Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On April 6, 2009, the Compensation Committee (the "Compensation Committee") of the Board of Directors of APAC Customer Services, Inc. (the "Company") approved an additional potential performance bonus ("2009 Performance Plus Bonus") under the annual management incentive program for the executive officers of the Company, including named executive officers for the 2009 fiscal year (the "2009 MIP") in lieu of salary increases. The 2009 Performance Plus Bonus increases the maximum payout for each participant in the 2009 MIP, by an additional 10% subject to the Company meeting certain pre-determined targets. In order for the 2009 Performance Plus Bonus to be paid, the Company must achieve: (1) a minimum revenue target; (2) a PTP target (as defined below); and (3) certain sales goals.

The 2009 MIP was adopted under the terms of the APAC Customer Services, Inc. Management Incentive Plan, as amended and restated effective August 2, 2007 (the "Management Incentive Plan"). Under the terms of the 2009 MIP, Messrs. Marrow and Szafran and all other executive officers of the Company, including named executive officers, are eligible to receive annual cash bonus payments on either an annual or a quarterly basis based on the Company's achieving certain financial performance goals established by the Compensation Committee. No annual cash bonus is guaranteed, but each executive officer is eligible for a MIP ranging from 0% to 150% of his or her base salary. For all executive officers, other than the Company's Senior Vice President, Sales, the 2009 MIP will be based 50% on the Company's achieving the threshold or maximum revenue amounts established by the Compensation Committee and 50% on the Company's achieving the threshold or maximum PTP amounts established by the Compensation Committee. The threshold and maximum financial performance goals established by the Compensation Committee for the 2009 MIP are based on the Company's 2009 financial plan approved by the Company's Board of Directors. Revenue is defined as net revenue, as reported in the Company's quarterly and annual audited financial statements. PTP is defined as "pre-tax profit" or "net income before income taxes". The total incentive payout under the 2009 MIP for any overachievement of financial performance goals beyond the threshold amounts established by the Compensation Committee shall not exceed 50% of the incremental adjusted EBITDA achieved by the Company.
