ANNOUNCEMENT

The Board is pleased to disclose the operational statistics of the Group for the month of January 2016.

The board of directors (the Board) of China Unicom (Hong Kong) Limited (the Company) is pleased to disclose the operational statistics of the Company and its subsidiaries (collectively the Group) for the month of January 2016.

In order to better satisfy the strategic management needs of the Company, the Company's internal management and analysis in relation to the mobile business will focus more on the development of mobile billing subscribers (which in general refer to subscribers who have revenue contribution in the current month) and 4G subscribers (mobile billing subscribers who possess 4G handsets and use the 4G network of the Company) in 2016. To help investors better understand the execution of the Company's strategies, disclosure of the monthly operational statistics of the mobile business will be adjusted. From January 2016 onwards, the aggregate number and net addition of mobile billing subscribers and 4G subscribers, which align more closely with Company's operational management, will be disclosed. On the other hand, the aggregate number of mobile broadband subscribers will no longer be disclosed. The adjustment in the disclosure of operational statistics will not affect the Company's revenue and profit recognition. In addition, the Company is pleased to disclose that the mobile service revenue for the month of January 2016 was higher than that of December 2015.
