SECTION 5 CORPORATE GOVERNANCE AND MANAGEMENT

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(a) In a letter dated September 18, 2017 (the Letter), Peter G. Traber, MD, President, Chief Executive Officer, Chief Medical Officer and a director of Galectin Therapeutics Inc. (the Company), informed the board of directors (the Board) of the Company that he does not intend to stand for re-election to the Board at the Company s 2017 Annual Stockholders Meeting (2017 Annual Meeting), which is scheduled for on or about December 14, 2017. Dr. Traber does not serve on any Board committees. Dr. Traber indicated in the Letter his intention to continue to serve as a director of the Company until the expiration of his current term at the 2017 Annual Meeting. Dr. Traber also stated in the Letter that his decision not to stand for re-election to the Board had no relationship to his position as President, CEO and CMO of the Company, and he will continue to serve in these capacities in accordance with his contract and at the pleasure of the Board.

Dr. Traber s decision to not stand for re-election was a result of his concerns about the impact of governance constraints placed on the Board by the 10X Fund L.P., the largest shareholder of the Company and the holder of all the shares of the Company s Series B Convertible Preferred Stock, as described in the Letter, which is attached as Exhibit 99.1 to this Current Report on Form 8-K. The Company has provided Dr. Traber with a copy of the foregoing disclosure and has provided him with an opportunity to furnish the Company with a letter stating whether he agrees with the statements made by the Company in this Current Report on Form 8-K. On September 20, 2017, the Company received a letter from Dr. Traber stating that he agreed with the foregoing statements made in this Current Report on Form 8-K. A copy of that letter is attached hereto as Exhibit 99.2.
