and sign your proxy card but do not indicate how your shares of Marriott common stock should be voted on a matter, the shares of Marriott common stock represented by your proxy will be voted as Marriott's board of directors (Marriott's Board) recommends and, therefore, **FOR** each of the proposals being submitted to a vote of Marriott stockholders at the Marriott special meeting.

Q: Can I change my vote or revoke my proxy after I have returned a proxy or voting instruction card?

A: Yes.

If you are the holder of record of either Starwood common stock or Marriott common stock: You can change your vote or revoke your proxy at any time before your proxy is voted at your special meeting. You can do this in one of three ways:

you can grant a new, valid proxy bearing a later date (including by telephone or through the Internet);

if you are a Starwood stockholder, you can send a signed notice of revocation to the Corporate Secretary of Starwood at One StarPoint, Stamford, Connecticut 06902, and if you are a Marriott stockholder, you can send a signed notice of revocation to Computershare Investor Services, P.O. Box 43006, Providence, RI 02940-3078; or

you can attend your special meeting and vote in person, which will automatically cancel any proxy previously given, or you may revoke your proxy in person. Simply attending the Starwood special meeting or the Marriott special meeting without voting will not revoke any proxy that you have previously given or otherwise change your vote.

If you choose either of the first two methods, your new proxy or your notice of revocation or your new proxy must be received by Starwood or Marriott, as applicable, no later than the beginning of the applicable special meeting. If you have submitted a proxy for your shares by telephone or via the Internet, you may revoke your prior telephone or Internet proxy by any manner described above.

If you hold shares of either Starwood or Marriott in street name : If your shares are held in street name, you must contact your bank, broker or other nominee to change your vote.

If you hold shares in the Starwood Savings Plan or the Starwood ESPP or Marriott's Employees Profit Sharing Retirement and Savings Plan and Trust: If you hold shares of Starwood common stock in the Starwood Savings Plan or the Starwood ESPP or share equivalents in Marriott's Employees Profit Sharing Retirement and Savings Plan and Trust, you may submit new voting instructions under any one of the three methods described above under the question How are my employee plan shares voted?

Q: Do I need to do anything with my shares of common stock other than voting for the proposals at the special meeting?

A: *Starwood Stockholders:* If you are a Starwood stockholder and the Combination Transactions are consummated, each share of Starwood common stock you hold will be converted automatically into the right to receive 0.920 shares of Marriott common stock and \$2.00 in cash, without interest. No fractional shares of Marriott common stock will be issued to Starwood stockholders in connection with the Combination Transactions. Instead, each former holder of Starwood common stock will receive cash in lieu of any fractional shares of Marriott common stock that he or she would otherwise have been entitled to receive. You will receive instructions at that time about exchanging your shares for shares of Marriott common stock. You do not need to take any action at this time.

Please do not send your Starwood stock certificates with your proxy card.

Marriott Stockholders: If you are a Marriott stockholder and the Combination Transactions are consummated, you are not required to take any action with respect to your shares of Marriott common stock.

Table of Contents

Q: Are stockholders entitled to dissenters or appraisal rights?

A: No. Neither Starwood stockholders nor Marriott stockholders are entitled to dissenters or appraisal rights in connection with the Combination Transactions.

Q: What happens if I sell my shares of Starwood common stock before the Starwood special meeting?

A: The record date for the Starwood special meeting is earlier than the date of the Starwood special meeting and the date that the Combination Transactions are expected to be completed. If you transfer your Starwood shares after the Starwood record date but before the Starwood special meeting, you will retain your right to vote at the Starwood special meeting, but will have transferred the right to receive the merger consideration in the Combination Transactions. In order to receive the merger consideration, you must hold your shares through the effective date of the Initial Holdco Merger (as described elsewhere in this joint proxy statement/prospectus).

Q: What if I hold shares of common stock in both Starwood and Marriott?

A: If you are a stockholder of both Starwood and Marriott, you will receive two separate packages of proxy materials. A vote cast as a Starwood stockholder will not count as a vote cast as a Marriott stockholder, and a vote cast as a Marriott stockholder will not count as a vote cast as a Starwood stockholder. Therefore, please separately submit a proxy for each of your Starwood and Marriott shareholdings.

Q: Who can help answer my questions?

A: Starwood stockholders or Marriott stockholders who have questions about the Combination Transactions, the other matters to be voted on at the special meetings or how to submit a proxy, or who desire additional copies of this joint proxy statement/prospectus or additional proxy cards, should contact:

Q: What are the material U.S. federal income tax consequences of the Combination Transactions to U.S. holders of Starwood common stock?

A: The obligation of Starwood to effect the Combination Transactions is conditioned on Starwood's receipt of an opinion from Cravath, Swaine & Moore LLP, tax counsel to Starwood, to the effect that, for U.S. federal income tax purposes, (a) the Starwood Merger and the Starwood LLC Conversion (each as defined in the section entitled Summary The Combination Transactions beginning on page 9), taken together, will qualify as a reorganization within the meaning of Section 368(a)(1)(F) of the Internal Revenue Code of 1986, as amended (the Code) and (b) the Initial Holdco Merger and the Final Holdco Merger (each as defined in the section entitled Summary The Combination Transactions beginning on page 9), taken together, will constitute an integrated plan that will qualify as a reorganization within the meaning of Section 368(a) of the Code.

Table of Contents

As a result of the Combination Transactions, Starwood U.S. holders (as defined in the section entitled "Material U.S. Federal Income Tax Consequences" beginning on page 142) will recognize gain, but will not recognize any loss, for U.S. federal income tax purposes, equal to the smaller of (i) the amount of cash received (other than cash received in lieu of a fractional share of Marriott common stock) and (ii) the excess, if any, of (x) the sum of the amount of cash received (including cash received in lieu of a fractional share of Marriott common stock) and the fair market value of the Marriott common stock received in the Combination Transactions (determined at the effective time of the Initial Holdco Merger) over (y) the Starwood U.S. holder's tax basis in the shares of Starwood common stock surrendered in the Combination Transactions. In addition, the Starwood U.S. holder will recognize gain or loss attributable to cash received in lieu of a fractional share of Marriott common stock. Any gain recognized generally will be long-term capital gain, provided certain holding period and other requirements are met.

For more information on the material U.S. federal income tax consequences of the Combination Transactions, see the section entitled "Material U.S. Federal Income Tax Consequences" beginning on page 142. Starwood stockholders are strongly urged to consult with their tax advisors about the tax consequences of the Combination Transactions to them, including the effects of U.S. federal, state and local, foreign and other tax laws.

Q: What are the material U.S. federal income tax consequences of the Combination Transactions to Marriott stockholders?

A: Holders of Marriott common stock will not recognize any gain or loss as a result of the Combination Transactions as a result of their ownership of Marriott common stock. Holders of Marriott common stock that also hold Starwood common stock will be subject to the tax consequences described above under "What are the material U.S. federal income tax consequences of the Combination Transactions to U.S. holders of Starwood common stock?" with respect to their ownership of Starwood common stock.

Consideration to be Received in the Combination Transactions by Starwood Stockholders

Each share of Starwood common stock that is issued and outstanding immediately before the effective time of the Initial Holdco Merger (which will have previously converted into the right to receive shares of Holdco common stock in the Starwood Merger) will be converted into the right to receive (i) 0.920 shares of Marriott common stock and (ii) \$2.00 in cash, without interest (such shares and cash, together with any cash in lieu of

Table of Contents

fractional shares of Marriott common stock paid in accordance with the merger agreement, are referred to as the merger consideration). The exchange ratio is fixed and will not be adjusted based upon changes in the price of Starwood common stock or Marriott common stock before the completion of the Combination Transactions. As a result, the value of the shares of Marriott common stock that Starwood stockholders will receive in connection with the Combination Transactions will not be known before the Combination Transactions are completed and will fluctuate as the price of Marriott common stock fluctuates. No fractional shares of Marriott common stock will be issued to Starwood stockholders in connection with the Combination Transactions. Instead, Starwood stockholders will be entitled to receive cash in lieu of any fractional shares of Marriott common stock that they would otherwise be entitled to receive.

Material U.S. Federal Income Tax Consequences

The obligation of Starwood to effect the Combination Transactions is conditioned on Starwood's receipt of an opinion from Cravath, Swaine & Moore LLP, tax counsel to Starwood, to the effect that, for U.S. federal income tax purposes, (a) the Starwood Merger and the Starwood LLC Conversion, taken together, will qualify as a reorganization within the meaning of Section 368(a)(1)(F) of the Code and (b) the Initial Holdco Merger and the Final Holdco Merger, taken together, will constitute an integrated plan that will qualify as a reorganization within the meaning of Section 368(a) of the Code.

As a result of the Combination Transactions, Starwood U.S. holders (as defined in the section entitled Material U.S. Federal Income Tax Consequences beginning on page 142) will recognize gain, but will not recognize any loss, for U.S. federal income tax purposes, equal to the smaller of (i) the amount of cash received (other than cash received in lieu of a fractional share of Marriott common stock) and (ii) the excess, if any, of (x) the sum of the amount of cash received (including cash received in lieu of a fractional share of Marriott common stock) and the fair market value of the Marriott common stock received in the Combination Transactions (determined at the effective time of the Initial Holdco Merger) over (y) the Starwood U.S. holder's tax basis in the shares of Starwood common stock surrendered in the Combination Transactions. In addition, the Starwood U.S. holder will recognize gain or loss attributable to cash received in lieu of a fractional share of Marriott common stock. Any gain recognized generally will be long-term capital gain, provided certain holding period and other requirements are met.

The discussion of the material U.S. federal income tax consequences to Starwood U.S. holders contained in this joint proxy statement/prospectus is intended to provide only a general summary and is not intended to be a complete analysis or description of all potential U.S. federal income tax consequences of the Combination Transactions. Interests of Starwood Directors and Executive Officers in the Combination Transactions

In considering the recommendation of Starwood's Board about the Starwood combination transactions proposal and Starwood advisory compensation proposal, Starwood stockholders should be aware that Starwood's directors and executive officers (and certain of Starwood's former executive officers) have interests in the Combination Transactions that are different from, or in addition to, those of Starwood stockholders generally. Starwood's Board was aware of and considered these interests, among other matters, in evaluating and negotiating the merger agreement and in recommending that Starwood stockholders vote in favor of the Starwood combination transactions proposal and Starwood advisory compensation proposal. These interests include, among others:

Starwood stock options and other equity-based awards (other than performance share awards and deferred stock units) will convert into Marriott awards of the applicable type and will otherwise generally be subject to their existing terms and conditions (including accelerated vesting of unvested awards upon a qualifying termination following the effective time of the Initial Holdco Merger);

Starwood performance share awards will convert into Marriott time-based restricted stock units based on the deemed achievement of performance targets at the greater of target or actual performance as of the effective time of the Initial Holdco Merger and will otherwise generally be subject to their existing terms and conditions (including accelerated vesting of unvested awards upon a qualifying termination following the effective time of the Initial Holdco Merger);

Starwood deferred stock units held by non-employee directors who do not continue to serve on Marriott's Board following the effective time of the Initial Holdco Merger will be settled for the merger consideration in accordance with the terms of the stock unit and the director's applicable deferral election;

Starwood's executive officers are party to employment agreements or severance agreements that provide for severance and other benefits in the case of qualifying terminations of employment in connection with or following a change in control (which will include the Initial Holdco Merger);

Starwood is eligible to grant retention awards in an aggregate amount not to exceed \$40 million; and

Starwood's directors and executive officers are entitled to continued indemnification and insurance coverage. **For a more complete discussion of the interests of the directors and executive officers of Starwood in the Combination Transactions, see the section entitled The Combination Transactions Interests of Starwood Directors and Executive Officers in the Combination Transactions beginning on page 112.**

Table of Contents

Interests of Marriott Directors and Executive Officers in the Combination Transactions

In considering the recommendation of Marriott's Board to vote **FOR** the Marriott stock issuance proposal, Marriott stockholders should be aware that certain members of Marriott's Board and certain executive officers of Marriott may have interests in the Combination Transactions that may be in addition to, or different from, their interests as Marriott stockholders. These interests may create the appearance of conflicts of interest. Marriott's Board was aware of these potential conflicts of interest during its deliberations on the merits of the Combination Transactions and in making its decision to approve the merger agreement and the Combination Transactions.

Each of the current members of Marriott's Board will continue as a director of Marriott following the completion of the Combination Transactions and will hold office from and after the completion of the Combination Transactions until his or her successor is duly elected and qualified or until his or her earlier death, resignation, retirement or removal.

Additionally, all of Marriott's current executive officers will continue to serve in their current positions following the completion of the Combination Transactions.

For a more complete discussion of the interests of the directors and executive officers of Marriott in the Combination Transactions, see the section entitled *The Combination Transactions Interests of Marriott Directors and Executive Officers in the Combination Transactions* beginning on page 117.

Board of Directors Following the Combination Transactions

Upon the effective time of the Initial Holdco Merger, Marriott's Board will be expanded from its current size of 11 members to 14 members. All 11 members of the pre-Combination Transactions Marriott board of directors will remain on the post-Combination Transactions Marriott board of directors, and three members of the pre-Combination Transactions Starwood board of directors as mutually agreed by all of the parties will be appointed to the post-Combination Transactions Marriott board of directors upon the effective time of the Initial Holdco Merger.

For a more complete discussion of the directors and executive officers of Marriott after the Combination Transactions, see the section entitled *The Merger Agreement Governance* beginning on page 135.

Treatment of Starwood Stock Options and Other Equity-Based Awards

Each Starwood stock option and other equity-based award that is outstanding as of the effective time of the Starwood Merger will first be converted into Holdco stock options and other equity-based awards on a one-for-one basis at the effective time of the Starwood Merger and will then be converted into Marriott stock options and other equity-based awards at the effective time of the Initial Holdco Merger with the following end result:

Each Starwood stock option will be converted into a Marriott stock option, with generally the same terms and conditions that applied to the Starwood stock option before conversion (including accelerated vesting of unvested awards upon a qualifying termination following the effective time). The number of shares of Marriott common stock subject to each converted stock option will be determined by multiplying the number of shares of Starwood common stock subject to the original Starwood stock option by the equity award exchange ratio, rounded down to the nearest whole share. The exercise price of each converted stock option will be determined by dividing the exercise price of the original Starwood stock option by the equity award exchange ratio, rounded up to the nearest whole cent. The equity award exchange ratio means (1) the

exchange ratio (0.920) plus (2) the quotient

Table of Contents

obtained by dividing \$2.00 by the average of the volume weighted average price of a share of Marriott common stock on each of the five consecutive trading days ending with the second complete trading day immediately before the closing date of the Combination Transactions.

Each Starwood restricted stock award will be converted into a Marriott restricted stock award, with generally the same terms and conditions as were applicable to the Starwood restricted stock award prior to conversion (including accelerated vesting of unvested awards upon a qualifying termination following the effective time of the Initial Holdco Merger). The number of shares of Marriott common stock subject to each converted restricted stock award will be determined by multiplying the number of shares of Starwood common stock subject to the original Starwood restricted stock award by the equity award exchange ratio, rounded up or down to the nearest whole share as applicable.

Each Starwood restricted stock unit award will be converted into a Marriott restricted stock unit award, with generally the same terms and conditions that applied to the Starwood restricted stock unit award before conversion (including accelerated vesting of unvested awards upon a qualifying termination following the effective time of the Initial Holdco Merger). The number of shares of Marriott common stock subject to each converted restricted stock unit award will be determined by multiplying the number of shares of Starwood common stock subject to the original Starwood restricted stock unit award by the equity award exchange ratio, rounded up or down to the nearest whole share as applicable.

Each Starwood performance share award will be converted into a Marriott restricted stock unit award, with generally the same terms and conditions that applied to the Starwood performance share award before conversion (excluding performance conditions but including accelerated vesting of unvested awards upon a qualifying termination following the effective time of the Initial Holdco Merger). The number of shares of Marriott common stock subject to each such restricted stock unit award will be determined by multiplying the number of shares of Starwood common stock subject to the original Starwood performance share award that each holder would be eligible to receive based on deemed achievement of performance targets at the greater of target or actual performance as of the effective time of the Initial Holdco Merger by the equity award exchange ratio, rounded up or down to the nearest whole share as applicable.

Each Starwood deferred stock unit award will be converted into a Marriott deferred stock unit award, with generally the same terms and conditions that applied to the Starwood deferred stock unit award before conversion. The number of shares of Marriott common stock subject to each converted deferred stock unit award will be determined by multiplying the number of shares of Starwood common stock subject to the original Starwood deferred stock unit award by the equity award exchange ratio, rounded up or down to the nearest whole share as applicable.

Regulatory Clearances Required for the Combination Transactions

The Combination Transactions are subject to the requirements of the United States Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the HSR Act), which prevents Starwood and Marriott from completing the Combination Transactions until the applicable waiting period under the HSR Act is terminated or expires; the European Union Council Regulation (EC) No. 139/2004, as amended, and accompanying regulations, which require

notification to and approval by the European Commission in order to complete the Combination Transactions; the Chinese Anti-Monopoly Law of 2008, which requires notification to and approval by the Ministry of Commerce of the People's Republic of China; and the laws of other applicable foreign jurisdictions in which Starwood and/or Marriott currently operate, including, but not limited to, Canada, Colombia, India, Mexico, South Africa and Turkey. In addition, the possibility of pre-closing filings in other countries is under review, Marriott will likely be required to make post-closing filings in certain other countries,

Table of Contents

and Marriott will likely engage with competition authorities in other jurisdictions in which a formal regulatory filing is not required. While Starwood and Marriott expect to obtain all required regulatory clearances, we cannot assure you that these regulatory clearances will be obtained; that they will not involve the imposition of additional conditions on the completion of the Combination Transactions, including the requirement to divest assets, or that they will not require changes to the terms of the merger agreement. These conditions or changes could result in the conditions to the Combination Transactions not being satisfied. We cannot assure you that a challenge to the Combination Transactions will not be made or that, if a challenge is made, it will not succeed.

Expected Timing of the Combination Transactions

Starwood and Marriott currently expect the closing of the Combination Transactions to occur in mid-2016. However, as the Combination Transactions are subject to the satisfaction or waiver of conditions described in the merger agreement, it is possible that factors outside the control of Marriott and Starwood could result in the Combination Transactions being completed at an earlier time, a later time or not at all.

Conditions to Completion of the Combination Transactions

The respective obligations of Starwood and Marriott to complete the Combination Transactions are subject to the satisfaction or waiver of the following conditions:

the approval of the Starwood combination transactions proposal by the holders of a majority of all outstanding shares of Starwood common stock;

the approval of the Marriott stock issuance proposal by the holders of a majority of the votes cast at the Marriott special meeting in favor;

the termination or expiration of any applicable waiting period under the HSR Act;

the receipt of all authorizations, consents, orders or approvals of, or declarations or filings with, or expirations of waiting periods imposed by, any governmental entity necessary under any antitrust law;

the absence of any judgment, order, law or other legal restraint by a court or other governmental entity of competent jurisdiction that prevents the consummation of the Combination Transactions;

the SEC having declared effective the registration statement of which this joint proxy statement/prospectus forms a part;

the approval for listing by NASDAQ of the shares of Marriott common stock issuable in the Initial Holdco Merger; and

the completion of the Vistana spin-off or, if the Vistana-ILG transactions are not consummated, the completion of another spin-off, split-off or analogous distribution of Vistana or the sale of Vistana by Starwood.

Each of Starwood's and Marriott's obligations to complete the Combination Transactions is subject to the satisfaction or waiver of the following additional conditions:

the representations and warranties of the other party related to its capital structure being true and correct in all respects as of the closing date, which will be the third business day after all conditions to the completion of the Combination Transactions have been satisfied or waived, unless the parties to the merger agreement agree to a different date (the Closing Date) (except to the extent such representations and warranties expressly relate to a specific date, in which case such representations and warranties shall be true and correct as of such date), except, in each case, for *de minimis* inaccuracies;

Table of Contents

certain representations and warranties of the other party relating to organization, standing, corporate power, authority, inapplicability of state anti-takeover statutes and its wholly owned subsidiaries party to the merger agreement being true and correct in all material respects as of the Closing Date (except to the extent such representations and warranties expressly relate to a specific date, in which case such representations and warranties shall be true and correct as of such date);

the representation and warranty of the other party relating to the absence of facts, circumstances, effects, changes, events or developments that, individually or in the aggregate, have had or would reasonably be expected to have a material adverse effect of the other party being true and correct as of the Closing Date;

each other representation and warranty (without giving effect to any limitation as to materiality or material adverse effect or any provisions contained therein relating to preventing or materially delaying the consummation of any of the transactions contemplated by the merger agreement) being true and correct as of the Closing Date (except to the extent such representations and warranties relate to a specific date in which case such representations and warranties must be true and correct as of such date), except where the failure of such representations and warranties to be so true and correct does not have, and would not reasonably be expected to have, individually or in the aggregate with respect to all such failures, a material adverse effect on such party;

the other party having performed in all material respects all obligations required to be performed by it under the merger agreement;

the receipt of an officer's certificate executed by an authorized officer of the other party certifying that conditions in the five preceding bullet points have been satisfied; and

for Starwood, Starwood's receipt of an opinion from Cravath, Swaine & Moore LLP, tax counsel to Starwood, to the effect that, for U.S. federal income tax purposes, (a) the Starwood Merger and the Starwood LLC Conversion, taken together, will qualify as a reorganization within the meaning of Section 368(a)(1)(F) of the Code and (b) the Initial Holdco Merger and the Final Holdco Merger, taken together, will constitute an integrated plan that will qualify as a reorganization within the meaning of Section 368(a) of the Code.

For more information about conditions to the completion of the Combination Transactions and a complete list of such conditions, see the section entitled "The Merger Agreement Conditions to Completion of the Combination Transactions" beginning on page 136.

Vacation Ownership Business Spin-Off

Starwood has entered into definitive agreements and other documents (the "Vistana documents") governing the proposed spin-off of Vistana and its subsequent merger with a wholly owned subsidiary of ILG. Starwood must use its reasonable best efforts to take or cause to be taken all actions, and to do or cause to be done all things necessary, proper or advisable, to consummate the Vistana-ILG transactions as promptly as practicable on the terms and conditions described in the Vistana documents. If Starwood fails to consummate the Vistana-ILG transactions for any reason, Starwood must use its reasonable best efforts to take or cause to be taken all actions, and to do or cause to be done all things necessary, proper or advisable, to consummate and make effective an alternative disposition of Vistana

in the most expeditious manner practicable, whether pursuant to a transaction with another third party or otherwise pursuant to a distribution or exchange of capital stock of Vistana to Starwood stockholders.

The obligations of Starwood and Marriott to complete the Combination Transactions under the merger agreement are subject to the prior consummation of the Vistana spin-off or, if the Vistana-ILG transactions are

Table of Contents

not consummated, another spin-off, split-off or analogous distribution of Vistana or any sale of Vistana by Starwood as described in the section entitled "The Merger Agreement - Conditions to Completion of the Combination Transactions" beginning on page 136. Consequently, Marriott will not be acquiring the Vistana business in connection with the Combination Transactions. For more information about the Vistana-ILG transactions, the Vistana business and the consideration to be received by Starwood stockholders, see the Registration Statement on Form S-4 (registration number 333-208567), as amended or supplemented from time to time, filed with the SEC by ILG on December 15, 2015.

No Solicitation of Alternative Proposals

The merger agreement precludes Starwood and Marriott from soliciting or engaging in discussions or negotiations with a third party with respect to any proposal for a competing transaction, including the acquisition of a significant interest in Starwood's or Marriott's capital stock or assets. However, if Starwood or Marriott receives an unsolicited proposal from a third party for a competing transaction that Starwood's Board or Marriott's Board, as applicable, among other things, determines in good faith (after consultation with its legal and financial advisors) (i) is reasonably likely to lead to a proposal that is superior to the Combination Transactions and (ii) did not result from a breach of the non-solicitation obligations set forth in the merger agreement, then Starwood or Marriott, as applicable, may furnish non-public information to and enter into discussions with, and only with, that third party and its representatives and financing sources about such competing transaction.

For more information on the limitations on Starwood and Marriott and their boards to consider other proposals, see the section entitled "The Merger Agreement - No Solicitation of Alternative Proposals" beginning on page 129.

Termination of the Merger Agreement

Starwood and Marriott may mutually agree to terminate the merger agreement before completing the Combination Transactions, even after obtaining stockholder approval.

In addition, either Starwood or Marriott may terminate the merger agreement, even after obtaining stockholder approval:

if the Initial Holdco Merger is not consummated by December 31, 2016;

if the approval of the Starwood combination transactions proposal will not have been obtained by reason of the failure to obtain the required vote at a duly convened Starwood stockholders meeting or any adjournment or postponement thereof;

if the approval of the Marriott stock issuance proposal will not have been obtained by reason of the failure to obtain the required vote at a duly convened Marriott stockholders meeting or any adjournment or postponement thereof;

if any legal restraint is in effect preventing the consummation of the Combination Transactions, and such restraint has become final and nonappealable, or if any governmental entity that must grant regulatory

approval of the Combination Transactions under the terms of the merger agreement has denied such approval and such denial has become final and nonappealable; or

if the other party has breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements contained in the merger agreement, which breach or failure to perform (i) would give rise to the failure of the applicable condition to consummate the Combination Transactions and (ii) is incapable of being cured by such party or is not cured within 30 days after receiving written notice.

Table of Contents

In addition, either Starwood or Marriott may terminate the merger agreement:

at any time before the Starwood special meeting or the Marriott special meeting, respectively, if the board of directors of the other party (i) has failed to include in this joint proxy statement/prospectus its recommendation without modification or qualification that the stockholders approve the Starwood combination transactions proposal or the Marriott stock issuance proposal, as applicable, (ii) has failed to publicly reaffirm its recommendation of the Starwood combination transactions proposal or the Marriott stock issuance proposal, as applicable, within 10 business days after the date of any alternative transaction with a third party or any material modification thereto is first commenced, published or sent, or (iii) withdraws or modifies in any adverse manner, or proposes publicly to withdraw or modify in any adverse manner, its approval or recommendation with respect to the Combination Transactions, or approves or recommends, or proposes publicly to approve or recommend, any alternative transaction with a third party; or

at any time before obtaining Starwood stockholder approval or Marriott stockholder approval, respectively, in order to enter into a binding agreement providing for a superior proposal under the provisions described under The Merger Agreement Changes in Board Recommendations.

See the section entitled The Merger Agreement Termination of the Merger Agreement beginning on page 137 for a discussion of these and other rights of each of Starwood and Marriott to terminate the merger agreement.

Expenses and Termination Fees

Generally, each party is required to pay all fees and expenses incurred by it in connection with the transactions contemplated by the merger agreement. However, the merger agreement provides that, upon termination of the merger agreement under certain circumstances, Starwood may be obligated to pay Marriott, or Marriott may be obligated to pay Starwood, a termination fee of \$400 million. See the section entitled The Merger Agreement Expenses and Termination Fees beginning on page 139 for a more complete discussion of the circumstances under which termination fees will be required to be paid.

No Appraisal Rights

Neither Starwood stockholders, under Maryland law, nor Marriott stockholders, under Delaware law, are entitled to appraisal rights in connection with the Combination Transactions.

Comparison of Stockholder Rights

Starwood stockholders receiving the merger consideration will have different rights once they become stockholders of Marriott due to differences between the states of incorporation of Starwood and Marriott and the governing corporate documents of Starwood and Marriott. For more information about the comparison of stockholder rights, see the section entitled Comparison of Stockholder Rights beginning on page 163.

Listing of Shares of Marriott Common Stock; Delisting and Deregistration of Shares of Starwood Common Stock

Application will be made to NASDAQ to have the shares of Marriott common stock issued in connection with the Combination Transactions approved for listing on NASDAQ, where Marriott common stock currently is traded under the symbol MAR. If the Combination Transactions are completed, Starwood common stock will be delisted from the NYSE and there will no longer be a trading market for such stock. Between November 18, 2015 and December 18, 2015, seven lawsuits challenging the Combination Transactions were filed on behalf of purported stockholders of Starwood in the Circuit Court for Baltimore City, Maryland, captioned *Smukler v. Aron, et al.*, Case No. 24-C-15-006988. The complaints name some combination of Starwood's directors, Starwood, Holdco, Starwood Merger Sub, Marriott, Marriott Corporate Merger Sub, Marriott LLC Merger Sub, and others, as defendants. The complaints allege that (i) Starwood's directors breached their fiduciary duties in connection with the Combination Transactions by, among other things, agreeing to an allegedly unfair price and allegedly unreasonable deal protection devices; and (ii) the other defendants aided and abetted these alleged breaches of fiduciary duty. The complaints each seek an injunction preventing the defendants from consummating the Combination Transactions, as well as other remedies, including, in certain cases, compensatory damages. On December 18, 2015, the Starwood and Marriott defendants each filed a motion to dismiss the four actions that were then appearing on the court's docket: *Smukler, Standen, Joshua G. Kohnstamm Trust* and *Himstreet*.

Starwood and Marriott believe that each of these seven lawsuits is without merit and intend to defend them vigorously.

Starwood and Marriott expect that similar lawsuits may be filed, and that similar demand letters may be received by Starwood, Marriott and their respective boards of directors, in the future.
