Item 8.01 Other Events.

On April 18, 2006, Central Hudson Gas & Electric Corporation ("Central Hudson") issued a press release announcing that Central Hudson, the Staff of the New York State Public Service Commission, Multiple Intervenors (a consortium representing large industrial users) and the United States Department of Defense (representing the United States Military Academy at West Point) have reached an agreement that, if approved by the New York Public Service Commission ("NYPSC"), would phase in increased electricity and natural gas delivery rates for Central Hudson's customers during the three years commencing as of July 1, 2006. The NYPSC's Administrative Law Judge has directed that hearings be held in early May 2006 to consider the reasonableness of the agreement and to permit evidence to be offered in support of, or in opposition to, the agreement. The NYPSC will subsequently decide, in June 2006 or later, whether to approve the agreement.

A copy of the press release is attached as Exhibit 99.
