RECOMMENDED CASH OFFER FOR

CRYPTOLOGIC LIMITED

BY

AMAYA GAMING GROUP INC.

CORRECTION

Further to the announcement earlier today by the boards of Amaya Gaming Group Inc. ("Amaya"), and CryptoLogic Limited ("CryptoLogic") of the terms of a recommended cash offer to be made by Amaya for the entire issued and to be issued ordinary share capital of CryptoLogic (the "Offer") to the extent that such ordinary shares are not already owned by Amaya (the "Rule 2.7 Announcement"), Amaya announces that the summary of the terms of the irrevocable undertakings of institutional shareholders as set out in Paragraph 7(B) of the Rule 2.7 Announcement contains an incomplete description. The terms of these irrevocable undertakings will not continue to be binding in the event that certain higher competing offers are made for CryptoLogic. A revised version of the Rule 2.7 Announcement is set out below.

2 February 2012

RECOMMENDED CASH OFFER FOR

CRYPTOLOGIC LIMITED

BY

AMAYA GAMING GROUP INC.

Further to the announcement of 15 December 2011 (the "Possible Offer Announcement") and to the announcement of 12 January 2012, the boards of Amaya Gaming Group Inc. ("Amaya"), and CryptoLogic Limited ("CryptoLogic") are pleased to announce that they have agreed the terms of a recommended cash offer to be made by Amaya for the entire issued and to be issued ordinary share capital of CryptoLogic (the "Offer") to the extent that such ordinary shares are not already owned by Amaya.

Unless otherwise defined in this summary, capitalised terms used but not defined have the meanings set out in Appendix III to the full text of the Announcement. Any reference to the "issued share capital of CryptoLogic" assumes the exchange of all of the outstanding exchangeable shares ("Exchangeable Shares") of CryptoLogic Exchange

Corporation (“CEC”), in accordance with their terms, for CryptoLogic Shares.

Summary and highlights

- Under the terms of the Offer, CryptoLogic Shareholders will receive US\$2.535 in cash for each CryptoLogic Share (the “Offer Price”). The Offer Price represents a premium of approximately 55 per cent. to the closing price of US\$1.64 per CryptoLogic Share on NASDAQ on 14 December 2011, being the last Business Day prior to the date of the Possible Offer Announcement.
 - The Offer Price represents a premium of 56 per cent. and 105 per cent. to the closing price per CryptoLogic Share on the Toronto Stock Exchange (“TSX”) and the London Stock Exchange, respectively, on 14 December 2011, being the last Business Day prior to the date of the Possible Offer Announcement using exchange rates of US\$0.9642 to C\$1.00 and US\$1.5486 to £1.00.
 - The Offer values the issued share capital of CryptoLogic, including CryptoLogic Shares issuable upon the exercise of CryptoLogic Options, at US\$35,817,144.
 - Amaya holds 971,629 CryptoLogic Shares representing approximately 7 per cent. of the issued share capital of CryptoLogic at the date of the Announcement (the “Amaya Shares”).
 - A currency exchange facility will be made available to CryptoLogic Shareholders under which they will be able to elect to receive their consideration in Canadian dollars or pounds sterling at the applicable Bloomberg Rate on the latest reasonably practicable date for fixing
-

such rate prior to the relevant payment date. No commission will be charged for using this facility.

- Amaya has received irrevocable undertakings to accept the Offer from certain CryptoLogic Shareholders outside the United States in respect of, in aggregate, 1,954,421 CryptoLogic Shares which they hold, representing approximately 14.14 per cent. of the issued share capital of CryptoLogic at the date of this Announcement.
- The CryptoLogic Board, which has been so advised by Deloitte Corporate Finance, consider the terms of the Offer to be fair and reasonable. In providing advice to the CryptoLogic Board, Deloitte Corporate Finance has taken into account the commercial assessments of the CryptoLogic Board.
- The CryptoLogic Board has unanimously determined that the Offer is fair and reasonable and in the best interests of CryptoLogic. Accordingly, the CryptoLogic Board intends to unanimously recommend that CryptoLogic Shareholders accept the Offer, as those CryptoLogic Directors who hold an interest in CryptoLogic Shares have irrevocably undertaken to do (or procure to be done) in respect of their own entire beneficial holdings comprising, in aggregate, 11,000 CryptoLogic Shares (representing, in aggregate, approximately 0.08 per cent. of the issued share capital of CryptoLogic at the date of this Announcement). These irrevocable undertakings will remain binding in the event of a competing offer being made for CryptoLogic and will only cease to be binding in the event that the Offer Document is not published within 28 days of the Announcement or if the Offer lapses or is withdrawn.
- Subject to the Offer being declared wholly unconditional and to applicable law and regulation, Amaya intends to procure that CryptoLogic applies to the appropriate regulators to cancel the listing of, the trading of and to delist (as applicable) the CryptoLogic Shares from the Official List, the Main Market, the TSX and NASDAQ.
- Subject to receiving acceptances or otherwise acquiring or contracting to acquire 90 per cent. or more in value of all the CryptoLogic Shares to which the Offer relates and of the voting rights of those CryptoLogic Shares, Amaya intends to exercise its rights under the Companies Law (Guernsey) and/or CryptoLogic's Memorandum and Articles to compulsorily acquire any remaining CryptoLogic Shares on the same terms as the Offer.
- Working alongside Amaya, CryptoLogic and CEC will make arrangements with Equity Financial Trust Company, the Canadian transfer agent of CryptoLogic and CEC, to

allow Exchangeable Shareholders to provide: (i) a notice of conditional exchange (retraction) to CEC in respect of their Exchangeable Shares; and (ii) anticipatory instructions to tender any CryptoLogic Shares issued upon the conditional exchange (retraction) of Exchangeable Shares to the Offer. A conditional exchange (retraction) of Exchangeable Shares will be effective only upon the Offer becoming wholly unconditional. The Offer Price represents a premium of approximately 72 per cent. to the closing price per Exchangeable Share on the TSX on 14 December 2011, being the last Business Day prior to the date of the Possible Offer Announcement using an exchange rate of US\$0.9642 to C\$1.00.

Amaya is engaged in the design, development, manufacturing, distribution and sale of technology based gaming solutions for the regulated gaming industry worldwide. Its common shares are listed on the TSX Venture Exchange.

- CryptoLogic offers an extensive range of internet gaming solutions in multiple currencies and languages and provides e-cash management, marketing support and 24/7 customer care.
- The Offer will be conditional on, amongst other things, acceptances being received in respect of shares representing more than 50 per cent. of the issued share capital of CryptoLogic.
- The Offer Document, the Form of Acceptance and any other documents required by applicable law, will be posted to CryptoLogic Shareholders and, for information only, to Exchangeable Shareholders and CryptoLogic Option Holders as soon as practicable and in any event is expected to be posted by no later than 1 March 2012, unless otherwise agreed by the Panel. Exchangeable Shareholders will also receive additional information regarding the provision of notices of conditional exchange (retraction) and anticipatory instructions to tender.

Commenting on the Offer, David Baazov, President and CEO of Amaya said:

“We believe we share many of the same fundamental values and business philosophies as CryptoLogic and we are excited about the opportunity to work in partnership with its management and employees. We are also excited about the opportunity to integrate CryptoLogic’s expertise, capabilities and relationships with our existing worldwide operations. We look forward to completing the acquisition of CryptoLogic as another important step in our international expansion strategy to deliver leading edge gaming solutions to our expanding global client base of regulated gaming operators and governments.”

Commenting on the Offer, David Gavagan, Chairman and Interim CEO of CryptoLogic said:

“The CryptoLogic Board is pleased to have agreed terms with Amaya. We consider that the Offer represents an attractive premium to the share price of CryptoLogic prior to the announcement of a possible offer by Amaya in December 2011.”

The Offer will be made subject to the conditions and certain further terms which are set out in Appendix I to this Announcement and the full conditions and further terms to be set out in the Offer Document and (in respect of CryptoLogic Shares held in certificated form) in the Form of Acceptance. Full details of the conditions and certain further terms to which the Offer is subject are set out in Appendix I of this Announcement.

The Offer values the issued share capital of CryptoLogic, including CryptoLogic Shares issuable upon the exercise of CryptoLogic Options, at US\$35,817,144.

The Offer will be extended, subject to its terms and conditions, to all the CryptoLogic Shares which are unconditionally allotted or issued on the date on which the Offer is made and to such further CryptoLogic Shares (if any) unconditionally issued at or prior to the Record Date. The Offer will not be made in respect of the 971,629 CryptoLogic Shares already held by Amaya, representing approximately 7 per cent. of the issued share capital of CryptoLogic at the date of this Announcement.

Pursuant to the Offer, the CryptoLogic Shares will be acquired on the basis that: (i) the disposing party has the right to dispose thereof; (ii) the disposing party will do all it reasonably can to give the title it purports to give; (iii) they are whole; (iv) they are fully paid; and (v) they are free from all liens, charges, equitable interests, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions (if any), announced, declared, made or paid on or after the date of this Announcement.

3. Recommendation

The CryptoLogic Board, which has been so advised by Deloitte Corporate Finance, considers the terms of the Offer to be fair and reasonable. In providing advice to the CryptoLogic Board, Deloitte Corporate Finance has taken into account the commercial assessments of the CryptoLogic Board.

Accordingly, the CryptoLogic Board intends to unanimously recommend that CryptoLogic Shareholders accept the Offer, as those CryptoLogic Directors who hold an interest in CryptoLogic Shares have irrevocably undertaken to do (or procure to be done) as described in paragraph 7 below.

These irrevocable undertakings will remain binding in the event of a competing offer being made for CryptoLogic and will only cease to be binding in the event that the Offer Document is not published within 28 days of the Announcement or if the Offer lapses or is withdrawn.

Deloitte Corporate Finance has given and not withdrawn its consent to the publication of this Announcement with the inclusion of the recommendation and opinions provided by Deloitte Corporate Finance in the form and context in which they are included.

4. Background to and Reasons for the Offer

Amaya's strategy is to expand its capabilities, through organic investment and, where necessary, acquisition, to create a compelling solution for its customers.

Amaya is familiar with CryptoLogic's business and has monitored its progress over the past few years with interest. The Amaya Directors believe there is a strong strategic fit between Amaya and CryptoLogic and that CryptoLogic would be well placed to serve and expand its customer base as part of the Amaya Group. In particular, the Amaya Directors believe that:

- CryptoLogic's software and services offerings will provide an immediate complement to Amaya's gaming entertainment solutions platform;
- the acquisition will provide immediate access to CryptoLogic's high quality European client base; and
- there are potential meaningful cost synergies from combining two public company infrastructures into one, as well as leveraging best practices.

CryptoLogic's international capabilities, existing customer relationships, together with the breadth and scale of Amaya's business, provide a strong platform to maximize the potential of CryptoLogic's business. The Amaya Directors believe that being part of the Amaya Group will enable CryptoLogic to better capitalise on opportunities in the market, while the Offer allows CryptoLogic Shareholders to realise a large cash premium to the share price prior to the Possible Offer Announcement.

5. Background to and Reasons for Recommending the Offer

On 12 August 2010, CryptoLogic announced that David Gavagan, CryptoLogic's Chairman, was to assume the role of interim Chief Executive Officer and that a further restructuring plan was being implemented to lower significantly the cost base of CryptoLogic. Since that time, the Board has focused on stabilising CryptoLogic's operations through careful management of its cost base, delivering further efficiencies and improving revenue and operational performance.

On 25 March 2011, CryptoLogic announced that it had appointed Deloitte Corporate Finance as financial adviser to assist it with a strategic review of CryptoLogic, encompassing the full range of options from continuing as an independent entity through to the sale of part or all of the business. As part of this strategic review, summary information was provided to a number of parties that expressed an interest in acquiring CryptoLogic or parts thereof. On 15 December 2011, Amaya announced a possible Offer for CryptoLogic at a value of US\$2.50 per CryptoLogic Share which was subject to, amongst other things, completion of confirmatory due diligence, the unanimous recommendation by the CryptoLogic Board and confirmation by Amaya that it has sufficient funds to complete the Offer.

Amaya has now completed its due diligence, confirmed it has sufficient funds and agreed with the CryptoLogic Board the terms and conditions of the Offer to be made to CryptoLogic Shareholders at a revised price of US\$2.535 per CryptoLogic Share.

The CryptoLogic Board considers that, as a result of the actions undertaken since August 2010, CryptoLogic is well-positioned to deliver growth. However, the CryptoLogic Board also recognises that the current economic and gaming industry outlook remains uncertain and equity markets continue to exhibit considerable volatility. In addition,

Edgar Filing: CRYPTOLOGIC LTD - Form SC TO-C

following a lengthy strategic review process, assisted by Deloitte Corporate Finance, only four expressions of interest were received for CryptoLogic or parts thereof. It is against this background that the CryptoLogic Board has considered the Offer.

In forming a view on the terms of the Offer, the CryptoLogic Board has considered:

- the expressions of interest received through the strategic review process;

- the fact that the Offer provides CryptoLogic Shareholders with the opportunity to realise the whole of their investment in cash at a value, representing a premium of approximately 55 per cent. to the closing price of the CryptoLogic Shares on NASDAQ on 14 December 2011 being the last Business Day prior to the date of the Possible Offer Announcement, which they might not otherwise obtain in the short-to-medium term;

- the current economic outlook, including the volatility of the equity markets and the share price performance of the CryptoLogic Shares;

- the risks inherent in implementing and delivering CryptoLogic's strategy;

- the continued uncertainty in relation to the worldwide regulatory environment for companies such as CryptoLogic that operate in the gaming industry; and

- the competitive threat from larger participants in the gaming sector.

On the basis of the factors outlined above, and the advice of Deloitte Corporate Finance, the CryptoLogic Board considers the terms of the Offer to be fair and reasonable and intends to unanimously recommend that CryptoLogic Shareholders accept the Offer.

6. Directors, Management and Employees, Place of Business and Fixed Assets

The Amaya Board attaches great importance to the skills, experience and industry knowledge of the existing management and employees of CryptoLogic. The Amaya Board confirms that, upon the Offer becoming or being declared wholly unconditional, the existing contractual and statutory employment rights, including in relation to pensions, of all CryptoLogic employees will continue to be fully safeguarded.

The Amaya Board believes that synergies exist between Amaya and CryptoLogic which, once realised, should enable them to be more competitive through a combination of size, the combination of two public company infrastructures into one, and the opportunity to leverage best practices and economies of scale.

Following the Offer becoming wholly unconditional, Amaya will seek to integrate the respective businesses and derive any available cost synergies, where appropriate. This process of integration may (subject to any applicable consultation process) result in a reduction of aggregate headcount and locations when the businesses are combined. Amaya will seek to maintain an appropriately sized employee base in order to execute its growth plans whilst seeking to avoid unnecessary overlap with its existing activities. Amaya will execute the appropriate cost reduction and investment programmes, and may redeploy the fixed assets of CryptoLogic, in order to both grow and leverage synergies of the combined business.

7. Irrevocable Undertakings

Amaya has received irrevocable undertakings to accept the Offer from certain CryptoLogic Shareholders outside the United States, in respect of a total of 1,954,421 CryptoLogic Shares, representing, in aggregate, approximately 14.14 per cent. of the issued share capital of CryptoLogic at the date of this Announcement.

Further details of these irrevocable undertakings are set out in paragraphs (A) and (B) below.

(A) Directors' Irrevocable Undertakings

Each CryptoLogic Director who beneficially owns CryptoLogic Shares has irrevocably undertaken to accept (or procure acceptance of) the Offer in respect of his entire beneficial holdings, as set out below, representing, in aggregate, 11,000 CryptoLogic Shares and approximately 0.08 per cent. of the issued share capital of CryptoLogic at the date of this Announcement. The terms of these irrevocable undertakings will continue to be binding in the event that a higher competing offer is made for CryptoLogic and will only cease to be binding in the event that the Offer Document is not published within 28 days of the Announcement or if the Offer lapses or is withdrawn.

Director	Number of CryptoLogic Shares	Percentage of the issued share capital of CryptoLogic	Number of CryptoLogic Options
Thomas Byrne	8,000	0.06%	Nil
David Gavagan	3,000	0.02%	Nil

(B) Other Undertakings

Undertakings have been received from certain CryptoLogic Shareholders (other than CryptoLogic Directors) to accept (or procure the acceptance of) the Offer in respect of their beneficial holdings of CryptoLogic Shares, as set out below, representing, in aggregate, 1,943,421 CryptoLogic Shares and approximately 14.06 per cent. of the issued share capital of CryptoLogic at the date of this Announcement. The terms of these irrevocable undertakings will not continue to be binding in the event that certain higher competing offers are made for CryptoLogic. In the case of Jemekk Capital Management Inc. and Birkenshaw & Company Ltd., such competing offer must be at least 10 per cent. over the cash consideration under the Offer and must be unanimously recommended by the CryptoLogic Board. In the case of K2 & Associates Investment Management Inc. ("K2"), such competing offer must be, in the reasonable opinion of K2, an improvement on the value of the consideration under the Offer. In each case, Amaya will have an opportunity to match such competing offer, within 5 Business Days thereof, in which case the irrevocable undertaking will remain in force.

CryptoLogic Shareholder	Number of CryptoLogic Shares	Percentage of the issued share capital of CryptoLogic
Jemekk Capital Management Inc.	177,285	1.28
Birkenshaw & Company Ltd.	775,937	5.61
K2 & Associates Investment Management Inc.	990,199	7.16

In addition, K2 has undertaken (on the same terms as in respect of its beneficial holding of CryptoLogic Shares) to accept (or procure the acceptance of) the Offer in respect of its beneficial holding of CryptoLogic Shares which will be issued upon the exchange of its holding of 10,600 Exchangeable Shares, representing, in aggregate, approximately 0.08 per cent. of the issued share capital of CryptoLogic at the date of this Announcement.

8. Information on CryptoLogic

CryptoLogic was founded in 1995 and is a developer and supplier of internet gaming software. Through its subsidiary companies WagerLogic and Gaming Portals Limited, CryptoLogic provides software licensing for its Internet gaming software, e-cash systems, support, customer support and marketing support services and other services to third-party gaming operators and licensees.

CryptoLogic launched its first licensee, InterCasino, in 1996. Since that time, CryptoLogic has agreed deals with several other online casino and online poker rooms and as part of its commitment

to safe and responsible gambling, it prohibits its licensees from taking any wagers from U.S. residents and restricts registration and game play from residents of prohibited jurisdictions generally.

In January 2012, CryptoLogic acquired, for nominal consideration, the Maltese online gaming licenses for InterCasino from OIGE, a long-standing customer of the Company's fully hosted online casino platform.

CryptoLogic listed on the Toronto Stock Exchange (CRY) in 1998 and on NASDAQ (CRYP) in 2000. In 2003, CryptoLogic Shares began trading on the London Stock Exchange (CRP).

In its audited results for the year ended 31 December 2010, CryptoLogic reported revenues of US\$26.0 million (FY2009: US\$39.8 million) and loss before minority interest of US\$21.9 million (FY2009: loss US\$38.5 million). As at 31 December 2010, CryptoLogic's net assets were US\$16.8 million (FY2009: US\$36.8 million).

9. Information on Amaya

Amaya is a publicly traded company incorporated in Quebec under the Business Corporations Act (Quebec) with number 1162017413 and its common shares are listed on the TSX Venture Exchange (AYA).

Amaya holds 971,629 CryptoLogic Shares which equates to approximately 7 per cent. of the issued share capital of CryptoLogic as at the date of this Announcement.

10. Financing Arrangements for the Offer

The cash consideration payable by Amaya under the terms of the Offer will be funded through a combination of equity and debt financing.

Further to the Possible Offer Announcement, and as announced separately on 15 December 2011 and 10 January 2012, Amaya has secured access to equity financing for the Offer, through a private placement of special warrants in the amount of C\$28,750,000, consisting of a bought deal offering of C\$25,000,000 which closed on 18 January 2012 and the proceeds of which are being held in escrow subject to the satisfaction or waiver of all conditions to the Offer prior to 5.00 p.m. Toronto time on 30 April 2012 or, with the consent of Canaccord Genuity, 30 May 2012. The underwriters of the bought deal offering were also granted an over-allotment option of C\$3,750,000 which Canaccord Genuity, on behalf of the underwriters, exercised on 31 January 2012 to acquire additional special warrants, the proceeds of which are also being held in escrow subject to the satisfaction or waiver of all conditions to the Offer prior to 5.00 p.m. Toronto time on 30 April 2012 or, with the consent of Canaccord Genuity, 30 May 2012.

Amaya has secured bridge financing from Diocles Capital Inc. ("Diocles") in the amount of up to C\$5,500,000, which bridge financing will be secured by a moveable hypothec over the assets of Amaya and bear interest at an annual rate of 12 per cent. from the time of its drawdown to its repayment date, expected within 30 days of its drawdown. Amaya's available cash, the proceeds of the special warrants offering described above and the secured bridge financing from Diocles, provide sufficient funding for the Offer.

Full acceptance of the Offer would result in consideration of US\$33,354,065 being payable to the CryptoLogic Shareholders (excluding Amaya) and CryptoLogic Option Holders.

11. Cash Confirmation

Canaccord Genuity, financial adviser to Amaya, is satisfied that sufficient resources are available to Amaya to enable it to satisfy in full the cash consideration payable under the terms of the Offer.

12. CryptoLogic Stock Option Scheme

The Offer will be made only for CryptoLogic Shares (excluding the Amaya Shares) and is not made for any options granted under the CryptoLogic Stock Option Scheme.

The Offer will extend to all CryptoLogic Shares unconditionally issued on the date of the Offer, together with any and all CryptoLogic Shares which are unconditionally issued pursuant to the exercise of CryptoLogic Options which are granted at or prior to the Record Date.

In accordance with Rule 15 of the Code, appropriate proposals will be made to CryptoLogic Option Holders in due course. Details of these proposals will be set out in the Offer Document.

13. Exchangeable Shares

The Offer will be made only for CryptoLogic Shares (excluding the Amaya Shares) and is not made for any Exchangeable Shares

The Offer will extend to all CryptoLogic Shares unconditionally issued on the date of the Offer, together with any and all CryptoLogic Shares which are unconditionally issued pursuant to the exchange of Exchangeable Shares at or prior to the Record Date.

Amaya, CryptoLogic and CEC intend to make arrangements with Equity Financial Trust Company, the Canadian transfer agent of CryptoLogic and CEC, such that Exchangeable Shareholders wishing to participate in the Offer may provide: (i) a notice of conditional exchange (retraction) to CEC in respect of their Exchangeable Shares; and (ii) anticipatory instructions to tender, to the Offer, any CryptoLogic Shares issued upon such conditional exchange (retraction) of Exchangeable Shares. The conditional exchange (retraction) of Exchangeable Shares will be effective only upon the Offer becoming wholly unconditional. In the event that the Offer does not become wholly unconditional, any notice of conditional exchange (retraction) will be deemed null and void and Exchangeable Shares will be returned to the holder thereof. Notwithstanding the foregoing, Exchangeable Shareholders remain free to unconditionally exchange their Exchangeable Shares for CryptoLogic Shares at any time and tender such CryptoLogic Shares to the Offer.

Where the Offer is declared wholly unconditional and, subject to applicable law and regulation, Amaya anticipates that the CEC Board would require the mandatory exchange (redemption) of all outstanding Exchangeable Shares for CryptoLogic Shares pursuant to the provisions attaching to the Exchangeable Shares, which resulting CryptoLogic Shares could also be tendered to the Offer.

14. Disclosure of Interests in CryptoLogic Shares

Save for a total of 971,629 CryptoLogic Shares held by Amaya which represents approximately 7 per cent. of the issued share capital of CryptoLogic as at the date of this Announcement, and save for the irrevocable undertakings referred to in paragraph 7 above, neither Amaya, nor (so far as Amaya is aware) any person acting, or deemed to be acting, in concert with Amaya for the purposes of the Offer has:

- (i) an interest in, or a right to subscribe for, CryptoLogic Shares or in any securities convertible or exchangeable into CryptoLogic Shares ("Relevant CryptoLogic Securities");
- (ii) any short position in Relevant CryptoLogic Securities (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery; or
- (iii) borrowed or lent any Relevant CryptoLogic Securities (except for any borrowed Shares which have been either on-lent or sold) or has any arrangement in relation to Relevant CryptoLogic Securities; or
- (iv) procured an irrevocable commitment or letter of intent to accept or vote in favour of the Offer in respect of the Relevant CryptoLogic Securities.

For these purposes, "arrangement" includes indemnity or option arrangements and any agreement or understanding, formal or informal, of whatever nature, relating to Relevant CryptoLogic Securities which may be an inducement to deal or refrain from dealing in such securities.

15. Offer-Related Arrangements

The following contract is disclosed as an Offer-related arrangement for the purposes of Rule 21.2 of the Code:

- (i) pursuant to a non-disclosure agreement of 6 July 2011, Amaya has undertaken to keep confidential certain information provided by CryptoLogic to it and its advisers for the purposes of its evaluation and consideration of the proposed Offer and agreed certain restrictions in relation to solicitation of certain of CryptoLogic's key employees for a period of 12 months from the date of the agreement.

16. Cancellation of Listings and Trading

Following the Offer becoming or being declared wholly unconditional and subject to any applicable requirements of the Listing Rules, the rules of the TSX and the rules of NASDAQ and the SEC, Amaya intends to procure that CryptoLogic applies to each of: (i) the UK Listing Authority to cancel the listing of the CryptoLogic Shares on the Official List; (ii) the London Stock Exchange to cancel trading of the CryptoLogic Shares on the Main Market; (iii) the TSX to delist the CryptoLogic Shares from the TSX; and (iv) the SEC for the delisting of the CryptoLogic Shares from NASDAQ. Subject to satisfaction of the applicable requirements of the Listing Rules, the rules of the TSX and the rules of NASDAQ and the SEC, Amaya will notify CryptoLogic Shareholders of the anticipated date of such cancellations in due course. In addition, if the number of CryptoLogic Shareholders falls below 300 holders of record

on a worldwide basis or below 300 beneficial holders in the United States, Amaya intends to procure that CryptoLogic files a Form 15F with the SEC to request that its reporting obligations under the Exchange Act are terminated.

Such cancellations will significantly reduce the liquidity and marketability of any CryptoLogic Shares which have not been acquired by Amaya under the Offer and their value may be affected as a consequence. Any remaining CryptoLogic Shareholders would become minority shareholders of a majority controlled unlisted company and may be unable to sell their CryptoLogic Shares and there can be no certainty that any dividends or other distributions would be made by CryptoLogic or that

CryptoLogic Shareholders would again be offered an opportunity of selling their shares on terms which are equivalent to or no less advantageous than those available under the Offer.

17. Squeeze Out

Subject to receiving acceptances or otherwise acquiring or contracting to acquire 90 per cent. or more in value of all the CryptoLogic Shares to which the Offer relates and of the voting rights of those CryptoLogic Shares, Amaya intends to exercise its rights under the Companies Law (Guernsey) and/or CryptoLogic's Memorandum and Articles to compulsorily acquire any remaining CryptoLogic Shares on the same terms as the Offer.

18. Structure of the Offer and Anticipated Timetable

The Offer is an offer for cash on the basis described in paragraph 2 above.

The Offer is proposed to be implemented by way of takeover offer in accordance with the Code.

Amaya will dispatch the Offer Document, the Form of Acceptance and any other documents required by applicable law to CryptoLogic Shareholders, and, for information only, to Exchangeable Shareholders and CryptoLogic Option Holders as soon as practicable and, in any event, within 28 days of the date of this Announcement. In addition, Exchangeable Shareholders will receive additional information regarding the provision of notices of conditional exchange (retraction) and anticipatory instructions to tender.

19. Documents on Display

Copies of the following documents will be made available on Amaya's website at www.amayagaming.com/cryptologic and on CryptoLogic's website at <http://offer.cryptologic.com>, by no later than 12.00 noon London time (7.00 a.m. Toronto time) on 3 February 2012 until the end of the Offer Period:

- this Announcement;
- the irrevocable undertakings referred to in paragraph 7 above;
- documents relating to the financing of the Offer referred to in paragraph 10 above; and
- the offer-related arrangements referred to in paragraph 15 above.

20. General

There are no agreements or arrangements to which Amaya is a party which relate to the circumstances in which it may or may not invoke or seek to invoke a condition to the Offer.

Neither Amaya nor any person acting in concert with Amaya has any arrangement of the kind referred to in Note 6 of Rule 8 of the Code.

Your attention is drawn to the further information contained in the Appendices which form part of this Announcement.

The conditions to the Offer and a summary of further terms in relation to the Offer set out in Appendix I to this Announcement form part of, and should be read in conjunction with, this Announcement.

Appendix II contains the sources and bases of certain information used in this summary and the following Announcement.

Appendix III to this Announcement contains definitions of certain terms used in this Announcement.

The Offer will be subject to the applicable requirements of the Code, the laws of Guernsey, Canadian securities laws, United States securities laws and the Listing Rules.

In accordance with Canadian securities laws the Offer will remain open for at least 35 days from the date of the Offer Document.

Each US shareholder of CryptoLogic Shares is urged to consult with his independent professional adviser regarding any acceptance of the Offer.

No offer to acquire securities or to exchange securities for other securities has been made, or will be made, directly or indirectly, in or into, or by use of the mails, any means or instrumentality of interstate or foreign commerce or any facilities of a national securities exchange of any country in which such offer may not be made other than (i) in accordance with the securities laws of such country, or (ii) pursuant to an available exemption from such requirements.

PART B: CERTAIN FURTHER TERMS OF THE OFFER

Each of Conditions 1 to 7 (inclusive) shall be regarded as a separate condition and shall not be limited by reference to any other condition. To the extent permitted by, and subject to, applicable law, regulation or the requirements of the Panel, Amaya reserves the right to waive, in whole or in part, all or any of Conditions 1 to 7 (inclusive) above. Except with the consent of the Panel the Offer will lapse unless Conditions 1 to 7 (inclusive) of the Offer set out above are fulfilled or, if capable of waiver, waived or, where appropriate, have been determined by Amaya in its opinion to be or to remain satisfied by midnight on the date which is 21 days after the later of the first closing date of the Offer and the date on which Condition 1 is satisfied (or such later date as Amaya may, with the consent of the Panel, decide). Amaya shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or to treat as fulfilled or satisfied any of the Conditions 1 to 7 (inclusive) by any date earlier than the latest date specified above for fulfilment or satisfaction of that condition notwithstanding that the other conditions of the Offer may at such earlier date have been waived or fulfilled or satisfied and that there are at such earlier date no earlier circumstances indicating that any such conditions may not be capable of fulfilment or satisfaction.

The conditions are for the benefit of Amaya and no CryptoLogic Shareholder shall be entitled to waive any of the conditions without the prior written consent of Amaya.

If Amaya is required by the Panel to make an offer for CryptoLogic Shares not already owned by it under the provisions of Rule 9 of the Code, Amaya may make such alterations to the conditions as are necessary to comply with the provisions of that Rule.

The Offer will lapse (unless otherwise agreed by the Panel) if it, or any matter arising from or relating to it, is referred to the Competition Commission in the United Kingdom before 3.00 p.m on the first closing date of the Offer or on the date on which the Offer becomes or is declared unconditional as to acceptances, whichever is the later.

If the Offer lapses, it will cease to be capable of further acceptance and persons accepting the Offer and Amaya shall thereupon cease to be bound by acceptances delivered on or before the date on which the Offer so lapses.

Under Rule 13.5 of the Code, except in relation to any condition as to acceptances as set out in Condition 1 above, an offeror should not, without the Panel's consent, invoke any condition or pre-

condition of an offer so as to cause the offer not to proceed or to lapse, or be withdrawn, unless the circumstances which give rise to the right to invoke the condition or pre-condition are of material significance to the offeror in the context of that offer.

CryptoLogic Shares acquired under the Offer will be acquired on the basis that: (i) the disposing party has the right to dispose thereof; (ii) the disposing party will do all it reasonably can to give the title it purports to give; (iii) they are whole; (iv) they are fully paid; and (v) they are free from all liens, charges, equitable interests, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions (if any), announced, declared, made or paid on or after the date of this Announcement. Accordingly, insofar as a dividend and/or a distribution and/or a return of capital is proposed, declared, made, paid or payable by CryptoLogic in respect of a CryptoLogic Share on or after the date of this Announcement, the price payable under the Offer in respect of a CryptoLogic Share will be reduced by the amount of the dividend and/or distribution and/or return of capital except insofar as the CryptoLogic Share is or will be transferred pursuant to the Offer on a basis which entitles Amaya alone to receive the dividend and/or distribution and/or return of capital and to retain it. To the extent that a reduction in the price payable pursuant to the Offer in respect of a CryptoLogic Share is to apply in respect of a dividend and/or distribution and/or return of capital but that reduction in price has not been effected, the person to whom the Offer Price is paid in respect of that CryptoLogic Share will be obliged to account to Amaya for the amount of such dividend or distribution or return of capital.

The availability of the Offer to persons not resident in the United Kingdom, Guernsey, Canada or the United States may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom, Guernsey, Canada or the United States should inform themselves about and observe any applicable requirements. The Offer will not be made, directly or indirectly, in or into, any Restricted Jurisdiction.

The Offer will be subject to the applicable requirements of the laws of Guernsey, the Code, Canadian securities laws, United States securities laws and the Listing Rules. The Offer and any acceptances under the Offer and any dispute or claim arising out of or in connection with them or their subject matter, whether of a contractual or non-contractual nature, shall be governed by and construed in accordance with the law of Guernsey and subject to the jurisdiction of the courts of Guernsey.

Amaya reserves the right, with the consent of the Panel (where necessary), to elect to implement the Offer by way of a scheme of arrangement as an alternative to the takeover offer. Any such scheme of arrangement will be implemented on substantially the same terms, so far as applicable, as those which apply to the takeover offer, subject to appropriate amendments to reflect the change in method of effecting the Offer.
