Dear All,

On a story by newspaper Valor Econômico on 12/11/2012, the following pieces of information were published:

- the group estimates that its gross revenue will reach R\$ 87.5 billion in 2015, up 52.4% in comparison with R\$ 57.4 billion estimated for 2012;
- investments on equipment and stores, of approximately R\$ 1.8 billion in 2012, will increase to R\$ 3.2 billion in 2015;
- Pão de Açúcar aims at a one percentage-point decline in its operating expenses to approximately 19% of net sales revenue in 2015.

We do require clarifications on such story by December 12, 2012, as well as on other relevant information.

We remind you that the Reference Form (section 11 – Estimates) must be updated in up to 7 (seven) business days from the announcement or change of estimates (subsection IX of paragraph 3<sup>rd</sup> and subsection V of paragraph 4<sup>th</sup> of article 24 of CVM Instruction 480/09), without prejudice of announcement of a material fact, under the terms of article 3<sup>rd</sup> of CVM Instruction no. 358/02.

In addition to that, we remind you that, should any estimates be released, the issuer must, quarterly, on the proper field of the Quarterly Financial Information report – ITR and on the Standardized Financial Statements – DFP, compare the estimates on the Reference Form with the actual results, explaining the reasons for any eventual differences (paragraph 4<sup>th</sup> of article 20 of CVM Instruction 480/09).

*The following requirement is accomplished under the terms of the Cooperation Agreement, between CVM (Brazilian Securities and Exchange Commission) and BM&FBOVESPA, dated December 13, 2011, and its non-compliance may subject this company to eventual fine issued by Superintendência de Relações com Empresas – SEP of CVM, under the terms of Instruction CVM No. 452/07.*

*Yours Truly,*
