On March 23, 2009, NetApp, Inc. (the Company) filed a Definitive Proxy Statement for a Special Meeting of Stockholders to be held on April 21, 2009 (the Proxy Statement), which, among other things, contains a proposal to be submitted to the Company's stockholders to approve a one-time option exchange program (the Option Exchange Program) pursuant to which employees of the Company (excluding executives and directors) who hold certain options to purchase shares of the Company's common stock (such options, eligible options) will be given the opportunity to exchange such eligible options for restricted stock units.

The attached written communication (the Presentation) was disseminated by the Company on the evening of April 6, 2009 in connection with the proposed Option Exchange Program. The Presentation is a modified version of a presentation previously disseminated to investors and filed on Schedule TO-C with the Securities and Exchange Commission (the SEC) on April 1, 2009.

The attached Presentation does not constitute an offer to holders of eligible options to exchange such options. The Option Exchange Program described in the Proxy Statement and the Presentation has not yet commenced. The Option Exchange Program will commence, if at all, only if stockholders approve the Option Exchange Program and the amendments to certain of the Company's equity plans to facilitate the Option Exchange Program. Even if the requisite stockholder approval is obtained, the Company may still decide later not to implement the Option Exchange Program. Persons who are eligible to participate in the Option Exchange Program should read the Tender Offer Statement on Schedule TO and other related materials when those materials become available because they will contain important information about the Option Exchange Program. The Company will file the Tender Offer Statement on Schedule TO with the SEC upon the commencement of the Option Exchange Program. The Company's stockholders and option holders will be able to obtain these written materials and other documents filed by the Company with the SEC free of charge from the SEC's website at www.sec.gov. Eligible holders of the Company's options may obtain a written copy of the tender offer documents free of charge, when available, by contacting the Compensation Group at NetApp, Inc., 495 East Java Dr., Sunnyvale, CA 94089.
