Each restricted stock unit will entitle the reporting person to receive one share of the issuer's common stock when that unit vests. The units will vest in three successive equal annual installments upon the reporting person's completion of each year of service with the issuer over the three-year period measured from the issue date of the units, subject to accelerated vesting under certain prescribed circumstances. This grant does not include dividend equivalent rights.
- (2) Includes 18,764 shares of Common Stock, 58,334 shares of underlying restricted stock units and 94,676 shares of deferred restricted stock, which may be subject in whole or in part to vesting schedules tied to Mr. Roth's continued service with the issuer or his performance, and which will be distributed as actual shares of common stock of the issuer either at the time of vesting or at a specified time thereafter (including termination of service with the issuer).

This grant does not include dividend equivalent rights.
