## Explanation of Responses:

- \* If the form is filed by more than one reporting person, see Instruction 5(b)(v).
- \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) The Common Stock previously listed in Table I of the Form 3/A filed by the Reporting Person on October 27, 2015, is in fact a derivative security, and is hereby deleted from Table I.  
On March 28, 2016, the Issuer filed an Amended and Restated Certificate of Designation (the "Amended Certificate of Designation") which amended a provision of the Certificate of Designation dated October 15, 2015 (the "Original Certificate of Designation") that created the Issuer's Series A Preferred Stock (the "Series A Preferred Stock"), which was sold to the Reporting Party on October 15, 2015.
- (2) The Amended Certificate of Designation changed a triggering event for the mandatory conversion of the Series A Preferred Stock. The Series A Preferred Stock had been mandatorily convertible if the Issuer receives aggregate gross proceeds of not less than \$5,000,000 in one or more transactions for the sale of its equity securities or securities convertible into, or exchangeable for, equity securities (other than the transaction pursuant to which the Series A Preferred Stock is being issued).  
The Amended Certificate of Designation now provides that the Series A Preferred Stock is mandatorily convertible if the Issuer receives aggregate gross proceeds of not less than \$5,000,000 in one or more transactions for the sale of its equity securities or securities convertible into, or exchangeable for, equity securities (other than any transactions with the holder of the Series A Preferred Stock).
- (3) Furthermore, the Amended Certificate of Designation provides that the Series A Preferred Stock and the Series B Preferred Stock will participate pro rata and pari passu in distributions upon the liquidation, winding up or dissolution of the company.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, See Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
