The purpose of this Current Report on Form 8-K/A (Amendment No. 1) is to amend the Current Report on Form 8-K filed by the Registrant on January 14, 2005, by amending and restating Item 2.05 thereof in order to update estimates disclosed therein. The impact of the information included in Item 2.05 below was reflected in the information disclosed by the Company in its press release and Current Report on Form 8-K dated April 7, 2005, as well as during its conference call of April 7, 2005, that occurred subsequent to the filing of the April 7, 2005, Form 8-K and that complemented the Company's press release. Item 2.05 of the Registrant's Current Report on Form 8-K filed January 14, 2005, is amended and restated in its entirety to read as follows.

#### **Item 2.05 COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES.**

On January 10, 2005, Constellation Brands, Inc. (the "Company") committed to the principal features of a plan to restructure and integrate the operations of The Robert Mondavi Corporation ("Robert Mondavi"), which the Company acquired on December 22, 2004. On April 7, 2005, the Company committed to certain refinements to that plan (as refined, the "Plan"). The Plan continues to include, among others, the features described herein. The Plan remains under development and is expected to be finalized during the Company's fiscal year ending February 28, 2006 ("Fiscal 2006"). The objective of the Plan is to achieve operational efficiencies and eliminate redundant costs resulting from the transaction. The Plan includes the elimination of approximately 350 employees, the consolidation of certain field sales and administrative offices, and the termination of various contracts. The Company does not currently anticipate closing any production facilities in connection with the Plan. The actions under the Plan commenced on January 10, 2005, and the Company currently expects to complete the Plan by the end of the fourth quarter of Fiscal 2006.

As further detailed in the table below, a portion of the costs associated with the Plan are recorded as liabilities in the Company's allocation of purchase price in connection with the Company's acquisition of Robert Mondavi. The remaining costs associated with the Plan have been charged to the Company's results of operations during the fourth quarter of the Company's fiscal year ended February 28, 2005, or will be charged to the Company's results of operations during Fiscal 2006. In connection with the Plan, the Company expects to incur aggregate cash expenditures of approximately \$70 million. No noncash charges are contemplated in connection with the Plan. The following table sets forth the Company's current expectations related to the Plan:

In addition, Robert Mondavi had previously disclosed its intention to sell its Byron and Arrowood brand assets consisting of winery properties and related assets, and certain other vineyard properties. The Company is continuing with various Robert Mondavi dispositions, certain of which were consummated in the first quarter of Fiscal 2006. The Company has not recorded and does not expect to record a material charge to the Company's results of operations as a result of these dispositions.

This Current Report on Form 8-K/A (Amendment No. 1) contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond the Company's control, that could cause actual results to differ materially from those set forth in, or implied by, such forward-looking statements. All statements other than statements of historical facts included in this Current Report on Form 8-K/A (Amendment No. 1), including statements regarding the Company's future financial position and results, are forward-looking statements. All forward-looking statements speak only as of the date of this Current Report on Form 8-K/A (Amendment No. 1).
