PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
to be held March 16, 2009

INTRODUCTION

The accompanying proxy is solicited by and on behalf of the Board of Directors of Champion Industries, Inc. (the “Company”) for use at the annual meeting of shareholders to be held on Monday, March 16, 2009, at 1:00 p.m. local time at the Pullman Plaza Hotel, 1001 Third Avenue, Huntington, West Virginia, and any adjournment thereof (the “Annual Meeting”). The Company anticipates that this Proxy Statement and the form of proxy will be sent or given to shareholders on approximately February 13, 2009.

Only those shareholders of record as of the close of business on February 6, 2009 are entitled to notice of and to vote at the meeting and any adjournment thereof. At such time, the Company had and continues to have only one (1) class of stock outstanding, consisting of 9,987,913 issued and outstanding shares of common stock, of the par value of One Dollar (\$1.00) per share (the “Common Stock”) held by approximately 410 shareholders. The Common Stock carries no preemptive rights.

Cumulative Voting is Authorized

The Company’s By-laws provide that at each election for directors every shareholder entitled to vote at such election has as many votes as the number of shares owned, multiplied by the number of directors to be elected, and may either accumulate all votes for one candidate or distribute those votes among as many candidates as the shareholder may choose. For all other purposes, each share is entitled to one vote.

SOLICITATION OF PROXIES AND VOTING

Solicitation of proxies may be made in person or by mail, telephone, or facsimile by directors, officers and regular employees of the Company or its subsidiaries and by proxy solicitation companies. The Company may also request brokerage houses, banks, and other record holders of the Company’s stock to forward proxy solicitation materials to the beneficial owners of such stock, and will reimburse such persons for their expenses in connection therewith. The Company has engaged Georgeson Shareholder Communications, Inc. to assist in the solicitation of proxies of brokers and financial institutions and their nominees, for a fee of \$4,000, plus reimbursement of reasonable out-of-pocket expenses. The expense of soliciting proxies will be borne by the Company.

Shares represented at the meeting by properly executed proxies in the accompanying form will be voted at the meeting, or any adjournment thereof, and where the shareholder giving the proxy specifies a choice by means of the ballot space provided in the form of proxy, the shares will be voted in accordance with the specifications so made. If no directions are given by the shareholder, the proxy will be voted in accordance with the recommendations of the Board of Directors of the Company, for the election of the Board of Directors' seven (7) nominees for election as directors of the Company (or, if deemed appropriate by the individuals appointed in the proxies, cumulatively voted for less than all of the Board's nominees to ensure the election of as many of the Board's nominees as possible). Any proxy given for use at the meeting may be revoked at any time before it is exercised by written notice or subsequently dated proxy received by the Company, or by oral revocation given by the shareholder in person at the meeting or any adjournment thereof. The proxies appointed by the Board of Directors may, in their discretion, vote upon such other matters as may properly come before the annual meeting.

Votes, whether in person or by proxy, will be counted and tabulated by judges of election appointed by the Board of Directors of the Company, in conjunction with an independent, third-party vote tabulation firm. The presence of a majority of the outstanding shares of Common Stock in person or by proxy is necessary to constitute a quorum. Abstentions and broker non-votes will not be counted as votes either "for" or "against" any matters coming before the Annual Meeting, but will be counted toward determining the presence or absence of a quorum. Votes withheld in connection with the election of one or more of the nominees for director will not be counted as votes cast for such individuals. In the election of directors, those nominees receiving the seven (7) highest number of votes shall be elected, even if such votes do not constitute a majority.

ELECTION OF DIRECTORS

Proposal No. 1 in the Accompanying Form of Proxy

The proxies granted by the shareholders will be voted at the meeting for the resolution, unless contrary direction is indicated, establishing the number of directors at seven (7) and the election of the seven (7) nominees listed below. The proxies cannot be voted for a greater number of persons. The nominees elected as directors are to serve until the next annual meeting of shareholders and until their successors are duly elected and have qualified. The By-laws provide, however, that between annual meetings, the Board of Directors, by a majority vote, may increase the number of directors and may appoint such persons as they may select, by a majority vote, to fill any vacancies.

While it is not anticipated that any of the nominees will be unable to serve, if for any reason one or more shall be unable to do so, the proxies will be voted for any nominees selected by management of the Company. The persons listed below have been nominated by the Board of Directors for election as directors. Each of the nominees is currently a director of the Company. The name, age, principal occupation and business experience of each, all positions and offices held by each with the Company or any of its subsidiaries and any period during which he has served as such are set forth below.

MEETINGS, COMMITTEES AND ATTENDANCE

During fiscal year 2008, there were eleven (11) meetings of the Company Board of Directors. All directors attended 75% or more of the aggregate of meetings of the Board and their committees held during their respective terms, except for Mr. Cline, who attended 8 Board meetings. The Company strongly encourages all members of the Board of Directors to attend the annual meeting of shareholders each year. At the prior year's annual shareholder meeting, all of the directors except General Mooney were present.

The Board of Directors consists of a majority of "independent directors" as such term is defined in the Nasdaq Stock Market Marketplace Rules. The Board of Directors has determined that Louis J. Akers, Harley F. Mooney, A. Michael Perry, Neal W. Scaggs and Glenn W. Wilcox, Sr. are independent directors.

The Board of Directors has adopted a formal policy by which shareholders may communicate with members of the Board of Directors by mail addressed to an individual member of the Board, to the full Board, or to a particular committee of the Board, at the following address: c/o Champion Industries, Inc., P.O. Box 2968, Huntington, West Virginia 25728-2968. This information is also available on the Company's website at www.champion-industries.com.

The Board of Directors has three standing committees: a Compensation Committee, a Nominating Committee and an Audit Committee.

The Compensation Committee reviews and recommends to the Board the compensation and employee benefits of officers of the Company and administers the 1993 and 2003 Stock Option Plans. The Compensation Committee met once during fiscal year 2008. The Compensation Committee consists of Messrs. Akers, Perry and Scaggs, all of whom are independent directors as defined in the Nasdaq Stock Market Marketplace Rules. A copy of the Compensation Committee charter is available on the Company's website at www.champion-industries.com. The Compensation Committee assists the Board of Directors in carrying out the Board's overall responsibility relating to executive compensation. Although its charter grants the committee authority to delegate its responsibility to subcommittees, and to retain compensation consultants, it has not done so.

For fiscal year 2008, the Company's Chief Executive Officer, Mr. Reynolds, was delegated the task of setting the compensation for the named executive officers. Mr. Reynolds also provided to the Compensation Committee his recommendations for his own base salary, and performance cash bonus program. The Compensation Committee ultimately determined and approved Mr. Reynolds' compensation independently based on its collective judgment. Mr. Reynolds did not attend any meetings of the Compensation Committee and he was not present when the Compensation Committee deliberated or voted on his compensation.

Please review the Compensation Committee's Compensation Discussion and Analysis as well as the Compensation Committee Report in this Proxy Statement.

The purpose of the Nominating Committee is to assist the Board in identifying qualified individuals to become board members and in determining the composition of the Board and its committees. When considering a potential director candidate, the Nominating Committee looks for personal and professional integrity, demonstrated ability and judgment and business experience. The Nominating Committee will review and consider director nominees recommended by shareholders. There are no differences in the manner in which the Nominating Committee evaluates director nominees based on whether the nominee is recommended by a shareholder. A copy of the Nominating Committee charter is available on the Company's website at www.champion-industries.com. The Nominating Committee currently consists of Messrs. Perry, Scaggs and Wilcox, all of whom are independent directors as defined in the Nasdaq Stock Market Marketplace Rules. The Nominating Committee did not meet during fiscal year 2008.

The Company's By-laws provide that any shareholder wishing to present a nomination for the office of director must do so in writing delivered to the Company at least 14 days and not more than 50 days prior to the first anniversary of the preceding year's annual meeting. Each notice must set forth: (a) the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated; (b) a representation that the shareholder is a holder of record of stock of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (c) a description of all arrangements or understandings between the shareholder and each nominee and any other person or persons (naming such person or persons) relating to the nomination or nominations; (d) the class and number of shares of the Company which are beneficially owned by such shareholder and the person to be nominated as of the date of such shareholder's notice and by any other shareholders known by such shareholder to be supporting such nominees as of the date of such shareholder's notice; (e) such other information regarding each nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission; and (f) the consent of each nominee to serve as a director of the Company if so elected.

The Audit Committee meets with the Company's financial management and independent auditors and reviews the accounting principles and the scope and control of the Company's financial reporting practices, and makes reports and recommendations to the Board with respect to audit matters. The Audit Committee also recommends to the Board the appointment of the firm selected to be independent certified public accountants for the Company and monitors the performance of such firm; reviews and approves the scope of the annual audit and evaluates with the independent certified public accountants the Company's annual audit and annual consolidated financial statements; and reviews with management the status of internal accounting controls and internal audit procedures and results. The Audit Committee met four (4) times during fiscal year 2008. The Audit Committee is required to have and will continue to have at least three members, all of whom must be "independent directors" as defined in the Marketplace Rules of the Nasdaq Stock Market. Messrs. Akers, Scaggs and Wilcox are the current members of the Audit Committee.

The Board determined that Mr. Akers, Mr. Scaggs and Mr. Wilcox are financially literate in the areas that are of concern to the Company, and are able to read and understand fundamental financial statements. The Board has also determined that Mr. Akers, Mr. Scaggs, and Mr. Wilcox each meet the independence requirements set forth in the Marketplace Rules of the Nasdaq Stock Market.

The Securities and Exchange Commission ("SEC") has adopted rules to implement certain requirements of the Sarbanes-Oxley Act of 2002 pertaining to public company audit committees. One of the rules adopted by the SEC requires a company to disclose whether it has an "audit committee financial expert" serving on its audit committee.

Based on its review of the criteria of an audit committee financial expert under the rule adopted by the SEC the Board of Directors does not believe that any member of the Board of Directors' Audit Committee would be described as an audit committee financial expert. At this time, the Board of Directors believes it would be desirable for the Audit Committee to have an audit committee financial expert serving on the committee. While informal discussions as to potential candidates have occurred, at this time no formal search process has commenced.

The Company's Board of Directors has adopted a written charter for the Audit Committee of the Board. A copy of the written Audit Committee charter is available on the Company's website at www.champion-industries.com. Please review the "Report of the Audit Committee" included in this annual meeting proxy statement.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Company's Compensation Committee reviews and determines the objectives and policies for executive officer and director compensation, approves compensation for our executive officers and directors and administers our stock plans. The compensation committee has delegated to the CEO the responsibility for setting the compensation of the Company's executive officers. This section discusses our compensation program in fiscal year 2008 for Marshall T. Reynolds, our Chairman of the Board of Directors and Chief Executive Officer ("CEO"); Todd R. Fry, our Senior Vice President and Chief Financial Officer; Toney K. Adkins, our President and Chief Operating Officer and R. Douglas McElwain and James A. Rhodes, Senior Vice Presidents (collectively, the "named executive officers") and generally for our other executive officers. Please see the Summary Compensation Table below for detailed components of the named executive officers' fiscal 2008 compensation.

Objectives of our Compensation Program

The objectives of our executive compensation program are to:

- Attract and retain highly talented and productive executives;

- Provide appropriate incentives

What Our Compensation Program is Designed to Reward

Our executive compensation program is designed to assure the Company attracts and retains key personnel.

Our CEO has for a number of years asked that he receive no cash bonus, and the Compensation Committee has acquiesced in such request.

Elements of Our Compensation Program: Why We Chose Each, How We Determined the Amounts and Formulas and How Each Relates to Our Objectives

Historically, our executive compensation program has combined the following two main elements: (1) base salary and (2) annual performance cash bonus. Prior to 2006 the Company also provided long-term incentive compensation in the form of stock options. As further described below, all named executive officers received benefits that our other employees receive, and some of our named executive officers also received personal benefits or perquisites in the form of Company supplied automobiles. Our named executive officers do not have any severance arrangements, special change-in-control benefits or pension or retirement benefits other than our 401(k) plan.

The elements of our executive compensation program is fiscal year 2008 are described below:

1. **Base Salary.** The salaries of our named executive officers are based on a subjective analysis performed by the Company's CEO. The Compensation Committee reviews and establishes the salary of our CEO, while the CEO reviews and establishes the salaries of our other officers, including the named executive officers. Our CEO has for a number of years asked that he receive a salary of \$1 per year, and the Compensation Committee has acquiesced in that request.

Salaries of our named executive officers in fiscal 2008 are shown in the "Salary" column of the Summary Compensation Table, below.

2. **Annual Performance Cash Bonus.** To reward short-term performance, the Company pays a discretionary annual bonus to the named executive officers as well as other key employees of the Company. The CEO determines the bonus to be paid to each executive officer, based primarily on the CEO's subjective analysis.

The Compensation Committee determines the CEO bonus. The CEO recommends the bonus for all other officers, including the named executive officers.

3. **Long-Term Incentive Compensation – Stock Options.** Prior to 2006, our equity incentive program for our executives has consisted exclusively of stock options. Stock options give the executives the right to purchase at a preset price (the market price of our stock when the option is granted) a specific number of shares of our stock at a future date, and the executives can exercise this right during the life of the option (generally five years). Our executives realize value on these options only if our stock price increases (which benefits all shareholders) and only if the executives remain employed with us beyond the date their options are granted and vest.

We have not granted any stock options in fiscal 2006, 2007 or 2008. Any future grants will be based on our overall evaluation of our compensation strategies to achieve desired shareholder value.

Timing of Stock Option Grants

We did not grant stock options in anticipation of the release of material nonpublic information, and we did not time the release of material nonpublic information based on stock option grant dates. Future grants, if any, will be made consistent with this policy.

4. **Personal Benefits.** In fiscal year 2008, we provided our named executive officers with limited personal benefits or perquisites, i.e. automobiles for business and personal use, that the Compensation Committee believes are reasonable and in the best interests of the Company and its stockholders.

5. **General Benefits.** We believe that we must offer a competitive benefits program to attract and retain key executives. We provide benefits to our executives that are generally available to our other employees, including health insurance and the right to participate in the Company's 401(k) plan.

Roles of the Compensation Committee and CEO in Determining Executive Compensation

The Compensation Committee has delegated to the CEO the responsibility for setting compensation of the Company's executive officers. Mr. Reynolds provided to the Compensation Committee his recommendations for his own base salary and performance cash bonus program. The Compensation Committee ultimately determined and approved Mr. Reynolds' compensation independently based on its collective judgment. Mr. Reynolds did not attend any meetings of the Compensation Committee and he was not present when the Compensation Committee deliberated or voted on his compensation.

Accounting Considerations

Accounting considerations play an important role in the design of our executive compensation program. Accounting rules such as FAS 123R require us to expense the cost of our stock option grants, which reduces the amount of our reported profits. Because of option expensing and the impact of dilution on our stockholders if granted in the future, we will pay close attention to the number and value of the shares underlying stock options we grant. In consideration of FAS 123R, and the fact that each of the named executive officers beneficially owns a significant amount of Company common stock to ensure alignment of his interests with that of shareholders, no stock option grants were made in fiscal 2008.

CEO COMPENSATION

As discussed previously, Mr. Reynolds requested that his annual salary be set at \$1.00 and that he receive no bonus for 2008, and the Compensation Committee acquiesced in his request.

COMPENSATION OF OTHER NAMED EXECUTIVE OFFICERS

The compensation of the named executive officers is determined by the Company's CEO.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis set forth above. Based on such review and discussions, the Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement and incorporated into the Company's Annual Report on Form 10-K for the year ended October 31, 2008 filed with the Securities and Exchange Commission.

TRANSACTIONS WITH DIRECTORS, OFFICERS
AND PRINCIPAL SHAREHOLDERS

Intercompany Transactions

The Company has adopted a disinterested director voting policy pursuant to which all material transactions with any director, officer or employee or other person or entity with which such director, officer or employee is affiliated must be on terms no less favorable to the corporation than those that are generally available from unaffiliated third parties and must be approved and ratified by a majority of independent outside directors who do not have an interest in the transactions.

The Company has certain relationships and transactions with Harrah and Reynolds and its affiliated entities. Management believes that all existing agreements and transactions described herein between the Company and Harrah and Reynolds and its affiliates are on terms no less favorable to the Company than those available from unaffiliated third parties.

Realty Leases

Harrah and Reynolds, Marshall T. Reynolds or affiliated entities own the fee interest in certain real estate used by the Company in its business, and lease this real estate to the Company. All realty leases are “triple net,” whereby the Company pays for all utilities, insurance, taxes, repairs and main-tenance, and all other costs associated with the properties. The properties leased, and certain of the lease terms, are set forth below.

Transactions with Directors and Officers

The Company participates in a self-insurance program for employee health care benefits with affiliates controlled by Marshall T. Reynolds, Chief Executive Officer and Chairman of the Board of Directors. The Company is allocated costs primarily related to the reinsurance premiums based on its proportionate share to provide such benefits to its employees. The Company's expense related to this program for the years ended October 31, 2008, 2007 and 2006 was approximately \$5,017,000, \$3,493,000 and \$3,792,000.

During 2008, 2007 and 2006 the Company utilized an aircraft owned by an entity controlled by Marshall T. Reynolds and reimbursed the controlled entity for the use of the aircraft, fuel, air crew, ramp fees and other expenses attendant to the Company's use, in amounts aggregating \$56,000, \$91,000 and \$119,000. The Company believes that such amounts are at or below the market rate charged by third-party commercial charter companies for similar aircraft.

On November 1, 2008, Champion Publishing, Inc., a wholly-owned subsidiary of the Company, as lessee, executed a lease with ADJ Corp., as lessor, to lease 35,000 square feet of warehouse space in a facility owned by ADJ Corp. on Route 2 Industrial Lane, in Cabell County, West Virginia. The term of the lease is 5 years with monthly rental payments of \$7,000. ADJ Corp. is a West Virginia corporation, two-thirds of the outstanding capital stock of which is owned by Marshall T. Reynolds' two sons, and one-third of which is owned by the son of director A. Michael Perry.

The Company purchased vehicles from an entity controlled by Marshall T. Reynolds' two sons in the amounts of \$150,000, \$105,000 and \$102,000 for the fiscal years ended October 31, 2008, 2007 and 2006.

The Company believes that the terms of its related party transactions are no less favorable to the Company than could be obtained with an independent third party.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than ten-percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Forms 5 were required for those persons, the Company believes that, during fiscal year 2008, all filing requirements applicable to its officers, directors and greater than ten-percent beneficial owners were complied with, except that director Louis J. Akers filed one late report with respect to two acquisitions.

INDEPENDENT AUDITORS

The consolidated financial statements of the Company for the years ended October 31, 2008 and 2007 have been audited by Arnett and Foster, PLLC, independent auditors.

The Board of Directors selects the independent accountants for the Company each year. On April 16, 2007, the Company dismissed BKD, LLP and engaged the firm of Arnett and Foster, PLLC as its independent accountants for the fiscal year ended October 31, 2007. During the Company's two most recent fiscal years and through the date of discharge of BKD, LLP, there were no disagreements with BKD, LLP on any matters of accounting principles or practices, financial statement disclosure, or auditing scope and procedures which, if not resolved to the satisfaction of BKD, LLP, would have caused BKD, LLP to make reference to the matter in its report. The reports of BKD, LLP on the Company's financial statements for the fiscal years ended October 31, 2005 and October 31, 2006, contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles. The Company requested BKD, LLP to furnish to the Company a letter addressed to the Commission stating whether it agrees with the above statements. Such letter, received by the Company on April 18, 2007, was filed as an exhibit to Form 8-K by the Company with the Securities and Exchange Commission on April 20, 2007. The decision to change accountants was approved by the Audit Committee of the Board of Directors of the Company and ratified by the Board of Directors. The Board of Directors intends to continue the services of Arnett and Foster, PLLC for the fiscal year ending October 31, 2009.

A representative of Arnett and Foster, PLLC will be present at the annual meeting of shareholders in order to respond to appropriate questions and to make any other statement deemed appropriate.

Audit Fees

\$23,175	\$30,250

Tax Fees

Fiscal 2008	Fiscal 2007
\$7,380	\$7,460

All Other Fees

Fees and expenses billed to the Company by Arnett and Foster, PLLC for fiscal year 2007 were primarily associated with the due diligence procedures for the acquisition of The Herald-Dispatch and certain fees from BKD, LLP for successor audit work for the fiscal year 2007 and 2008.

Fiscal 2008	Fiscal 2007
\$5,750	\$23,997

In 2003, the Audit Committee established a policy whereby the independent auditor is required to seek pre-approval by the Committee of all audit and permitted non-audit services by providing a prior description of the services to be performed and specific estimates for each such service.

The Audit Committee approved all of the services performed by Arnett and Foster, PLLC during fiscal year 2008.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report on Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosure in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. The Committee has discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures and letter received from the independent auditors as required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors communications with the Committee concerning independence, and has considered the compatibility of non-audit services with the auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The Committee held four (4) meetings during the fiscal year ended October 31, 2008.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended October 31, 2008 for filing with the Securities and Exchange Commission. The committee has also recommended the selection of the Company's independent auditors.
