Item 4.01 Changes in Registrant's Certifying Accountant

On November 5, 2009 BDO Feinstein International AB ("BDO"), informed Neonode Inc. (the "Company") its intent to resign as the Company's independent registered public accounting firm.

On November 6, 2009, the Audit Committee of the Board of Directors of the Company approved the replacement of BDO with KMJ/ Corbin & Company ("KMJ") as the Company's independent registered public accounting firm for the 2009 fiscal year.

During the fiscal years ended December 31, 2007 and December 31, 2008 and the subsequent interim period through November 5, 2009, the Company had (i) no disagreements with BDO on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, any of which that, if not resolved to BDO's satisfaction, would have caused it to make reference to the subject matter of any such disagreement in connection with its reports for such years and interim period and (ii) no reportable events within the meaning of Item 304(a)(1)(v) of Regulation S-K.

BDO's reports on the Company's consolidated financial statements for the fiscal years ended December 31, 2007 and December 31, 2008 do not contain any adverse opinion or disclaimer of opinion, nor are qualified or modified as to uncertainty, audit scope, or accounting principles except with regard to the fact that the Company has suffered recurring losses and negative cash flows from operations and has a working capital deficiency that raise substantial doubt about its ability to continue as a going concern. In addition, during the audit of the Company's consolidated financial statements for the year ended December 31, 2007, management determined that the Company had certain material weaknesses relating to the Company's revenue recognition policies and the accounting for certain financing transactions, including convertible debt and derivative financial instruments. Also, during the audit of the Company's consolidated financial statements for the year ended December 31, 2008, management determined that the Company had certain material weaknesses relating to the Company's accounting for certain financing transactions, including convertible debt and derivative financial instruments.

During the fiscal years ended December 31, 2007 and December 31, 2008 and the subsequent interim period through November 5, 2009, neither the Company nor anyone on its behalf has consulted with KMJ regarding (i) the application of accounting principles to a specific transaction, either completed or proposed, (ii) the type of audit opinion that might be rendered on the Company's financial statements, (iii) any matter that was the subject of a disagreement within the meaning of Item 304(a)(1)(iv) of Regulation S-K and the related instructions to item 304 of Regulation S-K, or (iv) any reportable event within the meaning of Item 304(a)(1)(v) of Regulation S-K.

In accordance with Item 304(a)(3) of Regulation S-K, the Company has provided BDO a copy of the disclosures it is making in this Current Report on Form 8-K prior to filing with the SEC and requested that BDO furnish the Company with a letter addressed to the SEC stating whether or not BDO agrees with the above statements. The Company will file such letter as an exhibit to an amendment of this Form 8-K.
