**Item 1.01 Entry into a Material Definitive Agreement.
Agreement and Plan of Merger**

On September 12, 2016, Raptor Pharmaceutical Corp., a Delaware corporation (*Raptor*), entered into an Agreement and Plan of Merger (the *Merger Agreement*) with Horizon Pharma Public Limited Company, a public limited company organized under the laws of Ireland (*Parent*), and Misneach Corporation, a Delaware corporation and an indirect wholly owned subsidiary of Parent (*Merger Sub*). Pursuant to the terms of the Merger Agreement, Merger Sub will commence a tender offer to purchase all of the issued and outstanding shares of common stock of Raptor, par value \$0.001 per share (the *Shares*), for an amount of \$9.00 per Share (the *Offer Price*), payable to the holder thereof in cash, without interest and less any applicable withholding taxes (the *Offer*).

As soon as practicable following the consummation of the Offer, Merger Sub will merge with and into Raptor (the *Merger*) in accordance with the Merger Agreement and under Section 251(h) of the General Corporation Law of the State of Delaware, and Raptor will survive the Merger as an indirect wholly owned subsidiary of Parent. At the effective time of the Merger (the *Effective Time*), each Share that is not tendered and accepted pursuant to the Offer (other than Shares held by Parent, Merger Sub or Raptor or their direct or indirect wholly owned subsidiaries and Shares held by stockholders who are entitled to demand and who have properly and validly perfected their statutory rights of appraisal) will thereupon be converted into the right to receive an amount equal to the Offer Price (the *Merger Consideration*), payable to the holder thereof in cash, without interest and subject to any applicable withholding taxes.

The board of directors of Raptor (the *Raptor Board*) has unanimously approved the Merger Agreement and recommends that the holders of Shares accept the Offer and tender their Shares to Merger Sub pursuant to the Offer.

The obligation of Merger Sub to purchase Shares tendered in the Offer is subject to customary closing conditions, including (i) that the number of Shares validly tendered and not withdrawn in accordance with the terms of the Offer, together with the Shares then owned by Merger Sub, represents at least a majority of all then outstanding Shares, and (ii) the expiration or termination of any applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended. The obligations of Parent and Merger Sub to complete the Offer and the Merger are not subject to any financing condition.

The Merger Agreement includes representations, warranties and covenants of the parties customary for a transaction of this nature. Among them, Raptor has agreed to conduct its operations in the ordinary course during the period between the execution of the Merger Agreement and the Effective Time, and Raptor has agreed not to solicit any proposals for certain alternative transactions and has agreed to certain restrictions on its ability to respond to such proposals, subject to the satisfaction of certain fiduciary duties of the Raptor Board to Raptor's stockholders under applicable law.

The Merger Agreement includes customary termination rights for both Raptor and Parent including, among others, the right to terminate in the event that the Acceptance Time has not occurred on or before January 9, 2017. In addition, Raptor has agreed to pay Parent a termination fee of \$30 million in cash upon termination of the Merger Agreement under certain specified circumstances, including in connection with a termination of the Merger Agreement by Raptor to accept a competing transaction proposal.

Immediately prior to the Effective Time, the vesting of each option to purchase Shares outstanding (each such option, a *Company Option*), will be accelerated in full and each outstanding Company Option will be canceled and terminated as of the Effective Time in exchange for the right to an amount in cash (without interest and less any applicable withholding taxes), if any, equal to the product obtained by multiplying (x) the total number of Shares underlying such Company Option immediately prior to the Effective Time, by (y) an amount equal to (1) the Offer Price less (2) the per share exercise price of such Company Option.

Immediately prior to the Effective Time, the vesting of each outstanding Company restricted stock unit (each a **Company RSU Award**), will be accelerated in full and each outstanding Company RSU Award will be canceled and terminated as of the Effective Time in exchange for the right to an amount in cash (without interest and less any applicable withholding taxes) equal to the product obtained by multiplying (x) the total number of Shares underlying such Company RSU Award immediately prior to the Effective Time, by (y) the Offer Price.

The Merger Agreement has been included to provide investors and stockholders with information regarding its terms and is not intended to provide any factual information about Raptor, Parent or Merger Sub. The representations, warranties and covenants contained in the Merger Agreement have been made solely for the purposes of the Merger Agreement and as of specific dates; were solely for the benefit of the parties to the Merger Agreement; are not intended as statements of fact to be relied upon by Raptor's stockholders or other security holders, but rather as a way of allocating the risk between the parties to the Merger Agreement in the event the statements therein prove to be inaccurate; have been modified or qualified by certain confidential disclosures that were made between the parties in connection with the negotiation of the Merger Agreement, which disclosures are not reflected in the Merger Agreement itself; may no longer be true as of a given date; and may apply standards of materiality in a way that is different from what may be viewed as material by Raptor's stockholders or other security holders. Raptor's stockholders or other security holders are not third-party beneficiaries under the Merger Agreement (except with respect to, (i) from and after the Acceptance Time, the right of holders of Shares accepted for payment in the Offer to receive the Offer Price in accordance with the Offer and (ii) from and after the Effective Time, the right of holders of Shares and other securities of Raptor to receive the an amount in cash equal to the Merger Consideration) and such stockholders or other security holders should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or circumstances of Raptor, Parent or Merger Sub. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in Raptor's or Parent's public disclosures.

Tender and Support Agreements

In connection with the Merger Agreement, Parent and Merger Sub entered into tender and support agreements (the **Tender and Support Agreements**,) with Julie Anne Smith, Raymond W. Anderson, Suzanne L. Bruhn, Ph.D., Richard L. Franklin M.D., Ph.D., Georges Gemayel, Llew Keltner, M.D., Ph.D., Gregg Lapointe, Christopher Starr, Ph.D., Michael Smith, David Happel, Krishna Polu and Ashley Gould (collectively, the **Committed Stockholders**) pursuant to which the Committed Stockholders agreed to tender all Shares owned by such Committed Stockholders into the Offer, promptly, and in any event no later than 10 business days following the commencement of the Offer. The Committed Stockholders collectively hold 840,952 Shares, constituting 0.98% of the outstanding Shares (assuming 85,552,358 Shares issued and outstanding as of September 9, 2016, as represented by Raptor in the Merger Agreement).

In addition, the Committed Stockholders have agreed that they will not, other than pursuant to the Tender and Support Agreements, (i) sell, pledge, encumber, grant an option with respect to, transfer or dispose of their Shares to any person other than Parent or Merger Sub; (ii) enter into an agreement or commitment contemplating the possible sale of, pledge of, encumbrance of, grant of an option with respect to, transfer of or disposition of such Shares or any interest therein to any person other than Parent or Merger Sub; (iii) reduce such person's beneficial ownership of, interest in or risk relating to such Shares; (iv) tender, agree to tender, or permit to be tendered any such Shares; (iv) deposit or transfer any Shares into a voting trust; or (v) grant any proxy or enter into any voting agreement or similar agreement with respect to such Shares.

The Tender and Support Agreements may be terminated upon the earlier of (i) the date upon which the Merger Agreement is validly terminated and (ii) the date upon which the Merger becomes effective.

The foregoing descriptions of the Merger Agreement and the form of Tender and Support Agreements are not complete descriptions of all of the parties' rights and obligations under the agreements and are qualified in their entirety by reference to the Merger Agreement and the form of Tender and Support Agreement filed herewith as Exhibit 2.1 and Exhibit 10.1, respectively, which are incorporated herein by reference.
