2015 Performance Highlights		

In 2015, the Company grew Adjusted Net Income per diluted share to \$1.69, an increase of 3% compared with 2014. We generated growth in all three business segments with Merchant Acquiring revenue increasing 8%, Payment Processing revenue up 3%, and Business Solutions revenue increasing 1%. For the year ended December 31, 2015, Adjusted EBITDA was \$186.2 million, an increase of 2% compared with \$182.5 million in the prior year. Highlights for 2015 include:

The Board approved regular quarterly dividends of \$0.10 per common share in February, May, August and November of 2015.

In August 2015, the Board approved an increase and extension of the Company's current stock repurchase program. The program was originally adopted in September 2014 for \$75 million and was due to expire on September 30, 2015. The Board increased the repurchase authorization to \$100 million and extended the expiration to September 30, 2016. In February 2016, the Board approved another increase and extension to the share repurchase plan. As of March 31, 2016, the Company had approximately \$117.5 million available for repurchase and the program will expire on December 31, 2017.

In February 2016, the Company received regulatory approval to proceed with the purchase of 65% of the share capital of Processa, SAS, a Colombian payment processing company that is based in Bogotá, and during the first quarter of 2016, the Company completed the purchase.

Merchant Acquiring revenue increased \$6.3 million or 8% compared with 2014. The revenue growth was primarily related to an increase in sales volumes for existing merchants coupled with the addition of the FirstBank of Puerto Rico (FirstBank) merchant portfolio and an overall improvement in spread.

Payment Processing revenue increased by \$3.6 million or 3% compared with 2014. Revenue growth was driven mainly by an increase in ATH and POS network and processing transactions, partially offset by reduced revenues from contracts with the Puerto Rico government.

Business Solutions revenue increased \$1.9 million or 1% compared with 2014. Revenue growth was driven mainly by an increase in ATH and POS network and processing transactions, partially offset by reduced revenues from contracts with the Puerto Rico government.

2 **Evertec, Inc.** - *2016 Proxy Statement*

Table of Contents

PROXY SUMMARY

Operating costs and expenses increased by \$5.4 million or 2% to \$270.2 million for the year ended December 31, 2015. The increase was primarily driven by a \$10.4 million increase in cost of revenues, partially offset by a decrease of \$4.0 million and \$1.0 million in selling, general and administrative expenses and depreciation and amortization, respectively.

Cost of revenues increased 7% when compared with 2014. The increase was mainly driven by a \$7.4 million increase in salaries and other benefits as a result of severance payments primarily related to the voluntary termination offers extended to certain employees during 2015, coupled with an increase in share based compensation. Other operating expenses increased by \$2.3 million primarily driven by an increase in bad debt expense and operational losses in addition to expenses recorded as a result of the revenue sharing agreement entered into with FirstBank in connection with the purchase of the merchant portfolio during the fourth quarter of 2015. Additionally, professional fees increased by \$1.2 million as a result of an increase in project development costs related to a card issuing platform initiative.

Selling, general and administrative expenses decreased 10% when compared with 2014. The decrease was primarily driven by non-recurring expenses recorded in 2014 amounting to \$7.9 million associated to the CEO succession and acceleration of vesting of certain stock options, and a \$1.1 million decrease in professional expenses related to the debt offering that was withdrawn. This decrease was partially offset by an increase in salaries related to higher share based compensation and the impact of severance payments made related to the aforementioned voluntary termination offers.

Depreciation and amortization expense decreased by 2% compared with 2014. The decrease resulted from lower amortization of software packages.

Income from operations increased \$6.4 million or 7% compared with 2014.

Detailed financial information for the Company and its subsidiaries for the fiscal year ended December 31, 2015 is included in the Annual Report that is being provided to the Company's stockholders together with this Proxy Statement. The Annual Report and this Proxy Statement are also available at www.proxyvote.com.

Leadership Transition

Throughout 2015, the Company has undergone significant changes within its leadership composition. We have combined new leadership, bringing many years of industry experience, with long-standing leadership at the operating business level.

The Nominating and Corporate Governance Committee coordinates with a professional search firm to successfully identify candidates with the qualifications and characteristics suitable to fill vacancies on our Board, focusing on director candidates with expertise in the payments industry and Latin America markets. Highlights of these changes

for 2015 include the following:

In February 2015, Brian J. Smith joined our Board. Mr. Smith resides in Mexico and has substantial managerial experience in Latin America.

Jorge Junquera, a member of our Board since April 2012, retired from Popular, Inc. at the end of February 2015, and has since then continued to provide the Board with valuable insight and experience as an independent director. In addition to the changes to the composition of our Board of Directors, we strengthened our management team with several organization changes and additions to the team. The following changes occurred within the Company's senior management:

Frank G. D'Angelo, Chairman of the Board since February 2014, and a director since September 2013, was appointed the Company's Interim Chief Executive Officer from January 1, 2015 to March 31, 2015.

During Mr. D'Angelo's tenure as Interim Chief Executive Officer, the Board appointed Alan H. Schumacher, a member of the Board since April 2013, as Interim Lead Independent Director to preside over executive sessions of our independent directors.

Table of Contents

PROXY SUMMARY

In April 2015, Morgan M. Schuessler, Jr., former President of International for Global Payments Inc., joined our management team as President and Chief Executive Officer, and currently serves as the Company's Management Director on our Board.

In May 2015, Mariana Goldvarg joined the Company as President for our Latin America operations. Prior to joining the Company, she served as President of Equifax Latin America.

In June 2015, Luis Rodríguez joined the Company as Senior Vice President of Corporate Development and Strategy. Prior to joining the Company, he served as Executive Director at J.P. Morgan's Emerging Markets Credit Desk in New York.

Effective August 31, 2015, Juan J. Román ceased his employment as Executive Vice President, Chief Financial Officer and Treasurer of the Company and Evertec Group, LLC (Evertec Group).

Also effective August 31, 2015, Eduardo Franco de Camargo ceased his employment as Executive Vice President and Chief Information Officer of the Company. In alignment with the Company's new structure, we centralized Mr. Camargo's former duties and oversight for critical technology and compliance areas under Phil E. Steurer, our Executive Vice President and Chief Operating Officer.

In September 2015, Peter J.S. Smith, former Chief Accounting Officer of Fidelity National Information Services, Inc., joined our management team as Executive Vice President, Chief Financial Officer and Treasurer of the Company and Evertec Group.

Effective March 31, 2016, Alan Cohen ceased his employment as Executive Vice President of Marketing and Communications of the Company

In April 2016, Guillermo Rospigliosi joined the Company as Executive Vice President of Product, Marketing and Innovation. Prior to joining the Company, he served as Chief Risk Officer for Visa in Latin America and before that as Managing Director for Latin America at CyberSource, a Visa® subsidiary.

During 2016, the Company also created the position of Chief Information Officer for Latin America as well as the position of Head of Account Management.

Although changes in any company's leadership often present challenges and uncertainties, both management and the Board agree that its current leadership structure is optimal because it provides the Company with strong and consistent

leadership, and the experience and industry knowledge necessary to continue meeting its business objectives.

Executive Compensation

In 2015, Evertec's Compensation Committee, in consultation with the independent compensation consulting firm Frederic W. Cook & Co., Inc. (F.W. Cook), reviewed the Company's entire executive compensation program to ensure the program was still appropriate in comparison with programs found at other publicly traded peers. The philosophy embedded in our compensation program is to:

Support an environment that rewards performance against established goals;

Provide fair base compensation and benefits for management stability and incentive compensation to support our short- and long-term success;

Align the interests of executives with the long-term interests of stockholders through equity-based awards that may result in stock ownership; and

Develop incentives to achieve high levels of performance while not encouraging excessive risk taking.

In December 2015, F.W. Cook performed a study to assess the competitive position and design of our non-employee director compensation program, as well as an assessment of the competitiveness of compensation levels for our executive officers. As a result of these assessments, certain adjustments were made to the Director Compensation Policy, and some modifications were implemented to our long-term incentive plan, as further discussed in this Proxy Statement.

Table of Contents

PROXY SUMMARY

Working with the independent compensation consultant, the Compensation Committee:

Determined that the peer companies chosen previously, as further discussed on this Proxy Statement, were still appropriate;

Determined that our current executive compensation package continues to be competitive and successful at attracting and retaining top executive talent; and

Adopted a change to one of the metrics used in the long-term incentive plan, specifically, the measurement of Compound Annual Growth Rate in Fully Diluted Earnings per Share, which is to be calculated annually instead of cumulatively over three years for the awards granted during 2016.

Through the adoption and implementation of these changes, the Compensation Committee believes that the Company's executive compensation program fully supports the Company's business plan for the future.

Evertec, Inc.

Road 176, Km. 1.3

San Juan, Puerto Rico 00926

Proxy Statement for the 2016

Annual Meeting of Stockholders

General

The enclosed Proxy Statement, which was first mailed to stockholders on or about June 17, 2016, is solicited on behalf of the Board of Directors (the Board or Board of Directors) of Evertec, Inc., a Commonwealth of Puerto Rico corporation (we, us, our, Evertec and the Company), for use at the 2016 Annual Meeting of Stockholders to be held on July 28, 2016 (the Annual Meeting), and any adjournments or postponements thereof. The Annual Meeting will be held at 9:00 a.m. Puerto Rico Time, at The Ritz-Carlton Hotel, Ritz-Carlton Ballroom IV, located at 6961 Gobernadores Avenue, Carolina, Puerto Rico 00979.

Record Date and Shares Outstanding

The close of business on June 3, 2016 has been fixed as the record date (the Record Date) for determining the stockholders of record entitled to notice of and to vote at the Annual Meeting. At the close of business on the Record Date, there were outstanding and entitled to vote 74,988,210 shares of our common stock, \$0.01 par value per share (the Common Stock).

Quorum

In order for the Company to conduct the Annual Meeting, the holders of a majority of the outstanding shares of Common Stock eligible to vote at the meeting must be represented in person or by proxy at the Annual Meeting. This is referred to as a quorum. Votes cast in person or by proxy at the Annual Meeting will be received and tabulated by a representative of The Carideo Group, the Inspector of Elections appointed for the Annual Meeting. The Inspector of Elections will determine whether or not a quorum is present. Abstentions and broker non-votes will be counted for purposes of establishing a quorum. A broker non-vote occurs when a brokerage firm returns a signed proxy card but does not vote shares on a particular proposal because the proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares. For further discussion of broker non-votes, see Required Votes / Effect of Abstentions and Broker Non-Votes.

Voting of Proxies

If any stockholder is unable to attend the Annual Meeting, such stockholder may vote by proxy. Shares of Common Stock represented by properly executed proxies, duly returned and not revoked, will be voted in accordance with the instructions contained therein. Except as discussed below with regard to shares held in street name by a bank or broker, if no instruction is indicated on the proxy, the shares of Common Stock represented thereby will be voted as follows:

1. **FOR** the director nominees for election of directors of the Company listed herein (Proposal 1);

Table of Contents

PROXY STATEMENT FOR THE 2016 ANNUAL MEETING OF STOCKHOLDERS

2. **FOR** the ratification of the appointment of Deloitte & Touche LLP as the independent registered public accounting firm for the Company for 2016 (Proposal 2);
3. **FOR** the approval through an advisory vote of the compensation paid to the Company's named executive officers (Proposal 3); and
4. At the discretion of the person or persons voting the proxy, with respect to any other matter that may properly be brought before the Annual Meeting.

The execution of a proxy will in no way affect a stockholder's right to attend the Annual Meeting and vote in person.

Voting of Shares

Each share of Common Stock entitles the holder thereof to one vote upon any proposal submitted for a vote at the Annual Meeting. All shares entitled to vote and represented in person or by valid proxies received by telephone, Internet or mail will be voted at the Annual Meeting in accordance with the instructions indicated in those proxies.

Required Votes / Effect of Abstentions and Broker Non-Votes

The vote required for approval of each matter to be voted on is as set forth in the table below. Also, under certain circumstances, banks, brokers or other nominees are prohibited from exercising discretionary authority for beneficial owners who have not provided voting instructions to the bank, broker or other nominee (a broker non-vote). In these cases, and in cases where the stockholder abstains from voting on a matter, those shares will be counted for the purpose of determining if a quorum is present, but will not be included as votes cast with respect to those matters. Whether a bank, broker or other nominee has authority to vote its shares on uninstructed matters is determined by the New York Stock Exchange (NYSE) rules. The following sets forth the effect of abstentions and broker non-votes on each matter to be voted on:

Proposal	Vote Required	Voting Options	Effect of Abstentions	Broker Discretionary Voting Allowed?	Effect of Broker Non-Votes
Election of Directors	Plurality of votes cast	FOR or WITHHOLD for any or all nominees	No effect	No	No effect
Ratification of Appointment of Independent Registered Accounting Firm	Majority of shares present in person or represented by proxy and entitled to vote	FOR, AGAINST or ABSTAIN	Treated as a vote AGAINST the proposal	Yes	Not applicable
Advisory Vote on Executive Compensation Matters (Say on Pay)	Majority of shares present in person or represented by proxy and entitled to vote	FOR, AGAINST or ABSTAIN	Treated as a vote AGAINST the proposal	No	No effect

How You Can Vote

Vote in Person

If you hold shares in your own name, you may vote by proxy or in person at the Annual Meeting. If you wish to vote your shares in person at our Annual Meeting, you may either bring your proxy card or Notice of Internet Availability to the meeting or request a ballot at the meeting.

If your shares of Common Stock are held in the name of a bank, broker or other nominee, you will receive instructions from your bank, broker or other nominee that you must follow in order for your shares to be voted.

Table of Contents

PROXY STATEMENT FOR THE 2016 ANNUAL MEETING OF STOCKHOLDERS

Please follow their instructions carefully. Also, please note that if the holder of record of your shares is a broker, bank or other nominee and you wish to vote in person at the Annual Meeting, you must request a legal proxy from your bank, broker or other nominee that holds your shares evidencing that you were a holder of shares as of the Record Date and present that proxy and proof of identification at the Annual Meeting. To vote by proxy, you may select one of the following options:

Vote by Internet

You can vote your shares on the Internet until 11:59 p.m. (EST) on **July 27, 2016**. The website for Internet voting (www.proxyvote.com) is shown on your proxy card or Notice of Internet Availability, as applicable. Internet voting is available 24 hours a day, seven days a week. You will be given the opportunity to confirm that your instructions have been properly recorded. If you vote on the Internet, you do NOT need to return your proxy card if you received one. You can also vote your shares on the Internet by scanning the QR code shown on your proxy card or Notice of Internet Availability, as applicable, with your mobile device.

Vote by Telephone

You can vote your shares by telephone until 11:59 p.m. (EST) on **July 27, 2016** by calling the toll-free telephone number (at no cost to you) shown on your proxy card or Notice of Internet Availability, as applicable. Telephone voting is available 24 hours a day, seven days a week. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. Our telephone voting procedures are designed to authenticate the stockholders by using individual control numbers. If you vote by telephone, you do NOT need to return your proxy card if you received one.

Vote by Mail

If you received your proxy materials by mail, simply mark your proxy card, date and sign it, and return it using the postage-paid envelope provided or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717. In order for your votes to be included in the final tallies, your proxy card must be received by the date and time of the Annual Meeting.

Revocation of Proxies

If a proxy is properly executed and returned to the Company in time to be voted at the Annual Meeting, it will be voted as specified in the proxy, unless it is properly revoked prior thereto. If you hold shares of Common Stock in your own name and vote by proxy, you may revoke that proxy at any time before it is voted at the Annual Meeting. You may do this by: (1) signing another proxy card with a later date or a notice of revocation and returning it to us prior to the Annual Meeting (please deliver to the Corporate Secretary of the Company, located at Road 176, Km. 1.3, San Juan, Puerto Rico 00926); (2) voting again by telephone or on the Internet before 11:59 p.m. (EST) on **July 27, 2016**; or (3) attending the Annual Meeting in person and casting a ballot.

If a bank, broker or other nominee holds your shares of Common Stock, you must follow the instructions provided by the bank, broker or other nominee if you wish to change your vote.

Voting Results

The preliminary voting results will be announced at the Annual Meeting and published within four business days after they are known in a Current Report on Form 8-K filed with the Securities and Exchange Commission (the "SEC").

Table of Contents

PROXY STATEMENT FOR THE 2016 ANNUAL MEETING OF STOCKHOLDERS

Solicitation

The Company will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement and the Company's Annual Report for the fiscal year ended December 31, 2015 (the Annual Report), and any additional solicitation materials furnished to the stockholders. The original solicitation of proxies may be supplemented by a solicitation by mail, in person, by telephone, or by other electronic means by a proxy solicitor contracted by the Company, whose fees will be paid for by the Company, and directors, officers or employees of the Company, who will not receive any additional compensation for such services.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, provides extra convenience for stockholders and cost savings for us. The Company and some brokers household proxy materials, delivering a single Notice of Internet Availability of Proxy Materials or Proxy Statement and Annual Report to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or the Company if you hold Common Stock directly. Requests in writing should be addressed to: Evertec, Inc., Road 176, Km. 1.3, San Juan, Puerto Rico 00926, Attention: Corporate Secretary. Requests may also be made by calling the Corporate Secretary at (787) 759-9999 ext. 4706.

Table of Contents

Corporate Governance

Overview

The Company's business affairs are conducted under the direction of the Company's Board of Directors (the Board) in accordance with the Puerto Rico General Corporation Law of 2009, as amended, the Company's charter (the Charter), and Amended and Restated By-Laws (the By-Laws). Members of the Board of Directors are informed of the Company's business through discussions with management, by reviewing materials provided to them and by participating in meetings of the Board of Directors and its committees.

Board Composition

Our Board is currently comprised of nine directors. Messrs. Junquera and Rivera and Ms. Loubriel were originally nominated to the Board by Popular, Inc. (Popular) under its director nominee rights granted by the Stockholder Agreement, as amended, by and among the Company, Popular and the other stockholders parties thereto (the Stockholder Agreement). Messrs. D Angelo and Schumacher were originally nominated to the Board by Apollo Management, LLP under its director nominee rights granted by the Stockholder Agreement.

In accordance with the Stockholder Agreement, if there are any vacancies on our Board, then a committee consisting of our entire Board (other than any directors who are to be replaced because Popular has lost the right to nominate them) has the right to nominate the individuals to fill such vacancies, which nominees must be reasonably acceptable to Popular for so long as it owns, together with its affiliates, at least 5% of our outstanding Common Stock.

As of the Record Date, the Board was in compliance with the NYSE rules with respect to maintaining the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee comprised entirely of independent directors.

Board Leadership Structure

The Board recognizes that one of its key responsibilities is to evaluate and determine its optimal leadership structure so as to provide independent oversight of management. The Board understands that there is no single, generally accepted approach to providing Board leadership, and the right Board leadership structure may vary as circumstances warrant.

Based on its most recent review of the Company's leadership structure, the Board continues to believe that its current leadership structure is optimal for the Company because it provides the Company with strong and consistent leadership. In considering its leadership structure, the Board has taken a number of factors into account. Board and committee processes and procedures, including regular executive sessions of non-management directors and a regular review of the Company's and our executive officers' performance, provide substantial independent oversight of our management's performance. The Board has the ability to change its structure, subject to any limitations under the Stockholder Agreement, should that be deemed appropriate and in the best interests of the Company and its stockholders.

Board Committees

The Board has four standing committees, including the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Information Technology Committee, each of which is composed entirely of independent directors, except for the Information Technology Committee in which Mr. Rivera is a member.

Table of Contents

CORPORATE GOVERNANCE

Audit Committee

Our Audit Committee acts pursuant to a written charter (as amended and restated) adopted by the Board, a copy of which is publicly available on the Company's website at www.evertecinc.com in the Investor Relations section under the headings Corporate Information and Governance Documents. Our Board has determined that Messrs. Schumacher, Junquera, Smith and Ms. Loubriel each qualify as an audit committee financial expert, as defined in Item 407(d)(5) of Regulation S-K of the Securities Exchange Act of 1934, as amended (the Exchange Act). As indicated above, each of the members of our Audit Committee qualifies as independent, as defined in Rule 10A-3 of the Exchange Act and under the NYSE rules. Pursuant to our Audit Committee Charter and our By-Laws, our Audit Committee must consist of at least three board members who must meet at least four times a year, including once every fiscal quarter.

Our Audit Committee met eleven times during the fiscal year ended December 31, 2015. During such period, each member of the Audit Committee attended at least 90% of the meetings. In compliance with the NYSE rules, the Board made a formal determination that the simultaneous service on more than three audit committees of public companies by Mr. Schumacher does not impair his ability to serve on our Audit Committee nor does it represent or in any way create a conflict of interest for the Company.

The Audit Committee assists the Board in its oversight of (i) our financial reporting process, with respect to the integrity of our financial statements and our internal controls over financial reporting; (ii) our independent registered public accounting firm's qualifications, independence and performance; (iii) the performance of our internal audit function; (iv) our management policies regarding risk assessment and management; and (v) our compliance with laws and regulations. The Audit Committee is also responsible for the appointment, compensation, retention and oversight of the independent registered public accounting firm and the establishment of procedures for handling complaints.

Compensation Committee

Our Compensation Committee acts pursuant to a written charter (as amended and restated) adopted by the Board, a copy of which is publicly available on the Company's website at www.evertecinc.com in the Investor Relations section under the headings Corporate Information and Governance Documents. As indicated above, each of the members of our Compensation Committee qualifies as independent under the NYSE rules. Pursuant to our Compensation Committee Charter and our By-Laws, our Compensation Committee must consist of at least three board members who meet at least once a year. The Compensation Committee reviews and recommends policy relating to the compensation and benefits of our officers, directors and employees, including reviewing and approving corporate goals and objectives relevant to compensation of the CEO and other senior officers, evaluating the performance of these officers in light of those goals and objectives and reviewing and approving the compensation of these officers based on such evaluations. The Compensation Committee also produces a report on executive officer compensation as required by the SEC, which is included in this Proxy Statement.

Our Compensation Committee met seven times during the fiscal year ended December 31, 2015. Each member of the Compensation Committee during such period attended 100% of the meetings.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee acts pursuant to a written charter (as amended and restated) adopted by the Board, a copy of which is publicly available on the Company's website at www.evertecinc.com in the Investor Relations section under the headings Corporate Information and Governance Documents. As indicated above each of the members of our Nominating and Corporate Governance Committee qualifies as independent under the NYSE rules. Pursuant to our Nominating and Corporate Governance Committee Charter and our By-Laws, our Nominating and Corporate Governance Committee must consist of at least three board members who meet at least once a year. The responsibilities of our Nominating and Corporate Governance Committee include (i) assisting the Board in identifying individuals qualified to serve as members of the Board; recommending to the Board the director nominees for the next annual stockholders meeting in each case subject to the terms of the Stockholder Agreement;

Table of Contents

CORPORATE GOVERNANCE

(ii) reviewing and recommending to the Board a set of corporate governance guidelines; and (iii) leading the Board in its review of the performance of the Board and Board committees. For a further description of our director nomination process under our Stockholder Agreement, see [Certain Relationships and Related Transactions](#) [Related-Party Transactions](#) [Stockholder Agreement](#) [Director Nomination Rights](#).

Our Nominating and Corporate Governance Committee met five times during the fiscal year ended December 31, 2015. Each member of the Nominating and Corporate Governance Committee during such period attended 100% of the meetings.

Information Technology Committee

Our Information Technology Committee acts pursuant to a written charter adopted by the Board on February 5, 2016, and effective on March 1, 2016, a copy of which is publicly available on the Company's website at www.evertecinc.com in the [Investor Relations](#) section under the headings [Corporate Information](#) and [Governance Documents](#). As indicated above, one of the members of our Information Technology Committee does not qualify as independent under the NYSE rules. The NYSE rules do not require members of other committees such as an Information Technology Committee to comply with the independence requirements applicable under Section 303A.00. Pursuant to our Information Technology Committee Charter and our By-Laws, our Information Technology Committee must consist of at least three board members who meet at least once a year. The Information Technology Committee assists the Board in the integrity of the Company's information and technology systems; and in the management and oversight of (i) IT-related risks; (ii) IT security and cybersecurity; and (iii) IT infrastructure and strategy.

Other Committees

Our By-Laws provide that our Board may establish one or more additional committees. The Stockholder Agreement provides that, unless otherwise prohibited by applicable law, regulation or the NYSE rules (including the independence requirements described above), Popular has the right to representation on each committee of the Board in the same proportion as the number of directors, if any, nominated by it bears to the total number of directors for so long as Popular owns, together with its affiliates, at least 5% of our outstanding Common Stock.

Prior to that, his experience includes working at Citibank in New York and Banco de Crédito in Peru.</p> <p>He graduated from University of Lima with a bachelor's degree in Business Administration and holds an MBA from the University of Texas in Austin.</p>

Risk Oversight

Our Board approved the Company's Enterprise Risk Management Policy (the "ERM Policy"), the overall purpose and scope of which is the execution of risk management processes that provide for risk and exposure monitoring; the embedding or integration of risk management into all activities as an integral part of the Company's business activities; and the development of comprehensive internal controls and assurance processes linked to key risks. As a result, the Company continuously implements risk management processes that ensure the Company complies with existing regulatory and industry standards, thereby protecting the value of the Evertec brand and reputation by applying a disciplined approach to risk management, governance and internal controls.

Our Board is involved in risk oversight through direct decision-making authority with respect to significant matters and the oversight of management by the Board and its committees. Among other areas, the Board is directly involved in overseeing risks related to the Company's overall strategy, including product, go-to-market and sales strategy, executive officer succession, business continuity, crisis preparedness and corporate reputational risks.

The committees of the Board execute their oversight responsibility for risk management as follows:

The Audit Committee is responsible for overseeing the Company's internal financial and accounting controls, work performed by the Company's independent registered public accounting firm and the Company's internal audit function. As part of its oversight function, the Audit Committee regularly discusses with management and the Company's independent registered public accounting firm the Company's major financial and controls-related risk exposures and steps that management has taken to monitor and control such exposures. Within its risk oversight functions, the Audit Committee is responsible for reviewing the overall implementation of the Company's ERM framework and program, ensuring the placement of controls

Table of Contents

CORPORATE GOVERNANCE

needed to establish a strong internal control environment, receiving periodic status reports on management's ERM progress, overseeing the Company's risk exposure, and validating management's active role in assessing, managing and mitigating risks. In addition, the Company, under the supervision of the Audit Committee, has established procedures available to all employees for the anonymous and confidential submission of complaints or concerns relating to any matter to encourage employees to report questionable activities directly to the Company's senior management and the Audit Committee.

The Compensation Committee is responsible for overseeing risks related to the Company's cash and equity-based compensation programs and practices.

The Nominating and Corporate Governance Committee is responsible for overseeing risks related to the composition and structure of the Board of Directors and its committees and the Company's corporate governance practices. In this regard, the Nominating and Corporate Governance Committee will periodically review the Board and its committees, and plan for Board member succession and executive officer succession.

The Information Technology Committee is responsible for overseeing the Company's information and technology systems related risks and security.

Furthermore, a Management Operating Committee (the "MOC") that is comprised of members of senior management (including our CEO, COO, CFO, Chief Information Officer ("CIO"), General Counsel, Treasurer, heads of our business segments and such other officers of the Company as the CEO deems necessary or advisable for the proper conduct of the business of the Company) was created to assist the Audit Committee with risk oversight responsibilities. The MOC delegates risk responsibilities throughout the Company through the Company's Risk Officer, Risk Owners and Risk Working Groups in order to define the Company's risk appetite through a combination of limits and tolerances, and ensure that processes are implemented to identify, measure and assess risks. The ERM Policy requires regular reporting to ensure proper documentation of the Company's ERM activities. The Risk Officer has been delegated the primary responsibility of reporting risk summaries to the Audit Committee, and compiling an annual ERM report. Members of senior management also report information regarding the Company's risk profile directly to the Board from time to time.

The Board believes that the work undertaken by the Board, the Board's committees, the MOC and the Company's senior management team enables the Board to effectively oversee the Company's risk management processes.

Code of Ethics

We have adopted a Code of Ethics that applies to all our directors, officers and employees, including our CEO and CFO. Our Code of Ethics is posted on our website at www.evertecinc.com in the Investor Relations section under the headings Corporate Information and Governance Documents. We intend to include on our website any amendments to, or waivers from, a provision of the Code of Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer, or controller that relates to any element of the code of ethics, as defined by the SEC.

Meetings of the Board of Directors and Corporate Governance Matters

The Board met eleven times during the fiscal year ended December 31, 2015. Each of our directors who served during such period attended 100% of the meetings of the Board, with the exception of Ms. Loubriel who had an attendance rate of 91%.

The Board's operation and responsibilities are governed by the Charter, the By-Laws, charters for the Board's standing committees, Puerto Rico law and the Stockholder Agreement. The Charter and By-Laws generally eliminate the personal liability of our directors for breaches of fiduciary duty as a director and indemnify directors and officers as described below.

Table of Contents

CORPORATE GOVERNANCE

Indemnification of Directors and Officers

Our Charter and By-Laws limit the liability of our directors to the maximum extent permitted by Puerto Rico law. However, if Puerto Rico law is amended to authorize corporate action further limiting or eliminating the personal liability of directors, then the liability of our directors will be limited or eliminated to the fullest extent permitted by Puerto Rico law, as so amended. The modification or repeal of this provision of our Charter and By-Laws will not adversely affect any right or protection of a director existing at the time of such modification or repeal.

Our Charter and By-Laws provide that we will, from time to time, to the fullest extent permitted by law, indemnify our directors and officers against all liabilities and expenses in any suit or proceeding, arising out of their status as an officer or director or their activities in these capacities. We will also indemnify any person who, at our request, is or was serving as a director, officer or employee of another corporation, partnership, joint venture, trust or other enterprise, and is involved in a suit or proceeding arising out of such position. We may, by action of our Board, provide indemnification to our employees and agents within the same scope and effect as the foregoing indemnification of directors and officers.

The right to be indemnified includes the right of an officer or a director to be paid expenses, including attorneys' fees, in advance of the final disposition of any proceeding, provided that, if required by law, we receive an undertaking to repay such expenses if it is determined that the officer or director is not entitled to be indemnified.

Our Board may take certain action it deems necessary to carry out these indemnification provisions, including purchasing insurance policies. Neither the amendment nor the repeal of these indemnification provisions, nor the adoption of any provision of our Charter and By-Laws inconsistent with these indemnification provisions, will eliminate or reduce any rights to indemnification relating to such person's status or any activities prior to such amendment, repeal or adoption.

Our By-Laws provide that we may maintain insurance covering certain liabilities of our officers, directors, employees and agents, whether or not we would have the power or would be required under Puerto Rico law to indemnify them against such liabilities. We maintain a directors' and officers' liability insurance policy ("D&O Liability Insurance") for the protection of our directors and certain of our officers.

We have entered into separate indemnification agreements with each of our directors in connection with his or her appointment to the Board. These indemnification agreements will require us to, among other things, indemnify our directors against liabilities that may arise by reason of their status or service as directors. We believe these provisions will assist in attracting and retaining qualified individuals to serve as directors and officers. These indemnification agreements also require us to advance any expenses incurred by the directors as a result of any proceeding against

them as to which they could be indemnified and to use reasonable efforts to cause our directors to be covered by our D&O Liability Insurance policy. A director is not entitled to indemnification by us under such agreements if (i) the director did not act in good faith and in a manner he or she deemed to be reasonable and consistent with, and not opposed to, our best interests; or (ii) with respect to any criminal action or proceeding, the director had reasonable cause to believe his or her conduct was unlawful.

To our knowledge, currently there is no pending litigation or proceeding involving any of our directors, officers, employees or agents in which indemnification by us is sought, nor are we aware of any threatened litigation or proceeding that may result in a claim for indemnification.

Insofar as indemnification for liabilities arising under the U.S. Securities Act of 1933, as amended (the Securities Act), may be permitted to our directors, officers and controlling persons pursuant to the above statutory provisions or otherwise, we have been advised that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

Table of Contents

CORPORATE GOVERNANCE

Procedures for Communications with the Board

Stockholders and any interested party may communicate directly with the Board. All communications should be directed to our Corporate Secretary at the address below and should prominently indicate on the outside of the envelope that it is intended for the Board of Directors or for non-management directors. If no director is specified, the communication will be forwarded to the entire Board. Communications to the Board should be sent to: Evertec, Inc., Board of Directors, care of the Corporate Secretary, Road 176, Km. 1.3, San Juan, Puerto Rico 00926.

Director Attendance Policy

The Company does not have a formal policy with regard to Board member attendance at the Company's annual meetings of stockholders. All directors are encouraged to attend each annual stockholders' meeting to provide our stockholders with an opportunity to communicate with directors about issues affecting the Company; however, attendance is not mandatory. Last year, all nine directors standing for re-election at the Company's 2015 Annual Meeting of Stockholders attended the meeting. As required by the Company's By-Laws, the Board must meet immediately after the Company's annual stockholders' meeting.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act, or Section 16(a), requires that directors, executive officers, and persons who own more than ten percent of any registered class of a company's equity securities, or reporting persons, file with the SEC initial reports of beneficial ownership and report changes in beneficial ownership of Common Stock and other equity securities. Such reports are filed on Form 3, Form 4 and Form 5 under the Exchange Act, as appropriate. Reporting persons holding the Company's stock are required by the Exchange Act to furnish the Company with copies of all Section 16(a) reports they file.

To the Company's knowledge, based solely on the Company's review of copies of these reports, and written representations from such reporting persons, the Company believes that all filings required to be made by reporting persons holding the Company's stock were timely filed for the fiscal year ended December 31, 2015 in accordance with Section 16A(a).

18 **Evertec, Inc.** - *2016 Proxy Statement*

Table of Contents

Proposal 1: Election Of Directors

Overview

The Board currently consists of nine directors, seven of whom our Board has determined are independent. Under the Company's Charter, By-Laws and the Stockholder Agreement, the size of the Board is currently fixed at nine.

Director Qualifications. In making its recommendations of nominees to the Board, the Nominating and Corporate Governance Committee identifies candidates who meet the current challenges and needs of the Board. In determining whether it is appropriate to add or remove individuals, the Nominating and Corporate Governance Committee considers issues of judgment, diversity, age, skills, expertise, background, character, and experience. In making such decisions, the Nominating and Corporate Governance Committee considers, among other things, an individual's business experience, industry experience and financial expertise. The Nominating and Corporate Governance Committee also considers the independence, financial literacy and financial expertise standards required by our committee's charters and applicable laws, rules and regulations, and the ability of the candidate to devote the time and attention necessary to serve as a director and a committee member. While the Company does not have a formal diversity policy with respect to director nominations, it considers business diversity (including an appropriate combination of business acumen, educational experience, work experience and the other items noted above), as well as traditional diversity concepts such as race and nationality, as two of a number of factors it considers to identify qualified nominees for directors.

Identifying and Evaluating Nominees for Director. In the event that vacancies are anticipated or otherwise arise, the Nominating and Corporate Governance Committee considers various potential candidates for directorship. Candidates may come to the attention of the Board through management, current directors, professional search firms engaged by us, stockholders or other persons. Candidates are evaluated at regular or special meetings of the Nominating and Corporate Governance Committee and may be considered at any point during the year.

Stockholder Nominees. The Nominating and Corporate Governance Committee will consider candidates for director recommended by stockholders. If a stockholder wishes to nominate a candidate to be considered for election as a director at the 2017 annual meeting of the Company's stockholders, he or she must use the procedures as set forth in the Company's By-Laws, see also Procedures for Stockholder Communications with the Board. The nomination should generally include the candidate's name, home and business contact information, detailed biographical data, relevant qualifications for membership on our Board, information regarding any relationships between the candidate and us within the last three years, including stockholdings in us, and a written indication by the candidate of his or her willingness to serve, and should be sent to the Nominating and Corporate Governance Committee in care of the Corporate Secretary at: Road 176, Km. 1.3, San Juan, Puerto Rico 00926. If a stockholder wishes simply to propose a candidate for consideration as a nominee for any of the Board's committees, the stockholder should submit any pertinent information regarding the candidate to the corresponding committee in care of the Company's Corporate Secretary by mail to this same address.

The Nominating and Corporate Governance Committee and the Board of Directors will evaluate recommendations for director nominees submitted by directors, management, professional search firms or stockholders in the same manner, using the criteria stated above. All director nominees must submit a completed form of directors and officers questionnaire, as well as a completed questionnaire to determine independence, financial literacy, financial expertise and risk management experience as part of the nominating process. The process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the Nominating and Corporate Governance Committee.

PROPOSAL 1: ELECTION OF DIRECTORS

Recommendation of the Board of Directors

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT YOU VOTE FOR THE ELECTION OF EACH OF
THE COMPANY'S DIRECTOR NOMINEES LISTED BELOW.**

Information about Director Nominees²

Each of the individuals identified below has been nominated to stand for election for a term that expires at the Company's 2017 Annual Meeting of Stockholders. Each of these individuals has consented to be named as a nominee in this Proxy Statement and to serve as a director until the expiration of his or her respective term and until such nominee's successor has been duly elected or qualified or until the earlier resignation or removal of such nominee. The Nominating and Corporate Governance Committee recommended each of the nominees for selection, and each is currently serving on our Board. There are no family relationships between any director, executive officer or director nominee. As described in more detail in the "Certain Relationships and Related Transactions" section of this Proxy Statement, as of the Record Date, Popular has nominated Mr. Rivera and Ms. Loubriel as members of our Board pursuant to the terms of our Stockholder Agreement.

Should any one or more of the nominees named in this Proxy Statement become unable to serve for any reason, the Board may designate substitute nominees, unless the Board by resolution provides for a lesser number of directors. In this event, the proxy holders will vote for the election of such substitute nominee or nominees.

Frank G. D Angelo

Frank G. D Angelo has been Chairman of the Board since February 2014 and a director since September 2013. He was the Company's Interim CEO from January 1, 2015 to

Age: 71

Director Since:

Information Technology

Committee

Independent

March 31, 2015. Mr. D Angelo is also currently an Operating Partner in Hill Path, a private equity partnership that invests private equity in the public markets. He has 40 years of experience in the financial services industry. From 2012 to 2013, he was Chairman and President of Monitise Americas, Inc., a provider of mobile banking, payments and commerce solutions.

From 2009 to 2011, he was Executive VP of the Payment Solutions Group at Fidelity National Information Services, Inc. (NYSE:FIS) and, before that, Senior EVP of the Payment Solutions Group (1997-2009) and member of the Corporate Risk Management Committee at Metavante Technologies, Inc. until the company's merger with FIS in 2009. Mr. D Angelo retired from FIS in 2012. Prior to FIS, he was employed by Diebold, Incorporated (NYSE:DBD) (1979-1997) where he held several executive management positions such as VP of Service Operations, Head of Product Management, VP Client Services and Software Engineering, and CEO at Diebold, Inc. Mexico (1994-1996), living in Mexico City. From 1969 to 1979, he worked at Burroughs Corporation (now, Unisys Corporation) in software engineering, product management and client service management positions.

Mr. D Angelo is a past director and served on the Executive Committee of Contact Solutions, Inc., a provider of voice and mobile customer care solutions, as well as a director of ISF, a provider of system solutions to state and local government agencies. He is also on the board of trustees for Walsh University in Ohio and is Chairman of the Walsh University Finance and Audit Committee, and a member of its Investment Committee and Technology Committee.

Mr. D Angelo is a graduate of Walsh University with a business and management degree. He is a past Chairman of the Electronic Funds Transfer Association and served on the Payments Advisor Counsel of the Federal Reserve Bank of Philadelphia. Mr. D Angelo is a United States Air Force veteran.

Skills and Expertise:

Mr. D Angelo's experience in the financial services industry, as well as in operations and management, provides great value to our Board.

² All ages are as of Record Date, June 3, 2016.

PROPOSAL 1: ELECTION OF DIRECTORS

Morgan M. Schuessler, Jr.

As described earlier in this Proxy Statement, Morgan M. Schuessler, Jr. joined the Company in April 2015 as our President and Chief Executive Officer. See Executive Officers for Mr. Schuessler’s biographical information.

Age: 45

Director Since:

April 2015

Skills and Expertise:

As a result of Mr. Schuessler’s 20 years of experience in the payments industry, he thoroughly understands the Company’s main market and has developed management and oversight skills that allow him to make significant contributions to the Board.

President and CEO

Olga Botero

Olga Botero has been a member of our Board since September 2014. She is the founder and managing director of C&S Customers and Strategy, an information technology (IT) consultancy firm, and has been a Senior Advisor to the Boston Consulting Group since 2011.

Age: 52

Director Since:

September 2014

Ms. Botero has more than 20 years of experience in leadership roles in financial services, telecommunications and technology sectors globally. From 2006 to 2011, she was Group CIO for Grupo Bancolombia during 2006-2011, one of the largest financial groups in Colombia, as well as for all of Latin America.

Nominating and Corporate

Governance Committee

Information Technology

Committee (Chair)

Ms. Botero has served as a director on several boards, including ACH Colombia, Todo1 Services, Todo1, Multienlace and Tania. She has also been a member of several advisory groups, including the Global Billing Association in the UK, SAP’s Banking Advisory Council, IBM WebSphere Board of Advisors, Accenture’s Global CIO Council Advisory Board, Unisys Global Outsourcing and Infrastructure Services Advisory Council, Cisco’s Latin American Executive Council and SAS Customer Advisory Board.

Independent

Skills and Expertise:

Ms. Botero has deep experience within the IT industry and brings to the Company specific knowledge of payment systems that, combined with her knowledge of and relationships in the Colombian market, is an asset to the Company.

Nominating and Corporate

Governance Committee

Independent

Jorge Junquera has been a member of our Board since April 2012. Until his retirement in February 2015, Mr. Junquera was Vice Chairman of the Board of Directors of Popular, Inc. (NASDAQ:BPOP, Popular). Prior to becoming Vice Chairman, he was Chief Financial Officer of BPPR and Supervisor of Popular's Financial Management Group, positions he held since 1996. From 1999 to 2002, Mr. Junquera was also President of Banco Popular North America (BPNA). Mr. Junquera was a member of the boards of BPPR and BPNA from 2001 until 2013, a member of the board of Centro Financiero BHD in the Dominican Republic from 2001 until 2015 and a member of the board of Popular North America from 1996 until 2015, as well as of various Puerto Rico open-end investment companies from 2010 until 2012. He currently serves as a director of two non-profit organizations: Sacred Heart University since 2014 and Raiders Baseball Academy since 2012.

Skills and Expertise:

Mr. Junquera's significant experience managing financial institutions and serving on various boards of directors provides him with unique expertise and valuable perspective to assist the Board.

Teresita Loubriel**Age:** 63**Director Since:**

June 2013

Compensation Committee

Teresita Loubriel has been a member of our Board since June 2013. From 1978 until her retirement in 2008, Ms. Loubriel held several positions in Popular and BPPR including Corporate Controller, General Auditor, Head of Quality Office, Head of the Year 2000 Office and Human Resources Director. When she retired she was Executive Vice President and Executive Officer in charge of Human Resources, Strategic Planning and Corporate Communications. A retired CPA, Ms. Loubriel served as Senior Auditor for PricewaterhouseCoopers LLP from 1974 to 1978. She was on the Board of Trustees of Universidad del Sagrado Corazón from 2006 to 2013 and was a member of the Executive and Audit Committees.

Ms. Loubriel is currently a member of the Board of Directors of *Hogar de Niñas de Cupey*, a non-profit organization that shelters girls that have been removed from their homes by the Department of the Family due to abuse or neglect of their parents.

(Chair)

Audit Committee

Independent

Skills and Expertise:

Ms. Loubriel's extensive knowledge of finance and accounting allows her to make significant contributions to the Board. She also provides thoughtful insight regarding the communication needs of the Company.

Table of Contents**PROPOSAL 1: ELECTION OF DIRECTORS****Néstor O. Rivera****Age:** 69**Director Since:**

April 2012

Information Technology
Committee

Néstor O. Rivera has been a member of our Board since April 2012. Mr. Rivera has worked for BPPR for over 45 years, starting his career in 1970 under the Management Associate Program working for the Human Resources Division in charge of the Compensation and Salary Administration Department, and ultimately being appointed as the Director of Human Resources in 1986. During his tenure, he has been responsible for various divisions, such as Bank Operations for both BPPR and BPNA, and Asset Protection and Real Estate. Mr. Rivera is credited with establishing the Risk and Fraud Control Division in 2009 to prevent and minimize debit and credit card fraud, and the Technology Management Division to centralize all IT requirements and processes after Popular sold a 51% interest in Evertec to AP Carib Holdings, Ltd. Before assuming his current position as Executive Vice President of Retail Banking and Operations, he was Senior Vice President in charge of the Retail Banking Division from 1988 to 2004. Mr. Rivera received an MBA in banking from the Interamerican University and, before joining BPPR, he served in the United States Air Force, Air National Guard and United States Air Force Reserve.

Skills and Expertise:

Mr. Rivera's experience in sales, marketing, risk and operations has provided him with the knowledge and experience to contribute to the development of the Company's business strategy, which helps the Board in many important areas.

Alan H. Schumacher**Age:** 69**Director Since:**

April 2013

Audit Committee (Chair)

Alan H. Schumacher has been a member of our Board since April 2013 and served in the position of Interim Lead Independent Director from January 1 to March 31, 2015. Mr. Schumacher is currently a director of Bluelinx Holdings, Inc. (NYSE:BXC), Noranda Aluminum Holding Corporation (NYSE:NOR), Bluebird Bus Holding, Inc. (NASDAQ:BLBD), and New Albertsons, LLC. He has also served as a director of other companies including Equable Ascent Financial, LLC from 2009 to 2012 and Anchor Glass Container, Inc. from 2002 to 2006. Mr. Schumacher served on the Federal Accounting Standards Advisory Board from 2002 until 2012. He also served on the Board of Quality Distribution Inc. from 2004-2015.

Mr. Schumacher worked for 23 years at American National Can Corporation and American National Can Group, where he served as Executive Vice President and CFO from 1997 until his retirement in 2000, and Vice President, Controller and Chief

Nominating and Corporate
Governance Committee

Accounting Officer from 1988 to 1996.

Independent

Skills and Expertise:

As a former CFO and member of the Federal Accounting Standards Advisory Board, Mr. Schumacher brings to our Board substantial expertise in accounting, and the review and preparation of financial statements and internal controls, which he draws upon as our Audit Committee Chairman, while his vast experience in management at various entities has allowed him to make valuable contributions to the Board in its oversight functions.

Age: 60

Director Since:

February 2015

Audit Committee

Compensation Committee

Independent

Brian J. Smith has been a member of our Board since February 2015. Mr. Smith currently serves as Group President of Latin America (Central America, South America, Mexico and the Caribbean) for The Coca-Cola Company (NYSE:KO), a position he has held since January 2013. The Latin America Group represented \$4.9 billion in net revenue and operating income of \$2.9 billion in 2013. Prior to his current assignment, he was President of Coca-Cola's Mexico division from October 2008 to January 2013, and President of the Brazil division from August 2002 to October 2008.

Mr. Smith has also held other strategic and management roles since joining The Coca-Cola Company in 1997, including Latin America Group Manager for Mergers and Acquisitions where he was responsible for bottler and brand transactions in Latin America. Mr. Smith holds a Master of Business Administration from the University of Chicago and currently resides in Mexico.

Skills and Expertise:

Like other members of the Board, Mr. Smith has substantial managerial experience in Latin America. His current position in Mexico is particularly appealing to us and makes him a valuable asset to the Company.

Thomas W. Swidarski

Age: 57

Director Since:

December 2014

Nominating and Corporate

Thomas W. Swidarski has been a member of our Board since December 2014. His career spans over 35 years in the financial services and payments industries. He currently serves as Chairman and CEO of Bancsource Inc., a privately held technology firm that focuses on US financial institutions. From 2006 to 2013, Mr. Swidarski was Chief Executive Officer and President of Diebold, Inc. (NYSE:DBD, Diebold), a \$3 billion global leader in providing integrated self-service transaction (ATMs) and security systems to the financial, commercial and retail markets in 100 countries. Prior to becoming CEO and President, Mr. Swidarski was Chief Operating Officer and President of Diebold, and served in various other senior strategic development and marketing capacities at Diebold since joining the company in 1996. Before joining Diebold, he worked in the banking industry for 16 years, ultimately serving as Vice President of alternative delivery systems for AmeriTrust Bank and Chief Marketing Officer of PNC Bank.

Governance Committee
(Chair)
Compensation Committee
Information Technology
Committee

Mr. Swidarski currently serves on the board of another publicly company, Altra Industrial Motion Corp. (NASDAQ:AIMC). Altra Industrial is a leading global designer and manufacturer of quality power transmission and motion control products used in a variety of industrial applications. He is also a non-executive chairman of Asurint One Source Technology, LLC, a privately held company in the background verification field. Mr. Swidarski is involved in many non-profit organizations and is a trustee for the University of Dayton.

Skills and Expertise:

Independent

Mr. Swidarski is a seasoned senior executive with deep industry knowledge. Having served as CEO and President of Diebold, he brings significant international operating and management experience, which adds to the success and growth of the Company.

Table of Contents

Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm

Overview

In December 2014, the Audit Committee started a competitive proposal process to review the appointment of the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015. As a result of that process and following careful deliberation, on March 20, 2015, the Audit Committee dismissed PricewaterhouseCoopers LLP (PwC) as the Company's independent registered public accounting firm and decided to engage Deloitte & Touche LLP (Deloitte) in this role for the fiscal year ending December 31, 2015.

Neither the Charter nor our By-Laws require that the stockholders ratify the appointment of Deloitte as the Company's independent auditors. However, the Board is submitting the selection of Deloitte to the Company's stockholders for ratification as a matter of good corporation governance and practice. If the stockholders do not ratify the appointment, the Audit Committee and the Board will reconsider whether or not to appoint Deloitte, but may nonetheless appoint such independent auditors. Even if the appointment is ratified, the Audit Committee and the Board, in their discretion, may change the appointment at any time during the year if they determine that such change would be in the best interests of the Company and its stockholders.

The audit reports of PwC on the Company's consolidated financial statements for the fiscal years ended December 31, 2014 and 2013 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2014 and 2013 and the subsequent interim period through March 20, 2015, there were no disagreements with PwC on any matters of accounting principles or practices, financial statement disclosure or auditing scope or procedures which disagreements, if not resolved to the satisfaction of PwC, would have caused PwC to make reference to the subject matter of the disagreement in their reports on the financial statements for such years.

During the fiscal years ended December 31, 2014 and 2013 and the subsequent interim period through March 31, 2015, there were no reportable events (as defined in Regulations S-K Item 304(a)(1)(v)), except as follows. As disclosed in Item 9A of the Company's 2015 Form 10-K, in connection with management's assessment of the effectiveness of the Company's internal control over financial reporting as of December 31, 2014, management determined that a material weakness in internal control over financial reporting exists because the segregation of duties within the accounting system was inadequate for multiple individuals within the Company, including members of executive management. Specifically, certain individuals had access to prepare and post journal entries across substantially all key accounts for the Company without an independent review performed by someone other than the preparer. While the control deficiency did not result in any financial statement adjustments during the year ended December 31, 2014, it could result in misstatements to accounts and disclosures that would result in a material misstatement to the annual or interim consolidated financial statements that would not be prevented or detected. Accordingly, management determined that this control deficiency constituted a material weakness, which has been

subsequently remediated.

On February 29, 2016, we filed a Form 12b-25, Notification of Late Filing (the Form 12b-25) with the SEC with regard to its Annual Report on Form 10-K for the fiscal year ended December 31, 2015 (the Form 10-K). The Company identified an accounting position that required reevaluation with respect to a net operating loss pertaining to certain 2010 expenditures. This net operating loss resulted in a deferred tax asset of approximately \$14 million as of December 31, 2010 and the Company reevaluated such asset and its effect on subsequent periods. On March 17, 2016, after receiving additional advice, management and the Audit Committee of the Company s Board of Directors concluded that the referenced deferred tax asset was based on a tax position that did not meet the required threshold in order to be recorded on the balance sheet in accordance with the Financial Accounting Standards Board s *Accounting Standards Codification Topic 740 (Income Taxes)* (ASC 740), and that the deferred tax asset was accordingly recorded in error. Management and the Audit Committee further concluded that the deferred tax asset in question should be derecognized

Evertec, Inc. - 2016 Proxy Statement 25

Table of Contents**PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

and a liability for resulting potential tax liabilities should be recorded, following generally accepted accounting principles based on *ASC 740*. As a result of this conclusion, management, the Audit Committee and the Board of Directors determined that the Company's previously issued consolidated financial statements as of December 31, 2014 and 2013 and each of the three years in the period ended December 31, 2014, and as of the end of and for each quarterly period in 2014 and 2015 (collectively, the Non-Reliance Periods), should no longer be relied upon.

On May 26, 2016, we filed the Form 10-K including restated audited results as of and for the years ended December 31, 2014 and 2013, as well as restated unaudited condensed consolidated financial statements for the quarterly periods in 2015 and 2014 (the Restatement). Our consolidated financial statements as of and for the years ended December 31, 2014 and 2013 included in the Form 10-K have been restated from the consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2014.

The Restatement corrects material errors involved with the accounting for tax positions taken in the 2010 tax year. The Restatement corrects an error in the recognition of a deferred tax asset originating from 2010 tax deductions and the corresponding net operating loss for transaction costs that were based on an uncertain tax position and corrects an error related to the accounting for 2010 debt issuance cost tax deductions based on an uncertain tax position that affected book tax temporary differences and differences in the applicable tax rates over the affected period. These differences impacted deferred tax liability calculations over the affected period. The Restatement also establishes a liability for potential tax liabilities including penalties and interest related to these uncertain tax positions. In the third quarter of 2015, the liability for exposure to potential tax, interest and penalties with respect to the referenced 2010 debt issuance cost deductions was reversed in full as the related statute of limitations expired in such period. This tax liability reversal triggered recognition of a tax benefit of \$11.8 million in the third quarter of 2015.

The Restatement presents the effect of an adjustment to opening retained earnings as of January 1, 2013, which adjustment reflects the impact of the Restatement on periods prior to 2013. The cumulative effect of those adjustments decreased previously reported accumulated earnings by \$20.9 million as of December 31, 2012. The Restatement also corrects other miscellaneous insignificant accounting errors. These errors, individually and in the aggregate, would not have required a restatement.

We have not amended, and do not intend to amend, our Annual Reports on Form 10-K or Quarterly Reports on Form 10-Q for 2014, 2013 or for any prior periods affected by the Restatement or our Quarterly Reports on Form 10-Q for 2015. The consolidated financial statements and related financial information in our Quarterly Reports on Form 10-Q for 2015, 2014, 2013 or any prior periods affected by the Restatement and our Annual Reports on Form 10-K for 2014, 2013 or any prior periods should not be relied on as previously noted in our Current Report on Form 8-K, filed with the SEC on March 23, 2016. Any material adjustments for periods prior to 2013 have been recorded as adjustments to accumulated retained earnings as of December 31, 2012 in our consolidated financial statements.

As disclosed in Item 9A of the Company's 2015 Form 10-K, in connection with management's assessment of the effectiveness of the Company's internal control over financial reporting as of December 31, 2015, management determined that there was a material weakness in our internal control over financial reporting. The material weakness related to our controls over the assessment of uncertain tax positions that allowed material errors to occur that were not detected in a timely manner therefore requiring a restatement of our previously issued consolidated financial statements for 2014 and 2013 and for the quarters within the years ended December 31, 2014 and 2015. Management's

decision to restate the Company's previously issued Consolidated Financial Statements was made as a result of the identification of an incorrect assessment of uncertain tax positions in 2010 and their impact on subsequent years. Management reviewed the controls related to the completeness and robustness of its assessment and monitoring of uncertain tax positions and concluded that there was a reasonable possibility that a material misstatement of the annual or interim financial statements would not be prevented or detected on a timely basis.

An evaluation of the effectiveness of the design and operation of the Company's disclosure controls and procedures pursuant to Rule 13a-15(b) under the Exchange Act as of December 31, 2015 was performed under the supervision and with the participation of the Company's management, including the Chief Executive Officer and Chief Financial Officer. Based upon their evaluation, the Chief Executive Officer and Chief

26 **Evertec, Inc.** - *2016 Proxy Statement*

Table of Contents

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Financial Officer have concluded that as of December 31, 2015, the Company's disclosure controls and procedures are not effective because of the material weakness in our internal control over financial reporting described below.

The Company's management assessed the effectiveness of our internal control over financial reporting as of December 31, 2015. In making this assessment, management used the criteria established in the Internal Control-Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission. A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the annual or interim financial statements will not be prevented or detected on a timely basis.

Management has determined that the Company's controls related to the completeness and robustness of its assessment and monitoring of uncertain tax positions and the appropriate accounting related to the potential obligations were not operating effectively. Management concluded that this control deficiency is a material weakness. As a result of the material weakness, we have concluded that we did not maintain effective internal control over financial reporting as of December 31, 2015. The foregoing control deficiency contributed to the restatement of our consolidated financial statements for 2014 and 2013. Additionally, the foregoing control deficiency could result in material misstatements of the consolidated financial statements that would not be prevented or detected.

Deloitte audited the consolidated financial statements as of and for the year ended December 31, 2015, included in the Form 10-K and, as part of the audit, has issued a report, included as part of Item 8 of the Form 10-K, on the effectiveness of our internal control over financial reporting as of December 31, 2015.

Representatives of Deloitte are expected to attend the Annual Meeting. Deloitte will have the opportunity to make a statement at the Annual Meeting, if they so desire, and will be available to respond to any appropriate questions brought to their attention by stockholders.

Evertec, Inc. - 2016 Proxy Statement 27

Table of Contents

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Report of the Audit Committee

In the performance of its oversight function, the Audit Committee has considered and discussed our audited consolidated financial statements for the fiscal year ended December 31, 2015 including critical accounting policies, reasonableness of significant estimates and judgment and financial statements disclosures with management and Deloitte, our independent registered public accounting firm for the 2015 fiscal year. The Audit Committee has also discussed with the independent registered public accounting firm the matters required to be discussed by AU Section 380 (Statement on Auditing Standards No. 114), *Communications with those Charged with Governance* (SAS 114), and the Public Company Accounting Oversight Board Standard No. 16 regarding *Communication with Audit Committee*. In addition, the Audit Committee has received the written disclosures and the letter from Deloitte required by applicable requirements of the Public Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with Deloitte its independence. The Audit Committee has also considered whether the provision of non-audit services by the independent registered public accounting firm to us is compatible with maintaining the auditors' independence.

The members of the Audit Committee are not engaged professionally in the practice of auditing or accounting and are not employees of the Company. The Company's management is responsible for its accounting, financial management and internal controls. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct auditing or accounting reviews or procedures to set auditor independence standards.

Based on the Audit Committee's consideration of the audited consolidated financial statements and the discussions referred to above with management and the independent registered public accounting firm, and subject to the limitations on the role and responsibilities of the Audit Committee set forth in the charter and those discussed above, the Audit Committee recommended to the Board that our audited consolidated financial statements be included in our Annual Report on Form 10-K for filing with the SEC.

No portion of this Audit Committee Report shall be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, through any general statement incorporating by reference in its entirety the Proxy Statement in which this report appears, except to the extent that the Company specifically incorporates this report or a portion of it by reference. In addition, this report shall not be deemed to be filed under either the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.

THE AUDIT COMMITTEE
Alan H. Schumacher, Chairman

Jorge Junquera

Teresita Loubriel

Brian J. Smith

Principal Accounting Fees and Services

The following table presents the aggregated fees billed for professional services provided by Deloitte, as the Company's independent registered public accounting firm, for the fiscal year 2015 and PwC, for the completion of the annual filings related to the fiscal year ended December 31, 2014 which were invoiced and paid during 2015.

28 **Evertec, Inc.** - *2016 Proxy Statement*

Table of Contents**PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

(Dollar amounts in thousands)	Year ended December 31,		
	2015	2014	2013
	Deloitte	PwC	PwC
Audit Fees	\$ 2,678	\$ 1,323	\$ 2,030
Audit-Related Fees	\$ 994	\$	\$ 1,130
All Other Fees	\$	\$	\$ 52
	\$ 3,672	\$ 1,323	\$ 3,212

Audit Fees. This category includes fees and expenses related to the audit of our annual financial statements and the effectiveness of our internal controls over financial reporting. This category also includes the review of financial statements included in our Quarterly Reports on Form 10-Q and services that are normally provided by the independent auditors in connection with regulatory filings or engagements, consultations provided on audit and accounting matters that arose during, or as a result of, the audits or the reviews of interim financial statements, reviews of offering documents and registration statements for debt and issuance of related comfort letters, reviews of acquisition and integration accounting in connection with reviews of business combinations, review of required regulatory filings of financial statements of business acquired, additional audit work necessary for acquired businesses, and the preparation of any written communications on internal control matters.

Audit-Related Fees. This category consists of assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported above under Audit Fees.

All Other Fees. This category consists of fees for services provided by PwC (transaction services) other than fees for the services listed in the other categories.

Pre-Approval Policies. Pursuant to the rules and regulations of the SEC, before the Company's independent public accountant is engaged to render audit or non-audit services, the engagement must be approved by the Company's Audit Committee or entered into pursuant to the committee's pre-approval policies and procedures. The policy granting pre-approval to certain specific audit and audit-related services and specifying the procedures for pre-approving other services is set forth in the Amended and Restated Charter of the Audit Committee.

Restatement Services. On February 29, 2016, we disclosed on a Form 12b-25 with the SEC that the Company needed additional time to evaluate an accounting position with respect to its net operating loss and related deferred tax asset. The position consisted of reevaluating the accounting in prior years' financial statements for a net operating loss tax deduction taken in 2012 relating to certain 2010 expenditures that resulted in the recognition of a deferred tax asset. PwC was requested to work on this restatement, since PwC was our former independent auditor for the years related to the restatement. PwC quoted a maximum of \$485,000 in connection with the fees relating to the restatement services, which the Audit Committee found to be fair and advisable for the services, thus approving the fees.

Compensation Discussion and Analysis

Compensation Committee Report

Our Compensation Committee has reviewed and discussed with management the following Compensation Discussion and Analysis as required by Item 402(b) of Regulation S-K. Based on such review and discussions, the Compensation Committee recommended to the Board that this Compensation Discussion and Analysis be included in this Proxy Statement.

THE COMPENSATION COMMITTEE
Teresita Loubriel, Chairwoman

Frank G. D Angelo

Brian J. Smith

Thomas W. Swidarski

Overview

The Compensation Committee is responsible for recommending to our Board our general compensation philosophy and objectives, determining our CEO's compensation, approving the compensation of our other executive officers and directors, and administering our equity-based compensation plans, in which our NEOs may participate. The Compensation Committee is also charged with overseeing the risk assessment of our compensation arrangements applicable to our executive officers and other employees, and reviewing and considering the relationship between risk management policies and practices, and compensation.

The Compensation Committee meets as often as necessary, but at least once annually. While ultimate responsibility for compensation recommendations rests with the Compensation Committee, the Compensation Committee has the authority to hire a compensation consultant to assist it in fulfilling its duties.

Since March 2014, the Compensation Committee has used the professional compensation consulting firm F.W. Cook, to assist it in undertaking a comprehensive review of our entire executive compensation program. The Compensation

Committee assessed the independence of F.W. Cook and whether its work raised any conflict of interest, taking into consideration the independence factors set forth in applicable SEC and NYSE rules, and determined that F.W. Cook was independent. In December 2015, F.W. Cook performed a study to assess the competitive position and design of our non-employee director compensation program, as well as an assessment of the competitiveness of compensation levels for our executive officers. As a result of these assessments, certain adjustments were made to the Director Compensation Policy, and some modifications were implemented to our long-term incentive plan.

This compensation discussion and analysis reflects a discussion of our compensation objectives and philosophy, as well as the elements of our total NEO compensation packages in addition to information regarding certain compensation changes implemented for fiscal year 2015. The Compensation Committee may conduct further review of the executive compensation philosophy and objectives from time to time and could make changes to the executive compensation practices, as it considers appropriate.

Named Executive Officers (NEOs)

The table below sets forth a list of our NEOs for the fiscal year ended December 31, 2015. All of our NEOs are or were primarily employed by Evertec Group, which is our principal operating subsidiary, but also serve in similar functions at Evertec. As further disclosed in more detail elsewhere in this Proxy Statement, Frank G. D Angelo served as interim CEO from January 1, 2015 to March 31, 2015; Morgan M. Schuessler, Jr. became President and CEO as of April 1, 2015. Mariana Goldvarg was named as the Company's President for

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS**

Latin America as of May 25, 2015. Furthermore, Juan J. Román ceased his employment with the Company effective August 31, 2015 and Peter J.S. Smith assumed the role of Executive Vice President, Chief Financial Officer and Treasurer as of September 1, 2015.

Name	Title
Morgan M. Schuessler, Jr.	President and Chief Executive Officer
Peter J.S. Smith	Executive Vice President, Chief Financial Officer and Treasurer
Mariana Goldvarg	President for Latin America
Philip E. Steurer	Executive Vice President and Chief Operating Officer
Miguel Vizcarrondo	Executive Vice President and Head of Merchant Acquiring and Payment Processing
Carlos J. Ramírez	Executive Vice President and Head of Business Solutions

Compensation Philosophy and Objectives

As mentioned above, the Compensation Committee is responsible for establishing, implementing and continually monitoring adherence with our compensation philosophy. Its intent is to ensure that the total compensation paid to our executive officers is fair, reasonable and competitive.

The philosophy embedded in our compensation program is to:

Support an environment that rewards performance against established goals;

Provide fair base compensation and benefits for management stability and incentive compensation to support our short- and long-term success;

Align the interests of executives with the long-term interests of stockholders through equity-based awards that may result in stock ownership; and

Develop incentives to achieve high levels of performance while not encouraging excessive risk taking in the business.

Compensation for our NEOs is designed to provide rewards commensurate with each NEO's contribution. Our executive compensation strategy is designed to:

Attract and retain highly qualified executives;

Provide executives with compensation that is competitive within the industry in which we operate;

Establish compensation packages that take into consideration the executive's role, qualifications, experience, responsibilities, leadership potential, creativity, individual goals and performance; and

Align executive compensation to support our business objectives.

Role of Executive Officers in Compensation Decisions

Our CEO defines and recommends to the Compensation Committee the corporate and personal objectives for each of our other NEOs annually. The Compensation Committee has the authority to modify these objectives as deemed necessary and approve the final incentive opportunity that will be communicated by the CEO to such NEOs.

Our CEO also reviews the performance of each of our other NEOs annually. The conclusions reached and recommendations based on these reviews, including with respect to salary adjustments and annual incentive award target and actual payout amounts, are presented to the Compensation Committee, which has the discretion to modify any recommended adjustments or awards to executives, including our NEOs.

Table of Contents

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee has final approval over all compensation decisions for our NEOs and approves recommendations regarding cash and equity awards to all of our NEOs. Although the CEO is present to discuss recommendations pertaining to each of our other NEOs, our CEO is not permitted to attend those portions of any meetings of the Compensation Committee at which the CEO's performance or compensation is discussed, unless specifically invited by the Compensation Committee.

Competitive Compensation Practices

The Compensation Committee's access to competitive benchmarking is a critical element to understanding the current environment for executive talent. Along with other factors, this information enables the Compensation Committee to make well-informed decisions on recruitment and retention of key executives.

Elements of Compensation

The Compensation Committee believes the compensation packages provided to our executives, including our NEOs, should include both cash and equity-based incentives that reward performance against established goals and that discourage management from taking unnecessary and/or excessive risks that may harm the Company.

Our compensation program for our NEOs consists of the following core elements:

Base salary;

Short-term cash incentives based on performance;

Long-term equity incentives based on performance; and

Other benefits and perquisites.

In 2014, as part of the Company's comprehensive review of its compensation programs and practices, the Compensation Committee worked with F.W. Cook to establish an executive compensation peer group to assist the Compensation Committee in evaluating the competitiveness of NEO compensation in terms of both dollar opportunity and compensation structure and design. As a matter of good governance practice, the Compensation Committee is committed to periodically reviewing the list of peer companies to ensure the appropriateness of this group on an ongoing basis and make changes, if necessary. Given the Company's location in Puerto Rico, the Compensation Committee must balance the challenges of attracting and retaining experienced local executive talent with talent from the mainland United States and elsewhere.

In narrowing its focus of comparable companies for consideration, the Compensation Committee, in general, utilized the following factors for screening purposes: (i) the extent to which the peer companies compete with Evertec in one or more lines of business, for executive talent and for investors; (ii) comparability of revenues, market capitalization, total assets and number of employees; (iii) statistical reliability in terms of the total number of companies in the peer set; and (iv) the prevalence of companies in the peer frames of other similarly situated competitors (i.e., peer of peer analysis). Furthermore, the Compensation Committee reviewed compensation data for several publicly traded companies that are native to Puerto Rico in an effort to monitor the local marketplace for executive talent.

For 2015, the Compensation Committee, with the assistance of F.W. Cook, determined that the peer companies chosen previously were still appropriate. The following table lists the 14 companies as selected and approved by the Compensation Committee after taking into account the various factors mentioned above:

ACI Worldwide	Fiserv	MoneyGram International
Broadridge Financial Solutions	Global Cash Access Holdings	Total System Services
Cardtronics	Global Payments	Vantiv
Euronet Worldwide	Heartland Payment Systems	WEX
Fidelity National Information Services	Henry (Jack) & Associates	

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS*****Base Salary***

We provide our NEOs and other employees with a base salary to compensate them for services rendered during the year. This fixed element of our compensation program is determined for each executive based on position and scope of responsibility. Annual base salary for our NEOs is subject to annual review by the Compensation Committee for possible increase at the Board's sole discretion. In reviewing base salaries, the Compensation Committee may consider (i) changes in the executive's individual responsibility; (ii) analysis of the executive's compensation both internally (i.e., relative to other Evertec officers) and externally (i.e., relative to similarly situated executives at peer companies); and (iii) the executive's individual performance.

In order to provide a total compensation package competitive with those provided by the peer companies in which we compete for top executive talent, the base salaries of our NEOs were increased effective as of July 1, 2014, per the recommendation of our independent compensation consultant. In December 2015, the Company's executive compensation program was reviewed by the Compensation Committee and F.W. Cook. The Compensation Committee determined that our current compensation package continues to be competitive and successful at attracting and retaining top executive talent. The base salary for each NEO was as follows for 2015:

Named Executive Officers	2015 Cash Base Salary	2014 Cash Base Salary	Percent Change
Morgan M. Schuessler, Jr.	\$ 650,000		n/a
Peter J.S. Smith	\$ 350,000		n/a
Mariana Goldvarg	\$ 350,000		n/a
Miguel Vizcarrondo	\$ 300,000	\$ 300,000	0%
Carlos J. Ramírez	\$ 300,000	\$ 300,000	0%
Philip E. Steurer	\$ 285,000	\$ 285,000	0%
Frank G. D. Angeló ⁽¹⁾	\$ 300,000		n/a
Juan J. Román ⁽²⁾	\$ 400,000	\$ 400,000	0%

Annual Cash Bonus

With the implementation of the new executive compensation philosophy in 2014, the Compensation Committee made certain adjustments to the annual cash bonus program for 2014 based in part on F.W. Cook's recommendation. Specifically, prior to July 1, 2014, greater emphasis was placed on each NEO's achievement of certain qualitative factors. The changes made by the Compensation Committee place greater weighting on the achievement of certain quantitative factors as reflected in the corporate component of the cash bonus, strengthening our commitment to a

pay-for-performance compensation philosophy. In 2015, the annual cash bonus program was reviewed by the Compensation Committee, which determined that our current program continues to be appropriate in accordance with our executive compensation philosophy. The corporate component and individual component were established at 70% and 30% of the overall bonus targets, respectively, with the exception of our President and CEO, for whom the corporate component is 100%. The corporate component of the potential cash bonus is triggered if the Company achieves at least 95% of our Revenue (weighted at 40%) and Adjusted Net Income (weighted at 60%) targets for the fiscal year, with our NEOs receiving 50% of the corporate component at the 95% performance level, up to 150% of the corporate component at 110% of our targeted corporate metrics, with linear interpolation between the 95% and 110% performance levels. Furthermore, our NEOs are eligible to earn a cash bonus of 0% to 150% of the personal component based on each executive's individual performance.

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS**

The target annual cash bonus as a percentage of salary and the mix between corporate performance and individual performance elements for each NEO were as follows for 2015:

Named Executive Officers	Target Bonus Percentage	Corporate Performance Percentage	Individual Performance Percentage	Target Bonus	Actual Bonus Payout
Morgan M. Schuessler, Jr. ⁽¹⁾	100%	100.0%	n/a	\$ 650,000	\$ 497,250
Peter J. S. Smith ⁽¹⁾	75%	52.5%	22.5%	\$ 262,500	\$ 89,250
Mariana Goldvarg ⁽¹⁾	75%	52.5%	22.5%	\$ 262,500	\$ 176,000
Miguel Vizcarrondo	75%	52.5%	22.5%	\$ 225,000	\$ 227,000
Carlos J. Ramírez	75%	52.5%	22.5%	\$ 225,000	\$ 162,000
Philip E. Steurer	75%	52.5%	22.5%	\$ 213,750	\$ 215,525

⁽¹⁾ Bonus prorated to hire date (Mr. Schuessler 9 months; Mr. Smith 4 months; Ms. Goldvarg 8 months) The actual bonus payouts described in the above table and paid to our NEOs for fiscal year 2015 reflect the Company's achievement of 100.24% of our Revenue and 100.09% of our Adjusted Net Income targets, resulting in a blended overall percentage of approximately 70% of the corporate component targets. Each NEO also achieved varying percentages of their individual component targets which, when taken together with the corporate component, result in the total actual bonus payout reflected in the above table, with the exception of our President and CEO, for whom the individual component is not applicable.

Long-Term Equity Incentives

In connection with our initial public offering, we adopted the Evertec, Inc. 2013 Equity Incentive Plan (the 2013 Plan). Under the 2013 Plan, 5,956,882 shares of our Common Stock were initially reserved for issuance upon exercise and grants of stock options, restricted stock and other equity awards. The Compensation Committee has been delegated the responsibility to administer these plans. In the past, equity awards were generally awarded to our NEOs upon commencement of employment or in connection with promotions.

In early 2014, the Compensation Committee initiated a comprehensive review of the Company's compensation programs and practices as part of the Company's emergence as a separate stand-alone entity. As part of this multi-faceted review, the Compensation Committee determined that a new long-term incentive design linked to strong pay-for-performance principles was appropriate to ensure executive ownership and linkage to the long-term interests of Evertec stockholders. As a result, on February 24, 2015, the Compensation Committee determined it was appropriate to award our NEOs with grants of restricted stock units (RSUs) under the 2013 Plan (the 2015 Awards).

The 2015 Awards provided for the grant of both time-based and performance-based RSUs to our NEOs. Grants under the 2015 Awards were designed for the dual purpose of serving as a retention mechanism for the Company's key employees and as an incentive vehicle to help ensure that such key employees are linked to the Company's overall performance in future years. The RSUs include a dividend equivalent component, subject to meeting applicable vesting criteria. In March 2015, the Compensation Committee approved grants of time-based and performance-based RSUs for our NEOs.

The following NEOs received grants under the 2015 Awards:

Name	RSUs Granted ⁽¹⁾			Grant Date
	Cash Base Salary (\$)	Total RSUs Award (#) ⁽²⁾	Total Award Value (\$)	
Morgan M. Schuessler, Jr	\$ 650,000	92,294	\$ 2,000,000	April 1, 2015
Frank G. D Angelo	\$ 300,000 ⁽³⁾	3,390	\$ 75,020	January 1, 2015
Peter J.S. Smith	\$ 350,000	27,996	\$ 500,000	September 1, 2015
Mariana Goldvarg	\$ 350,000	44,984	\$ 1,000,000	June 1, 2015

⁽¹⁾ RSUs Awards were granted upon signing of the executive's employment agreement.

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS**

- (2) Provided that the executive is actively carrying out his or her duties in connection with the employment at all times from the date of grant through the vesting date, the RSUs shall vest as follows: Mr. Schuessler's RSUs will vest in three equal installments on April 1, 2016, April 1, 2017 and April 1, 2018; Mr. D'Angelo's RSU vested on May 29, 2015; Mr. Smith's RSUs will vest on September 1, 2018; and Mr. Goldvarg's RSUs will vest on June 1, 2018.

(3) Salary annualized for his service as Interim CEO from January 1, 2015 to March 31, 2015. Subsequently, after analysis of applicable market data and consultation with F.W. Cook, on December 16, 2015, the Compensation Committee adopted a change to one of the metrics used in the long-term incentive plan, specifically, the measurement of Compound Annual Growth Rate (CAGR) in Fully Diluted Earnings per Share (EPS) to be calculated annually instead of cumulatively over three years for the awards to be granted during 2016 (the 2016 Awards). This change was adopted temporarily due to the difficulty in determining a three-year measure given the current challenges in the local economic environment. During February of 2016, the Compensation Committee approved grants of time-based RSUs and performance-based RSUs to its NEOs. The time-based RSUs granted by the Company to its NEOs will vest in three equal installments on February 19, 2017, February 19, 2018 and February 19, 2019, provided that the NEO remains continuously employed with the Company during such time period except as otherwise set forth in the applicable award agreement. Also, in February 2016, the Company made changes to the payout levels (i.e., the minimum threshold performance level was increased from 50% to 60%).

The performance-based RSUs can be earned by the NEOs only to the extent that performance is achieved against pre-established goals, and vest on the third anniversary of the grant date, upon culmination of a three-year performance period that ends on December 31, 2018, provided that the NEO remains continuously employed with the Company during such time period except as otherwise set forth in the applicable award agreement. The performance-based RSUs are divided into two equal, independent parts that are subject to two separate and distinct performance metrics: 50% weighted to relative total shareholder return (TSR) goal and 50% with a CAGR of Fully Diluted EPS.

The total award dollar value is divided equally between time-based RSUs and performance-based RSUs. The actual number of RSUs granted for time-based RSUs and performance-based RSUs tied to Fully Diluted EPS was determined by dividing the award dollar value by the price of the Common Stock on the close of business of the date of grant. The actual number of RSUs granted for performance-based RSUs tied to relative TSR was determined by dividing the award dollar value by a Monte Carlo simulation value that factors future stock prices for the Company and peer companies.

Performance against the relative TSR goal is determined by comparing the performance of the Company's actual TSR with the TSR performance of the members of the Russell 2000 Index for the three-year performance period. The Compensation Committee believes that the members of the Russell 2000 Index are an appropriate benchmark against which to compare the Company's TSR performance given the Index's focus on the small-cap segment of the U.S. equity universe. The following table summarizes the relationship between the Company's actual TSR performance when compared with the TSR performance of the members of the Russell 2000 index and the associated payout levels for the performance achieved:

Performance Level ⁽¹⁾	Company Percentile Rank vs. Peer Companies	Payout Percentage
Maximum	75 th Percentile or Above	200%
Target	50 th Percentile	100%
Threshold	35 th Percentile	60%
	Less Than 35% Percentile	0%

(1) Performance between levels is linearly interpolated.

The CAGR EPS RSUs will be based on the Company's actual one-year diluted EPS measured over the one-year period commencing on January 1, 2016 and ending on December 31, 2016, relative to the goals set by

Evertec, Inc. - 2016 Proxy Statement 35

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS**

the Compensation Committee for this same period. The shares earned according to the table below will be subject to a further two-year service vesting period:

Performance Level ⁽¹⁾	Evertec 1-Year Diluted EPS Growth		Payout Percentage
Maximum	\$	1.79	200%
Target	\$	1.62	100%
Threshold	\$	1.57	60%
	<\$	1.57	0%

⁽¹⁾ Performance between levels is linearly interpolated.

Results falling between the stated levels of threshold and target and between target and maximum will result in an interpolated, or sliding scale payout.

Details of the 2016 and 2015 Awards to our NEOs are as follows:

Name	Base Salary (\$)	Award Multiple (%)	Total Award Value (\$)	RSUs Granted			
				Time-based (#)	Relative TSR (#) ⁽¹⁾	CAGR of Diluted EPS (#)	Total (#)
Morgan M. Schuessler, Jr.	\$ 650,000	420%	\$ 2,730,000	119,737	50,295	59,869	229,901
Peter J.S. Smith	350,000	252%	882,000	38,685	16,250	19,343	74,278
Mariana Goldvarg	350,000	223%	782,000	34,299	14,407	17,150	65,856
Miguel Vizcarrondo	300,000	117%	350,000	15,351	6,449	7,676	29,476
Carlos J. Ramírez	300,000	117%	350,000	15,351	6,449	7,676	29,476
Philip E. Steurer	285,000	184%	525,000	23,027	9,673	11,514	44,214

⁽¹⁾ As of the grant date, the Monte Carlo simulation value for all executives was \$13.57 and the closing Common Stock price was \$11.70.

Name	Base Salary (\$)	Award Multiple (%)	Total Award Value (\$)	RSUs Granted			
				Time-based (#) ⁽²⁾	Relative TSR (#) ⁽³⁾	CAGR of Diluted EPS (#) ⁽²⁾	Total (#)
Morgan M. Schuessler, Jr.	\$ 650,000	300%	\$ 1,950,000	44,994	17,349	22,497	84,840
Juan J. Román	400,000	175%	700,000	15,738	5,682	7,869	29,289

Miguel Vizcarrondo	300,000	175%	525,000	11,804	4,262	5,902	21,968
Carlos J. Ramírez	300,000	175%	525,000	11,804	4,262	5,902	21,968
Philip E. Steurer	285,000	175%	498,750	11,213	4,049	5,607	20,869

- (1) Awards other than grants made upon signing of the executives' employment agreements.
- (2) The Company's Common Stock price as of the close of business on the date of grants was used to determine the number of RSUs (\$21.67 for Mr. Schuessler and \$22.24 for all other NEOs).
- (3) As of the date of grants, the Monte Carlo simulation value for Mr. Schuessler's grant was \$28.10 and \$30.80 for the grants of all other NEOs.

Other Compensation

Statutory Cash Bonus Payment

In 2015, each NEO received a Christmas bonus. As a general rule, Puerto Rico law requires companies to provide employees who worked more than 700 hours in a year an amount which cannot be less than \$600 as a Christmas bonus, which must be paid on or before the 15th day of December. In 2015, our policy was to pay

Table of Contents

COMPENSATION DISCUSSION AND ANALYSIS

a Christmas bonus to employees in Puerto Rico in an amount equivalent to 4.17% of the employee's base salary for employees hired before October 29, 2012 and 3.00% of the employee's base salary for employees hired after this date.

Benefits and Perquisites

Our NEOs participate in the same benefit programs as the rest of our general employee population. These benefits include health insurance coverage, short- and long-term disability insurance, and life insurance, among others. In addition, in order to better enable us to attract, retain and motivate employees for key positions, we provide limited perquisites to our NEOs to assist them in carrying out their duties and increasing productivity. We believe these perquisites, which do not constitute a significant portion of our NEOs' total compensation package, are reasonable and consistent with our overall compensation philosophy. In 2015, these perquisites included the use of Company-owned automobiles, periodic comprehensive medical examinations, and club membership fees. In December 2015, the Compensation Committee revised the Company's Travel Policy with respect to the authorized travelers allowed to travel in business/first class on Company business. The Compensation committee determined it was advisable to make the following change: only the CEO, CFO, President for Latin America and EVPs will be allowed to travel in business/first class on Company business, unless another Company employee is traveling with the CEO, in which case the CEO may authorize such non-authorized traveler to accompany him in business/first class. This change to the Travel Policy became effective as of January 1, 2016.

Furthermore, after analysis of applicable market data, in March 2016 the Compensation Committee approved some changes with respect to the executive team vehicle benefits, consisting of the following: (i) vehicles will no longer be approved for new executives, nor renewals for present or former executives with grandfathered rights, with the exception of the CEO and CFO, for whom vehicles may be approved; (ii) the Company will retain the vehicles now assigned to executives until four (4) years after their acquisitions, at which time the executive may purchase it at book value, or five (5) years after their acquisition when the executive may purchase it for \$1.00. Upon acquisition of the vehicle, the executive will be awarded a one-time bonus of \$25,000 grossed up for taxes or a \$15,000 base salary adjustment.

Our NEOs, as well as all other employees, are eligible to participate in the Evertec Group Savings and Investment Plan. This plan is a tax-qualified retirement savings plan (similar to a 401(k) plan) to which all Puerto Rico employees were able to contribute up to \$15,000 in 2015 on a pre-tax basis and up to 10% after tax of their total annual compensation. We match 50% of the employee contributions up to 3% of base salary. All matching contributions to the Evertec Group Savings and Investment Plan vest 20% each year over a five-year period.

Tax Deductibility of Executive Compensation

The Compensation Committee intends that all applicable compensation payable for NEOs be deductible for income tax purposes, unless there are valid compensatory reasons for paying non-deductible amounts in order to ensure competitive levels of total compensation. For the fiscal year 2015, the Company was not subject to the limitations of Section 162(m) of the U.S. Internal Revenue Code.

Stock Ownership Guidelines

In February 2015, the Compensation Committee adopted Stock Ownership Guidelines for directors, NEOs and certain other key employees of the Company. These guidelines were established to align the financial interest of the directors and certain officers of the Company with those of the Company's stockholders. Following formal implementation of the guidelines, the Compensation Committee reevaluated the guidelines and proposed the following amendments: (1) establish that ownership levels will be based on the fair market value of the Company's Common Stock; and (2) designate the Company's Finance Division as the administrator of the guidelines. In December 2015, the Compensation Committee deemed it advisable and in the best interests of the Company to incorporate the proposed amendments into the guidelines. Furthermore,

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS**

the Compensation Committee believes that the investment community values stock ownership by the Company's directors and NEOs and that share ownership demonstrates a commitment to and belief in the long-term profitability of the Company. Our NEOs and other key officers are generally subject to the following ownership guidelines:

Designated Owner	Ownership Level
Chief Executive Officer	5 times annual base salary
Executive Vice Presidents	3 times annual base salary
Senior Vice Presidents	1 times annual base salary

While directors are encouraged to acquire shares of Common Stock, thereby strengthening their commitment to the welfare of the Company and its subsidiaries, directors are prohibited from selling any such shares during their service as directors of the Company, unless approved by the Compensation Committee, and only then in extraordinary circumstances.

Compensation Risk Assessment

We believe our approach to establishing goals and objectives and setting targets with payouts at multiple levels of performance, combined with the evaluation of performance results, assist in mitigating excessive risk-taking that could harm the Company's value or reward poor judgment by our executives. Several features of our programs reflect sound risk management practices. Furthermore, our independent compensation consultant is aware of the potential risks in compensation programs and assisted with the implementation of the following plan design features of the Company's cash and equity incentive programs for our executives that reduce the likelihood of excessive risk-taking:

The program design provides a balanced mix of cash and equity, annual and long-term incentives, and time-based and performance-based (revenue, earnings, and total shareholder return) requirements.

Maximum payout levels for annual cash bonuses are capped at 150% of the executive's base salary.

Maximum payout levels for performance-based RSUs under the 2015 Awards are capped at 200% of target.

Equity awards are subject to multi-year vesting.

Executive and senior officers are subject to share ownership guidelines.

Compliance and ethical behaviors are integral factors considered in all performance assessments. We believe that risks arising from our compensation policies and practices for our employees are not reasonably likely to have a material adverse effect on the Company.

- (1) This section reflects bonus opportunities under the Company's annual bonus plan. The bonus opportunities are based on a corporate component and an individual component. The actual bonus payouts for 2015 are discussed in Elements of Compensation Annual Cash Bonus.
- (2) This column reflects the amount payable if the threshold targets for the corporate component are met.
- (3) This section reflects the total amount of Performance-based RSUs granted under the 2015 Awards which will become vested on January 1, 2018 to the extent that performance is achieved.
- (4) This section reflects the total amount of Time-based RSUs granted under the 2015 Awards which will become vested in three equal installments January 1, 2016, January 1, 2017 and January 1, 2018.

Employment Agreements

We generally enter into employment agreements with our NEOs upon commencement of employment. In 2014, each of our NEOs entered into amended and restated employment agreements to reflect changes made to their respective base salaries and bonus programs.

Table of Contents

COMPENSATION DISCUSSION AND ANALYSIS

Former Chief Financial Officer

On August 16, 2015, Juan J. Román ceased his employment as Executive Vice President, Chief Financial Officer and Treasurer of the Company and Evertec Group, effective August 31, 2015.

Current Chief Financial Officer

In August 19, 2015, the Company entered into an employment agreement with Peter J.S. Smith, pursuant to which the commencement date of his employment as Executive Vice President, Chief Financial Officer and Treasurer of the Company and Evertec Group became effective September 1, 2015 until December 31, 2018. Pursuant to his agreement, Mr. Smith would receive an annual base salary of \$350,000, which amount is subject to annual review by the Board or a committee thereof. Mr. Smith is eligible for annual cash incentive awards of up to 75% of his base salary under the Evertec Annual Performance Incentive Guidelines. Mr. Smith will also receive a Christmas bonus each year in an amount equal to 3% of his base salary. Mr. Smith also received (i) 27,996 RSUs which will vest in one installment on September 1, 2018, subject to the executive's continuous employment with the Company throughout the three-year vesting period; and (ii) 74,278 RSUs as described earlier in this Proxy Statement under Elements of Compensation Long-Term Equity Incentives. Furthermore, the Compensation Committee approved a reimbursement not to exceed \$250,000 gross or \$151,000 net of taxes to Mr. Smith as other compensation for the loss sustained on the sale of his former principal residence in Jacksonville, Florida and relocation to Puerto Rico.

Other NEOs

In addition to provisions on base salary, annual cash bonus and payments upon termination that are included in each of our NEO's employment agreements, all our NEOs are eligible to participate in our retirement and other employee benefit plans and policies that we make generally available to our other executives, except severance plans or policies, and are entitled to D&O liability insurance coverage.

Mariana Goldvarg. The terms of Ms. Goldvarg's employment agreement provided for, among other things, (1) a term ending on December 31, 2018; (2) an initial annual base salary of \$350,000; and (3) an annual bonus with a target of up to 75% of Ms. Goldvarg's annual base salary.

Philip E. Steurer. The terms of Mr. Steurer's employment agreement provide for, among other things, (1) a term ending on August 1, 2017; (2) an initial annual base salary of \$285,000; and (3) an annual bonus with a target of up to 75% of Mr. Steurer's annual base salary.

Miguel Vizcarrondo and Carlos J. Ramírez. Messrs. Vizcarrondo's and Ramírez's employment agreements were effective up until September 30, 2015, and the executives have not been subject to employment agreements since October 1, 2015.

Outstanding Equity Awards at Fiscal Year End

The following tables sets forth the outstanding equity awards for our NEOs as of December 31, 2015.

Name	Option Awards				Option Expiration Date
	Number of Securities Underlying Unexercised Options Exercisable (#)	Number of Securities Underlying Unexercised Options Unexercisable (#)	Equity Incentive Plan Awards: Securities Underlying Unexercised Options (#)	Option Exercise Price (\$)

Miguel Vizcarrondo	11,804 ⁽³⁾	197,600	10,164	170,150
Carlos J. Ramírez	11,804 ⁽³⁾	197,600	10,164	170,150
Philip E. Steurer	11,213 ⁽³⁾	187,700	9,656	161,650
Juan J. Román			3,011	50,400

(2) These units are Time-based RSUs.

(3) RSUs will vest in three equal installments on January 1, 2016, January 1, 2017 and January 1, 2018.

(4) RSUs will vest in three equal installments on April 1, 2016, April 1, 2017 and April 1, 2018.

(5) Mr. Smith's unvested RSUs will vest on September 1, 2018.

(6) Ms. Goldvarg's unvested RSUs will vest on June 1, 2018.

(7) These units are Performance-based RSUs with a vesting date of January 1, 2018.

Option Exercises and Stock Vested

The following table sets forth certain information for stocks awards vested by our NEOs for the fiscal year ended December 31, 2015. None of our NEOs had stock options exercised during 2015.

Name	Stock Awards	
	Number of RSUs Acquired on Vesting (#) ⁽¹⁾	Value Realized on Vesting (\$)
Morgan M. Schuessler, Jr.		
Peter J. S. Smith		
Mariana Goldvarg		
Miguel Vizcarrondo		
Carlos J. Ramírez		
Philip E. Steurer		
Frank G. D Angelo	3,390	\$ 75,360
Juan J. Román	15,738 ⁽²⁾	\$ 270,694

- (1) Upon vesting of RSUs, participants elected to do a cashless tax withholding that provided that the participant could satisfy the vesting price and statutory minimum tax withholdings by allowing the Company to withhold a sufficient number of RSUs to cover these amounts and then deliver the net RSUs to the participants. The amount reported represents the gross amount of RSUs resulting from the vesting of such stocks.
- (2) RSUs which were subjected to accelerated vesting on November 5, 2015 (settlement date) due to termination of employment on August 31, 2015. See Potential Payments upon Termination of Employment.

Table of Contents

COMPENSATION DISCUSSION AND ANALYSIS

Pension Benefits and Non-qualified Deferred Compensation

We do not provide defined pension benefits or non-qualified deferred compensation.

Potential Payments upon Change in Control

We do not have change-in-control agreements with our NEOs. Nevertheless, the stock option agreements we entered into with Mr. Steurer prior to our initial public offering provide that in the event of a change in control of the Company, any outstanding options that have not become vested at the time of such change in control shall become vested on the first anniversary of such change in control; provided that Mr. Steurer remains an employee of the Company through such anniversary date. Also, in the event that, within one year following a change in control, the Company terminates the employment of Mr. Steurer without cause (as defined below) or Mr. Steurer resigns for good reason (as defined below), such outstanding options shall automatically vest.

Furthermore, the Amended and Restated Employment Agreement we entered into with Mr. Schuessler as of December 17, 2014, as amended, provides that the executive's employment may be terminated at any time by the executive for good reason, which is defined as, among others, the failure of any successor (whether by sale, reorganization, consolidation, merger or other corporate transaction which constitutes a change in control under the 2013 Plan (a Change in Control)) to assume the agreement, whether in writing or by operation of law.

Potential Payments upon Termination of Employment

Upon termination of employment for any reason, including death or disability, our NEOs would each be entitled to receive his or her accrued but unpaid salary, any unpaid bonus earned for any fiscal year ended before the date of termination, unpaid expense reimbursements, and any vested payments or benefits to which the NEO may be entitled under our benefit plans or applicable law. We refer to the NEOs entitlements in the preceding sentence collectively as the Accrued Obligations.

Upon termination by Evertec Group without cause or resignation for good reason (both as defined below), in addition to the Accrued Obligations, Ms. Goldvarg and Messrs. Steurer and Smith would be entitled to receive a lump sum severance payment equal to the greater of (a) the NEO's annual base salary (Mr. Smith is twice his annual base salary) and (b) the amounts due pursuant to Puerto Rico Law No. 80 of May 30, 1976 (Law 80) severance formula in force at signage date. Under Puerto Rico law, if any employee (including any NEO) is terminated from his or her employment without just cause, (cause for purposes of the discussion in this section) as said term is defined by Law 80, he or she would be entitled to a statutory severance payment, which is calculated as follows: (i) employees with less than five years of employment two months of salary plus an additional one week of salary per year of service; (ii) employees with five through fifteen years of employment three months of salary plus two weeks of salary per year of service; and (iii) employees with more than fifteen years of employment six months of salary plus three weeks of salary per year of service.

For Mr. Steurer, if employment were terminated because of non-extension of his respective employment agreement by either party, the executive would be entitled to receive only the Accrued Obligations.

Messrs. Vizcarrondo's and Ramírez's employment agreements were subject to the aforementioned provisions up until September 30, 2015. Since October 1, 2015, Messrs. Vizcarrondo and Ramírez would be entitled, upon termination, to the amounts due pursuant to Law 80's statutory severance formula in force at signage date.

As previously disclosed in this Proxy Statement, effective August 31, 2015, Mr. Román ceased his employment as Executive Vice President, Chief Financial Officer and Treasurer of the Company and Evertec Group.

Table of Contents

COMPENSATION DISCUSSION AND ANALYSIS

Each NEO would be required to sign a separation agreement and general release of claims against Evertec Group and its affiliates as a condition to his or her entitlement to receive any severance payment or salary continuation under his or her employment agreement. Each NEO's employment agreement also would restrict the NEO from (i) competing with Evertec Group in Puerto Rico for twelve months following termination; (ii) soliciting any of Evertec Group's employees, customers or other business relations for twelve months following termination; and (iii) disparaging Evertec Group at any time following termination.

The NEO employment agreements generally define "cause" as any of the following:

- The commission of a felony or a crime of moral turpitude;
- Engagement in conduct that constitutes fraud or embezzlement;
- Engagement in conduct that constitutes gross negligence or willful misconduct that results, or could reasonably be expected to result, in harm to Evertec Group's business or reputation;
- Breach of any material terms of employment, including the NEO's employment agreement, which results or could reasonably be expected to result in harm to Evertec Group's business or reputation, if not cured (but curable) by the NEO within 15 days following his receipt of written notice from Evertec Group; or
- Continued willful failure to substantially perform the duties of his position, if not cured (if curable) by the NEO within 15 days following his receipt of written notice from Evertec Group.

For purposes of the NEO's employment agreement, each NEO would generally have "good reason" to terminate his or her employment if, without written consent, any of the following events occurred and are not cured by Evertec Group within 30 days of written notice specifying the occurrence of such event, which notice must be given by the NEO to Evertec Group within 30 days following the executive's knowledge of the occurrence of the "good reason" event:

- A material failure by Evertec Group to fulfill its obligations under the employment agreement;
- A material and adverse change to, or a material reduction of, the NEO's duties and responsibilities to Evertec Group;
- A material reduction in the NEO's base salary (not including any reduction related to a broader compensation reduction that is not limited to the NEO specifically and that is not more than 10% in the aggregate); or
- The failure of any successor to assume the NEO's employment agreement.

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS****Payments upon Termination or a Change in Control**

The following table sets forth the compensation that each NEO would have been entitled to receive upon termination of employment or a change in control as of December 31, 2015.

<i>Change in control</i>			428,000	428,000

- (1) Includes 100% of the Time-Based RSUs and a prorated amount for the Relative TSR RSUs.
- (2) Outstanding option awards do not automatically vest upon a change in control. See Potential Payments upon Change in Control.
- (3) Severance payment amount is calculated pursuant to Law 80's statutory severance formula.

46 **Evertec, Inc.** - *2016 Proxy Statement*

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS****Director Compensation in Fiscal Year 2015**

Compensation earned by our non-employee directors for their services for the fiscal year ended December 31, 2015.

Name	Fees Earned Paid in (\$)⁽¹⁾	Stock Awards (\$)⁽²⁾	All Other Compensation (\$)⁽³⁾	Total (\$)
Frank G. D Angelo	\$ 91,810	\$ 90,498	\$ 1,221	\$ 183,529
Olga Botero	83,250	54,308	733	138,291
Jorge Junquera	56,750	19,385		76,135
Teresita Loubriel	98,659	60,332	814	159,805
Néstor O. Rivera ⁽⁴⁾				
Brian J. Smith	21,468	25,853		47,321
Alan H. Schumacher	97,125	60,332	814	158,271
Thomas W. Swidarski	76,000	38,880	525	115,405

(1) Includes the portion of the annual retainer earned or paid during 2015, as well as other directors compensation fees earned during the year pursuant to the Company's Independent Director Compensation Policy, as discussed below.

(2) Includes grants of RSU and Restricted Stock (RS) in accordance with the Board's Independent Director Compensation Policy. The grant date fair value for awards granted to Messrs. D Angelo, Schumacher, Ms. Loubriel and Ms. Botero was \$23.03 per share and the grant date fair value of Mr. Swidarski's award was \$21.45 per share; and the grant date fair value for awards granted to Messrs. Smith and Junquera was \$21.50 per share, all computed in accordance with FASB ASC Topic 718. For a discussion on assumptions made in the valuation of awards, refer to Note 15 of the Audited Consolidated Financial Statements included in the Company's Annual Report. The number of outstanding RS held by our non-employee directors as of December 31, 2015 was as follows:

Name	Date of Grant	Equity
Frank G. D Angelo	June 1, 2015	3,374 RS

Edgar Filing: EVERTEC, Inc. - Form DEF 14A

Olga Botero	June 1, 2015	6,748 RS
Jorge Junquera	June 1, 2015	5,623 RS
Teresita Loubriel	June 1, 2015	3,374 RS
Brian J. Smith	June 1, 2015	3,374 RS
Alan H. Schumacher	June 1, 2015	3,374 RS
Thomas W. Swidarski	June 1, 2015	3,374 RS

(3) Represents compensation received as a result of dividend equivalents paid to directors on unvested restricted stock units (RSUs) in accordance with the applicable award agreements.

(4) Mr. Rivera did not receive any compensation during the fiscal year 2015, because the Board's Independent Director Compensation Policy at the time excluded employees of Popular, Inc. or Apollo Global Management, LLC or any of its subsidiaries from receiving any compensation for their services.

It is our Board's policy that only non-employee directors who qualify as independent directors (as such determination is made by the Board in accordance with Section 303A.01 of the NYSE rules for listed

Evertec, Inc. - 2016 Proxy Statement 47

Table of Contents**COMPENSATION DISCUSSION AND ANALYSIS**

companies) are eligible to receive compensation for their services. Until December 31, 2015 all independent directors in the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee received annual compensation as follows:

	CHAIR	MEMBER
<i>Board Retainer</i>		
Annual Cash Compensation	\$ 100,000	\$ 75,000
Annual Equity Compensation (RSUs)	\$ 100,000	\$ 75,000
<i>Committee Retainers (in addition to Board compensation)</i>		
Audit Committee Cash	\$ 15,000	\$ 7,500
Compensation Committee Cash	\$ 10,000	\$ 5,000
Nominating and Corporate Governance Committee Cash	\$ 5,000	\$ 2,500
Information Technology Committee Cash	\$ 5,000	\$ 2,500

	IN-PERSON/REMOTE	
Board	\$	2,000
Audit Committee	\$	500
Compensation Committee	\$	500
Nominating and Corporate Governance Committee	\$	500
Information Technology Committee ⁽¹⁾	\$	500

⁽¹⁾ The requirement for independence does not apply to members of the Information Technology Committee. In accordance with the above compensation structure, the Company granted RSUs to the independent directors, with vesting of the RSUs occurring on the first anniversary of the grant date, provided the independent director continued to be providing services as an independent director on such anniversary date. The RSUs include a dividend equivalent component, subject to the vesting of the RSUs.

In March 2015, the Board revised its independent director compensation policy to change the form of the equity component from RSUs to restricted stock, and to permit each independent director to elect to accept all or a portion of the independent director's regular annual cash compensation in the form of restricted stock; provided (i) the portion allocated to the equity component is not less than 50% of the total regular annual compensation for each independent director other than the Chairman of the Board, and not less than 62.5% of the total regular annual compensation for the Chairman of the Board; and (ii) the independent director notifies the Company of his or her preferred distribution on or before five business days preceding the day of the Company's annual meeting of stockholders. Restricted stock granted pursuant to the revised policy will vest on the day preceding the Company's annual meeting of stockholders that immediately follows the date of grant or upon the independent director's earlier death or disability, provided in each case that the independent director is then providing services to the Company. The directors are entitled to receive dividends with respect to the restricted stock. Other restrictions may apply as mentioned previously in the Stock Ownership Guidelines Section.

Table of Contents

Proposal 3: Advisory Vote on Executive Compensation

Overview

Our Board recognizes the fundamental interest our stockholders have in executive compensation. Accordingly, and provided for under the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act"), we are providing our stockholders the opportunity to cast a non-binding advisory vote, commonly referred to as a "say-on-pay" vote, regarding the approval of the compensation of the Company's NEOs as disclosed in this Proxy Statement.

We urge stockholders to carefully read the "Compensation Discussion and Analysis" section of this Proxy Statement, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the Summary Compensation Table and other related compensation tables and narratives, which provide detailed information on the compensation of our NEOs.

We believe that our compensation policies for NEOs are designed to attract, motivate and retain talented executive officers and are aligned with the long-term interests of the Company's stockholders. Our executive compensation program pays for performance against financial targets that are set to be challenging to motivate a high degree of business performance, with an emphasis on longer-term financial success and prudent risk management.

In the course of establishing the fiscal 2015 executive compensation program, our Compensation Committee determined the use of performance-based incentives to motivate our executive officers to achieve the Company's business goals, after reviewing data and analyses regarding the median market compensation and the Company's business expectations for fiscal 2015. The Compensation Committee received advice and counsel on the program from its independent executive compensation consultant, F.W. Cook, which provided no other services to our Company other than those provided directly to or on behalf of the Compensation Committee.

Because your vote is advisory, it will not be binding on either the Board or the Company. However, it will provide information to our Compensation Committee regarding investor sentiment about our executive compensation philosophy, policies and practices, which the Compensation Committee will be able to consider when determining future executive compensation arrangements. In addition, your non-binding advisory vote described in this Proposal 3 will not be construed as: (i) overruling any decision by the Board, any Board committee or the Company relating to the compensation of the NEOs; or (ii) creating or changing any fiduciary duties or other duties on the part of the Board, any Board committee or the Company.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE APPROVAL OF OUR EXECUTIVE COMPENSATION ON AN ADVISORY BASIS.

Evertec, Inc. - 2016 Proxy Statement 49

Certain Relationships and Related Transactions

Policies for Approval of Related Party Transactions

We have a written policy relating to the approval of transactions involving related persons (Related Party Transactions), pursuant to which our Audit Committee will review and, subject to certain exceptions, approve or recommend to our Board for approval, all Related Party Transactions, which include any transactions that we would be required to disclose pursuant to Item 404 of Regulation S-K promulgated by the SEC.

As set forth in our Related Transactions Policy and the Audit Committee Charter, in the course of its review and approval or ratification of a Related Party Transaction, our Audit Committee will:

Satisfy itself that it has been fully informed as to the material facts of (i) the relationship and interest the related person has in the transaction; and (ii) the proposed Related Party Transaction; and

Ultimately make its determination taking into consideration factors including whether the Related Party Transaction (i) was made in accordance with applicable rules and regulations; (ii) complies with the restrictions set forth in applicable contractual relationships, such as our debt agreements and the Stockholder Agreement; (iii) is on terms and conditions no less favorable to us than may reasonably be expected in arm s-length transactions with unrelated parties; and (iv) is in the best interests of the Company.

Related Party Transactions

Other than compensation arrangements for our directors and NEOs described elsewhere in this Proxy, we describe below Related Party Transactions during our last fiscal year, to which we were a party or will be a party, in which:

the amounts involved exceeded or will exceed \$120,000; and

any of our directors, executive officers or holders of more than 5% of our Common Stock, or any member of the immediate family of the foregoing persons, had or will have a direct or indirect material interest.

As previously disclosed in this Proxy, the Compensation Committee approved a reimbursement of approximately \$151,000 net to Peter J.S. Smith, as other compensation for the loss sustained on the sale of Mr. Smith's former home.

The agreements described below were entered into in connection with the Agreement and Plan of Merger (as amended, the Merger Agreement), dated as of September 30, 2010, pursuant to which Evertec Group, LLC became a wholly-owned subsidiary of Evertec Intermediate Holdings, LLC (formerly Carib Holdings, LLC and Carib Holdings, Inc., hereinafter Holdings), and Apollo Management, LLP (Apollo) became the owner of approximately 51% of the outstanding voting capital stock of Holdings, with Popular retaining a 49% ownership interest (the Merger). Each of the agreements described below were entered into at the closing of the Merger and were the product of extensive arms-length negotiations between Apollo and Popular, Inc. (Popular) (two unrelated third parties) prior to the consummation of the Merger in which Apollo became the 51%-controlling stockholder of Evertec. Each of these agreements, including the Master Services Agreement, is comparable to those that the Company could have obtained in a transaction with an unrelated third party and is on terms that are no more or less favorable in the aggregate to the Company than terms that exist, where applicable, between the Company and unrelated third party customers of similar size and scale as Popular.

Master Services Agreement

We historically provided various processing and IT services to Popular and its subsidiaries pursuant to a master services agreement among us, Popular and certain of Popular's subsidiaries (the Master Services Agreement).

Table of Contents**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

At the closing of the Merger, we amended and restated the current master services agreement. Under the Master Services Agreement, Popular and BPPR agreed to, and caused their respective subsidiaries to, receive the services covered by the Master Services Agreement, including certain changes, modifications, enhancements or upgrades to such covered services, on an exclusive basis from us. In exchange for the services, Popular, BPPR and their respective subsidiaries initially pay amounts that are set forth in a price list incorporated into the Master Services Agreement, which is generally based on the historical pricing practices among the parties. The parties agreed to review the service fees on an ongoing basis and may change such fees upon mutual agreement. As of September 30, 2012, such service fees are adjusted annually to reflect changes in the consumer price index, provided that any such fee adjustment may not exceed 5% per year. The Master Services Agreement provides that it is the intent of the parties to such agreement that the fees we charge to any banking affiliate under the Master Services Agreement will be in compliance with applicable laws, and, in order to ensure such compliance, the parties agreed to periodically review such fees to ensure that they represent and remain at levels consistent with the market terms that such banking affiliate would pay to an independent third party for providing similar services. The Master Services Agreement provides that when performing such review, the parties will pay particular attention to any available information on comparable market terms for similar services, and will evaluate and take into consideration the contracting terms and our performance of the services under the Master Services Agreement. The Master Services Agreement defines banking affiliate as any banking institution (including its subsidiaries) that is our affiliate for purposes of Section 23A and Section 23B of the Federal Reserve Act and Regulation W of the Federal Reserve Board. Currently, BPPR, BPPR North America (BPNA) and their subsidiaries are our affiliates for purposes of Section 23A and Section 23B of the Federal Reserve Act and Regulation W of the Federal Reserve Board.

In addition, Popular, BPPR and their respective subsidiaries agreed to grant us a right of first refusal to (i) provide our services to support Popular, BPPR and their respective subsidiaries implementation of any development, maintenance, enhancement or modification of any services provided by us under the Master Services Agreement; (ii) create or offer certain new services or products that Popular, BPPR or one of their respective subsidiaries determine to offer to their customers; or (iii) provide certain core bank processing and credit card processing services that are currently provided by third parties to certain subsidiaries of Popular, if Popular and BPPR and their respective subsidiaries determine to extend or renew these services, which are currently provided by third parties. We agreed to grant Popular, BPPR and their respective subsidiaries a right of first refusal to purchase any new service or product created or developed by us internally or by a third party, unless the service or product was created or developed by, or at the specific request of, a client other than Popular, BPPR and their respective subsidiaries.

We agreed under the Master Services Agreement that we will not compete with Popular, BPPR and their respective subsidiaries in offering, providing or marketing certain payment processing services that are currently offered by Popular, BPPR and their respective subsidiaries to certain identified customers of Popular, BPPR and their respective subsidiaries. Popular, BPPR and their subsidiaries agreed not to hire or solicit any of our employees, subject to customary carve-outs. The Master Services Agreement also contained a non-circumvention covenant, which is intended to prohibit us on the one hand, and Popular, BPPR and their subsidiaries on the other hand, from engaging in certain actions designed or intended to divert customers from the other.

Except for cases of our gross negligence or willful misconduct, our liability for breach under the Master Services Agreement is limited to the amount paid for such services under the Master Services Agreement. Under certain circumstances, breaches with respect to certain services result only in service credits accruing to Popular, BPPR and their respective subsidiaries in lieu of the payment of monetary damages.

The Master Services Agreement provides for a 15-year term which commenced upon the closing of the Merger (subject to our option to extend such term by an additional three years upon a Popular parties change of control (as defined in the Master Services Agreement) of Popular or BPPR). After the initial term, the Master Services Agreement will renew automatically for successive three-year periods, unless a party gives written notice of non-renewal to the other parties not less than 1 year prior to the relevant renewal date. The Master Services Agreement provides for termination by a party (i) for the other party's breach of the agreement that results in a material adverse effect on the terminating party that continues for more than 90 days; (ii) for a failure by the other party to pay any properly submitted invoice for a material amount in the

Evertec, Inc. - 2016 Proxy Statement 51

Table of Contents**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

aggregate that is undisputed for a period of more than 60 days; or (iii) for a prohibited assignment of the Master Services Agreement by the other party. In addition, Popular and BPPR are permitted to terminate the Master Services Agreement up to 30 days following the occurrence of a change of control of Evertec Group (an Evertec change of control as defined in the Master Services Agreement), unless (A) the acquirer is identified to Popular and BPPR at least 30 business days prior to the proposed Evertec change of control; (B) neither the acquirer nor any of its affiliates is engaged, directly or indirectly, in the banking, securities, insurance or lending business, from which they derive aggregate annual revenues from Puerto Rico in excess of \$50.0 million unless none of them has a physical presence in Puerto Rico that is used to conduct any such business; (C) we (or our successor, as applicable) will be solvent (as defined in the Master Services Agreement) after the proposed Evertec change of control; and (D) following the Evertec change of control, we (or our successor, as applicable) will be capable of providing the services under the Master Services Agreement at the level of service that is required under the Master Services Agreement (the Popular Termination Condition).

We agreed to provide certain transition assistance to Popular, BPPR and their respective subsidiaries in connection with (i) the termination of the Master Services Agreement; (ii) the termination of a particular service provided by us under the Master Services Agreement; or (iii) a release event under the Technology Agreement (as described below).

For the fiscal year ended December 31, 2015, we recorded revenue of approximately \$167.1 million from Popular, BPPR and their respective subsidiaries under the Master Services Agreement. The revenues attributable under the Master Services Agreement are primarily (i) transaction-based fees, which depend on factors such as number of accounts or transactions processed and typically consist of a fee per transaction or item processed, a percentage of dollar volume processed or a fee per account on file, or some combination thereof and (ii) fixed fees per month or based on time and expenses incurred. The transaction-based fees and monthly fixed fees paid by Popular are consistent with the fees charged by the Company to its other banking clients for comparable services. Individual pricing terms charged to Popular and our other banking clients may vary based on volume and/or to the extent the service provided is customized to fit the particular customer need. As discussed above, the Master Services Agreement was negotiated on an arms-length basis by Apollo and Popular in connection with the Merger, is on terms that are comparable to those that the Company could have obtained in a transaction with an unrelated third party and such terms are no more or less favorable in the aggregate to the Company than terms that exist, where applicable, between the Company and unrelated third party customers of similar size and scale as Popular.

Technology Agreement

At the closing of the Merger, Popular and we entered into a Technology Agreement, pursuant to which we deposited certain proprietary software, technology and other assets into escrow. According to the Technology Agreement we must continue to make deposits on a semi-annual basis during the term of the Master Services Agreement and the term of any transition period under the Master Services Agreement. As specified in the Technology Agreement, Popular has the right and option, upon the occurrence of certain release events, to obtain the release of part, and upon the occurrence of other release events, all of the materials deposited into escrow. Upon the occurrence of any release event, Popular will also have the option to elect to exercise its rights under a license granted by us to Popular to use

and otherwise exploit all or any part of the released materials for the term (perpetual or term-limited) specified by Popular. Popular and we will negotiate the fair market value of the rights elected by Popular upon the release of the escrow.

Popular is permitted to terminate the Technology Agreement upon the satisfaction of the Popular Termination Condition (as applicable to the Technology Agreement).

ATH Network Participation Agreement

We historically gave BPPR access to the ATH network pursuant to an ATH network participation agreement between BPPR and us. At the closing of the Merger, we amended and restated the current ATH network participation agreement (as amended and restated, the ATH Network Participation Agreement). Under the ATH Network Participation Agreement, we (i) give BPPR access to the ATH network by providing various

Table of Contents**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

services, including by connecting BPPR's ATMs to the ATH network, monitoring BPPR's ATMs, agreeing to forward transactions from connected terminals to the participant of the ATH network and settling transactions among ATH network participants from all POS and ATM terminals on a daily basis (collectively, the ATH Network Services); and (ii) grant to BPPR a non-exclusive, non-transferable, limited, royalty free license to use the ATH logo and the ATH word mark and any other trademarks or service marks used by us in connection with the ATH network (collectively, the ATH Mark) within the U.S. territories, Puerto Rico, and any other country where the ATH Mark is registered or subject to registration.

The ATH Network Participation Agreement provides for a 15-year term, which commenced upon the closing of the Merger (subject to our option to extend such term by an additional three years upon a change of control (as defined in the ATH Network Participation Agreement) of BPPR). After the initial term, the ATH Network Participation Agreement will renew automatically for successive three-year periods, unless a party gives written notice to the other party not less than 1 year prior to the relevant renewal date. The ATH Network Participation Agreement provides for termination (i) by us if BPPR commits a material breach, which includes, but is not limited to (A) any activities or actions of BPPR which reflect adversely on our business reputation, any participant in the ATH network or the ATH network; or (B) any breach of the license described above; (ii) by BPPR, if we commit a breach or series of breaches that results in a material adverse effect on BPPR; or (iii) by either party (A) for a failure by the other party to pay any properly submitted invoice for a material amount in the aggregate that is undisputed for a period of more than 60 days; or (B) for a prohibited assignment of the ATH Network Participation Agreement by the other party. In addition, BPPR is permitted to terminate the ATH Network Participation Agreement upon the satisfaction of the Popular Termination Condition (as applicable to the ATH Network Participation Agreement).

BPPR also agreed to grant us a right of first refusal with respect to any development, maintenance or other technology project related to the ATH Network Services and will agree to exclusively use us to provide the ATH Network Services throughout the term of the ATH Network Participation Agreement.

For the fiscal year ended December 31, 2015, we recorded revenue of approximately \$17.8 million from BPPR under the ATH Network Participation Agreement.

ATH Support Agreement

We and BPPR entered into the ATH Support Agreement at the closing of the Merger pursuant to which BPPR agreed to support the ATH brand by (i) supporting, promoting and marketing the ATH network and brand and debit cards bearing the symbol of the ATH network, either exclusively or with the symbol of another credit card association; and (ii) issuing in each successive twelve month period at least a set minimum number of debit cards exclusively bearing the symbol of the ATH network (ATH Debit Cards). BPPR is not responsible for any failure to issue at least the required minimum number of ATH Debit Cards under the ATH Support Agreement during any twelve month period if as a result of factors outside of BPPR's control there is a change in demand for debit cards (including a reduction in the demand for ATH Debit Cards), an increase in demand for debit cards bearing the symbol of the ATH network and the symbol of another credit card association (Dual Branded Debit Cards) or the development of new payment

technologies in the market that result in a decrease in demand for debit cards (including a reduction in demand for ATH Debit Cards). BPPR also agreed not to, and will not create incentives for its or its affiliates' personnel to, promote, support or market (i) debit cards other than ATH Debit Cards or Dual Branded Debit Cards; or (ii) credit cards in a manner targeted to negatively impact the issuance of ATH Debit Cards and Dual Branded Debit Cards. The ATH Support Agreement terminates upon the earlier of 15 years after the date of the closing of the Merger or the termination of the Master Services Agreement.

BPPR agreed that, during the term of the ATH Support Agreement, it may not directly or indirectly enter into any agreement with another card association to issue Dual Branded Debit Cards without our prior written consent. Under the ATH Support Agreement, if BPPR desires to enter into such an agreement, it will consult with us and provide documentation and other support requested by us to demonstrate that BPPR's entry into the agreement will have a direct economic benefit to us. We will then be required to make a good faith determination based on such documentation and support whether to consent to BPPR's entry into the agreement.

Table of Contents

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

BPPR is permitted to terminate the ATH Support Agreement upon the satisfaction of the Popular Termination Condition (as applicable to the ATH Support Agreement).

Independent Sales Organization Sponsorship and Service Agreement

At the closing of the Merger, we amended and restated an interim Independent Sales Organization Sponsorship and Service Agreement previously entered into with BPPR (as amended and restated, the ISO Agreement). Under the ISO Agreement, BPPR sponsors us as an independent sales organization with respect to certain credit card associations and we provide various services including, among other things, the payment processing services to merchants (Merchant Services), the signing up and underwriting of merchants to accept such Merchant Services and the sale of various products related to the Merchant Services. This agreement also provides that the parties will establish the fees to be paid by Evertec Group to BPPR for the fraud monitoring services provided by BPPR. The term of the ISO Agreement will continue until December 31, 2025 and thereafter will be automatically renewed for successive three-year periods unless written notice of non-renewal is given at least one year in advance by either party.

Pursuant to the ISO Agreement, BPPR is the acquiring member with respect to the credit card associations covered by the ISO Agreement for anyone in Puerto Rico, the U.S. Virgin Islands and the British Virgin Islands. However, if BPPR is unable (for any reason other than a merchant's refusal to enter into a merchant agreement with BPPR through no fault of BPPR) or unwilling to act as the acquiring member for any merchant, we may enter into an agreement with another financial institution to serve as the sponsoring bank with respect to such person. However, in order to use another financial institution as the sponsoring bank with respect to any merchant, we must make a good faith determination that the provision of Merchant Services to the merchant does not pose an unreasonable financial, regulatory or reputational risk to BPPR or us.

Additionally, pursuant to the ISO Agreement, BPPR agreed to exclusively refer to us any merchant that inquires about, requests or otherwise evidences interest in the Merchant Services. BPPR will receive a referral fee for each merchant referred that subsequently agrees to receive Merchant Services from us. We also agreed under the ISO Agreement to refer to BPPR any merchant doing business in Puerto Rico, the U.S. Virgin Islands and the British Virgin Islands that inquires about, requests or otherwise evidences interest in banking services or products. BPPR also agreed to make monthly payments to Evertec Group as a means of subsidizing certain Merchant Services provided by Evertec Group on less than favorable terms in connection with two existing customer relationships that are favorable to Popular and its affiliates as a whole. These subsidies were historically reflected in an agreement between the Merchant Acquiring business and BPPR.

During the term of the ISO Agreement and for one year following the termination of the ISO Agreement for any reason, BPPR may not and may not cause any independent sales organization sponsored by BPPR to solicit any merchant receiving Merchant Services from us to receive such services instead from another independent sales organization. This non-solicitation restriction does not apply, however, to (i) any banking customer of BPPR to which we are unable or unwilling to provide Merchant Services; and (ii) to any merchant with respect to the solicitation by BPPR to provide banking services and products.

BPPR is permitted to terminate the ISO Agreement upon the satisfaction of the Popular Termination Condition (as applicable to the ISO Agreement). For the fiscal year ended December 31, 2015, we recorded revenue of approximately \$77.9 million under the ISO Agreement.

Cash Depot Subcontract

As a subcontractor of BPPR, we provide certain cash depot services (the *Cash Depot Services*) to depository institutions doing business in Puerto Rico and the U.S. Virgin Islands pursuant to a subcontract between us and BPPR (the *Subcontract*). However, we do not make any payments to, or receive any payments from, BPPR under the Subcontract (although we are required under the Subcontract to reimburse BPPR for any costs they may incur under the Cash Depot Agreement). Instead, we bill the Puerto Rico Bankers Association (*PRBA*), who pays us directly and the PRBA then invoices separately those depository institutions that use the Cash Depot Services. In order to use the Cash Depot Services, depository institutions must apply through, and be approved by, the quasi-government organization who holds the prime contract

Table of Contents

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

with BPPR and the PRBA (the Cash Depot Agreement) and who ultimately decides who can provide the Cash Depot Services and who has the right to terminate the services as further described below. BPPR is one of the 21 depository institutions that receive services from us under the Subcontract, on the same terms and conditions as the other participants, and BPPR pays the PRBA for those services.

The Subcontract is effective for so long as the Cash Depot Agreement is in effect. Under the terms of the Subcontract, either party may terminate the subcontract prior to the expiration of the Subcontract by giving the other party advance notice. However, under the Merger Agreement, Popular agreed that until the termination of the ISO Agreement, the Master Services Agreement or the assignment of the Cash Depot Agreement, Popular will cause BPPR to not terminate the Cash Depot Agreement or take any action that would deprive us of the economic benefit that we derive from the Cash Depot Agreement. In addition, the quasi-government organization that is a party to the Cash Depot Agreement may terminate the Cash Depot Agreement and thereby cause the termination of the Subcontract upon advance notice or upon the occurrence of certain triggering events, one of which is a material change in the ownership, management and/or operations of BPPR and/or Evertec. The quasi-government organization that is a party to the Cash Depot Agreement waived triggering events that may have arisen in connection with the Merger and our subsequent registered public offerings. Furthermore, the quasi-government organization confirmed that future issuances and/or transfers of stock of the Company would not constitute a triggering event so long as such transaction or series of related transaction does not result in a person or group of persons acting in concert (i) acquiring beneficial ownership of 25% or more of the Company's common stock or (ii) acquiring 25% or more of the voting power of the Company's equity securities.

For the fiscal year ended December 31, 2015, we recorded revenue of approximately \$1.6 million under the Subcontract.

Amended Lease

The Company and BPPR are parties to the Master Lease Agreement, as amended, that governs the premises leased by us at the Cupey Center for use as our headquarters. On March 31, 2015, the Company notified BPPR that it was exercising its option to renew the Master Lease Agreement for an additional five-year term. The Master Lease Agreement can be renewed at our option for up to three additional five-year terms. We paid approximately \$7 million (including estimated operating expenses) to BPPR in annual rent under the Master Lease Agreement during the fiscal year ended December 31, 2015. We have a right of first refusal over substantially all of the leased premises in the event that BPPR desires to sell the property.

Virgin Islands Services Agreement

We entered into a Virgin Islands Services Agreement whereby BPPR provides our Merchant Acquiring business with the services that are provided by the Virgin Islands employees that BPPR did not transfer to us in connection with the Merger. The term of the Virgin Islands Services Agreement continues until three years following the closing of the Merger and thereafter will be automatically renewed for successive one-year periods unless written notice of non-renewal is given at least 30 days in advance by either party. The Virgin Islands Services Agreement provides for termination by (i) us at any time upon giving at least 30 days advance written notice; and (ii) BPPR in the event we fail to pay a material undisputed invoiced amounts. In addition, BPPR is permitted to terminate the Virgin Islands Services Agreement upon the satisfaction of the Popular Termination Condition (as applicable to the Virgin Islands Services Agreement).

For the fiscal year ended December 31, 2015, we paid approximately \$700,000 to BPPR under the Virgin Island Services Agreement.

Stockholder Agreement

In connection with the Merger, Holdings entered into a Stockholder Agreement with Popular, Apollo and the other stockholders of Holdings, which was amended and restated in connection with a reorganization of the Company and is now an agreement among the Company, Popular, Apollo and certain of our other stockholders. Prior to the completion of our initial public offering, we entered into an amendment to the

Table of Contents**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

Stockholder Agreement. The Stockholder Agreement, as amended, among other things, sets forth certain rights and restrictions with respect to our Common Stock. On June 30, 2013, we entered into a Second Amendment to the Stockholder Agreement to, among other things, allow our Board to fill vacancies on the Board, provided that any person chosen to fill such vacancy shall be selected in accordance with the provisions of the Stockholder Agreement. On November 13, 2013, we entered into a Third Amendment to the Stockholder Agreement to, among other things, facilitate the use of 10b5-1 plans by the management holders. The description below is a summary of the terms of the Stockholder Agreement, as amended.

For purposes of the following summary, as of December 31, 2015, Popular owned approximately 15.5% of our Common Stock outstanding. Apollo no longer owns any of our Common Stock and therefore its rights and obligations under the Stockholder Agreement terminated in accordance with the terms of the Stockholder Agreement.

Director Nomination Rights

Our Board is currently comprised of nine directors. Messrs. Junquera and Rivera and Mrs. Loubriel were originally nominated to the Board by Popular under its director nominee rights granted by the Stockholder Agreement. Messrs. D Angelo and Schumacher were originally nominated to the Board by Apollo under its director nominee rights granted by the Stockholder Agreement. Morgan M. Schuessler, Jr. has been the management director since April 1, 2015, and shall continue to be the management director for so long as he holds the office of CEO of Evertec Group, after which time the individual holding the office of chief executive officer of Evertec Group will become the management director. The Stockholder Agreement provides that, subject to applicable law and to certain adjustments, Popular will have the right to nominate three members to our Board, so long as Popular owns, together with its affiliates, 25% or more of the then outstanding voting Common Stock (the 25% board right). In addition, for so long as Popular owns, together with its affiliates, more than 10% but less than 25% of our then outstanding Common Stock, it will have the right to nominate two members of our Board (the 10% board right). Similarly, for so long as Popular owns, together with its affiliates, more than 5% but less than 10% of our then outstanding Common Stock, it will have the right to nominate one member of our Board (the 5% board right). In addition, if there are any vacancies on our Board as a result of the aggregate number of our directors that Popular has the right to nominate pursuant to the Stockholder Agreement being less than eight, then a committee consisting of our entire Board (other than any directors who are to be replaced because Popular has lost the right to nominate them) has the right to nominate the individuals to fill such vacancies, which nominees must be reasonably acceptable to Popular for so long as it owns, together with its affiliates, at least 5% of our outstanding Common Stock. Our Stockholder Agreement further clarifies that it does not eliminate the right of stockholders holding a majority of our outstanding Common Stock to remove any such director with or without cause or the right of any of our stockholders to nominate a person for election as a director (whether to fill a vacancy or otherwise) at any meeting of the stockholders in accordance with applicable law, our Charter and our By-Laws.

Popular has agreed to vote all of its shares of our Common Stock and to take all other actions within its control to cause the election of directors nominated in accordance with the Stockholder Agreement. Similarly, we have agreed to take all actions within our control necessary and desirable to cause the election of directors nominated in accordance with the Stockholder Agreement.

Except for certain exceptions described in the Stockholder Agreement, and subject to applicable law, Popular's director nominees may only be removed and replaced by Popular. The Stockholder Agreement also provides that we will, at

all times, cause the Evertec Group Board and the board of directors of Holdings to be comprised of the same individuals as our Board.

Quorum Rights

The Stockholder Agreement provides that a quorum for the transaction of business at any meeting of the stockholders consist of (i) stockholders holding a majority of our outstanding Common Stock and entitled to vote at such meeting; and (ii) Popular, for so long as it owns, together with its affiliates, 20% or more of our outstanding Common Stock. If a stockholder meeting is adjourned for lack of a quorum due to Popular failing to attend the meeting, a quorum at a reconvened meeting of the stockholders (with the same agenda as the

Table of Contents

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

adjourned meeting) shall not require the presence of Popular, as long as stockholders holding a majority of our outstanding Common Stock and entitled to vote at such meeting are in attendance at such reconvened meeting.

The Stockholder Agreement provides that a quorum for the transaction of business at any meeting of the Board consist of (i) a majority of the total number of directors then serving on the Board; and (ii) at least one director nominated by Popular, for so long as it owns, together with its affiliates, 5% or more of our outstanding Common Stock, If a Board meeting is adjourned for lack of a quorum due to Popular's director nominees failing to attend such meeting, a quorum at a reconvened meeting of the Board (with the same agenda as the adjourned meeting) shall not require the presence of Popular director nominees, in each case, as long as a majority of the directors then in office are in attendance at such reconvened meeting.

Additional Stockholder Rights

Popular has the right, for so long as it owns, together with its affiliates, 20% or more of our outstanding Common Stock, to approve certain corporate actions before we may take such actions. Among the corporate actions requiring Popular's prior approval are: (i) amending the organizational documents of us or any of our subsidiaries; (ii) issuing equity of us or any of our subsidiaries, subject to certain exceptions; (iii) acquiring or disposing of significant assets; (iv) incurring debt for borrowed money under certain circumstances; (v) entering into or amending certain significant contracts; (vi) entering into certain related party transactions; and (vii) materially changing the terms and conditions of the management long-term compensation plan.

In addition, for so long as Popular owns, together with its affiliates, 10% or more of our outstanding Common Stock and has the right to nominate at least one director, the approval of at least one director nominated by Popular shall be necessary, to approve (i) any issuance of preferred stock of us or any of our subsidiaries (other than the issuance of preferred stock by one of our wholly owned subsidiaries to us or another of our wholly owned subsidiaries) and (ii) any transfer of equity in Holdings or Evertec Group, in each case subject to certain exceptions.

Popular and certain of its transferees are also entitled to information rights and inspection rights, in each case for so long as it satisfies certain ownership thresholds set forth in the Stockholder Agreement.

In addition, the Stockholder Agreement grants certain demand registration rights to Popular and certain of its transferees and piggyback registration rights to each stockholder, subject to customary cutbacks. Under the Stockholder Agreement, Evertec, Inc. has agreed to assume certain fees and expenses associated with registration. The Stockholder Agreement contains customary provisions with respect to registration proceedings, underwritten offerings, and indemnity and contribution rights.

Registration Rights

The Stockholder Agreement grants Popular the right to request up to four registrations under the Securities Act on Form S-1 (or any successor form) or similar long-form registration statement (each, a Long-Form Registration) of all or any portion of the shares of our Common Stock beneficially owned by the requesting holder if the shares to be sold in any such registration (including piggyback shares and before deduction of any underwriting discounts) reasonably are expected to exceed \$75.0 million, subject to cutbacks. Popular may request that any such Long-Form Registration be an underwritten offering, and no registration shall count as one of Popular's four permitted Long-Form

Registrations, unless such registration (i) has become effective and (ii) includes at least 75% of the shares of our Common Stock sought by Popular to be included in such Long-Form Registration.

The Stockholder Agreement also grants Popular the right, at any time after we are eligible to file a registration statement on Form S-3, to request an unlimited number of registrations under the Securities Act on Form S-3 (or any successor form) or any similar short form registration statement (each, a Short-Form Registration) of all or any portion of the shares of our Common Stock beneficially owned by Popular if the shares to be sold in any such Short-Form Registration (including piggyback shares and before deduction of any underwriting discounts) reasonably are expected to exceed \$50.0 million, subject to cutbacks. Popular may request that any such Short-Form Registration be an underwritten offering.

Table of Contents

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Stockholder Agreement obligates us, at any time after the one year anniversary of our initial public offering, to use commercially reasonable efforts to file, no later than 45 days following any written request from Popular, a registration statement on Form S-3 (or any successor form) or any similar short-form registration statement (the Form S-3 Shelf) for an offering to be made on a delayed or continuous basis covering the resale of shares of our Common Stock. Following the effectiveness of the Form S-3 Shelf, Popular may request unlimited shelf-takedowns if the total offering price of the shares to be sold in such offering (including piggyback shares and before deduction of underwriting discounts) reasonably is expected to exceed \$25.0 million.

Whenever we propose to register any shares of our Common Stock, whether in a primary or secondary offering, each holder of shares of our Common Stock party to the Stockholder Agreement (including, for the avoidance of doubt, Popular) has the right to request that shares beneficially owned by such holder be included in such registration, subject to cutbacks. Under the Stockholder Agreement, we have agreed to pay the fees and expenses associated with such registrations (excluding discounts and commissions and other selling expenses payable by the selling holders). The Stockholder Agreement contains customary provisions with respect to registration proceedings, underwritten offerings, and indemnity and contribution rights.

Transfer Restrictions

Subject to certain exceptions set forth in the Stockholder Agreement, without the prior written consent of Popular for so long as it owns, together with its affiliates, at least 5% of our outstanding Common Stock, none of the parties to the Stockholder Agreement may sell shares of our Common Stock representing 20% or more of the total number of outstanding shares of our Common Stock at the time of such sale directly to certain transferees previously identified by Popular to the other parties to the Stockholder Agreement.

The members of our management who are party to the Stockholder Agreement are also subject to certain restrictions set forth in the Stockholder Agreement, but can generally sell their shares of Common Stock pursuant to a registered public offering or pursuant to Rule 144 under the Securities Act.

Additional Restrictions

The Stockholder Agreement contains a covenant restricting us and our subsidiaries from engaging in any business (including commencing operations in any country in which they do not currently operate), subject to certain exceptions, if such activity would reasonably require Popular or an affiliate of Popular to seek regulatory approval from, or provide notice to, any bank regulatory authority. This covenant will remain in effect for so long as the activities and investments of us and our subsidiaries are subject to restrictions under the Bank Holding Company Act of 1956, as amended, because of Popular's and/or its affiliates' ownership of our Common Stock.

The Stockholder Agreement also provides that the adoption of any stockholder rights plan, rights agreement or other form of poison pill which is designed to or has the effect of making an acquisition of large holdings of the Common Stock more difficult or expensive must be approved by a majority of our Board and approved by at least one director nominated by Popular (or certain of its transferees) in each case for so long as Popular (or certain of its transferees) owns, together with its affiliates, 5% or more of our outstanding Common Stock.

Certain Provisions Particular to Management Holders

We have the right to purchase all of our Common Stock (and options and warrants exercisable for our Common Stock) beneficially owned by any of our stockholders who is employed by or who serves as a consultant or director for us or any of our subsidiaries upon such stockholder (1) ceasing to be employed by us or any of our subsidiaries for any reason or (2) experiencing a bankruptcy event. Subject to tolling under certain circumstances set forth in the Stockholder Agreement, we must exercise this repurchase right within twelve months following the date on which such stockholder ceases to provide services to us or our subsidiaries. We may designate this repurchase right to Popular or any complete rights transferee.

58 **Evertec, Inc.** - *2016 Proxy Statement*

Table of Contents

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Stockholder Agreement also provides that each such stockholder party to such agreement is subject to certain non-solicitation and non-competition restrictions which remain in effect until the stockholder ceases to be employed by us or any of our subsidiaries.

Under the Stockholder Agreement, the restrictions described in the paragraph above do not apply to Popular or any of its affiliates.

Assignment of Rights

Subject to certain limitations set forth in the Stockholder Agreement, Popular may assign the stockholders meeting quorum, 10% board right, 5% board right and up to two long form demand registration rights to any person to whom Popular transfers 20% or more of the shares of our Common Stock held by Popular as of the date of the Stockholder Agreement. Such transferee can in turn assign such rights to any person to whom it transfers 100% of the shares of Common Stock acquired by it in connection with the assignment pursuant to which it became a partial rights transferee. Such transferees are also entitled to certain other rights set forth in the Stockholder Agreement (including the registration rights, information rights and inspection rights described above) upon becoming a party thereto.

Director Independence

A majority of the directors of the Board must meet the criteria for independence established by the Board in accordance with the New York Stock Exchange Listed Company Manual (the NYSE Rules). Under these rules, a director will not qualify as independent unless the Board affirmatively determines that the director has no material relationship with the Company. The Company has developed a questionnaire to assist the Board in making the determination of independence, financial literacy and risk management experience for its directors in order to verify that we are in compliance with the NYSE Rules and the Company s corporate governance documents. In February 2016, the Board evaluated the criteria set forth in the NYSE Rules, and the recommendations from the Nominating and Corporate Governance Committee, along with the Independence and Financial Literacy/Expertise Questionnaires and other applicable information for each of its directors, analyzing, among other things, the relationship between each of the directors and the Companies and inquired as to the Governance Committee recommended, and the Board affirmatively determined (with each director abstaining from voting on or otherwise analyzing his or her particular situation), that each of the directors listed below has no material relationships with the Companies (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Companies) and none of the disqualifying attributes under Rule 303A.02 of the NYSE Listed Company Manual and, therefore, qualify as an independent Board member under the NYSE Rules.

Table of Contents**Stock Ownership****Security Ownership of Certain Beneficial Owners and Management**

The following table provides certain information regarding the beneficial ownership of our Common Stock as of the Record Date, by:

Each person or group who beneficially owns more than 5% of our Common Stock; and

Each of our directors as of the Record Date, each of our NEOs in the Summary Compensation Table and all of our current executive officers and directors as a group.

The amounts and percentages of Common Stock beneficially owned are reported on the basis of regulations of the SEC governing the determination of beneficial ownership of securities. Under the SEC rules, a person is deemed to be a beneficial owner of a security if that person has or shares voting power, which includes the power to vote or to direct the voting of such security, or investment power, which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. Under these rules, more than one person may be deemed a beneficial owner of the same securities and a person may be deemed a beneficial owner of securities in which the person has no economic interest.

Except as otherwise indicated by footnote, (i) the persons named in the table below have sole voting and investment power with respect to all shares of Common Stock shown as beneficially owned by them; (ii) applicable percentage of beneficial ownership is based on 74,988,210 shares of Common Stock outstanding on the Record Date; and (iii) the address of each beneficial owner listed in the following table is c/o Evertec, Inc., Road 176, Km. 1.3, San Juan, Puerto Rico 00926.

Table of Contents

STOCK OWNERSHIP

** Less than one percent.

- (1) Based on information reported by Popular on Schedule 13G filed with the SEC on February 13, 2014. Popular disclaims beneficial ownership of all shares of Common Stock held of record or beneficially owned by it except to the extent of its pecuniary interest therein. The address of Popular is 209 Muñoz Rivera Avenue, Hato Rey, Puerto Rico 00918.
- (2) Beneficial ownership is based on information reported by Fidelity Investments most recent Form 13F filed with the SEC.
- (3) Based on information reported by Fine Capital Partners, L.P. (Fine Capital) on Form 13F filed with the SEC on May 13, 2016, which sets forth beneficial ownership as of March 31, 2016. In the Form 13F, Fine Capital lists its address as 590 Madison Avenue, 27th Floor, New York, NY 10022.
- (4) Based on information reported by Vanguard Group, Inc. (Vanguard) on Form 13F filed with the SEC on May 13, 2016, which sets forth beneficial ownership as of March 31, 2016. In the Form 13F, Vanguard lists its address as PO BOX 2600 V26, Valley Forge, PA 19482-2600.
- (5) Beneficial shares reported include 3,390 RSUs granted pursuant to Mr. D Angelo s compensation as Interim CEO, as well as RSUs granted as independent director compensation.
- (6) Beneficial shares reported include RSUs granted as independent director compensation.
- (7) Mr. Rivera is an officer of Popular. To the extent that Mr. Rivera may be deemed to be the beneficial owner of shares beneficially owned by Popular, Mr. Rivera disclaims beneficial ownership of any such shares.

Compensation Committee Interlocks and Insider Participation

Other than (i) Mr. D Angelo, who served as our Interim CEO from January 1, 2015 until March 31, 2015; and (ii) Mr. Schuessler, who currently serves as our President and CEO, none of our directors has ever been one of our officers or employees. In 2015, none of our directors had any relationship that requires disclosure by us under the SEC rules related to certain relationships and related party transactions. During 2015, none of our executive officers served as a member of the compensation committee of another entity, any of whose executive officers served on our Board, and none of our executive officers served as a director of another entity, any of whose executive officers served on our Board.

Other Matters

Stockholder Proposals for the Company's 2017 Annual Meeting of Stockholders

Any stockholder who intends to present a proposal at the Company's 2017 Annual Meeting of Stockholders must ensure that the proposal is received by the Corporate Secretary of the Company at Evertec, Inc., Road 176, Km. 1.3, San Juan, Puerto Rico, 00926:

not later than December 18, 2016, if the proposal is to be considered for inclusion in the Company's 2017 Proxy Statement; or

on or after January 30, 2017, but no later than February 28, 2017, for any nominations or any other business to be properly brought before the meeting.

Other Business

Management knows of no business to be brought before the Annual Meeting of Stockholders other than that set forth herein. However, if any other matters properly come before the meeting, it is the intention of the persons named in the proxy to vote such proxy in accordance with their judgment on such matters. Even if you plan to attend the meeting in person, please execute, date and return the enclosed proxy promptly. Should you attend the meeting, you may revoke the proxy by voting in person. A postage paid, return-addressed envelope is enclosed for your convenience. Your cooperation in giving this your prompt attention will be appreciated.

By Order of the Board of Directors,

Frank G. D Angelo

Chairman of the Board of Directors

Morgan M. Schuessler, Jr.

President and Chief Executive Officer
