## Proxy Statement for Annual Meeting of Stockholders

To Be Held September 8, 2011

---

Unless the context requires otherwise, references in this proxy statement to *Gryphon Gold*, the *Company*, *we*, *us*, *our* refer to Gryphon Gold Corporation.

The Annual Meeting of Stockholders (the *Annual Meeting*) will be held the Atlantis Resort and Casino, 3800 South Virginia Street, Reno, Nevada, USA 89502, beginning September 8, 2011, at 10:30am local time. We are providing the enclosed proxy materials and form of proxy in connection with the solicitation by the Company's Board of Directors (the *Board*) of proxies for this Annual Meeting. A notice of the availability of this proxy statement (the *Proxy Statement*), the form of proxy and the Company's Annual Report to Stockholders will first be mailed to holders of the Company's voting stock on or about July 27, 2011.

You are invited to attend the Annual Meeting at the above stated time and location. If you plan to attend and your shares of common stock are held in street name in an account with a bank, broker, or other nominee- you must obtain a proxy issued in your name from such broker, bank or other nominee.

You can vote your shares of common stock by completing and returning the proxy card or, if you hold shares in street name, by completing the voting form provided by the broker, bank or other nominee. **A returned signed proxy card without an indication of how shares of common stock should be voted will be voted FOR the election of all nominees ( *Nominees* ) as directors of the Board ( *Directors* ), FOR the ratification of the Company's independent registered public accounting firm and FOR the ratification of an increase in the number of shares available for the grant of options under the Company's 2006 Omnibus Incentive Plan ( *Option Share Increase* ).**

Our corporate bylaws define a quorum as one-third of the voting power of the issued and outstanding voting stock present in person or by proxy. The Company's Articles of Incorporation do not allow cumulative voting for Directors. The nominees who receive the most votes will be elected. A simple majority of the voting shares present, whether in person or by proxy, is required to ratify the appointment of the Company's independent registered public accounting firm and approve the Incentive Plan Share Increase.

## QUESTIONS AND ANSWERS ABOUT PROXY MATERIALS AND VOTING

### Why am I receiving this Proxy Statement and proxy card?

You are receiving this Proxy Statement and proxy card because you were a stockholder of record at the close of business on July 11, 2011, and are entitled to vote at the Annual Meeting. This Proxy Statement describes issues on which the Company would like you, as a stockholder, to vote. It provides information on these issues so that you can make an informed decision. You do not need to attend the Annual Meeting to vote your shares of common stock.

When you sign the proxy card you appoint John L. Key, Chief Executive Officer to the Company, and Lisanna M. Lewis, Vice President, Secretary and Treasurer to the Company, your representatives at the Annual Meeting with the power to act jointly or individually. As your representatives, they will vote your shares of common stock at the Annual Meeting (or any adjournments or postponements) as you have instructed them on your proxy card. With proxy voting, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, it is a good idea to complete, sign and return your proxy card in advance of the Annual Meeting, just in case your plans change.

If an issue comes up for vote at the Annual Meeting (or any adjournments or postponements) that is not described in this Proxy Statement, your representative will vote your shares, under your proxy, at their discretion, subject to any limitations imposed by law.

### When is the record date?

The Board of Directors has fixed July 11, 2011, as the record date for the Annual Meeting. Only holders of voting stock of the Company as of the close of business on that date will be entitled to vote at the Annual Meeting.

### How many shares are outstanding?

As of July 11, 2011, the Company had 193,769,882 shares of common stock issued and outstanding.

### What am I voting on?

You are being asked to vote on the following:

1. The election of the Nominees to the Company's Board to serve until the Company's 2012 Annual Meeting of Stockholders or until successors are duly elected and qualified; the following are Nominees for election as Directors: Donald W. Gentry, John L. Key, Marvin K. Kaiser, and Terence J. Cryan;
2. The ratification of the appointment of the Company's independent registered public accounting firm for the fiscal year of 2012;
3. To ratify the Option Share Increase; and
4. Any other business that may properly come before the Annual Meeting.

### **How many votes do I get?**

Each share of common stock is entitled to one vote. No cumulative rights are authorized, and dissenters' rights are not applicable to any of the matters being voted upon.

The Board recommends a vote **FOR** each of the Nominees to the Board, **FOR** the ratification of the appointment of the Company's independent registered public accounting firm and **FOR** the Option Share Increase.

### **How do I vote?**

You have several voting options. You may vote by:

- Completing your proxy card over the internet at the following website: [www.envisionreports.com/GGN](http://www.envisionreports.com/GGN);
- Requesting a paper copy of this Proxy Statement and the proxy card, signing and returning the proxy card; or
- Attending the Annual Meeting and voting in person.

If your shares of common stock are held in an account with a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares of common stock held in a street name and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other nominee on how to vote the shares of common stock in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares of common stock in person at the Annual Meeting unless you request and obtain a valid proxy card from your broker, bank, or other nominee.

### **Can stockholders vote in person at the Annual Meeting?**

The Company will pass out written ballots to anyone who wants to vote at the Annual Meeting. If you hold your shares of common stock through a brokerage account but do not have a physical share certificate, or the shares are registered in someone else's name, you must request a legal proxy from your stockbroker or the registered owner to vote at the Annual Meeting.

### **What if I want a paper copy of these proxy materials?**

You can request paper or email copies of this Proxy Statement, the form of proxy and the Annual Report to Stockholders by submitting a request via Internet, telephone or email as follows:

- **Internet** Go to [www.envisionreports.com/GGN](http://www.envisionreports.com/GGN). Click Cast Your Vote or Request Materials. Follow the instructions to log in and order a paper or email copy of the current Annual Meeting materials and submit your preference for email or paper delivery of future Annual Meeting materials.
- **Telephone** Call us free of charge at 1-866-641-4276 using a touch-tone phone and follow the instructions to log in and order a paper copy of the materials by mail for the current Annual Meeting. You can also submit a preference to receive a paper copy for future Annual Meetings.

- **Email** Send email to [investorvote@computershare.com](mailto:investorvote@computershare.com) with Proxy Materials Gryphon Gold Corporation in the subject line. Include in the message your full name and address, plus the three numbers located in the shaded bar on the reverse, and state in the email that you want a paper copy of current Annual Meeting materials. You can also state your preference to receive a paper copy for future Annual Meetings.

To facilitate timely delivery, all requests for a paper copy of the proxy materials must be received by **August 26, 2011**.

#### **What if I change my mind after I return my proxy?**

You may revoke your proxy and change your vote at any time before the polls close at the Annual Meeting. You may do this by:

- Go to [www.envisionreports.com/GGN](http://www.envisionreports.com/GGN). Click Cast Your Vote or Request Materials. Follow the instructions to log in and change your vote, prior to 12:00 p.m, PST on September 8, 2011;
- If you have requested paper or email copies of the form of proxy, signing another proxy with a later date and mailing it to the Company's Inspector of Elections, at the Company's principal executive offices, so long as it is received prior to 12:00 p.m., PST, on September 8, 2011;
- Voting in person at the Annual Meeting; or
- Giving written notice to the Company's Treasurer, Lisanna M. Lewis, at the address given above, prior to 12:00 p.m., PST on September 8, 2011.

#### **How many votes do you need to hold the Annual Meeting?**

To conduct the Annual Meeting, the Company must have a quorum, which means that one-third of outstanding voting shares of the Company as of the record date must be present at the Annual Meeting. Based on 193,769,882 shares of common stock issued and outstanding as of July 11, 2011, 64,589,961 shares of common stock must be present, in person or by proxy, for a quorum to be present at the Annual Meeting.

Your shares will be counted as present at the Annual Meeting if you:

- Submit a properly executed proxy card (even if you do not provide voting instructions); or
- Attend the Annual Meeting and vote in person.

#### **What if I abstain from voting?**

Abstentions with respect to a proposal are counted for the purposes of establishing a quorum. If a quorum is present, abstentions will not be included in vote totals. Since the Company's bylaws provide that approval of a proposal at an Annual Meeting of the stockholders is by the affirmative vote of a majority of the voting shares present, in person or by proxy, at an Annual Meeting of the stockholders, a properly executed proxy card marked *ABSTAIN* with respect to a proposal will have the same effect as voting *AGAINST* that proposal. However, as described below, election of Directors is by a plurality of the votes cast at the Annual Meeting. A properly executed proxy card marked *WITHHELD* with respect to the election of Directors will not be voted and will not count *FOR* any of the Nominees for which the vote was withheld.

**What effect does a broker non-vote have?**

Brokers and other intermediaries, holding shares of common stock in street name for their customers, are generally required to vote the shares of common stock in the manner directed by their customers. If their customers do not give any direction, brokers may vote the shares of common stock on routine matters, but not on non-routine matters. Since the election of Directors under this Proxy Statement is uncontested, the election of Directors is considered a non-routine matter, further the Option Share Increase is a non-routine matter, and, therefore, brokers may not vote shares of common stock held in street name for their customers in relation to these items of business. The ratification of the appointment of the Company's independent registered public accounting firm for the fiscal year of 2012 is considered a routine matter and brokers will be permitted to vote shares of common stock held in street name for their customers.

The absence of a vote on a non-routine matter is referred to as a broker non-vote. Any shares of common stock represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) will have no impact in the election of Directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger proportion of votes cast for the election of Directors. Any shares of common stock represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) with respect to the proposal to ratify the appointment of the independent registered public accountant or approve the Option Share Increase will have the same effect as a vote against such proposal.

**How many votes are needed to elect Directors?**

The Nominees for election as Directors at the 2011 Annual Meeting will be elected by a plurality of the votes cast at the Annual Meeting. The Nominees with the most votes will be elected. A properly executed proxy card marked *WITHHELD* with respect to the election of Directors will not be voted and will not count *FOR* or *AGAINST* any of the Nominees.

**How many votes are needed to ratify the appointment of the independent registered public accountant?**

The ratification of the appointment of the independent registered public accountant will be approved if a majority of the voting shares present at the Annual Meeting vote *FOR* the proposal. A properly executed proxy card marked *ABSTAIN* with respect to this proposal will have the same effect as a vote cast *AGAINST* this proposal.

**How many votes are needed to approve the Option Share Increase?**

The Option Share Increase will be approved if a majority of the voting shares present at the Annual Meeting vote *FOR* the proposal. A properly executed proxy card marked *ABSTAIN* with respect to this proposal will have the same effect as a vote cast *AGAINST* this proposal.

**Will my shares of common stock be voted if I do not sign and return my Proxy Card?**

If your shares of common stock are held through a brokerage account, your brokerage firm, under certain circumstances, may vote your shares of common stock. See "What effect does a broker non-vote have?" above for a discussion of the matters on which your brokerage firm may vote your shares of common stock.

If your shares of common stock are registered in your name, and you do not sign and return your proxy card, your shares of common stock will not be voted at the Annual Meeting, unless you attend the Annual Meeting and vote your shares of common stock.

### **How are votes counted?**

Your shares of common stock will be voted as you indicate on your proxy card. If you just sign your proxy card with no further instructions, your shares of common stock will be voted:

- **FOR** each Nominee for election to the Board for terms expiring in 2012;
- **FOR** the ratification of the appointment of the independent registered public accountant; and
- **FOR** the approval of the Option Share Increase.

Voting results will be tabulated and certified by the Inspector of Elections.

### **Where can I find the voting results of the Annual Meeting?**

The Company will publish the final results in a current report filing on Form 8-K with the Securities and Exchange Commission (SEC) within four (4) business days of the Annual Meeting.

### **Who will pay for the costs of soliciting proxies?**

The Company will bear the cost of soliciting proxies. In an effort to have as large a representation at the Annual Meeting as possible, the Company's directors, officers and employees may solicit proxies by telephone or in person in certain circumstances. These individuals will receive no additional compensation for their services other than their regular salaries. Additionally, the Company may hire a proxy solicitor to help reach the quorum requirement. The Company will pay a reasonable fee in relation to these services. Upon request, the Company will reimburse brokers, dealers, banks, voting trustees and their nominees who are holders of record of the Company's Common Stock on the record date for the reasonable expenses incurred for mailing copies of the proxy materials to the beneficial owners of such shares.

### **When are stockholder proposals due for the 2012 Annual Meeting of Stockholders?**

In order to be considered for inclusion in next year's (2012) proxy statement, stockholder proposals must be submitted in writing to the Company's Treasurer, Lisanna M. Lewis, at Gryphon Gold Corporation, 711-675 West Hastings Street, Vancouver, BC, V6B 1N2, and received no later than March 29, 2012, provided that this date may be changed in the event that the date of the annual meeting of shareholders to be held in calendar year 2012 is changed by more than 30 days from the date of this Annual Meeting. Such proposals must also comply with the requirements as to form and substance established by the SEC if such proposals are to be included in our proxy statement and form of proxy.

Similarly, stockholder proposals not submitted for inclusion in the proxy statement and received after June 12, 2012 will be considered untimely pursuant to Rule 14a-5(e)(2) of the Securities and Exchange Act of 1934, as amended (the *Exchange Act*), provided that this date may be changed in the event that the date of the annual meeting of shareholders to be held in calendar year 2012 is changed by more than 30 days from the date of this Annual Meeting.

**How can I obtain a copy of the 2011 Annual Report on Form 10-K?**

The Company's 2010 Annual Report on Form 10-K, including financial statements is available on the internet at [www.envisionreports.com/GGN](http://www.envisionreports.com/GGN) or through the SEC's website at <http://www.sec.gov>. **At the written request of any stockholder who owns shares of common stock on the record date, the Company will provide to such stockholder, without charge, a paper copy of the Company's 2011 Annual Report on Form 10-K as filed with the SEC, including the financial statements and financial statement schedules but not including exhibits.** If requested, the Company will provide copies of the exhibits for a reasonable fee. Requests for additional paper copies of the 2011 Annual Report on Form 10-K should be mailed to:

**Is the Board divided into classes? How long is the term?**

No, the Board is not divided into classes. All directors serve one-year terms until their successors are elected and qualified at the next Annual Meeting.

**How are Nominees elected?**

Directors are elected by a plurality of the votes present in person or represented by proxy and entitled to vote at the Annual Meeting.

\*An internal change of the Interim Chief Financial Officer was made with Sharp Executive Associates on May 25, 2011. Mr. Matt Fowler served as our Interim Chief Financial Officer from Sharp Executives from May 18, 2010 to May 25, 2011.

The following is a description of the business background of the directors and executive officers of the Company.

**John L. Key, 60**, was appointed February 5, 2008 as Chief Operating Officer and has since been appointed President, CEO, and Director (July 21, 2008). Mr. Key is a graduate of the University of Missouri – Rolla with an M.S. in Mining Engineer. He possesses 32 years of extensive mining experience. He worked for the Teck Cominco organization from 1973 to 2004 during which time he was directly responsible for running, in succession, the Magmont, Polaris, and Red Dog mines and also served as General Manager Projects. Mr. Key oversaw over \$300 million in capital expansions at Red Dog. His primary duties at Gryphon Gold are to review the potential for an oxide mine on the Borealis Property, to work on the longer term opportunities for the sulphide ore resources and to review opportunities available to Gryphon Gold.

Mr. Key's extensive mining experience, including his past experience in running mines for Teck Cominco, and his B.S. in Mining Engineering brings unique skills and experiences to the Board of Directors regarding the Company's current focus on developing an oxide mine on the Borealis property. Accordingly, the Board believes that Mr. Key should continue to serve on the Board of Directors.

**Donald W. Gentry, 68**, Director joined our board in July 2005 after retiring from PolyMet Mining Corporation as its President, Chief Executive Officer, Chairman and Director from 1998 to 2003. He is a retired Professor Emeritus of the Colorado School of Mines, having served that institution from 1972 to 1998 as Professor, Department Head and Dean of Engineering. He has an international reputation as a consulting mining engineer, professional educator and mining executive. His primary interests center on the financial aspects of project evaluation, investment decision analysis, project financing, and corporate investment strategies. He previously served as a Director of Santa Fe Pacific Gold Corporation, Newmont Mining Corporation, and Newmont Gold Company and currently is a Director of Golden Gryphon Explorations (a company which is unrelated to Gryphon Gold Corporation). He was elected President of the Society for Mining, Metallurgy and Exploration, Inc. in 1993 and the American Institute of Mining, Metallurgical and Petroleum Engineers in 1996 and to the National Academy of Engineering in 1996. He holds B.S., M.S. and PhD. degrees in mining engineering from the University of Illinois, Mackay School of Mines, and University of Arizona, respectively.

Mr. Gentry's expertise as a consulting mining engineer, professional educator and mining executive, his past experience as an executive at PolyMet Mining and his B.S., M.S. and PhD. degrees in mining engineering from the University of Illinois, Mackay School of Mines, and University of Arizona, respectively, offer the Board of Directors invaluable insight into the development of mines and management of a development stage and producing mining company. This insight is valued by the Board of Directors regarding the Company's current focus on developing an oxide mine on the Borealis property. Accordingly, the Board believes that Mr. Gentry should continue to serve on the Board of Directors.

**Marvin K. Kaiser, 69**, was appointed to our board on November 18, 2008. Mr. Kaiser graduated from Southern Illinois University-Carbondale and began his career in the field of public accounting becoming a Certified Public Accountant in 1965. His career in the natural resources industry began in 1969 with Ranchers Exploration and Development Corporation where he held various positions including Chief Financial Officer and Senior Vice President until the company was combined with Hecla Mining Company in 1984. Mr. Kaiser also served as Chief Financial Officer of AMAX Gold, Inc from 1989 until 1993 when AMAX Inc was combined with Cyprus Mining. Subsequent to leaving AMAX, Mr. Kaiser joined The Doe Run Company as Chief Financial Officer. At the time of his retirement from Doe Run in 2006, he held the positions of Executive Vice President and Chief Administrative Officer. Following his retirement, Mr. Kaiser formed Whippoorwill Consulting, LLC, which provides financial advisory services to the natural resources industry. He presently serves as a director of several publicly traded mining/exploration companies as well as The Southern Illinois University Foundation.

Mr. Kaiser's expertise in providing financial advisory services to the natural resource industry, past experience as a financial executive in several prominent mining companies and his education as a certified public accountant brings a unique expertise to the Board of Directors in relation to the financial aspects of mine development and production. This insight is valued by the Board of Directors regarding the Company's current focus on developing an oxide mine on the Borealis property and in Mr. Kaiser's role as Chairman of the Audit Committee. Accordingly, the Board believes that Mr. Kaiser should continue to serve on the Board of Directors.

**Terence J. Cryan, 48**, was appointed to our board on September 3, 2009. Mr. Cryan graduated with honours from Tufts University in Medford, Massachusetts with a Bachelor of Arts degree in Economics/Political Science. He then attended the London School of Economics to earn his Masters of Science degree in Economics in December 1984. Mr. Cryan began his career in 1985 as a Portfolio Manager/Investment Officer for Chase Investment Management Corp in New York, NY. In 1987 he located to London, England with Lazard where he gained extensive knowledge of cross border corporate finance as well as mergers and acquisitions. Mr. Cryan's career continued as a managing director at Paine Webber (following its acquisition of Kidder, Peabody) and then served as Senior Managing Director at Bear Stearns & Co. Mr. Cryan was also President & CEO to Medical Acoustics LLC from April 2007 to April 2010. Currently, Mr. Cryan serves as the Managing Director of Concert Energy Partners, LLC, an investment banking and private equity firm based in New York. Mr. Cryan has extensive experience as a director of a number of publicly traded companies.

Mr. Cryan's extensive knowledge of cross border corporate finance as well as mergers and acquisitions and his Masters of Science degree in Economics, brings unique insight into the Company's financing activities. This experience is important to the Board's consideration of financing the development of an oxide mine on the Borealis Property. Accordingly, the Board believes that Mr. Cryan should continue to serve on the Board of Directors.

**Ted Sharp, 54** was appointed Interim Chief Financial Officer on May 25, 2011, replacing Mr. Matthew A. Fowler, who is a member of Mr. Sharp's consulting firm. Mr. Sharp is a Certified Public Accountant, and has Bachelor of Business Administration Degree in Accounting from Boise State University. Mr. Sharp has served as Chief Financial Officer, Secretary and Treasurer of Goldrich Mining Company from February 2006 to the present. If the correspondence is not addressed to the particular member, the communication will be forwarded to a Board member to bring to the attention of the Board. The Company's Secretary will review all communications before forwarding them to the appropriate Board member.

## **DIVERSITY OF THE BOARD**

The Company does not have a formal policy regarding diversity in the selection of nominees for directors. The Corporate Governance and Nominating Committee does however consider diversity as part of its overall selection strategy. In considering diversity of the Board as a criteria for selecting nominees, the Corporate Governance and Nominating Committee takes into account various factors and perspectives, including differences of viewpoint, professional experience, education, skills and other individual qualities and attributes that contribute to Board heterogeneity, as well as race, gender and national origin. The Corporate Governance and Nominating Committee seeks persons with leadership experience in a variety of contexts and, among public company leaders, across a variety of industries. The Corporate Governance and Nominating Committee believes that this expansive conceptualization of diversity is the most effective means to implement Board diversity. The Corporate Governance and Nominating Committee will assess the effectiveness of this approach as part of its annual review of its charter.

## **BOARD COMMITTEES**

Our Board of Directors has established four board committees: an Audit Committee, a Compensation Committee, a Corporate Governance and Nominating Committee, and a Project Development, Environmental & Sustainability Committee.

### **Audit Committee and Audit Committee Financial Experts**

Our Audit Committee has been structured to comply with Canadian Multilateral Instrument 52-110-Audit Committees (MI 52-110) and Section 3(a)(58)(A) of the Exchange Act. Our Audit Committee is comprised of Donald Gentry, Marvin Kaiser and Terence Cryan, of whom all are independent directors under MI 52-110, Section 10A-3 of the Exchange Act and the audit committee rules of the NYSE Amex. Marvin Kaiser is the Chairman of the Audit Committee. The Audit Committee meets with management and Gryphon Gold's external auditors to review matters affecting financial reporting, the system of internal accounting and financial controls and procedures and the audit procedures and audit plans. The Audit Committee reviews Gryphon Gold's significant financial risks, will be involved in the

appointment of senior financial executives and will annually review Gryphon Gold's insurance coverage and any off-balance sheet transactions.

The Audit Committee is mandated to monitor Gryphon Gold's audit and the preparation of financial statements and to review and recommend to the board of directors all financial disclosure contained in Gryphon Gold's public documents. The Audit Committee is also mandated to appoint external auditors, monitor their qualifications and independence and determine the appropriate level of their remuneration. The external auditors report directly to the Audit Committee and to the board of directors. The Audit Committee and board of directors each have the authority to terminate the external auditor's engagement (subject to confirmation by stockholders). The Audit Committee will also approve in advance any services to be provided by the external auditors which are not related to the audit.

### **Audit Committee Report**

The Company's Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors (the Board). The Committee has three members, each of whom is independent as determined under Rule 10A-3 of the Exchange Act, and the rules of the NYSE Amex. The Committee operates under a written charter adopted by the Board.

The Committee assists the Board by overseeing (1) the integrity of the Company's financial reporting and internal control, (2) independence and performance of the Company's independent auditors, (3) and provides an avenue of communication between management, the independent auditors, and the Board.

In the course of providing its oversight responsibilities regarding the 2011 financial statements, the Committee reviewed the 2011 audited financial statements, which appear in the 2011 Annual Report to Stockholders, with management and the Company's independent auditors. The Committee reviewed accounting principles, practices, and judgments as well as the adequacy and clarity of the notes to the financial statements.

The Committee reviewed the independence and performance of the independent auditors who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States, and such other matters as required to be communicated by the independent auditors in accordance with Statement of Auditing Standards 61, as superseded by Statement of Auditing Standard 114—the Auditor's Communication With Those Charged With Governance, as modified or supplemented.

The Committee meets with the independent auditors to discuss their audit plans, scope and timing on a regular basis, with or without management present. The Committee has received the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board for independent auditor communications with Audit Committees concerning independence, as may be modified or supplemented.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board, and the Board has approved, that the audited financial statements be included in the Annual Report to the Securities and Exchange Commission on Form 10-K for the year ended March 31, 2011. The Committee and the Board have also recommended the selection of decoria-maichel-teague PS as independent auditors for the Company for the fiscal year ending March 31, 2012.

No shareholder or stockholders holding 5% or more of the Company's outstanding stock, either individually or in aggregate, recommended a nominee for election to the Board.

### *Director Compensation Agreements*

Pursuant to the agreement, he is entitled to compensation for termination of their employment in certain circumstances, including termination without cause and change of control. ## **OTHER GOVERNANCE MATTERS**

### **Board Leadership Structure**

The Board of Directors has reviewed our company's current Board of Directors leadership structure which consists of a combined Chairman and Chief Executive Officer in light of the composition of the Board of Directors, the Company's size, the nature of the Company's business, the regulatory framework under which the Company operates, the Company's shareholder base, the Company's peer group and other relevant factors, and has determined that a combined Chairman and Chief Executive Officer position is currently the most appropriate Board leadership structure for our company. The Board of Directors noted the following factors in reaching its determination:

- The Board acts efficiently and effectively under its current structure, where the Chief Executive Officer also acts as Chairman.
- A combined Chairman/Chief Executive Officer is in the best position to be aware of major issues facing the company on a day-to-day and long-term basis, and is in the best position to identify key risks and developments facing the Company to be brought to the Board's attention.
- A combined Chairman/Chief Executive Officer position eliminates the potential for confusion and duplication of efforts, including among employees.
- A combined Chairman/Chief Executive Officer position eliminates the potential for confusion as to who leads the Company, providing the Company with a single public face in dealing with stockholders, employees, regulators, analysts and other constituencies.
- A substantial majority of the Company's peer group utilizes a Board structure with a combined Chairman and Chief Executive Officer.

The Company does not have a lead independent director. Given the size of the Board of Directors, the Board of Directors believes that the presence of three independent directors out of the four Directors on the Board of Directors, each of whom sits on the Board's committees, is sufficient independent oversight of the Chairman/Chief Executive Officer. The independent directors work well together in the current board structure and the Board of Directors does not believe that selecting a lead independent director would add significant benefits to the Board of Directors oversight role.

### **The Role of the Board in Risk Oversight**

The understanding, identification and management of risk are essential elements for the successful management of the Company.

Risk oversight begins with the Board of Directors and the Audit Committee. The Audit Committee is chaired by Marvin Kaiser and each of the Company's three independent directors sits on the Audit Committee.

The Audit Committee reviews and discusses policies with respect to risk assessment and risk management. The Audit Committee also has oversight responsibility with respect to the integrity of the Company's financial reporting process and systems of internal control regarding finance and accounting, as well as its financial statements.

At the management level, an internal audit provides reliable and timely information to the Board of Directors and management regarding the company's effectiveness in identifying and appropriately controlling risks. Annually, management presents to the Audit Committee a report summarizing the review of the Company's methods for identifying and managing risks.

The Company also has a comprehensive internal risk framework, which facilitates performance of risk oversight by the Board of Directors and the Audit Committee. Our risk management framework is designed to:

- Provide that risks are identified, monitored, reported, and priced properly;
- Define and communicate the types and amount of risk the Company is willing to take;
- Communicate to the appropriate management level the type and amount of risk taken;
- Maintain a risk management organization that is independent of the risk-taking activities; and
- Promote a strong risk management culture that encourages a focus on risk-adjusted performance.

### **Code of Conduct**

We adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees. The Code of Business Conduct and Ethics summarizes the legal, ethical and regulatory standards that we must follow and will serve as a reminder to our directors, officers and employees, of the seriousness of that commitment. Compliance with this code and high standards of business conduct is mandatory for each of our employees.

The Code of Business Conduct and Ethics was filed with the SEC on February 10, 2006 as exhibit 14.1(2) to Form 10-QSB quarterly report for the quarter ending December 31, 2005. Further information and a copy of the Code of Business Conduct and Ethics is available on our website at [www.gryphongold.com](http://www.gryphongold.com). Any future violations of the Code of Business Conduct and Ethics will be reported on our website at [www.gryphongold.com](http://www.gryphongold.com).

### **Compensation Interlocks and Insider Participation**

There were no compensation committee or board interlocks among the members of our Board.

### **Legal Proceedings**

Neither we nor any of our properties, including the Borealis Property, are currently subject to any material legal proceedings or other regulatory proceedings to which any of our directors, officers, or affiliates, or any associate of any such director, officer, or affiliate, or securityholder is a party adverse to us or any of our subsidiaries or has a material interest adverse to us or any of our subsidiaries, and to our knowledge no such proceedings are contemplated.

### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's officers, directors, and persons who beneficially own more than 10% of the Company's common stock ( 10% Stockholders ), to file reports of ownership and changes in ownership with the Securities and Exchange Commission ( SEC ). Such officers, directors and 10% Stockholders are also required by SEC rules to furnish us with copies of all Section 16(a) forms that they file. Based solely upon information provided to us by individual officers, directors and 10% Stockholders, we believe that all of these filing requirements were satisfied by our officers, directors, and 10% Stockholders in the fiscal year ended March 31, 2011.

## **Executive Compensation Agreements and Summary of Executive Compensation**

### ***Report on Executive Compensation***

During the year ended March 31, 2011, the Company's Compensation Committee was responsible for establishing compensation policy and administering the compensation programs of our executive officers.

The amount of compensation paid by the Company to each of our officers and the terms of those persons' employment is determined solely by the Compensation Committee. The Compensation Committee evaluates past performance and considers future incentive and retention in considering the appropriate compensation for the Company's officers. The Company believes that the compensation paid to the Company's directors and officers is fair to the Company.

Our Compensation Committee believes that the use of direct stock awards is at times appropriate for employees, and in the future intends to use direct stock awards to reward outstanding service or to attract and retain individuals with exceptional talent and credentials. The use of stock options and other awards is intended to strengthen the alignment of interests of executive officers and other key employees with those of our stockholders.

### **Retirement, Resignation or Termination Plans**

We sponsor no plan, whether written or verbal, that would provide compensation or benefits of any type to an executive upon retirement, or any plan that would provide payment for retirement, resignation, or termination as a result of a change in control of our Company or as a result of a change in the responsibilities of an executive following a change in control of our Company, provided however that as described above each of John Key, Lisanna Lewis and Steve Craig have employment contracts that provide, in each case, for the payment of twelve (12) months of salary upon termination as a result of change in control of our Company.

### **EQUITY COMPENSATION PLANS**

We currently have one equity compensation plan, the 2006 Omnibus Incentive Plan.

#### **Securities Authorized for Issuance**

On March 29, 2005, our board of directors adopted a stock option plan which was approved by our shareholders on May 13, 2005. As of April 16, 2011, all options granted under this stock compensation plan have been forfeited or exercised (107,500) and the plan is not longer in effect.

On April 4, 2006 (amended July 24, 2006), the Board of Directors approved the 2006 Omnibus Incentive Plan, pursuant to which 7,000,000 shares of common stock were reserved for issuance to employees, officers, directors, consultants and advisors.. The 2006 Omnibus Incentive Plan, which replaced a prior plan (pursuant to which no options are outstanding) was ratified by the shareholders at the Company's annual general meeting on September 12, 2006, along with all options previously granted thereunder, pending such ratification.

On September 8, 2009, at the special meeting of the shareholders, the shareholders approved an increase in the number of shares of common stock issuable pursuant to the grant of stock options under the Omnibus Incentive Plan. After the shareholder approved increase, the 2006 Omnibus Incentive Plan authorizes the Company to grant 6,000,000 options and 1,000,000 restricted stock units. As of June 21, 2011 we had granted 9,707,000 stock options, of which 4,934,500 were forfeited, pursuant to the terms of our omnibus incentive plan as described below with expiry dates to 2015; 1,116,170 restricted stock units had been granted as of June 21, 2011, of which 132,750 have been forfeited and the equivalent of 42,500 were issued in cash pursuant to the terms of our omnibus incentive plan.

We have no equity compensation plans in place that have not been approved by our shareholders. Furthermore, we have not granted any options which are subject to ratification by shareholders. The table below shows securities issued under our equity compensation plans as of June 21, 2011.

### Purpose

The purpose of the Omnibus Plan is to promote the interests of the Company and its stockholders by aiding the Company in attracting and retaining employees, officers, consultants, independent contractors and directors capable of assuring the future success of the Company, to offer such persons incentives to put forth maximum efforts for the success of the Company's business and to afford such persons an opportunity to acquire a proprietary interest in the Company.

### Persons Eligible

Any employee, officer, director, consultant, independent contractor, or director of or providing services to the Company or any parent, affiliate, or subsidiary of the Company is eligible to designate a participant in the Omnibus Plan. However, stock option grants may only be granted to full- or part-time employees, officers, or directors of the Company or one of its subsidiaries.

### Administration

The Omnibus Plan is administered by the Company's Compensation Committee, or such other committee as the Board may assign administrative responsibility in the best interests of the Company. The administering committee (the Committee) has the power to: (i) designate Omnibus Plan participants; (ii) determine the type or types of awards to be granted to participants under the Omnibus Plan; (iii) determine the number of shares to be covered by each award; (iv) determine the terms and conditions of any award or award agreement; (v) amend the terms and conditions of any award or award agreement and accelerate the exercisability of any option or waive any restrictions relating to any award; (vi) determine whether and to what extent, and under what circumstances, awards may be exercised in cash, shares of the Company, promissory notes (which don't conflict with the provisions of the Sarbanes-Oxley Act), other securities, or other property, or may be canceled, forfeited, or suspended; (vii) interpret and administer the Omnibus Plan and any awards or award agreements thereunder; (viii) establish, amend, suspend, or waive such rules and regulations and appoint such agents as it deems appropriate to administer the Omnibus Plan; (ix) made any determination with respect to the termination of options and awards upon termination or cessation of employment of a Participant, upon a director ceasing to serve on the board of directors of the Company or upon any person ceasing to provide services to the Company; (x) make any other determination or take any other action that the Committee deems necessary or desirable to the administration of the Omnibus Plan.

### Shares Available under the Omnibus Plan

The aggregate number of shares available to be issued under the Omnibus Plan is currently 7,000,000 shares of common stock, which represents 3.61% of the issued and outstanding shares. Of the aggregate total, the number of shares available for granting incentive stock options is currently 6,000,000 and the number of shares available for restricted stock grants and restricted stock units is 1,000,000 both subject to adjustment under the Omnibus Plan's anti-dilution provisions. The number of shares available for issuance in respect of awards (other than incentive stock options, restricted stock and restricted stock units), may not exceed the difference between 7,000,000 and the aggregate number of shares reserved for issuance in respect of incentive stock options, restricted stock and restricted stock units, less the number of shares issued upon exercise of such incentive stock options, restricted stock and restricted stock units. After giving effect to options previously granted and prior grants of restricted stock units, 4,862,500 shares are reserved for issuance under the Omnibus Plan in respect to outstanding options, 1,137,500 shares are reserved for issuance in respect of options available for issuance under the Omnibus Plan, and 16,580 share are reserved for issuance for restricted stock units under the Omnibus Plan.

The board has approved an increase in the number of shares authorized for issuance under the Omnibus Plan to 12,000,000 shares for stock options (representing 6.19% of the outstanding shares as at June 21, 2011). After giving effect to the increase the 12,000,000 shares will be reserved for issuance for outstanding options (4,862,500) and for

future of options (7,154,080). In addition, 16,580 shares will be reserved for issuance for restricted stock units.

### Limitations on Awards to Insiders

Awards in any form to Company insiders (generally, directors, officers, and 10% stockholders) are limited under the Omnibus Plan. No award shall be granted under the Omnibus Plan which may result in the aggregate number of common shares of the Company issued to insiders as a group pursuant to the terms of awards previously granted within any one-year period, and issuable to insiders, at any time under the Omnibus Plan and any other security based compensation arrangement of the Company exceeding 10% of the common shares of the Company issued and outstanding at the relevant time. In addition, no award may be granted under the Omnibus Plan which may result in the aggregate number of common shares issuable to any insider at any time under the Omnibus Plan or any other security based compensation plan arrangement of the Company exceeding 5% of the common shares of the Company issued and outstanding at the relevant time.

### Options

The exercise price of options granted under the Omnibus Plan is determined by the Committee provided that the exercise price may not be less than 100% of the fair market value of a share on the date of the grant.

The term of each option shall be fixed by the Committee at the time of the grant, but may not exceed 10 years. The Committee also determines the vesting schedule of options and the method in which payment of the exercise price may be made.

The aggregate fair market value of incentive stock options granted under the Omnibus Plan which become exercisable by any participant during any calendar year may not exceed \$100,000 in aggregate fair market value. Incentive stock options granted under the Omnibus Plan terminate no later than 10 years after the date of grant, except incentive stock options granted to 10% stockholders terminate 5 years after the date of grant. Incentive stock options must have an exercise price of at least 100% of the fair market value, but incentive stock options granted to 10% stockholders will have an exercise price of at least 110% of the fair market value.

Fair market value is defined under the Omnibus Plan to mean fair market value of such property determined by such methods or procedures as shall be established from time to time by the Committee. Notwithstanding the foregoing and unless otherwise determined by the Committee, the Fair market value of a share as of a given date shall be, if the shares are then listed on the Toronto Stock Exchange, the volume weighted average trading price of one share as reported on the Toronto Stock Exchange for the five trading days immediately preceding such date.

### Stock Appreciation Rights

The Committee is authorized to grant Stock Appreciation Rights to eligible persons subject to the terms of the Omnibus Plan. Each Stock Appreciation Right granted under the Omnibus Plan shall confer on the holder upon exercise the right to receive, as determined by the Committee, cash or a number of Shares equal to the excess of (a) the fair market value of one share on the date of exercise (or, if the Committee shall so determine, at any time during a specified period before or after the date of exercise) over (b) the grant price of the Stock Appreciation Right as determined by the Committee, which grant price shall not be less than 100% of the fair market value of one share on the date of grant of the Stock Appreciation Right.

Options may not be converted into Stock Appreciation Rights, except at the discretion of the Committee which has the power to substitute any award granted under the Omnibus for any other award available under the Omnibus Plan, subject to and pursuant to the terms of the Omnibus Plan.

### Restricted Stock

The Committee is authorized to grant Restricted Stock to eligible persons under the Omnibus Plan. Shares of Restricted Stock shall be subject to such restrictions as the Committee may impose (including, without limitation, a restriction on or prohibition against the right to receive any dividend or other right or property with respect thereto), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Committee may deem appropriate.

### Restricted Stock Units

The Committee is authorized to grant Restricted Stock Units to eligible persons under the Omnibus Plan. A Restricted Stock Unit award will be subject to a Restricted Stock Unit Award Agreement containing such terms and conditions, not inconsistent with the provisions of the Omnibus Plan, as the Committee determines.

Subject to the terms of the Omnibus Plan, payments or transfers to be made by the Company or an Affiliate upon the grant, exercise or payment of an Award may be made in such form or forms as the Committee shall determine (including, without limitation, cash, Shares, promissory notes provided, however, that the acceptance of such promissory notes does not conflict with Section 402 of the Sarbanes-Oxley Act of 2002, other securities, other Awards or other property or any combination thereof), and may be made in a single payment or transfer, in installments or on a deferred basis, in each case in accordance with rules and procedures established by the Committee. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of Dividend Equivalents with respect to installment or deferred payments. Gryphon Gold may provide financial assistance to eligible persons to purchase shares of common stock under the Incentive Plan, subject to applicable law and the rules and policies of any securities regulatory authority or stock exchange with jurisdiction over the Corporation or a trade in its securities. Any financial assistance so provided will be repayable with full recourse and the term of any such financing shall not exceed the term of the

Except as otherwise determined by the Committee (for awards other than an Incentive Stock Option), each Award or right under any such Award is exercisable during the Participant's lifetime only by the Participant or, if permissible under applicable law, by the Participant's guardian or legal representative. Except as otherwise determined by the Committee (for Awards other than an Incentive Stock Option), no Award or right under any such Award may be pledged, alienated, attached or otherwise encumbered, and any purported pledge, alienation, attachment or other encumbrance thereof is void and unenforceable against the Company or any Affiliate.

### Term of Awards

Subject to the terms of Omnibus Plan, the term of each Award shall be for such period as may be determined by the Committee. Whether Options, Restricted Stock Units ( RSUs ) or other Awards terminate on termination of employment is determined by the Committee in the context of each grant. The Committee may adopt policies from time to time in respect of termination provisions on termination of employment. Generally, Options and RSUs terminate upon termination of employment as follows:

- (A) Upon retirement, the Options and RSUs which have vested at the date of retirement will continue to be exercisable until the original expiry date.

Subject to the terms of Omnibus Plan, the term of each Award shall be for such period as may be determined by the Committee but in any case, not longer than 10 years. Whether Options, Restricted Stock Units ("RSUs") or other Awards terminate on termination of employment is determined by the Committee in the context of each grant. Subject to regulatory approval and the limitations below, the Board may amend, without shareholder approval, the terms of any outstanding Award provided that the terms of such amendment are made in accordance with the Omnibus Plan;

Subject to regulatory approval, the Board may amend any of the provisions of the Omnibus Plan relating to the following, provided the Board obtains the approval of the stockholders of the Company in respect thereof:

- (A) The limitations on grants of Options to Insiders, and the number of Shares that may be reserved for issuance to Insiders;
- (B) The maximum number of shares reserved for issuance upon exercise of awards granted under the Omnibus Plan; or
- (C) The reduction in the exercise price or an extension of its term beyond the original expiry date, of any Award held by an insider.

**Policy on Pre-Approval by Audit Committee of Services Performed by Independent Auditors**

Our audit committee approves all services provided by our independent accountant.

**CHANGE IN CERTIFYING ACCOUNTANT**

Effective on August 12, 2010, the Company terminated the services of its principal registered independent public accountant, Ernst & Young LLP ( Ernst & Young ), and as of August 20th, 2010, the Company appointed decoria-maichel-teague PS as its independent registered public accounting firm.

In Ernst & Young's principal accountant reports on the Company's financial statements for each of the past two fiscal years ended March 31, 2010 and 2009, no adverse opinion was issued and no opinion of Ernst & Young was modified

as to audit scope or accounting principles. Ernst & Young's principal accountant reports on the Company's financial statements for the last two fiscal years ended March 31, 2010 and 2009, each contained a disclaimer paragraph concerning uncertainty as to the Company's ability to continue as a going concern. The financial statements did not include any adjustments that might have resulted from the outcome of this uncertainty. No other reports in each of the past two fiscal years contained a disclaimer of opinion or were modified as to uncertainty.

The change in auditor was recommended and approved by the Company's audit committee.

In the two most recent fiscal years and any interim period preceding the dismissal of Ernst & Young LLP, the Company is not aware of any disagreements with Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of Ernst & Young LLP, would have caused it to make references to the subject matter of the disagreement(s) in connection with its report.

The Company is not aware of any reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K) that have occurred during the two most recent fiscal years and the interim period preceding the dismissal of Ernst & Young.

The Company has engaged decoria-maichel-teague PS, as its new principal registered independent accountant effective on August 20, 2010, to audit its financial records. decoria-maichel-teague PS is registered with the Public Company Accounting Oversight Board. During the two most recent fiscal years and the interim period preceding the appointment of decoria-maichel-teague PS, the Company has not consulted decoria-maichel-teague PS regarding the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on its financial statements, and neither a written report nor oral advice was provided to the Company that the Company considered an important factor in reaching a decision as to the accounting or financial reporting issue; or any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K).

**The Board recommends a vote FOR the ratification of the appointment of the independent registered public accounting firm. All proxies executed and returned without an indication of how shares of common stock should be voted will be voted FOR the appointment of the independent registered public accounting firm.**

### **PROPOSAL 3 APPROVAL OF THE OPTION SHARE INCREASE**

#### **What am I voting on?**

The Company's Board of Directors has approved an increase in the number of shares authorized for issuance under the Company's 2006 Omnibus Incentive Plan (the "Omnibus Plan") as well as minor changes to clarify that Directors may make certain amendments without shareholder approval. The Board determined that it was in the best interests of the Company and the stockholders for the Company to increase the number of shares available for issuance under the 2006 Omnibus Incentive Plan for the issuance of options under the plan, to reflect an increase in the number of common shares issued and outstanding. Currently, the Company's option plan as approved by the shareholders provide for the issuance of up to 6,000,000 of common stock for stock options and 1,000,000 shares for restricted stock units (of which only 16,580 shares remain available for issuance pursuant to restricted stock units)

Based on 193,769,882 common shares issued and outstanding as of July 11, 2011, the Board has recommended an increase of 6,000,000 shares of common stock to the shares available for issuance of options under the Omnibus Plan. Following the amendment, the Omnibus Plan will provide for 13,000,000 shares of common stock for all awards representing 6.71% of the outstanding shares as at June 21, 2011, and 16,580 shares of common stock for restricted stock units, representing less than 1% of the outstanding shares as at June 21, 2011.

The aggregate number of shares available to be issued under the Omnibus Plan will be 12,016,580 shares of common stock (subject to approval of Option Share Increase), which represents 6.20% of the issued and outstanding shares. Of the aggregate total, the number of shares available for granting incentive stock options will be 12,000,000 and the number of shares available for restricted stock grants and restricted stock units is 16,580 both subject to adjustment under the Omnibus Plan's anti-dilution provisions. The number of shares available for issuance in respect of awards (other than incentive stock options, restricted stock and restricted stock units), may not exceed the difference between 12,016,580 and the aggregate number of shares reserved for issuance in respect of incentive stock options, restricted stock and restricted stock units, less the number of shares issued upon exercise of such incentive stock options, restricted stock and restricted stock units.

This proposal is to ratify the share increase as approved by the Board.
