Dear fellow stockholders,

Fiscal 2011 was a year of meaningful accomplishments for us, but it was not without its challenges. To address the impact of the global recession on our U.S. business, we implemented a number of steps to position both Royal Wolf Holdings Ltd. and Pac-Van, Inc. for long-term growth and operating efficiency. We managed our businesses very carefully in 2011, and the investments made in people, training and best practices delivered positive results. Royal Wolf's outstanding performance for the fiscal year was due to its unmatched market leadership and a thriving Australian economy. Pac-Van's results declined compared to the prior year, but we are now experiencing stabilizing customer demand which is expected to continue through next year. As a whole, we reported increases in revenue and adjusted EBITDA of 17 percent and 21 percent, respectively for fiscal 2011, and entered fiscal 2012 with dramatically improved operating flexibility and a solid foundation for increased profitability and future growth.

Royal Wolf's Expansion Profile

Following the past five years of aggressive business development – lease fleet expansion of 13% per year, the integration of 12 strategic acquisitions and the introduction of 11 new product lines – Royal Wolf is the clear market leader in Australia's portable container sector. Its market share in Australia and New Zealand today is approximately 40 percent in the portable storage leasing market, over 20 percent in the freight container leasing industry and approximately 30 percent in the portable storage sales market.

Our experienced and committed management team at Royal Wolf has delivered impressive results over the past five years, with EBITDA compounded annual growth of 33.5 percent and margin expansion to 23.6 percent. For fiscal 2011, revenue increased 27 percent to \$126.4 million and adjusted EBITDA grew 40 percent to \$29.9 million. Average fleet utilization has improved consistently to a healthy 85 percent for fiscal 2011.

In May 2011, Royal Wolf completed an Australian IPO managed by Credit Suisse, raising over \$92 million in net proceeds, providing capital at the holding company and at Pac-Van, and reducing total company debt by over \$64 million. Royal Wolf now has the capital structure to pursue selected acquisitions that will further expand its fleet, branch network and innovative product offerings. In fiscal 2012, we are focusing on generating a greater portion of our revenues from leasing versus product sales and continuing to grow our market share through increased national sales and marketing efforts.

Pac-Van's Strategic Initiatives

To address reduced customer demand, our management team at Pac-Van successfully reduced operating costs by over \$3 million annually while still investing in sales and service training to drive future growth. Meanwhile, the business development team has taken proactive and timely steps to capitalize on the gradual recovery in portable services expected through 2012, particularly in non-construction sectors.

Our strategy for sustainable growth at Pac-Van is focused on three primary objectives: 1) leverage the attractive returns of Pac-Van's portable storage and office container asset class by making incremental investments in these fleets; 2) pursue accretive tuck-in acquisitions that will expand Pac-Van's customer and asset base while diversifying the business away from the construction sector; and 3) focus on penetrating new and existing sectors and markets that are experiencing strong demand. This strategy and recent stabilization in Pac-Van's markets will position us for

improved future performance as economic and industry conditions improve.

Capital Investment Strategy

Drawing on our successful track record of implementing operational changes and cost controls combined with acquisitions, we are implementing a capital investment strategy that focuses on building the lease fleets of our subsidiaries and pursuing accretive acquisitions of portable storage container businesses. We recently expanded our business development team and will put our collective sector acumen and merger and acquisition transaction experience to work to build our presence in our existing regions and fund future growth. Exciting opportunities exist in each of our markets – Australia, New Zealand and the United States – that complement both our core expertise and attractive asset base.

Positioned for Growth and Increased Profitability

Both of our operating units are positioned for increased profitability in 2012 through a strategic focus on selective fleet expansion and increasing penetration in the healthiest end markets. At the holding company level, we will continue to focus on disciplined growth, operational guidance, effective capital allocation and capital markets support for these companies as we pursue our capital investment initiatives. We are excited about our prospects for improved performance in the coming year and appreciate the continuing enthusiasm and support of our shareholders.

We cordially invite you to attend the 2011 Annual Meeting of Stockholders. INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why did you send me this Proxy Statement and proxy card?

We sent you this Proxy Statement and the enclosed proxy card because you own shares of common stock of General Finance Corporation, which we refer to herein as "we" or the "Company." This Proxy Statement, which is furnished by the Board of Directors of the Company, provides you with information that will help you cast your vote at the Annual Meeting. You do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign, date and return the enclosed proxy card.

When you complete, sign, date and return the proxy card, you appoint the proxy holders named therein (your proxies), as your representatives at the Annual Meeting. The proxy holders will vote your shares at the Annual Meeting as you have instructed them on your proxy card(s). If an issue that is not on the proxy card comes up for vote at the Annual Meeting, the proxy holders will vote your shares, under your proxy, in accordance with their best judgment.

We began sending this Proxy Statement, the attached Notice of Annual Meeting and the enclosed proxy card on or about October 24, 2011 to all stockholders entitled to vote. Stockholders who owned Common Stock on October 10, 2011 (the record date) are entitled to vote. On the record date, there were 22,013,299 shares of Common Stock outstanding. The Common Stock is our only class of voting stock outstanding.

We have enclosed our Annual Report to Stockholders, which includes our Form 10-K for the fiscal year ended June 30, 2011 as filed with the SEC.

What am I voting on?

We ask you to vote on the election of three Class B directors and the ratification of the selection of Crowe Horwath LLP as our independent auditors for the fiscal year ending June 30, 2012. The sections entitled "Election of Directors" and "Ratification of Selection of Independent Auditors" give you more information on these proposals.

At the time this Proxy Statement was printed, we knew of no other matters to be acted on by the stockholders at the Annual Meeting.

Could other matters be decided at the Annual Meeting?

On the date this Proxy Statement was printed, we did not know of any other matters to be raised at the Annual Meeting other than those mentioned in this Proxy Statement.

How many votes do I have, and who will count the votes?

You have one vote for each share of our Common Stock you own. Our Executive Vice President and Chief Financial Officer and our Secretary will act as inspectors of the election and will tabulate the votes.

How are abstentions and broker non-votes treated?

Abstentions and broker non-votes will be included in the number of shares present at the Annual Meeting for purposes of determining the presence of a quorum. Abstentions and broker non-votes will not be counted either as a vote cast for or against in the election of directors or the ratification of selection of independent auditors.

How can I vote?

You may vote by Internet

You can vote via the Internet by following the instructions in your enclosed proxy card, notice and/or voting instructions form.

You may vote by telephone

You can vote by telephone by following the instructions in your enclosed proxy card, notice and/or voting instruction form.

You may vote by mail

You can vote by mail by completing, signing and dating the enclosed proxy card and returning it promptly in the envelope provided. If you mark your voting instructions on the proxy card, your shares will be voted as you instruct. If you return a signed proxy card but do not provide voting instructions, your shares will be voted FOR the election of the nominees for directors and FOR the ratification of the selection of independent auditors identified in this Proxy Statement.

You may vote in person at the Annual Meeting

You may attend the Annual Meeting and vote in person. If you hold your shares as a beneficial owner (“in street name”), you must request a legal proxy from your stockbroker in order to vote at the Annual Meeting. Otherwise, we cannot count your votes.

Please see the notice or voting instruction form your bank, broker or other holder of record provided you for more information on these options.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares of common stock are registered in your name with Continental Stock Transfer & Trust Company, you are a “stockholder of record” of those shares. This Notice of Annual Meeting of Stockholders and Proxy Statement and accompanying documents were sent to you by Continental Stock Transfer & Trust Company.

If your shares of common stock are held in a brokerage account or by a bank or other holder of record, you are considered a “beneficial owner” of those shares, and this Notice of Annual Meeting of Stockholders and Proxy Statement and accompanying documents were sent to you by your broker, bank or other holder of record. As the beneficial owner you have the right to direct your broker, bank or other holder of record how to vote your shares by using the voting instruction card or by following their instructions for voting by telephone or via the Internet.

May I revoke my proxy?

Yes, you can change or revoke your proxy by Internet, telephone or mail, by notifying our Secretary in writing at our corporate headquarters before the Annual Meeting that you have revoked your proxy or by attending the Annual Meeting and voting in person.

How will shares I hold in street name be voted?

If your shares are held in street name, your brokerage firm, under certain circumstances, may not vote your shares without specific voting instructions under rules of The NASDAQ Stock Market, Inc. ("NASDAQ"). If you do not vote your proxy, your brokerage firm will leave your shares unvoted. This is called a "broker non-vote."

We encourage you to provide instructions to your brokerage firm by voting your proxy. This ensures your shares will be voted at the Annual Meeting.

What does it mean if I receive more than one proxy card?

If you have more than one account at the transfer agent and/or with stockbrokers, you will receive separate proxy cards for each account. Please sign and return all proxy cards to ensure that all your shares are voted.

How many votes may be cast at the Annual Meeting?

Based on the number of shares of Common Stock outstanding on the record date, up to 22,013,299 votes may be cast on any matter.

How many shares do you need to hold the Annual Meeting (what are the quorum requirements)?

Shares representing a majority of our outstanding votes on the record date of October 10, 2011 must be present at the Annual Meeting in order to hold the Annual Meeting and conduct business. This is called a quorum. Accordingly, a quorum will be 11,006,650 shares.

Shares are counted as present at the Annual Meeting if the stockholder either:

- is present at the Annual Meeting; or
- has properly submitted a proxy card.

Who nominates individuals for election to the Board of Directors?

Nominations for the election of individuals to the Board of Directors may be made by the Board of Directors or by any holder of our voting stock.

How many votes must the director nominees have to be elected?

The three nominees receiving the highest number of “FOR” votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors will be elected as directors. This number is called a plurality. If you do not vote for a particular nominee, or you withhold authority to vote for a particular nominee on your proxy card, your vote will not count either “for” or “against” the nominee.

How many votes are required to ratify the selection of auditors?

The selection of Crowe Horwath LLP will be ratified if a majority of the votes cast on the selection are in favor of ratification.

Is there a list of stockholders entitled to vote at the Annual Meeting?

A list of stockholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting by contacting the Company Secretary for any purpose appropriate to the Annual Meeting at our offices located at 39 East Union Street, Pasadena, California between the hours of 9:00 a.m. and 5:00 p.m.

Who pays the costs of soliciting these proxies?

The Company pays for distributing and soliciting proxies and reimburse the reasonable fees and expenses of brokers, nominees, fiduciaries and other custodians in forwarding proxy materials to stockholders. The directors, officers and regular employees of the Company may solicit proxies in person, through mail, telephone or other means. We do not pay those individuals additional compensation for soliciting proxies.

When will the voting results be announced?

We will announce the preliminary voting results at the Annual Meeting. We will report final voting results from the Annual Meeting in a Current Report on Form 8-K filed with the SEC within four business days of the Annual Meeting.

General Oversight

The business of the Company is managed under the direction of the Company's Board of Directors. The Board of Directors' general oversight responsibility is conferred by the Delaware General Corporation Law, the Company's Amended and Restated Certificate of Incorporation and the Company's Bylaws. The leadership structure of the Board of Directors and its committees assist the Board of Directors in exercising its fiduciary duties as it oversees the Company's business affairs, Chief Executive Officer performance and succession, internal controls over financial reporting and the Company's long-term strategy.

Leadership Structure

The Company does not have a formal policy concerning whether the same individual may serve as the Chief Executive Officer and the Chairman of the Board. The Company currently has one individual serving as the Chief Executive Officer and another individual serving as the Chairman of the Board.

Risk Oversight

The identification, evaluation and mitigation of risks arising in connection with the Company's businesses are the responsibility of the Company's senior management. The Board of Directors' responsibility is to understand the risks related to the Company's businesses and to oversee senior management's mitigation of those risks.

The Board of Directors and the Audit Committee receive regular reports from senior management concerning the risks related to the Company's businesses.

The Audit Committee and the Nominating and Governance Committee have certain risk management oversight responsibilities and regularly report to the Board concerning risk management. These reports include the risks considered by each committee and the direction given to management to mitigate these risks. The Audit Committee oversees compliance by the Company with legal requirements and regularly receives reports concerning the Company's significant internal controls and the steps taken by management to maintain a strong internal controls environment. In addition, representatives of the Company's independent auditors attend Audit Committee meetings, deliver presentations to the Audit Committee and meet with the Audit Committee in private session. The Company's Chief Financial Officer and General Counsel also meet in private session with the Audit Committee. The Nominating and Governance Committee develops corporate governance principles and oversees management's evaluation and mitigation of risk relating to the Company's Code of Ethics and business practices.

Corporate Governance

Our corporate governance framework specifies the duties, responsibilities and rights of our stockholders, Board of Directors and management. Our corporate governance principles are found in the Company's charter documents, the Company's Corporate Governance Guidelines, Company's Code of Ethics, committee charters and other policies approved by the Board of Directors.

The Corporate Governance Guidelines were adopted by the Board of Directors in December 2009. The Corporate Governance Guidelines are reviewed at least annually to guide our corporate governance in response to changing regulatory requirements and as circumstances warrant.

Our Corporate Governance Guidelines, Code of Ethics and committee charters are available for review on our website <http://www.generalfinance.com/corporate.html> or may be requested without charge by written request to our Secretary, General Finance Corporation, 39 East Union Street, Pasadena, California 91103. The information on our website is not part of this Proxy Statement.

Director Independence

NASDAQ requires that a majority of the members of the Board of Directors be "independent directors," which is defined generally as a person other than an officer or employee of the Company or its subsidiaries or any other individual having a relationship, which, in the opinion of the Company's Board of Directors, would interfere with the

director's exercise of independent judgment in carrying out the responsibilities of a director. All members of the Board's Audit, Compensation and Nominating and Governance Committees are independent within the meaning of The NASDAQ Stock Market Rules and Rule 10A-3(b)(i) under the Securities Exchange Act of 1934, as amended.

In making these determinations, the Board of Directors was presented with a report from the Company's General Counsel and discussed information provided by the directors and the Company with regard to each director's business and personal activities as they relate to the Company. Each director and executive officer is required to complete a director and officer questionnaire each year which requires disclosure of transactions with the Company in which the director or officer, or any members of his or her family, have a direct or indirect material interest.

The Board of Directors has determined that Ms. Harris and Messrs. Connell, Glascott and Roszak are independent under The NASDAQ Stock Market rules and listing standards and have no relationship with the Company except as a director and stockholder. The Board determined that Mr. Valenta is not independent because he is the President and Chief Executive Officer of the Company. The Board determined that Mr. Marrero is not independent because he serves as the Chief Executive Officer of General Finance Group, Inc., a specialty finance company controlled by Mr. Valenta.

Executive Sessions of Independent Directors

The Company's corporate governance guidelines require independent directors to meet, without management, at regularly scheduled executive sessions which generally may take place after regularly scheduled meetings of the entire board of directors. The Chairman of the Board or any two independent directors may call a special executive session of the independent directors at any time. Such special executive sessions may take place after a regular or special meeting of the entire board of directors or at such other time deemed appropriate.

Lead Independent Director

The Company does not have a lead independent director.

Board and Committee Meetings

The Board of Directors held eight meetings during the fiscal year ended June 30, 2011, or fiscal year 2011. Six of the eight meetings were regular meetings, and the remaining two meetings were special meetings. The Board of Directors holds meetings each fiscal year according to a pre-arranged schedule, but the Board of Directors also holds special meetings and acts by written consent from time to time as needed.

Each director attended more than 75% of all meetings of the Board of Directors and board committees on which he or she served during the period he or she was a director in fiscal year 2011.

Board Committees

The Board of Directors has an Audit Committee, a Compensation Committee and a Nominating and Governance Committee. Each committee regularly delivers reports to the full Board of Directors concerning its meetings and actions. In fiscal year 2011 the independent directors met in executive session six times, and the Audit Committee met in executive session during each of its four regularly scheduled meetings.

Audit Committee. The Audit Committee consists of Mr. Roszak, as Chairman, Mr. Connell and Mr. Glascott. The Board of Directors has determined that each member of the Audit Committee qualifies as "independent" within the meaning of The NASDAQ Stock Market Rules and Section 10A of the Securities Exchange Act of 1934, as amended. Our Board has determined Mr. Roszak, Mr. Connell and Mr. Glascott each qualify as an "audit committee financial expert," as defined in the rules and regulations of the SEC. In addition, we have certified to NASDAQ that the committee has, and will continue to have, at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual's financial sophistication.

The functions of the Audit Committee and its activities during fiscal year 2011 are described below under the heading "Report of the Audit Committee."

The Board of Directors has adopted a written charter for the Audit Committee, and the Audit Committee within the past year has reviewed and assessed the adequacy of the charter, which was amended in February 2010. A copy of the Audit Committee Charter is available free of charge on the "Corporate Governance" section in our website at www.generalfinance.com or by written request addressed to our Secretary.

The Audit Committee met four times in fiscal year 2011.

Compensation Committee. The Compensation Committee consists of Mr. Connell, as Chairman, Ms. Harris and Mr. Roszak, each of whom is an independent director under NASDAQ rules and listing standards.

The purposes of the Compensation Committee are: (i) to determine and approve the goals, objectives and compensation structure for our executive officers; (ii) to review the performance of our executive officers; and (iii) to review the Company's management resources, succession planning and development activities.

The Board of Directors established the Compensation Committee in May 2006. The Compensation Committee adopted its charter in February 2007 and amended its charter most recently in June 2011. The June 2011 amendments to the charter provided that each member of the Compensation Committee must be independent within the meaning of The NASDAQ Stock Market Rules and Rule 10A-3(b)(i) under the Securities Exchange Act of 1934, as amended, and that prior to selection of an executive compensation advisor, the Compensation Committee must evaluate the independence of the executive compensation advisor by considering the factors identified by the SEC necessary to determine whether the executive compensation advisor is independent. A copy of the Compensation Committee Charter is available free of charge on the “Corporate Governance” section in our website at www.generalfinance.com or by written request addressed to our Secretary.

The Compensation Committee met eight times in fiscal year 2011.

Nominating and Governance Committee. The Nominating and Governance Committee consists of Ms. Harris, as Chairwoman, Mr. Connell and Mr. Roszak.

The Nominating and Governance Committee is responsible for certain matters which include reviewing the size and composition of the Board of Directors, overseeing the selection of persons to be nominated to serve on our Board of Directors and maintaining, overseeing the corporate governance of the Company and assuring that the Board of Directors conducts an annual self-evaluation.

The Board of Directors adopted a written charter for the Nominating and Governance Committee in January 2006 and amended its charter in September 2009. A copy of the Nominating and Governance Committee Charter is available free of charge on the “Corporate Governance” section in our website at www.generalfinance.com or by written request addressed to our Secretary.

The Nominating and Governance Committee met two times in fiscal year 2011.

Composition of the Board of Directors and Review of Director Nominees

The Nominating and Governance Committee periodically assesses the size and composition of the Board of Directors. The Nominating and Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board of Directors. The committee is responsible for identifying and assessing potential director candidates and recommending qualified candidates to the Board of Directors. When considering candidates for director, the Nominating and Governance Committee takes into account a number of factors, including the following:

- Ethics and integrity;
- Ability to attend regular and special board and committee meetings and willingness to perform the duties of a director;
- Excellent moral character and reputation;
- Industry knowledge, contacts and network of potential clients in industries served by the Company;
- Ability to be responsible and fair-minded;
- Prior experience on boards of directors;

- Senior-level management experience;
- Whether the candidate has a background that would provide diversity to the Board
- Possession of specific skills in auditing, accounting, personnel and finance.

Candidates need not possess all of these characteristics, nor are all of these factors weighed equally.

The Nominating and Governance Committee periodically determines whether any vacancies on the Board of Directors are expected. If vacancies are anticipated or arise, or the size of the Board of Directors expands, the Nominating and Governance Committee will consider various potential candidates for director. Candidates may come to the attention of the Board of Directors through current Board of Directors members or management, stockholders or other persons. These candidates will be evaluated at regular or special meetings of the Nominating and Governance Committee and may be considered at any point during the year.

The Nominating Committee will consider candidates for directors recommended by stockholders who follow the proper procedures in submitting the recommendation. The Board of Directors will consider candidates recommended by stockholders using the same criteria it applies to candidates recommended by directors. To be considered for election at an annual meeting, the recommendation must be submitted no later than October 25, 2011. The recommendation must be in writing addressed to the Secretary and must include the following: (i) statement that the writer is a stockholder and is proposing a candidate for consideration by the Nominating Committee; (ii) name and contact information for the candidate; (iii) statement of the candidate's business and educational experience; (iv) information regarding each of the factors listed above (other than the factor regarding board size and composition) sufficient to enable the Nominating Committee to evaluate the candidate; (v) statement detailing any relationship between the candidate and any competitor of the Company; (vi) detailed information about any relationship or understanding between the writer and the candidate; and (vii) statement that the candidate is willing to be considered and is willing to serve as a director if nominated and elected.

Compensation Committee Interlocks and Insider Participation

No person who served on the Compensation Committee in fiscal year 2011 was, during the year or previously, an officer or employee of the Company or had a relationship with the Company requiring disclosure under Item 404 of Regulation S-K. Since March 2009 Mr. Marrero has served as the Chief Executive Officer of the specialty finance companies of General Finance Group, Inc., a company controlled by Ronald Valenta. Mr. Valenta has the power to set Mr. Marrero's incentive compensation. No other interlocking relationship exists between any member of the Board of Directors and any member of any other company's board of directors or compensation committee.

Review and Approval of Transactions with Related Persons

The Company has not adopted a formal written policy regarding transactions with related persons. The Company's Code of Ethics for Directors, Officers and Employees ("Code of Ethics") requires the disclosure of all potential conflicts of interest. Delaware law in turn requires that each director or officer disclose to the Board of Directors all material facts relating to such director's or officer's relationship or interest in a proposed contract or transaction and that a majority of the Board of Directors, with any interested director abstaining, approve the contract or transaction in good faith.

The Company's Board of Directors is responsible for reviewing any proposed transaction with related persons. The Board of Directors considers all relevant information in deciding whether to approve or reject a transaction with a related person.

Information relating to transactions between the Company and related persons is set forth in "Transactions with Related Parties."

Code of Ethics

Edgar Filing: General Finance CORP - Form DEF 14A

The Company's Code of Ethics applies to all our directors, officers and employees, including our principal executive officer, principal financial officer and principal accounting officer. The Code of Ethics sets forth the guiding principles by which the Board of Directors, officers and employees operate the Company's businesses. The Code of Ethics is posted on our Internet website at www.generalfinance.com under the "Corporate Governance" section.

We will provide a copy of the Code of Ethics upon written request delivered to General Finance Corporation, 39 East Union Street, Pasadena, California 91103, Attention: Secretary.

Compensation of Directors

We currently have five non-employee directors that qualify for compensation.

The following table provides information concerning the compensation of the directors for fiscal year 2011:

Director Compensation		Fees Earned or Paid in Cash (\$)
Name		
Lawrence Glascott		\$ 52,000
David M. Connell		52,000
Manuel Marrero		34,000
James B. Roszak		53,500
Susan L. Harris		42,250
Ronald F. Valenta		—

In September 2009, the Compensation Committee approved a new schedule of compensation of our non-employee directors effective January 1, 2010 which, as reflected by the table below, reduced by ten percent the annual retainer payable to directors and established that if multiple committee meetings were held on the same day, the highest fee payable to a committee member for any meeting on such day would constitute the entire fee payable to such committee member for all meetings attended on a single day. These reductions do not apply to the fees payable to the committee chairs. The following table summarizes the schedule of compensation of our non-employee directors (directors who also serve as officers currently receive no additional compensation for their services as directors). In addition to the compensation set forth below, each director is also eligible for reimbursement of reasonable expenses incurred in connection with the director's services.

Annual Retainer—Chairman of the Board	\$ 36,000
Annual Retainer—Other Directors	27,000
Additional Annual Retainer — Audit Committee Chair	10,000
Additional Annual Retainer — Compensation Committee Chair	7,500
Additional Annual Retainer — Nominating and Governance Committee Chair	3,000
Board Meeting Attendance Fee—Chairman of the Board	2,000
Board Meeting Attendance Fee—Other Directors	1,500
Committee Meeting Attendance Fee	750
Telephonic Meeting Attendance Fee	500

The annual retainers are payable in advance in semi-annual increments on June 30 and December 31.

Director Attendance at Annual Meetings

We have scheduled a board meeting in conjunction with our Annual Meeting and expect that our directors will attend, absent a valid business or personal reason not to attend.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE ELECTION OF THE BOARD NOMINEES.

PROPOSAL 2:

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

On January 9, 2009, the Audit Committee approved the engagement of Crowe Horwarth LLP, or Crowe, as our independent registered public accounting firm.

The Audit Committee has selected Crowe as our independent auditors for fiscal year ending June 30, 2012, or fiscal year 2012. We are asking the stockholders to ratify this selection. We expect a representative from Crowe to participate in the Annual Meeting and the representative will have the opportunity to make a statement if desired and to respond to appropriate questions by stockholders.

Aggregate fees billed to us by Crowe for professional services rendered with respect to our fiscal year ended June 30, 2010, or fiscal year 2010, and fiscal year 2011 were as follows:

	2010	2011
Audit Fees	\$429,397	\$487,145
Audit-Related Fees	101,011	97,905
Tax Fees	82,804	65,003
All Other Fees	—	—

In the above table, in accordance with the SEC's definitions and rules, "audit fees" are fees we paid for professional services for the audit of our consolidated financial statements, including those in our Annual Report on Form 10-K and local statutory audit requirements, and reviews of our Quarterly Reports on Form 10-Q. "Audit-related fees" are fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. "Tax fees" are fees for tax compliance, tax advice and tax planning.

The policy of the Audit Committee is that it must approve in advance all services (audit and non-audit) to be rendered by the Company's independent auditors. The Audit Committee approved in advance the engagement of Crowe for services in fiscal year 2010 and fiscal year 2011.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF THE SELECTION OF CROWE AS OUR INDEPENDENT AUDITORS FOR FISCAL YEAR 2012.

The ratification of the selection of Crowe requires the affirmative vote of the holders of a majority of the number of shares voting on this matter. If the stockholders do not ratify the selection, the adverse vote will be deemed to be an indication to the Audit Committee that it should consider selecting other independent auditors for fiscal year 2012. Because of the difficulty and expense of substituting accounting firms, it is the intention of the Audit Committee that the appointment of Crowe for fiscal year 2012 will stand unless, for a reason other than the adverse vote of the stockholders, the Audit Committee deems it necessary or appropriate to make a change. The Audit Committee also retains the power to appoint another independent auditor at any time or from time to time if it determines it is in our best interests.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this Report by reference therein.

The Audit Committee oversees the financial reporting process on behalf of the Board of Directors. In fulfilling its oversight responsibilities the Audit Committee reviewed and discussed the audited financial statements included in the Annual Report on Form 10-K filed with the SEC and the unaudited financial statements included with Quarterly Reports on Form 10-Q filed with the SEC.

The Audit Committee met and discussed with management and the independent auditors the matters required to be discussed by Statements on Accounting Standards (SAS) No. 61. These discussions included the clarity of the disclosures made therein, the underlying estimates and assumptions used in the financial reporting, and the reasonableness of the significant judgments and management decisions made in developing the financial statements. In addition, the Audit Committee has discussed with the independent auditors their independence from the Company and has received the written letter from the independent auditors required by Independence Standards Board Standard No. 1.

The Audit Committee also met and discussed with the independent auditors the overall scope and objectives of the audit, the Company's internal controls and critical accounting policies, and the specific results of the audit. Management was present at all or some part of each of these meetings.

Pursuant to the reviews and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2011.

Management is responsible for the Company's financial reporting process, including its system of internal controls, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The Company's independent auditors are responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes. It is neither the Committee's duty nor responsibility to conduct auditing or accounting reviews or procedures. Members of the Audit Committee are not employees of the Company and may not be, and do not represent themselves to be or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, members have relied, without independent verification, on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States of America and on the representations of the independent auditors included in their report on the Company's financial statements. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, consultations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent accountants are in fact "independent."

Respectfully Submitted,

James B. Roszak, Chairman

COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Philosophy and Objectives

The Company's overall compensation program is designed to align the interests of our executive officers with the interests of our stockholders. We believe the most effective compensation programs align the interests of executive officers and stockholders by rewarding the achievement by executive officers of specific annual and long-term goals which fit within the framework of the Company's strategy. We structure the compensation of our executive officers to reward the achievement of the strategic goals that drive stockholder value.

Executive Compensation Program

The Compensation Committee of the Board of Directors is responsible for the establishment and development of the Company's compensation philosophy. The Compensation Committee establishes, implements and monitors the structure of the Company's executive compensation program.

The Compensation Committee designs the executive compensation program to achieve the following key goals:

- Reinforce the business strategy;
- Balance rewards addressing both short-term and long-term strategic objectives;
- Motivate executives to deliver a high degree of business performance without encouraging unnecessary risk taking;
- Align executives' interests with the stockholders' interests; and

- Attract and retain talented executives whose skills and achievements will increase stockholder value.

In May 2011, the Company completed an initial public offering in Australia of a non-controlling interest in Royal Wolf Holdings Limited (“Royal Wolf Holdings”). Following the initial public offering General Finance Corporation owns a majority of the capital stock of Royal Wolf Holdings. In connection with the initial public offering (“IPO”), a board of directors and a Nomination and Remuneration Committee comprised a majority of independent directors were elected. General Finance Corporation and Royal Wolf Holdings also entered into a Separation Agreement in connection with the initial public offering by Royal Wolf Holdings. The Separation Agreement provides that while General Finance Corporation owns a majority of Royal Wolf Holdings, prior to entering into or proposing any arrangement or agreement relating to employment or remuneration with any person deemed to be a “named executive officer” of General Finance Corporation, take into account the views of General Finance Corporation. The Separation Agreement also provides that Royal Wolf Holdings may not enter into an arrangement or agreement relating to employment or remuneration with any person deemed to be a named executive officer unless unanimously approved by the Royal Wolf Holdings board of directors, on which a director appointed by General Finance Corporation serves, or the shareholders of Royal Wolf Holdings.

The Compensation Committee believes the structure and implementation of the executive compensation program in fiscal year 2011 underlined its compensation philosophies. The structure of the non-equity, performance-based incentive compensation for fiscal year 2011, which set 60% of potential annual bonuses based upon achieving EBITDA budget goals for the president and vice president of finance of Pac-Van and 50% of potential annual bonuses based on achieving EBITDA budget goals for the president and chief financial officer of Royal Wolf, focuses the executive team on increasing revenues and profitability, a key element of the Company's business strategy. Other metrics of performance-based incentive compensation included debt reduction, improvement of sales techniques, EBITDA margin and individual goals. The Compensation Committee believes that the compensation plans of Pac-Van and Royal Wolf, and the risks taken by their respective management teams to meet compensation plan goals, do not vary significantly between the two businesses.

The Compensation Committee also believes that compensation plans and practices of the Company, Pac-Van and Royal Wolf do not create risks that are reasonably likely to have a material adverse effect on the Company. First, the fiscal year 2012 compensation goals are based upon a variety of metrics, which include EBITDA, the implementation of best practices, increasing revenues from certain product lines and continued compliance with all debt covenants. This variety of metrics requires executives to consider a variety of operating results in pursuing their compensation goals. Second, stock options grants to the named executive officers are based upon multi-year cumulative EBITDA goals that are subject to adjustment for U.S. Dollar to Australian currency exchange rates and debt levels over established thresholds. The Compensation Committee therefore believes the structure of the compensation plans for annual bonuses and the multi-year vesting of stock options do not create risks that are reasonably likely to have a material adverse effect on the Company.

The implementation of the executive compensation program also underlined our commitment to pay for performance. Executives who achieved annual, long-term and strategic goals received compensation in accordance with their compensation plans, while executives who failed to achieve their goals received compensation corresponding to their performance. The president and chief financial officer of Royal Wolf received bonuses equal to 120% and 135% of their target bonuses after Royal Wolf exceeded its fiscal year 2011 budget and other goals, while the president and vice president of finance of Pac-Van received bonuses equal to approximately 15% and 35%, respectively of their target bonuses because Pac-Van failed to meet its budget and other goals. The chief financial officer and general counsel of General Finance Corporation received 100% and 92%, respectively, of their target bonus amounts due to achievement of General Finance Corporation EBITDA and other individual goals.

The executive compensation program therefore reflected the Company's compensation philosophies by reducing executive compensation when the Company's business goals were not met.

For the fiscal year 2011, the principal components of compensation for the principal executive officer, the principal financial officer and the other three most highly compensated executive officers, or collectively the Named Executive Officers, were:

1. Annual base salary;
2. Non-equity performance-based annual incentive compensation; and
3. Long-term equity incentive compensation.

In fiscal year 2011, the Compensation Committee did not retain or rely upon information provided by any third-party compensation consultant in setting compensation levels and awards for our Named Executive Officers. Our Compensation Committee made all final compensation decisions for our Named Executive Officers for fiscal year 2011.

Elements of Compensation.

Base Salaries. Annual base salaries provide executive officers with a minimum level of cash compensation. We establish base salaries at levels so that a significant portion of the total cash compensation such executives can earn is performance-based (through annual incentive compensation). Base salaries are set based on factors, as applicable, that include whether a salary level is competitive with comparable companies, the recommendations of Mr. Valenta for the other Named Executive Officers and the business judgment of the members of the Compensation Committee, as discussed further below. The Compensation Committee reviews base salaries annually for the Named Executive Officers. None of the Named Executive Officers received increases in base salary in fiscal year 2011.

Bonuses. Annual cash bonuses are designed to reward our executive officers, including each of the Named Executive Officers and certain employees, for achievement of financial and operational goals and individual performance objectives to enable us to meet long and short-term goals. In fiscal year 2011 the objectives related to financial factors, such as goals for earnings before interest, income taxes, depreciation and amortization and other non-operating costs, or EBITDA, utilization of lease fleet and rental revenue, compliance with covenants relating to indebtedness and the achievement of other corporate, operational and financial goals. These goals and bonuses are determined annually at the discretion of the Compensation Committee in consultation with the Chief Executive Officer.

The Committee's decision to pay a portion of the annual cash bonuses for fiscal year 2011 performance was based upon the achievement of some of the Company's strategic goals the Named Executive Officers and other officers. The Compensation Committee predetermined strategic goals for each Named Executive Officer, assessed the achievement of those goals and determined actual bonus amounts based upon the recommendations of Mr. Valenta and their collective business judgment. The Compensation Committee sets these goals after considering a variety of factors. The Compensation Committee does not believe that the structure of the bonuses or equity based compensation will require the executive officers to operate the Company's businesses in ways or using methods that will expose the Company to risks that are reasonably likely to have a material adverse effect on the Company.

Equity-Based Compensation. Equity awards of stock options are long-term incentives designed to reward long-term growth in the stockholder value. Stock options assist in the retention of executives because they are not exercisable at the time of grant and achieve their maximum value only if the executive continues to be employed for a period of years. Stock options have value solely to the extent that the price of our common stock increases over the exercise price set as of the date of grant. The Compensation Committee believes that our executive officers should have an incentive to improve the Company's performance by having an ongoing stake in the success of our business. The Compensation Committee seeks to create this incentive by granting executive officers stock options upon the commencement of their employment with the Company.

Stock Option Grant Practices

Stock option grants to all of our executive officers and other employees, including the Named Executive Officers, must be approved by the Compensation Committee of the Board, which consists entirely of independent directors. Grants occur only at meetings of the Compensation Committee and such grants are made effective as of the date of the meeting or a future date, as in the case of the hiring of a new employee. Stock option awards are not timed in coordination with the release of material non-public information. The exercise price of all stock options granted is equal to the closing market price of our common shares on the date of grant.

Stock options are granted with an exercise price of not less than 100% of the fair market value of our common shares on the date of grant, so that the executive officer may not profit from the option unless the price of our common shares increases.

The Compensation Committee determines stock option award levels in their discretion, primarily based on the recommendations of Mr. Valenta and consideration of an individual's responsibilities and performance and equity awards at comparable companies.

Options granted by the Compensation Committee also are designed to help us retain executive officers in that options are not exercisable at the time of grant, and achieve their maximum value only if the executive remains in the Company's employ for a period of years. All options granted to Named Executive Officers in fiscal year 2011 vest

over four years subject to achieving a three-year cumulative EBITDA target, subject to adjustment for U.S. Dollar to Australian currency exchange rates and debt levels over established thresholds. The Compensation Committee believes that this vesting arrangement aligns the interests of option holders with stockholders by emphasizing a long-term view of building shareholder value. The Compensation Committee also believes that multi-year vesting reduce the risks that could arise from undertaking initiatives to realize annual EBITDA goals, such as through acquisitions or capital expenditures, that could attain short-term goals while adversely effecting long-term shareholder value.

Grants under the Company's 2009 Stock Incentive Plan are subject to the Plan's recoupment provisions which require each optionholder to forfeit all or any portion of an option grant and to reimburse the Company for all proceeds received from exercising stock options if (i) payment, grant or vesting was predicated on the achievement of financial results that were subsequently the subject of a material financial misstatement, (ii) the Board determines the optionholder engaged in fraud or misconduct that caused or partially caused the material financial restatement of the Company or any affiliate and (iii) a lower payment, award or besting would have occurred based on the financial results.

Role of Executive Officers.

In general, Mr. Valenta attends all meetings of the Compensation Committee at which compensation of the other Named Executive Officers or compensation policy is reviewed. Mr. Valenta does not vote on items before the Compensation Committee. The Compensation Committee and the Board of Directors solicit Mr. Valenta's views on the performance of the executive officers who report to him.

Compensation Surveys.

Each component of compensation we pay to our Named Executive Officers—salary, cash bonuses and stock options—is based generally on the Committee's subjective assessment of each individual's role and responsibilities. Consideration of market rates is an additional factor reviewed by the Committee in determining compensation levels; we do not "benchmark" or specifically target certain levels of compensation. For our executive officers, generally, we determine market compensation rates by reviewing public disclosures of compensation paid to senior executive officers by other companies of comparable size and market capitalization. In fiscal year 2011 the comparable companies reviewed were:

- McGrath RentCorp;
- Mobile Mini, Inc.; and
- Algeco Scotsman, Inc.

The Compensation Committee also bases its payment of base salary and annual bonuses for Named Executive Officers, other than the chief executive officer, on the attainment of objectives established by the Compensation Committee, based upon recommendations from Mr. Valenta. In establishing individual bonuses for senior executives, the Compensation Committee considers growth in the enterprise value, common stock price, EBITDA and other financial and corporate objectives, together with the executive officer's contribution to the Company's growth and profitability.

Compensation of Executives

The Compensation Committee sets the base salaries, bonus and equity compensation for the Named Executive Officers after consideration of the recommendations prepared by Mr. Valenta with respect to the appropriate amounts to reward and incentivize each Named Executive Officer. Mr. Valenta used information relating to each executive officer's responsibilities and achievements in accomplishing the corporate objectives set by the Compensation Committee for the previous year, his assessment of the individual performance of each Named Executive Officer and to recommend to the Compensation Committee the annual incentive bonuses for each of the other Named Executive Officers.

In June 2011, the Compensation Committee considered the achievement of the Company's fiscal year 2011 revenues and EBITDA and the recommendations of Mr. Valenta with respect to the individual performance of the other Named Executive Officers and the payment of bonuses for fiscal year 2011. The Compensation Committee considered the completion by the Named Executive Officers of certain strategic and operational initiatives during fiscal year 2011, such as General Finance Corporation exceeding its EBITDA targets, Royal Wolf exceeding its EBITDA targets and completing its initial public offering and Pac-Van operating results below its EBITDA targets for fiscal year 2011.

Based on the review of the Compensation Committee and the consideration of Mr. Valenta's recommendations, Mr. Valenta's received a bonus of \$97,000 for fiscal year 2011, and Mr. Valenta's annual base salary and target bonus amount for fiscal year 2012 will be increased to \$275,000 and \$150,000, respectively. Mr. Barrantes, Mr. Wilson, Mr. Mourouzis and Mr. Allan received bonuses for the achievement of specific individual objectives, and bonuses based on EBITDA targets were awarded to Messrs. Barrantes, Wilson and Allan. Mr. Barrantes received his bonus based on his management of professional fees, cash flows and taxes and his timely and accurate filing of all public reporting of the Company. The specific objectives for the payment of a portion of Mr. Wilson's bonus included the management of legal counsel. The specific objectives of Mr. Allan's bonus included an EBITDA target, EBITDA margin goals, debt levels and capital expenditures goals, while Mr. Mourouzis' specific objectives included an EBITDA target, reducing debt and increasing revenues from non-construction industry sectors. Following its assessment of their completion of strategic and operational initiatives, the Compensation Committee awarded cash bonuses for fiscal year 2011 to Mr. Barrantes of \$100,000, to Mr. Wilson of \$92,500 and to Mr. Allan of AUD \$193,000.

In June 2011, after consultation with Mr. Valenta, the Compensation Committee set fiscal year 2012 annual base salaries and corporate performance targets for fiscal year 2012 annual cash bonuses for the Named Executive Officers other than Mr. Valenta. The fiscal year 2012 annual base salaries of Mr. Barrantes and Mr. Allan were increased by \$25,000 and AUD\$35,000, respectively, while the fiscal year 2012 annual base salaries of Mr. Wilson and Mr. Mourouzis remained unchanged from fiscal year 2011 at \$200,000 and \$175,000, respectively. The Compensation Committee determined that the corporate performance targets for annual cash bonuses for fiscal year 2012 performance for each of the Named Executive Officers would be if the Company achieves specific EBITDA goals. The Committee believes that the goals, while challenging, particularly in the current economic environment, are achievable. Neither the Committee nor Mr. Valenta believe that the fiscal year 2012 goals will require the Named Executive Officers to take risks to achieve their EBITDA goals that are reasonably likely to have a material adverse effect on the Company.

Severance

Pursuant to separate employment agreements with Mr. Valenta, Mr. Barrantes and Mr. Wilson, we will make a severance payment equal to one year's salary if such person's employment is terminated by General Finance without cause or by the employee for good cause, each as defined in their respective employment agreements.

Each of these three employment agreements provide that each executive may be terminated for cause, and General Finance would therefore not be required to pay severance equal to one year's salary, if such executive breaches his employment agreement, commits any act of personal dishonesty, fraud or breach of fiduciary duty or trust, is convicted of or pleads guilty or no contest to any theft, fraud, breach of fiduciary duty or crime involving moral turpitude or felony, committed acts which give rise to liability for discrimination or harassment, violates directions from the board of directors or chief executive officer, acts in a manner that harms the reputation of General Finance, is found liable of violating securities or other laws, fails to advance or cooperate with any investigation by General Finance or misrepresents his experience or employment history.

Each of Mr. Valenta, Mr. Barrantes and Mr. Wilson may terminate their employment for good reason and receive severance equal to one year's salary if General Finance reduces their base salary, permanently relocates their place of employment more than 40 miles from their current residence, hires a person to perform the job functions currently performed by such executive or assigns such executive duties beneath the duties they ordinarily perform.

We may also elect to pay six months' compensation to Mr. Allan in lieu of providing six months prior notice of termination of his employment. The employment agreement of Mr. Mourouzis does not provide for the payment of severance if his employment is terminated without cause, as defined in his employment agreement.

Clawback Policy

The Compensation Committee will adopt a clawback policy once the SEC has adopted rules to implement the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and all fiscal 2012 bonus and equity compensation awards are subject to the clawback policy to be adopted.

Perquisites and Other Personal Benefits

We do not have programs in place to provide personal perquisites for our executive officers. Mr. Barrantes and Mr. Wilson participate in the medical and dental insurance of Pac-Van at the expense of General Finance. Messrs.

Valenta, Barrantes and Wilson are also eligible to participate in the 401(k) retirement plan of Pac-Van, Inc. Mr. Allan participates in medical and dental insurance of Royal Wolf and Royal Wolf contributes to Mr. Allan's retirement plan as required by Australian law. We do not have any other retirement plans under which our executive officers may participate.

Tax & Accounting Considerations

Deductibility of Executive Compensation—Code Section 162(m). Section 162(m) of the Internal Revenue Code imposes a \$1,000,000 limit on the annual deduction that may be claimed for compensation paid to each of the chief executive officer and the three other highest paid employees of a publicly held corporation (other than the chief financial officer). Certain performance-based compensation awarded under a plan approved by stockholders is excluded from that limitation. Awards of stock options and our annual cash incentive awards are designed in general to qualify for deduction as performance-based compensation. However, while the Compensation Committee considers the tax deductibility of compensation, the Committee has and may approve compensation that does not qualify for deductibility in circumstances it deems appropriate to promote varying corporate goals.

Accounting for Stock-Based Compensation. For the issuances of stock options, the Company follows the fair value provisions of Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 718, Stock Compensation. FASB ASC Topic 718 requires recognition of employee share-based compensation expense in the statements of income over the vesting period based on the fair value of the stock option at the grant date. For a discussion of valuation assumptions used in the calculation of these amounts for fiscal year 2011, see Note 2, “Summary of Significant Accounting Policies,” and Note 9, “Stock Option Plans,” of the Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K for the year ended June 30, 2011 filed with the SEC on September 23, 2011.

Report of the Compensation Committee

Based on the Compensation Committee's review of and the discussions with management with respect to the Compensation Discussion and Analysis, the Compensation Committee recommended to the board of directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

Employment Agreements

On February 11, 2009, we entered into an employment agreement with Ronald Valenta, under which he agreed to serve to serve as our Chief Executive Officer. Under the employment agreement, Mr. Valenta received a base annual salary of \$200,000 and is eligible to receive an annual bonus each fiscal year of up to 35% of his base salary, provided he is employed on the last day of such year. We reimburse Mr. Valenta up to \$2,500 per month for a car allowance and health, dental, vision and supplemental disability premiums for Mr. Valenta and his family. Mr. Valenta is entitled to a severance payment equal to one year's salary if his employment is terminated without cause, as defined in the employment agreement.

On September 11, 2006, we entered into an employment agreement with Charles E. Barrantes, under which he agreed to serve as our Executive Vice President and Chief Financial Officer. Under the employment agreement, Mr. Barrantes received a base annual salary of \$200,000 and is eligible to receive an annual bonus each fiscal year of up to 35% of his base salary, provided he is employed on the last day of such year. We reimburse Mr. Barrantes for health, dental, vision and supplemental disability premiums for himself and his family. Mr. Barrantes is entitled to participate on the same basis in all offered benefits or programs as any other employee. On June 30, 2009, we entered into an amended and restated employment agreement with Mr. Barrantes that provides that Mr. Barrantes is entitled to a severance payment equal to one year's salary if his employment is terminated without cause, as defined in the employment agreement.

On December 14, 2007, we entered into an employment agreement with Christopher A. Wilson, under which he agreed to serve as our General Counsel, Vice President and Secretary. Under the employment agreement, Mr. Wilson receives a base annual salary of \$200,000, and is eligible to receive an annual bonus each fiscal year of up to 35% of his base salary, provided he is employed on the last day of such year. Mr. Wilson is entitled to a severance payment equal to one year's salary if his employment is terminated without cause, as defined in the employment agreement. We reimburse Mr. Wilson for health, dental, vision and supplemental disability premiums for himself and his family. Mr. Wilson is entitled to participate on the same basis in all offered benefits or programs as any other employee.

On July 14, 2010, Pac-Van entered into an employment agreement with Theodore Mourouzis, under which he agreed to serve as the President and Chief Operating Officer of Pac-Van. Under the employment agreement, Mr. Mourouzis receives a base annual salary of \$175,000 and is eligible to receive an annual bonus each fiscal year based on criteria approved by the Compensation Committee, provided he is employed on the last day of such year. The employment agreement provides that Pac-Van will pay Mr. Mourouzis non-compete payments equal to eight months of his base salary in the event his employment is terminated without cause by Pac-Van or for good reason by Mourouzis, as defined in the employment agreement.

Royal Wolf employs Robert Allan pursuant to an employment agreement that will continue indefinitely, unless terminated by Mr. Allan or Royal Wolf upon at least six months' notice. Under his employment agreement at June 30, 2011, Mr. Allan receives a base annual salary of AUD \$350,000 and is eligible to receive an annual performance bonus of approximately AUD \$160,000 based upon the achievement of specified performance indicators. The maximum annual performance bonus is subject to increase based upon consumer priced index increases. There is no severance or similar obligation to Mr. Allan under his employment agreement except that Royal Wolf may pay six months' compensation to Mr. Allan in lieu of providing notice of termination of his employment as described above.

The employment agreements of Mr. Valenta, Mr. Barrantes, Mr. Wilson and Mr. Mourouzis will terminate upon the date of their death or in the event of a physical or mental disability that renders either of them unable to perform his duties for 60 consecutive days or 120 days in any twelve-month period. Mr. Valenta, Mr. Barrantes, Mr. Wilson and Mr. Mourouzis may terminate their respective employment agreements at any time upon 30 days notice to us, and we may terminate these agreements at any time upon notice to Mr. Valenta, Mr. Barrantes, Mr. Wilson or Mr. Mourouzis.

Ronald Valenta, Charles Barrantes and Christopher Wilson are the only employees who received compensation for services to the Company in fiscal year 2011. Robert Allan received compensation as Chief Executive Officer of RWH Holdings Limited, which, with its subsidiaries, we refer to as "Royal Wolf," an indirectly-owned Australian subsidiary.

In approving Mr. Valenta's, Mr. Barrantes' and Mr. Wilson's compensation, the Board of Directors reviewed information provided by management regarding the compensation of comparable level officers of public companies, including companies in the equipment leasing business. The Board also considered the size and stage of development of the Company, Mr. Valenta's, Mr. Barrantes' and Mr. Wilson's experience and prior compensation, and the scope of the services that each would be required to render (particularly given the lack of support staff and the need to implement policies and procedures). The Board of Directors determined that Mr. Valenta's, Mr. Barrantes' and Mr. Wilson's compensation should consist of a base salary, the opportunity for a material performance-based bonus and stock options.

Potential Payments Upon Termination of Employment or Change in Control

We have no agreements or arrangement with any executive officer that provides for payments upon termination of employment, except that the employment agreements of Mr. Valenta, Mr. Barrantes and Mr. Wilson provide that each is entitled to a lump sum severance payment of twelve months base salary if we terminate their employment without "cause" or he terminates his employment for "good reason." We have no other agreements or arrangements with any executive officer that provide for payments upon a change of control.

TRANSACTIONS WITH RELATED PERSONS

Effective January 31, 2008, the Company entered into a lease with an affiliate of Ronald F. Valenta for its new corporate headquarters in Pasadena, California. The rent is \$7,393 per month, effective March 1, 2009, plus allocated charges for common area maintenance, real property taxes and insurance, for approximately 3,000 square feet of office space. The term of the lease is five years, with two five-year renewal options, and the rent is adjusted yearly based on the consumer price index. Rental payments were \$110,000 in both fiscal year 2010 and fiscal year 2011.

Effective October 1, 2008, the Company entered into a services agreement with an affiliate of Mr. Valenta for certain accounting, administrative and secretarial services to be provided at the corporate offices and for certain operational, technical, sales and marketing services to be provided directly to the Company's operating subsidiaries. Charges for services rendered at the corporate offices will be, until further notice, at \$7,000 per month and charges for services rendered to the Company's subsidiaries will vary depending on the scope of services provided. The services agreement provides for, among other things, mutual modifications to the scope of services and rates charged and automatically renews for successive one-year terms, unless terminated in writing by either party not less than 30 days prior to the fiscal year end. Total charges to the Company for services rendered under this agreement were \$114,000 (\$84,000 at the corporate office and \$30,000 at the operating subsidiaries) in fiscal year 2010 and \$212,000 (\$84,000 at the corporate office and \$128,000 at the operating subsidiaries) in fiscal year 2011.

We have not adopted a formal written policy regarding transactions with related persons. However, in general, any such material transaction would require approval of the Board of Directors, with any interested director abstaining.

- Forward the communication to the director or directors to whom it is addressed;

To be in proper form, a stockholder's notice must include the specified information concerning the proposal or nominee as described in our Bylaws. A stockholder who wishes to submit a proposal or nomination is encouraged to seek independent counsel about our Bylaws and legal requirements. The Company will not consider any proposal or nomination that does not meet the requirements of the Company's Bylaw and SEC requirements for submitting a nomination.
