Item 1.01 Entry into a Material Definitive Agreement.

Effective November 15, 2011, we entered into an agreement with Mylan Inc., or Mylan, to acquire the worldwide rights to certain assets and the FDA registration related to the Kristalose® brand, collectively the Mylan Agreement. As consideration for the assets, we will pay to Mylan royalties based on future sales of Kristalose®.

As previously disclosed in certain our of prior SEC filings, prior to the acquisition of these assets, we had executed an agreement with Inalco S.p.A and Inalco Biochemicals, Inc., collectively Inalco, for exclusive distribution and marketing rights in addition to an exclusive license regarding the intellectual property for Kristalose®, or the Kristalose Agreement. As a condition precedent to the acquisition of the worldwide rights discussed above, Mylan acquired certain rights to Kristalose® from Inalco. Therefore, along with Inalco, we terminated the Kristalose Agreement on November 15, 2011 concurrently with the entry into the Mylan Agreement. We incurred no early termination penalties upon termination of the Kristalose Agreement. The foregoing description of the Kristalose Agreement is qualified in its entirety by Exhibits 10.9, 10.9.1, 10.9.2, 10.9.3, and 10.9.4 to the Company's Annual Report on Form 10-K filed on March 11, 2011.

The Mylan Agreement is attached hereto as Exhibit 10.28, and the foregoing summary is qualified in its entirety by such agreement.

Item 1.02 Termination of a Material Definitive Agreement.

The disclosures included in Item 1.01 of this Form 8-K are hereby incorporated by reference into this Item 1.02.

Item 9.01 Financial Statements and Exhibits.

d)

10.28† Asset Purchase and Royalty Agreement for Kristalose dated November 15, 2011 by and between Mylan Inc. and Cumberland Pharmaceuticals Inc.

† Confidential treatment has been requested for portions of this exhibit. These portions have been omitted from Exhibit 10.28 and submitted separately to the Securities and Exchange Commission.
