PRELIMINARY PROXY STATEMENT/PROSPECTUS  
DATED JULY 30, 2014, SUBJECT TO COMPLETION

PROXY STATEMENT FOR THE SPECIAL MEETING OF SHAREHOLDERS OF  
NORTH AKRON SAVINGS BANK

and

PROSPECTUS OF Peoples Bancorp Inc.

MERGER PROPOSAL - YOUR VOTE IS VERY IMPORTANT

Peoples Bancorp Inc. (“Peoples”), Peoples Bank, National Association (“Peoples Bank”) and North Akron Savings Bank (“North Akron”), have entered into an Agreement and Plan of Merger dated as of April 21, 2014, as amended (the “Merger Agreement”), which provides for the merger of North Akron with and into Peoples Bank (the “Merger”). Consummation of the Merger is subject to certain conditions, including, but not limited to, obtaining the requisite vote of the shareholders of North Akron and the approval of the Merger by various regulatory agencies.

The board of directors of North Akron has called a special meeting of its shareholders to vote on the adoption and approval of the Merger Agreement. The time, date and place of the North Akron special meeting is as follows: , Eastern Daylight Savings Time, on , 2014, at North Akron’s main office at 158 East Cuyahoga Falls Avenue, Akron, Ohio 44310. The adoption and approval of the Merger Agreement by the shareholders of North Akron requires the affirmative vote of the holders of at least two-thirds of the North Akron common shares outstanding and entitled to vote at the special meeting.

Under the terms of the Merger Agreement, shareholders of North Akron will be entitled to receive after the Merger is completed, for each North Akron common share:

\$7,655.00 in cash, or

\$7,655.00 in Peoples’ common shares (based upon the average closing sale price of a Peoples’ common share on the NASDAQ Global Select Market® for the 20 consecutive trading days immediately preceding the effective date of the Merger (such price is hereinafter referred to as the “Peoples Market Price”)), or

a combination of both.

The form of consideration to be received by each North Akron shareholder is subject to reallocation in order to ensure that 20% of the Merger consideration will consist of cash and 80% of the Merger consideration will consist of Peoples’

common shares.

Peoples will not issue any fractional shares of common stock in connection with the Merger. Instead, each holder of North Akron common shares who would otherwise be entitled to receive a fraction of a share of Peoples' common shares (after taking into account all shares of North Akron common shares owned by such holder at the effective time of the Merger) will

---

receive cash, without interest, in an amount equal to the Peoples fractional common share to which such holder would otherwise be entitled to multiplied by the Peoples Market Price.

This document is a proxy statement that North Akron is using to solicit proxies for use at its special meeting of shareholders to be held on , 2014, to vote on the Merger. It is also a prospectus relating to Peoples' issuance of its common shares in connection with the Merger. ## QUESTIONS AND ANSWERS ABOUT THE MERGER AND THE SPECIAL MEETING

The following are answers to certain questions that you may have regarding the special meeting. You are urged to read carefully the remainder of this document because the information in this section may not provide all the information that might be important to you in determining how to vote. Additional important information is also contained in the appendices to, and the documents incorporated by reference in, this document.

**Q:** Why am I receiving this proxy statement/prospectus?

You are receiving this proxy statement/prospectus because Peoples Bancorp Inc. (“Peoples”), Peoples Bank, National Association, a national banking association and wholly owned subsidiary of Peoples (“Peoples Bank”) and North Akron Savings Bank, a state savings bank chartered under the laws of Ohio (“North Akron”) have entered into an Agreement and Plan of Merger dated as of April 21, 2014, as amended (the “Merger Agreement”), attached to this A: proxy statement/prospectus as Annex A, pursuant to which North Akron will be merged with and into Peoples Bank (the “Merger”). The Merger Agreement must be adopted and approved by the holders of at least two-thirds of the North Akron common shares outstanding and entitled to vote at the special meeting, in accordance with Section 1701.78 of the Ohio General Corporation Law and North Akron’s Amended Articles of Incorporation.

This proxy statement/prospectus contains important information about the Merger and the special meeting of the shareholders of North Akron, and you should read it carefully. The enclosed voting materials allow you to vote your North Akron common shares without attending the special meeting.

**Q:** Why are Peoples and North Akron proposing to merge?

North Akron believes that the Merger is in the best interests of its shareholders and other constituencies because, among other reasons, the Merger consideration will provide enhanced value and increased liquidity to North Akron A: shareholders. Furthermore, as a result of the Merger, North Akron will become part of a larger banking institution improving its ability to compete with larger financial institutions and better serve its customers’ needs while maintaining the community bank philosophy that both institutions currently share.

Peoples believes that the Merger will benefit Peoples and its shareholders by enabling Peoples to further expand into the markets currently served by North Akron and strengthening the competitive position of the combined organization. Furthermore, Peoples believes its increased asset size after the Merger will create additional economies of scale and provide opportunities for asset and earnings growth in an extremely competitive banking environment. To review the reasons for the Merger in more detail, see “THE MERGER” on page 23 of this proxy statement/prospectus.

**Q:** What will North Akron shareholders receive in the Merger?

A: Under the terms of the Merger Agreement, shareholders of North Akron will be entitled to receive after the Merger is completed, for each North Akron common share:

\$7,655.00 in cash, or

\$7,655.00 in Peoples’ common shares (based upon the Peoples Market Price), or

a combination of both.

The form of consideration to be received by each North Akron shareholder is subject to reallocation in order to ensure that 20% of the Merger consideration will consist of cash and 80% of the Merger consideration will consist of Peoples’ common shares.

Peoples will not issue any fractional shares of common stock in connection with the Merger. Instead, each holder of North Akron common shares who would otherwise be entitled to receive a fraction of a Peoples’ common share (after taking into account all shares of North Akron common shares owned by such holder at the effective time of the Merger) will receive cash, without interest, in an amount equal to the Peoples fractional common share to which such holder would otherwise be entitled to multiplied by the Peoples Market Price.

You will have the opportunity to elect the form of consideration to be received for your shares subject to reallocation in order to ensure that 20% of the Merger consideration will consist of cash and 80% of the Merger consideration will consist of Peoples’ common shares. Therefore, your ability to receive the cash or stock elections of your choice will depend on the elections of other North Akron shareholders. The allocation of the mix of consideration payable to North Akron shareholders in the Merger will not be known until Peoples calculates the results of the cash and stock elections made by

North Akron shareholders. See “The Merger Agreement-Reallocation of Peoples’ Common Shares and Cash” beginning on page 38.

Q: How do North Akron shareholders make their election to receive cash, Peoples’ common shares or a combination of both?

If you are a North Akron shareholder of record, you will receive an election form, which you should complete and return, along with your North Akron stock certificate(s), according to the instructions printed on the election form.

A: The election deadline will be 5:00 p.m., Eastern Daylight Savings Time, on , 2014 (which we refer to as the “election deadline”). A copy of the election form is being mailed separately approximately two weeks following the mailing of this proxy statement/prospectus. Peoples will also make an election form available if requested by a North Akron shareholder of record following the mailing of the election forms and before the election deadline. If you do not send in the election form with your stock certificate(s) by the election deadline, you will be treated as though you had not made an election.

If you own shares of North Akron common stock in “street name” through a bank, broker or other nominee and you wish to make an election, you should seek instructions from the bank, broker or other nominee holding your shares concerning how to make an election. If you do not complete this process by the election deadline, you will be treated as though you had not made an election.

Q: Can I change my election?

A: You may change your election at any time prior to the election deadline by submitting to Wells Fargo Shareowner Services (Peoples’ exchange agent under the Merger Agreement), written notice accompanied by a properly completed and signed, revised election form. You may revoke your election by submitting written notice to Wells Fargo Shareowner Services prior to the election deadline. North Akron shareholders will not be entitled to change or revoke their elections following the election deadline. If you instructed a bank, broker or other financial institution to submit an election for your shares, you must follow their directions for changing those instructions.

Q: What happens if I do not make a valid election or make no election to receive cash, Peoples’ common shares or a combination of both?

A: If you do not return a properly completed election form or return an election form with no designation of Merger consideration by the election deadline specified in the election form, your North Akron common shares will be considered “No Election Shares.” No Election Shares will be converted into the right to receive the stock consideration or the cash consideration according to the allocation procedures specified in the Merger Agreement. Generally, in the event one form of consideration (cash or Peoples’ common shares) is undersubscribed in the Merger, North Akron common shares for which no election has been validly made will be allocated to the undersubscribed form of consideration before North Akron common shares electing the oversubscribed form will be switched to the undersubscribed form of consideration pursuant to the proration and adjustment procedures. Accordingly, while electing one form of consideration will not guarantee you will receive that form for all of your North Akron common shares, in the event proration is necessary, properly electing common shares will have priority over No Election Shares.

Q: When and where will the North Akron special meeting of shareholders take place?

A: The special meeting of shareholders of North Akron will be held at , Eastern Daylight Savings Time, on , 2014, at North Akron’s main office at 158 East Cuyahoga Falls Avenue, Akron, Ohio 44310.

Q: What matters will be considered at the North Akron special meeting?

A: The shareholders of North Akron will be asked to: (1) vote to adopt and approve the Merger Agreement; (2) vote to approve the adjournment of the special meeting to solicit additional proxies if there are not sufficient votes at the time of the special meeting to adopt and approve the Merger Agreement; and (3) vote on any other business which properly comes before the special meeting.

Q: Is my vote needed to adopt and approve the Merger Agreement?

A: The adoption and approval of the Merger Agreement by the shareholders of North Akron requires the affirmative vote of the holders of at least two-thirds of the North Akron common shares outstanding and entitled to vote at the special meeting. The special meeting may be adjourned, if necessary, to solicit additional proxies in the event there

are not sufficient votes at the time of the special meeting to adopt and approve the Merger Agreement. The affirmative vote of the

2

---

holders of a majority of the North Akron common shares represented, in person or proxy, at the special meeting is required to adjourn the special meeting.

Q: How do I vote?

A: If you were the record holder of North Akron common shares as of , 2014, you may vote in person by attending the special meeting or, to ensure that your North Akron common shares are represented at the special meeting, you may vote your shares by signing and returning the enclosed proxy card in the postage-paid envelope provided.

If you hold North Akron common shares in the name of a broker, bank or other nominee, please see the discussion below regarding shares held in “street name.”

Q: What will happen if I fail to vote or abstain from voting?

A: If you fail to vote or if you mark “ABSTAIN” on your proxy card with respect to the proposal to adopt and approve the Merger Agreement, it will have the same effect as a vote “AGAINST” the proposal.

If you mark “ABSTAIN” on your proxy card with respect to the proposal to approve the adjournment of the North Akron special meeting, if necessary, to solicit additional proxies, it will have the same effect as a vote “AGAINST” the proposal.

The failure to vote, however, will have no effect on the proposal to approve the adjournment of the North Akron special meeting, if necessary, to solicit additional proxies.

Q: How will my shares be voted if I return a blank proxy card?

A: If you sign, date and return your proxy card and do not indicate how you want your North Akron common shares to be voted, then your shares will be voted “FOR” the adoption and approval of the Merger Agreement and, if necessary, “FOR” the approval of the adjournment of the special meeting to solicit additional proxies.

Q: If my North Akron common shares are held in a stock brokerage account or by a bank or other nominee (in “street name”), will my broker, bank or other nominee vote my shares for me?

A: No. You must provide your broker, bank or nominee (the record holder of your common shares) with instructions on how to vote your North Akron common shares. Please follow the voting instructions provided by your broker, bank or nominee. If you do not provide voting instructions to your broker, bank or nominee, then your North Akron common shares will not be voted by your broker, bank or nominee.

Under the rules of the NASDAQ Stock Market, brokers who hold shares in “street name” for a beneficial owner of those shares typically have the authority to vote in their discretion on “routine” proposals when they have not received instructions from the beneficial owner. However, brokers are not allowed to exercise their voting discretion with respect to the approval of matters that the NASDAQ determines to be “non-routine” without specific instructions from the beneficial owner. It is expected that all proposals to be voted on at the North Akron special meeting are such “non-routine” matters. Broker non-votes occur when a broker or nominee is not instructed by the beneficial owner of shares to vote on a particular proposal for which the broker does not have discretionary voting power.

If you are a North Akron shareholder and you do not instruct your broker, bank or other nominee on how to vote your shares,

your broker, bank or other nominee may not vote your shares on the proposal to approve the Merger, which broker non-votes will have the same effect as a vote “AGAINST” such proposal; and

your broker, bank or other nominee may not vote your shares on the adjournment proposal, which broker non-votes will have no effect on the vote count for such proposal.

Q: Can I change my vote after I have submitted my proxy?

A: Yes. You may revoke your proxy at any time before a vote is taken at the special meeting by:

filing a written notice of revocation with the President of North Akron, at 158 East Cuyahoga Falls Avenue, Akron, Ohio 44310;

executing and returning another proxy card with a later date than the earlier proxy card you wish to revoke, which later proxy card must be received by the President of North Akron, at 158 East Cuyahoga Falls Avenue, Akron,

Ohio 44310 before a vote is taken at the special meeting; or  
attending the special meeting and giving notice of revocation in person.

Your attendance at the special meeting will not, by itself, revoke your proxy.

If you hold your North Akron common shares in “street name” and you have instructed your broker, bank or nominee to vote your North Akron common shares, you must follow directions received from your broker, bank or nominee to change your vote.

Q: If I do not favor the adoption and approval of the Merger Agreement, what are my rights?

A: If you are a North Akron shareholder as of , 2014, the record date, and you do not vote your shares in favor of the adoption and approval of the Merger Agreement, you will have the right under Section 1701.85 of the Ohio General Corporation Law to demand the fair cash value for your North Akron common shares. The right to make this demand is known as “dissenters’ rights.” To exercise your dissenters’ rights, you must deliver to North Akron a written demand for payment of the fair cash value of your shares before the vote on the Merger is taken at the special shareholders’ meeting. The demand for payment must include your address, the number and class of North Akron shares owned by you, and the amount you claim to be the fair cash value of your North Akron shares. For additional information regarding dissenters’ rights, see “Dissenters’ Rights” on page 22 of this proxy statement/prospectus and the complete text of the applicable sections of Section 1701.85 of the Ohio General Corporation Law attached to this proxy statement/prospectus as Annex B.

Q: When is the Merger expected to be completed?

A: We are working to complete the Merger as quickly as we can. We expect to complete the Merger in the fourth quarter of 2014, assuming shareholder approval and all applicable governmental approvals have been received by that date and all other conditions precedent to the Merger have been satisfied or waived.

Q: Should I send in my North Akron stock certificates now?

A: As addressed above under “How do North Akron Shareholders make their election to receive cash, Peoples’ common shares or a combination of both?,” you may send in your stock certificates with the election materials that are being sent to you separately. You should not, however, send in your stock certificates with your proxy card. If you choose to send in your North Akron stock certificates with the election materials and the Merger Agreement is not approved by a vote at the special meeting of shareholders of North Akron, your stock certificates will be returned to you via mail as soon as practicable. Neither Peoples nor North Akron shall be held responsible for lost, stolen, or destroyed stock certificates as a result of mailing them back to the shareholder.

Q: What do I need to do now?

A: After carefully reviewing this proxy statement/prospectus, including its annexes, please complete, sign and date the enclosed proxy card and return it in the enclosed postage-paid envelope as soon as possible. By submitting your proxy, you authorize the individuals named in the proxy to vote your North Akron common shares at the special meeting of shareholders of North Akron in accordance with your instructions. Your vote is very important. Whether or not you plan to attend the special meeting, please submit your proxy with voting instructions to ensure that your North Akron common shares will be voted at the special meeting.

#### North Akron Savings Bank

North Akron Savings Bank  
158 East Cuyahoga Falls Avenue  
Akron, Ohio 44310  
Phone: (330) 252-4506

North Akron is an Ohio-chartered savings bank originally chartered in 1921. North Akron's main office is located in Akron, Ohio and it also has three branch offices located in Cuyahoga Falls, Munroe Falls and Norton, Ohio.

North Akron is a full service community bank offering a range of commercial and personal banking services. Deposit services include a variety of checking accounts, savings accounts and certificates of deposit.

At June 30, 2014, North Akron had total assets of approximately \$147.2 million, total loans of approximately \$116.4 million, total deposits of approximately \$109.5 million and total shareholders' equity of approximately \$14.3 million.

North Akron's common shares are not publicly traded.

#### The Merger (page 23)

The Merger Agreement provides that, if all of the conditions are satisfied or waived, North Akron will be merged with and into Peoples Bank, with Peoples Bank surviving. The Merger Agreement is attached to this proxy statement/prospectus as Annex A and is incorporated in this proxy statement/prospectus by reference. We encourage you to read the Merger Agreement carefully, as it is the legal document that governs the Merger.

#### What North Akron shareholders will receive in the Merger (page 36)

Under the terms of the Merger Agreement, shareholders of North Akron will be entitled to receive after the Merger is completed, for each North Akron common share:

\$7,655.00 in cash, or

\$7,655.00 in Peoples' common shares (based upon the Peoples Market Price), or

a combination of both.

The form of consideration to be received by each North Akron shareholder is subject to reallocation in order to ensure that 20% of the Merger consideration will consist of cash and 80% of the Merger consideration will consist of Peoples'

common shares.

Peoples will not issue any fractional common shares in connection with the Merger. Instead, each holder of North Akron common shares who would otherwise be entitled to receive a fraction of a share of Peoples' common shares (after taking into account all shares of North Akron common shares owned by such holder at the effective time of the Merger) will receive cash, without interest, in an amount equal to the Peoples fractional common share to which such holder would otherwise be entitled to multiplied by the Peoples Market Price.

North Akron special meeting of shareholders (page 20)

A special meeting of shareholders of North Akron will be held at , Eastern Daylight Savings Time, on , 2014, at North Akron's main office at 158 East Cuyahoga Falls Avenue, Akron, Ohio 44310, for the purpose of considering and voting on the following matters:

a proposal to adopt and approve the Merger Agreement;  
a proposal to approve the adjournment of the special meeting, if necessary, to solicit additional proxies, in the event there are not sufficient votes at the time of the special meeting to adopt and approve the Merger Agreement; and any other business which properly comes before the special meeting or any adjournment or postponement of the special meeting. The North Akron board of directors is presently unaware of any other business to be transacted at the special meeting.

You are entitled to vote at the special meeting if you owned North Akron common shares as of the close of business on , 2014. As of , 2014, a total of 2,630.10 North Akron common shares were outstanding and eligible to be voted at the North Akron special meeting. As of the same date, there were no North Akron preferred shares outstanding or eligible to be voted at the North Akron special meeting.

Required vote (page 20)

The adoption and approval of the Merger Agreement will require the affirmative vote of the holders of at least 1,754 North Akron common shares, which is two-thirds of the North Akron common shares outstanding and entitled to vote at the North Akron special meeting. The number of shareholders attending the North Akron meeting in person or by proxy will constitute a quorum. The affirmative vote of the holders of a majority of the North Akron common shares represented, in person or proxy, at the special meeting is required to adjourn the special meeting, if necessary, to solicit additional proxies.

As of , 2014, directors of North Akron owned an aggregate of 405.2 North Akron common shares, an amount equal to approximately 15.4% of the outstanding North Akron common shares. All of the directors of North Akron, who collectively have the power to vote approximately 15.4% of the outstanding North Akron common shares entered into a voting agreement with Peoples on April 21, 2014 pursuant to which they agreed, subject to certain terms and conditions, to vote all of their shares in favor of the adoption and approval of the Merger Agreement. As of the date of this proxy statement/prospectus, Peoples and its directors, executive officers and affiliates beneficially owned no North Akron common shares.

Recommendation to North Akron shareholders (page 25)

The board of directors of North Akron unanimously approved the Merger Agreement. The board of directors of North Akron believes that the Merger is fair to and in the best interests of North Akron and its shareholders, and, as a result, the directors unanimously recommend that North Akron shareholders vote "FOR" the adoption and approval of the Merger Agreement and "FOR" the proposal to adjourn the special meeting, if necessary, to solicit additional proxies.

In reaching this decision, the board of directors of North Akron considered many factors which are described in the section captioned “THE MERGER—North Akron’s Background and Reasons for the Merger” beginning on page 23 of this proxy statement/prospectus.

Opinion of North Akron’s financial advisor (page 25)

On April 21, 2014 Boenning & Scattergood, Inc. (“Boenning”) rendered its opinion to the board of directors of North Akron that as of the date of the opinion, and based upon and subject to the factors and assumptions set forth in the opinion, the aggregate Merger consideration in the Merger was fair, from a financial point of view, to North Akron’s shareholders,

7

---

collectively as a group. The full text of Boenning's written opinion, which sets forth the assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is attached to this document as Annex C. North Akron shareholders are urged to read the opinion in its entirety. Boenning's written opinion is addressed to the board of directors of North Akron, is directed only to the aggregate Merger consideration in the Merger and does not constitute a recommendation as to how any holder of North Akron common shares should vote with respect to the Merger or any other matter.

Material U.S. federal income tax consequences of the Merger (page 31)

We intend that the Merger will be treated as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), and that, accordingly, for federal income tax purposes (i) no gain or loss will be recognized by Peoples or North Akron as a result of the Merger, (ii) North Akron shareholders who receive solely Peoples' common shares in exchange for North Akron common shares in the Merger will recognize no gain or loss (other than the gain or loss to be recognized as to cash received in lieu of fractional Peoples' common shares), and their basis in and holding periods for Peoples' common shares received may vary among shares if blocks of North Akron common shares were acquired at different times or for different prices, and (iii) North Akron shareholders who receive solely cash in exchange for North Akron common shares in the Merger will recognize gain or loss equal to the difference between the amount of cash received and their tax basis in their North Akron common shares. North Akron shareholders receiving both Peoples' common shares and cash for their North Akron common shares generally will recognize gain (but not loss) in an amount equal to the lesser of (i) the amount of cash received in the Merger and (ii) their gain realized (i.e., the excess, if any, of the sum of the amount of cash and the fair market value of Peoples' common shares received over their adjusted cash basis in the North Akron common shares surrendered).

North Akron shareholders who exercise dissenters' rights and receive cash for their North Akron common shares generally will recognize gain or loss for federal income tax purposes equal to the difference between the amount of cash received and their tax basis in the North Akron common shares.

All North Akron shareholders should read carefully the description under the section captioned "THE MERGER - MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES" beginning on page 31 of this proxy statement/prospectus and should consult their own tax advisors concerning these matters.

Interests of directors and executive officers of North Akron (page 30)

The directors and some of the executive officers of North Akron have interests in the Merger that are different from, or in addition to, the interests of North Akron shareholders generally. These include:

- the ability of the directors of North Akron, at their discretion, to serve on a Peoples advisory board for a period of at least one year following the Merger;

- continued indemnification and continued insurance for directors and officers of North Akron for events occurring before the Merger; and

- upon the consummation of the Merger, payments to be paid to certain executive officers pursuant to employment agreements and/or change in control agreements.

North Akron's board of directors was aware of these interests and considered them in approving the Merger Agreement. See "THE MERGER—INTERESTS OF NORTH AKRON DIRECTORS AND EXECUTIVE OFFICERS IN THE MERGER" beginning on page 30 of this proxy statement/prospectus.

Dissenters' rights (page 22)

Under Ohio law, if you do not vote in favor of the adoption and approval of the Merger Agreement and if you deliver a written demand for payment for the fair cash value of your North Akron common shares prior to the North Akron special meeting, you will be entitled, if and when the Merger is completed, to receive the fair cash value of your North Akron common shares. The right to make this demand is known as "dissenters' rights." Your right to receive the fair cash value of your North Akron common shares, however, is contingent upon your strict compliance with the procedures set forth in Section 1701.85 of the Ohio General Corporation Law.

For additional information regarding your dissenters' rights, see "DISSENTERS' RIGHTS" on page 22 of this proxy statement/prospectus and the complete text of Section 1701.85 of the Ohio General Corporation Law attached to this proxy statement/prospectus as Annex B. If you should have any questions regarding your dissenters' rights, you should consult with your own legal advisers.

#### Certain differences in shareholder rights (page 45)

When the Merger is completed, some North Akron shareholders will receive Peoples' common shares and, therefore, will become Peoples shareholders. As Peoples shareholders, your rights will be governed by Peoples' Amended Articles of Incorporation and Regulations, as well as Ohio law. See "COMPARISON OF CERTAIN RIGHTS OF NORTH AKRON AND PEOPLES SHAREHOLDERS" beginning on page 45 of this proxy statement/prospectus.

#### Regulatory approvals required for the Merger (page 30)

The Merger cannot be completed until Peoples receives the required regulatory approvals, which include the approval (or waiver thereof) of the Board of Governors of the Federal Reserve System (the "Federal Reserve") and the approval of the Office of the Comptroller of the Currency ("OCC"). Peoples has received such approval to consummate the Merger from the OCC, and has submitted an application to the Federal Reserve for such approval; this application is currently pending.

#### Conditions to the Merger (page 39)

As more fully described in this proxy statement/prospectus and in the Merger Agreement, the completion of the Merger depends on the adoption and approval of the Merger Agreement by North Akron's shareholders and receipt of the required regulatory approvals, in addition to satisfaction of, or where legally permissible, waiver of, other customary conditions. Although Peoples and North Akron anticipate the closing of the Merger will occur in the fourth quarter of 2014, neither Peoples nor North Akron can be certain when, or if, the conditions to the Merger will be satisfied or, where permissible, waived, or that the Merger will be completed. See "THE MERGER AGREEMENT—CONDITIONS TO CONSUMMATION OF THE MERGER" beginning on page 39 of this proxy statement/prospectus.

#### Termination of the Merger Agreement (page 43)

Peoples and North Akron may mutually agree to terminate the Merger Agreement and abandon the Merger at any time before the Merger is effective, whether before or after shareholder approval, if the board of directors of each approves such termination by vote of a majority of the members of its entire board. In addition, either Peoples or North Akron, acting alone, may terminate the Merger Agreement and abandon the Merger at any time before the Merger is effective under the following circumstances:

- if any of the required regulatory approvals is denied;
- if the North Akron shareholders do not adopt and approve the Merger Agreement at the North Akron special shareholder meeting;
- if there is a material breach by the other party of any representation, warranty, covenant or agreement contained in the Merger Agreement that cannot be or has not been cured within 30 days of notice of the breach; or
- if the Merger has not been consummated by January 31, 2015, unless the failure to complete the Merger by that date is due to the knowing action or inaction of the party seeking to terminate.

#### Acquisition proposals and termination fee (page 44)

Because North Akron has entered into the Merger Agreement, a binding legal agreement, if North Akron executes a definitive agreement in connection with, or closes, an acquisition proposal (as defined in the Merger Agreement) with

any person or entity other than Peoples and its subsidiaries, North Akron must pay Peoples the sum of \$603,980 immediately after the earlier of such execution or closing. See “THE Merger Agreement—Acquisition Proposals and Termination Fee” beginning on page 44 of this proxy statement/prospectus.

Note that Peoples' fiscal year ends December 31 and North Akron's fiscal year ends June 30. However, the audit for North Akron's fiscal year ended June 30, 2014 has not been completed. As such, North Akron's historical financial information for the twelve months ended December 31, 2013 and North Akron's and Peoples' historical financial information for the six months ended June 30, 2014, is unaudited. The unaudited pro forma information, while helpful in illustrating the financial characteristics of the combined company under one set of assumptions, does not reflect certain anticipated costs and benefits of the Merger and, accordingly, does not attempt to predict or suggest future results. It also does not necessarily reflect what the historical results of the combined company would have been had the Merger been consummated at the beginning of the periods presented. The pro forma data gives effect to the Merger and is based on numerous assumptions and estimates. The pro forma combined per share data and North Akron equivalent pro forma per share data are prepared assuming a maximum of 725,000 common shares will be issued in the Merger. ## RISK FACTORS

In addition to general investment risks and the other information contained in or incorporated by reference into this proxy statement/prospectus, including the matters addressed under the heading “FORWARD-LOOKING STATEMENTS” commencing on page 18 and the matters discussed under the caption “Risk Factors” in the Annual Report on Form 10-K filed by Peoples for the year ended December 31, 2013 and other reports filed with the SEC, you should carefully consider the following risk factors in deciding how to vote on adoption and approval of the Merger Agreement.

### Risks Related to the Merger

The market value of Peoples’ common shares you receive in the Merger may decrease if there are fluctuations in the market price of Peoples’ common shares following the Merger.

Under the terms of the Merger Agreement, shareholders of North Akron will be entitled to receive, after the Merger is completed, for each North Akron common share:

\$7,655.00 in cash, or

\$7,655.00 in Peoples’ common shares (based upon the Peoples Market Price), or

a combination of both.

The form of consideration to be received by each North Akron shareholder is subject to reallocation in order to ensure that 20% of the Merger consideration will consist of cash and 80% of the Merger consideration will consist of Peoples’ common shares.

Peoples will not issue any fractional common shares in connection with the Merger. Instead, each holder of North Akron common shares who would otherwise be entitled to receive a fraction of a share of Peoples’ common shares (after taking into account all shares of North Akron common shares owned by such holder at the effective time of the Merger) will receive cash, without interest, in an amount equal to the Peoples fractional common share to which such holder would otherwise be entitled to multiplied by the Peoples Market Price.

You may receive a form of consideration different from the form of consideration you elect.

Under the terms of the Merger Agreement, shareholders of North Akron will be entitled to receive, after the Merger is completed, for each North Akron common share: (i) \$7,655.00 in cash, (ii) \$7,655.00 in Peoples’ common shares (based upon the Peoples Market Price), or (iii) a combination of both. The form of consideration to be received by each North Akron shareholder is subject to reallocation in order to ensure that 20% of the Merger consideration will consist of cash and 80% of the Merger consideration will consist of Peoples’ common shares. The Merger Agreement contains proration and allocation methods to achieve this result. If you elect to receive all cash and the available cash is oversubscribed, then you will receive a portion of the Merger consideration in the form of Peoples’ common shares. If you elect to receive all Peoples’ common shares and the available stock is oversubscribed, then you will receive a portion of the Merger consideration in cash. If you elect a combination of cash and Peoples’ common shares, you may not receive the specific combination you request.

Peoples could experience difficulties in managing its growth and effectively integrating the operations of North Akron.

The earnings, financial condition and prospects of Peoples after the Merger will depend in part on Peoples’ ability to integrate successfully the operations of North Akron and to continue to implement its own business plan. Peoples may not be able to fully achieve the strategic objectives and projected operating efficiencies anticipated in the Merger. The costs or difficulties relating to the integration of North Akron with the Peoples organization may be greater than

expected or the cost savings from any anticipated economies of scale of the combined organization may be lower or take longer to realize than expected. Inherent uncertainties exist in integrating the operations of any acquired entity, and Peoples may encounter difficulties, including, without limitation, loss of key employees and customers, and the disruption of its ongoing business or possible inconsistencies in standards, controls, procedures and policies. These factors could contribute to Peoples not fully achieving the expected benefits from the Merger.

The Merger Agreement limits North Akron's ability to pursue alternatives to the Merger with Peoples, may discourage other acquirers from offering a higher valued transaction to North Akron and may, therefore, result in less value for the North Akron shareholders.

The Merger Agreement contains a provision that, subject to certain limited exceptions, prohibits North Akron from soliciting, negotiating, or providing confidential information to any third party relating to any competing proposal to acquire North Akron. In addition, if North Akron executes a definitive agreement in respect of, or closes, an acquisition transaction with a third party, the Merger Agreement provides that North Akron must pay a \$603,980 termination fee to Peoples. These provisions of the Merger Agreement could discourage other companies from trying to acquire North Akron even though such other companies might be willing to offer greater value to North Akron's shareholders than Peoples has offered in the Merger Agreement. The payment of the termination fee also could have a material adverse effect on North Akron's financial condition.

The fairness opinion obtained by North Akron from its financial advisor will not reflect changes in circumstances prior to the Merger.

Boenning & Scattergood, Inc., the financial advisor to North Akron, delivered a written fairness opinion to the board of directors of North Akron dated April 21, 2014. The fairness opinion states that, as of the date of the opinion, the Merger consideration set forth in the Merger Agreement was fair, from a financial point of view, to the holders of North Akron common shares. However, the fairness opinion does not reflect changes that may occur or may have occurred after the date on which it was delivered, including changes to the operations and prospects of Peoples or North Akron, changes in general market and economic conditions, or other changes. Should any such changes occur, it may alter the relative value of Peoples and North Akron.

North Akron shareholders will have a reduced ownership and voting interest after the Merger and will exercise less influence over management of the combined organization.

North Akron's shareholders currently have the right to vote in the election of the North Akron board of directors and on other matters affecting North Akron. When the Merger is completed, each North Akron shareholder that receives Peoples' common shares will become a shareholder of Peoples with a percentage ownership of the combined organization that is much smaller than the shareholder's percentage ownership of North Akron. Because of this, North Akron's shareholders will have less influence on the management and policies of Peoples than they now have on the management and policies of North Akron.

Certain of North Akron's officers and directors have interests that are different from, or in addition to, interests of North Akron's shareholders generally.

The directors and officers of North Akron have interests in the Merger that are different from, or in addition to, the interests of North Akron's shareholders generally. These interests include provisions in the Merger Agreement providing indemnification and insurance for directors and officers of North Akron for events occurring before the Merger, appointment to an advisory board that will be comprised of directors of North Akron who desire to participate, and payments to be paid to certain executive officers pursuant to employment agreements and/or change in control agreements.

Failure to complete the Merger could negatively impact the value of North Akron's common shares and future businesses and financial results of Peoples and North Akron.

If the Merger is not completed, the ongoing businesses of Peoples and North Akron may be adversely affected and Peoples and North Akron will be subject to several risks, including the following:

- Peoples and North Akron will be required to pay certain costs relating to the Merger, whether or not the Merger is completed, such as legal, accounting, financial advisor and printing fees;
- under the Merger Agreement, North Akron is subject to certain restrictions regarding the conduct of its business before completing the Merger, which may adversely affect its ability to execute certain of its business strategies; and

matters relating to the Merger may require substantial commitments of time and resources by Peoples and North Akron management, which could otherwise have been devoted to other opportunities that may have been beneficial to Peoples and North Akron as independent companies, as the case may be.

In addition, if the Merger is not completed, North Akron may experience negative reactions from its customers and employees. A number of North Akron operational employees have been informed that their employment will be terminated in connection with the Merger and such employees, as well as others, might resign and obtain other employment as a result of the potential Merger. North Akron also could be subject to litigation related to any failure to complete the Merger.

The Peoples common shares to be received by North Akron shareholders upon completion of the Merger will have different rights from North Akron shares.

Upon completion of the Merger, North Akron shareholders will no longer be shareholders of North Akron but will instead become shareholders of Peoples, and their rights as shareholders of Peoples will be governed by the Ohio Revised Code and by Peoples' Amended Articles of Incorporation and Regulations. The terms of Peoples' Amended Articles of Incorporation and Regulations are in some respects materially different than the terms of North Akron's Amended Articles of Incorporation, Bylaws and Constitution. See "COMPARISON OF CERTAIN RIGHTS OF NORTH AKRON AND PEOPLES SHAREHOLDERS" on page 45 of this proxy statement/prospectus.

Completion of the Merger is subject to many conditions and if these conditions are not satisfied or waived, the Merger will not be completed.

The respective obligations of Peoples and North Akron to complete the Merger are subject to the fulfillment or written waiver of many conditions, including approval by the requisite vote of the North Akron shareholders, receipt of requisite regulatory approvals, absence of orders prohibiting completion of the Merger, effectiveness of the registration statement of which this document is a part, the continued accuracy of the representations and warranties by both parties, and the performance by both parties of their covenants and agreements. See "THE MERGER AGREEMENT-Conditions to Consummation of the Merger" on page 39 of this proxy statement/prospectus. These conditions to the consummation of the Merger may not be fulfilled and, accordingly, the Merger may not be completed. In addition, if the Merger is not completed by January 31, 2015, either Peoples or North Akron may have the opportunity to choose not to proceed with the Merger, and the parties can mutually decide to terminate the Merger Agreement at any time, before or after approval by the requisite vote of the North Akron shareholders. In addition, Peoples or North Akron may elect to terminate the Merger Agreement in certain other circumstances. See "THE MERGER AGREEMENT-Termination of the Merger Agreement" on page 43 of this proxy statement/prospectus for a more complete description of these circumstances.

#### Risks Related to Peoples' Business

You should read and consider risk factors specific to Peoples' business that will also affect the combined company after the Merger, described in Peoples' Annual Report on Form 10-K for the fiscal year ended December 31, 2013, as updated by subsequently filed Quarterly Reports on Form 10-Q and Current Reports on Form 8-K, all of which are filed by Peoples with the SEC and incorporated by reference into this document. See "INCORPORATION OF CERTAIN DOCUMENTS BY REFERENCE" on page 48 of this proxy statement/prospectus.

As of the date of

this proxy statement/prospectus, Peoples and its directors, executive officers and affiliates beneficially owned no North Akron common shares.

Your vote is important, the adoption and approval of the Merger Agreement requires the affirmative vote of the holders of at least two-thirds of the North Akron common shares outstanding and entitled to vote at the North Akron special meeting. Brokers who hold North Akron common shares in “street name” for the beneficial owners cannot vote these North Akron common shares on the adoption and approval of the Merger Agreement without specific instructions from the beneficial owners. If you fail to vote or if you mark “ABSTAIN” on your proxy card, or if your North Akron common shares are held in “street name” and you fail to instruct your broker how to vote, it will have the same effect as a vote “AGAINST” the adoption and approval of the Merger Agreement.

The North Akron board of directors does not expect any matter other than the adoption and approval of the Merger Agreement and, if necessary, the approval of the adjournment of the special meeting to solicit additional proxies, to be brought before the North Akron special meeting. If any other matters are properly brought before the special meeting for consideration, North Akron common shares represented by properly executed proxy cards will be voted, to the extent permitted by applicable law, in the discretion of the persons named in the proxy card in accordance with their best judgment.

Whether or not you attend the special meeting, the North Akron board of directors urges you to return your properly executed proxy card as soon as possible. If you return your properly executed proxy card prior to the special meeting and do not revoke it prior to its use, the North Akron common shares represented by that proxy card will be voted at the special meeting or, if appropriate, at any adjournment of the special meeting. North Akron's common shares will be voted as specified on the proxy card or, in the absence of specific instructions to the contrary, will be voted "FOR" the adoption and approval of the Merger Agreement and, if necessary, "FOR" the approval of the adjournment of the special meeting, if necessary, to solicit additional proxies.

If you have returned a properly executed proxy card, you may revoke it at any time before a vote is taken at the special meeting by:

## DISSENTERS' RIGHTS

### Rights of Dissenting North Akron Shareholders

Shareholders of North Akron are entitled to certain dissenters' rights pursuant to Sections 1701.84(A) and 1701.85 of the Ohio General Corporation Law. Section 1701.85 generally provides that shareholders of North Akron will not be entitled to such rights without strict compliance with the procedures set forth in Section 1701.85, and failure to take any one of the required steps may result in the termination or waiver of such rights. Specifically, any North Akron shareholder who is a record holder of North Akron common shares on , 2014, the record date for the North Akron special meeting, and whose shares are not voted in favor of the adoption of the Merger Agreement may be entitled to be paid the "fair cash value" of such North Akron common shares after the effective time of the Merger. To be entitled to such payment, a shareholder must deliver to North Akron a written demand for payment of the fair cash value of the shares held by such shareholder, before the vote on the Merger proposal is taken, and the shareholder must otherwise comply with Section 1701.85. Any written demand must specify the shareholder's name and address, the number and class of shares held by him, her or it on the North Akron record date, and the amount claimed as the "fair cash value" of such North Akron common shares. See the text of Section 1701.85 of the Ohio General Corporation Law attached as Annex B to this proxy statement/prospectus for specific information on the procedures to be followed in exercising dissenters' rights.

If North Akron so requests, dissenting shareholders must submit their share certificates to North Akron within 15 days of such request, for endorsement on such certificates by North Akron that a demand for appraisal has been made. Failure to comply with such request will terminate the dissenting shareholders' rights. Such certificates will be promptly returned to the dissenting shareholders by North Akron. If North Akron and any dissenting shareholder cannot agree upon the "fair cash value" of North Akron's common shares, either may, within three months after service of demand by the shareholder, file a petition in the Court of Common Pleas of Summit County, Ohio, for a determination of the "fair cash value" of such dissenting shareholder's North Akron common shares. The fair cash value of a North Akron common share to which a dissenting shareholder is entitled to under Section 1701.85 will be determined as of the day prior to the special meeting. The court may appoint one or more appraisers to determine the "fair cash value" and, if the court approves the appraisers' report, judgment will be entered for the "fair cash value," and the costs of the proceedings, including reasonable compensation of the appraisers, will be assessed or apportioned as the court considers equitable.

If a North Akron shareholder exercises his or her dissenters' rights under Section 1701.85, all other rights with respect to such shareholder's North Akron common shares will be suspended until North Akron purchases the shares, or the right to receive the fair cash value is otherwise terminated. Such rights will be reinstated should the right to receive the fair cash value be terminated other than by the purchase of the shares.

The foregoing description of the procedures to be followed in exercising dissenters' rights pursuant to Section 1701.85 of the Ohio General Corporation Law may not be complete and is qualified in its entirety by reference to the full text of Section 1701.85 attached as Annex B to this proxy statement/prospectus.

## THE MERGER

### The Proposed Merger

The Merger Agreement provides for the merger of North Akron with and into Peoples Bank, with Peoples Bank as the surviving entity (the “Merger”). The Merger Agreement is attached to this proxy statement/prospectus as Annex A and is incorporated in this proxy statement/prospectus by reference. You are encouraged to read the Merger Agreement carefully, as it is the legal document that governs the Merger.

### North Akron’s Background and Reasons for the Merger

#### Background of the Merger

The North Akron board of directors has concentrated on operating North Akron as a community bank serving its customers in Summit County. In early December 2013, at the annual Ohio Bankers League Chairman's Dinner in Columbus, Ohio, Mr. Charles W. Sulerzyski, President and Chief Executive Officer of Peoples, introduced himself to Stephen D. Hailer, President and Chief Executive Officer of North Akron, and stated that he would be interested in speaking about a potential merger between Peoples Bank and North Akron, and that such a merger could be beneficial to both Peoples’ and North Akron’s shareholders and customers. While Mr. Hailer advised Mr. Sulerzyski that North Akron was not currently seeking a merger transaction, he indicated that he would be willing to have such discussions in the future. The following week Mr. Sulerzyski called Mr. Hailer, but Mr. Hailer asked that any further conversations be postponed until late January.

Mr. Hailer advised members of the North Akron board of directors that Mr. Sulerzyski had approached him on the topic of a merger with Peoples Bank, and the members of the board of directors encouraged Mr. Hailer to continue the conversations. On January 30, 2014, Mr. Hailer met with Mr. Sulerzyski for extended discussions regarding a possible merger. At the conclusion of the meeting, Mr. Hailer requested that, if Peoples was interested in proposing a merger transaction to the North Akron board of directors, they should provide a letter of intent outlining the proposed terms. On January 31, 2014, Mr. Sulerzyski provided a letter to North Akron (the “January 31 Letter”) stating that, based on preliminary analysis, Peoples would be interested in a merger transaction with a total value of \$19 million (approximately \$7,224 per share) in cash and Peoples common shares, and that Peoples common shares would need to be at least 75% of the transaction consideration.

Following a meeting of the North Akron board of directors on February 11, 2014 at which the board authorized further discussions with Peoples, Mr. Hailer contacted Charles R. Crowley of Boenning & Scattergood, Inc., an investment banking firm (“Boenning”), to determine if Boenning would be in a position to issue a “fairness opinion” to North Akron concerning the proposed transaction with Peoples and to represent North Akron in connection with the negotiation of the proposed transaction. Jeffrey T. Heintz, vice chairman of the North Akron board of directors and a shareholder of the law firm Brouse McDowell, LPA (“Brouse McDowell”), contacted James S. Hogg, an attorney with Brouse McDowell that has been involved in a number of merger transactions, to see if Mr. Hogg and his firm would be able to assist North Akron with the proposed transaction. Both Mr. Crowley and Mr. Hogg provided engagement letters from their firms and the firms were retained to advise North Akron with respect to the proposed merger transaction.

Following a request from Boenning on behalf of North Akron for a more detailed description of the proposed transaction structure, on March 7, 2014, Peoples provided a letter (the “March 7 Letter”) outlining the terms of a proposed transaction, including a range of values (approximately \$19.4 million to approximately \$20.1 million) which Peoples might be willing to pay, based on the outcome of further due diligence, and requesting a 90-day period of exclusivity for negotiation with North Akron. Following a meeting of the North Akron board of directors on March

11, 2014 at which the board of directors reviewed the proposal with representatives from Boenning and Brouse McDowell, North Akron requested that the exclusivity period be reduced. On March 18, North Akron signed a version of the March 7 Letter (as executed, the "LOI") which contained the same proposed transaction terms, but granted Peoples a 45-day period of exclusivity for negotiation with North Akron.

On March 27, Mr. Sulerzyski and Mr. Hailer had an informal meeting with members of the management teams of Peoples and North Akron and a representative of Boenning to discuss the implications of the proposed merger. On April 2, Mr. Sulerzyski and members of the Peoples management team met informally with the North Akron board of directors, including Mr. Hailer, and with representatives from Boenning and Brouse McDowell, to discuss the potential benefits of the proposed merger to both Peoples and North Akron. During the five weeks following the execution of the LOI, Peoples and North Akron also each conducted further due diligence examinations regarding the other party and conducted negotiations of a definitive agreement, which was generally consistent with the terms outlined in the LOI. After these negotiations, on April, 21, 2014, the North Akron board of directors met in a special board session to review the definitive agreement and the fairness opinion of Boenning. Representatives of Boenning

also made a presentation as to the basis of their opinion. After consideration, the North Akron board of directors unanimously approved the transaction.

Mr. Hailer executed the Merger Agreement on behalf of North Akron on April 21, 2014. Each of the members of the North Akron board of directors executed a voting agreement as of that date obligating them to vote the shares of North Akron owned by them in favor of the Merger. The form of the voting agreement is attached as Exhibit A to the Merger Agreement, included as Annex A to this proxy statement/prospectus.

North Akron and Peoples issued a joint press release on April 21, 2014 concerning the transaction and Peoples filed a Current Report on Form 8-K with the SEC on that date, reporting that they had entered into the Merger Agreement.

#### North Akron's Reasons for the Merger

North Akron's board of directors determined that the Merger and the Merger consideration were in the best interests of North Akron and its shareholders and recommends that North Akron shareholders vote in favor of the approval and adoption of the Merger Agreement.

In its deliberations and in making its determination, North Akron's board of directors considered many factors including, without limitation, the following:

- the belief that the financial terms of the Merger are considered fair, from a financial standpoint, to the shareholders of North Akron, based upon the opinion of Boenning & Scattergood, Inc.;
- North Akron's community banking orientation and its compatibility with a similar operating philosophy of Peoples and Peoples Bank;
- the business, earnings, operations, financial condition, management, prospects, capital levels and asset quality of both North Akron and Peoples;
- the challenges to operating a small community bank in the current economic, regulatory and technological environment;
- Peoples' access to capital and managerial resources relative to that of North Akron;
- the provisions of the Merger Agreement;
- its desire to provide shareholders with the prospect for greater future appreciation on their investments in North Akron common shares than the amount the board of directors believed that North Akron could achieve independently;
- the greater liquidity of Peoples' common shares;
- pricing and other data from other similar transactions;
- North Akron's potential to better serve its customers and enhance its competitive position in the communities in which it operates due to Peoples' ability to offer more diverse financial products and services as a larger and more highly capitalized institution;
- the ability for North Akron's board to respond to an unsolicited offer from another entity and the amount and terms of the termination fee;
- the effect of the Merger on North Akron's employees, customers and community; and
- the dividend accretion to North Akron shareholders who receive Peoples' common shares in exchange for their North Akron common shares.

The above discussion of the information and factors considered by North Akron's board of directors is not intended to be exhaustive, but includes all material factors considered by the board in arriving at its determination to approve, and to recommend that the North Akron shareholders vote to approve the Merger Agreement. The North Akron board of directors did not assign any relative or specific weights to the above factors, and individual directors may have given differing weights to different factors.

#### Recommendation of the North Akron Board of Directors

The board of directors of North Akron unanimously approved the Merger Agreement. The board of directors of North Akron believes that the Merger is fair to and in the best interests of North Akron and its shareholders, and, as a result, the directors unanimously recommend that North Akron shareholders vote "FOR" the adoption and approval of the Merger Agreement.

#### Peoples' Reasons for the Merger

Peoples believes that the Merger is in the best interests of Peoples and its shareholders. In reaching this determination, the Peoples board of directors consulted with its management, as well as its accounting and legal advisors, and considered the projected pro forma impact of the Merger and a number of other factors, including, without limitation, the following:

- the long-term interests of Peoples and its shareholders, as well as the interests of its employees, customers, creditors and the communities in which Peoples operates;
- the opportunity to acquire a bank with deep community banking relationships;
- enhanced market share in Ohio with incremental high-quality, low-cost core deposits;
- the market area in which North Akron's offices are located is a market in which Peoples would like to expand to;
- Peoples believes it can realize cost savings and other benefits of size and operating efficiencies;
- Peoples believes that the Merger should assist it in maintaining its status as an independent holding company and Peoples Bank as a community bank; and
- the size and structure of the transaction allows Peoples to maintain its strong capital position and fund the cash portion of the transaction through current operations; additionally, the merged banks will also maintain a strong capital position allowing the organization to expand within its new markets.

The board of directors of Peoples also considered a variety of risks and other potentially negative factors in deliberations concerning the Merger. In particular, the board of directors of Peoples considered:

- the costs associated with the regulatory approval process, the costs associated with calling a special meeting of the North Akron shareholders and other Merger related costs; and
- the risks associated with combining the operations of North Akron with Peoples' existing operations, including difficulty in combining corporate, accounting, financial information and information systems.

The above discussion of the information and factors considered by Peoples' board of directors is not intended to be exhaustive, but includes all material factors considered by the board in arriving at its determination to approve. The board of directors of Peoples did not assign any relative or specific weights to the above factors, and individual directors may have given differing weights to different factors.

#### Opinion of North Akron's Financial Advisor

Boenning & Scattergood, Inc. ("Boenning") is acting as financial advisor to North Akron in connection with the merger. Boenning is a registered broker-dealer providing investment banking services with substantial expertise in transactions similar to the Merger. As part of its investment banking activities, Boenning is regularly engaged in the independent valuation of businesses and securities in connection with mergers, acquisitions, underwriting, private placements and valuations for estate, corporate and other purposes.

On April 21, 2014, Boenning rendered its oral opinion, which was subsequently confirmed in writing, to North Akron's board of directors that, as of such date, the Merger consideration to be received by the holders of North Akron's common shares pursuant to the Merger Agreement was fair, from a financial point of view, to such holders.

The full text of Boenning's written opinion dated April 21, 2014, which sets forth the assumptions made, matters considered and limitations of the review undertaken, is attached as Annex C to this proxy statement/prospectus and is incorporated herein by reference. You are urged to, and should, read the opinion carefully and in its entirety in connection with this proxy statement/prospectus. The summary of Boenning's opinion set forth in this proxy statement/prospectus is qualified

in its entirety by reference to the full text of the opinion. Boenning's opinion does not reflect any developments that may occur or may have occurred after the date of its opinion and prior to the completion of the Merger. North Akron imposed no limitations on the scope of Boenning's investigation or the procedures to be followed by Boenning in rendering its opinion. Boenning was not requested to, and did not, make any recommendation to the North Akron board of directors as to the form or amount of the consideration to be paid to North Akron's shareholders, which was determined through arm's length negotiations between the parties. In arriving at its opinion, Boenning did not ascribe a specific range of values to North Akron. Its opinion is based on the financial and comparative analyses described below.

In connection with its opinion, Boenning, among other things:

- reviewed the historical financial performances, current financial positions and general prospects of Peoples and

Boenning's opinion was given in reliance on information and representations made or given by Peoples and North Akron, and their respective officers, directors, auditors, counsel and other agents, and on filings, releases and other information issued by Peoples and North Akron including financial statements, financial projections, and stock price data as well as certain information from recognized independent sources. Boenning did not independently verify the information concerning Peoples and North Akron nor other data which Boenning considered in its review and, for purposes of its opinion, Boenning assumed and relied upon the accuracy and completeness of all such information and data. Boenning assumed that all forecasts and projections provided to it had been reasonably prepared and reflected the best currently available estimates and good faith judgments of the management of Peoples and North Akron as to their most likely future financial performance. Boenning expressed no opinion as to any financial projections or the assumptions on which they were based. Boenning did not conduct any valuation or appraisal of any assets or liabilities of Peoples or North Akron, nor have any such valuations or appraisals been provided to Boenning. Additionally, Boenning assumed that the Merger is, in all respects, lawful under applicable law.

With respect to anticipated transaction costs, purchase accounting adjustments, expected cost savings and other synergies and financial and other information relating to the general prospects of Peoples and North Akron, Boenning assumed that such information had been reasonably prepared and reflected the best currently available estimates and good faith judgment of the management of Peoples and North Akron as to their most likely future performance. Boenning further relied on the assurances of management of Peoples and North Akron that they were not aware of any facts or circumstances that would make any of such information inaccurate or misleading. Boenning was not asked to and did not undertake an independent verification of any of such information, and Boenning did not assume any responsibility or liability for the accuracy or completeness thereof. Boenning assumed that the allowances for loan losses indicated on the balance sheets of Peoples and North Akron were adequate to cover such losses; Boenning did not review individual loans or credit files of Peoples or North Akron. Boenning assumed that all of the representations and warranties contained in the Merger Agreement and all related agreements were true and correct, that each party under the agreements will perform all of the covenants required to be performed by such party under the agreements,

and that the conditions precedent in the agreements will not be waived. Boenning assumed that the Merger will qualify as a tax-free reorganization for federal income tax purposes. Also, in rendering its opinion, Boenning assumed that in the course of obtaining the necessary regulatory approvals for the

consummation of the Merger, no conditions will be imposed that will have a material adverse effect on the combined entity or contemplated benefits of the Merger, including the cost savings and related expenses expected to result from the Merger.

Boenning's opinion is based upon information provided to it by the management of Peoples and North Akron, as well as market, economic, financial and other conditions as they existed and could be evaluated only as of the date of its opinion and accordingly, it speaks to no other period. Boenning did not undertake to reaffirm or revise its opinion or otherwise comment on events occurring after the date of its opinion and did not have an obligation to update, revise or reaffirm its opinion. Boenning's opinion does not address the relative merits of the merger and the other business strategies that the North Akron board of directors has considered or may be considering, nor does it address the underlying business decision of the North Akron board of directors to proceed with the Merger. In connection with the preparation of Boenning's opinion, Boenning was not authorized to solicit, and did not solicit, third parties regarding alternatives to the Merger. Boenning expressed no opinion as to the value of Peoples' common shares when issued to holders of outstanding North Akron common shares pursuant to the Merger Agreement or the prices at which Peoples' common shares may trade at any time. Boenning's opinion was delivered for the information of the North Akron board of directors in connection with its evaluation of the merger and does not constitute a recommendation to the North Akron board of directors in connection with the Merger or a recommendation to any North Akron shareholder as to how such shareholder should vote or act with respect to the Merger.

In connection with rendering its opinion, Boenning performed a variety of financial analyses that are summarized below. This summary does not purport to be a complete description of such analyses. Boenning believes that its analyses and the summary set forth herein must be considered as a whole and that selecting portions of such analyses and the factors considered therein, without considering all factors and analyses, could create an incomplete view of the analyses and processes underlying its opinion. The preparation of a fairness opinion is a complex process involving subjective judgments and is not necessarily susceptible to partial analysis or summary description. In arriving at its opinion, Boenning considered the results of all of its analyses as a whole and did not attribute any particular weight to any analyses or factors considered by it. The range of valuations resulting from any particular analysis described below should not be taken to be Boenning's view of the actual value of North Akron.

In its analyses, Boenning made numerous assumptions with respect to industry performance, business and economic conditions, and other matters, many of which are beyond the control of North Akron or Peoples. Any estimates contained in Boenning's analyses are not necessarily indicative of actual future values or results, which may be significantly more or less favorable than suggested by such estimates. Estimates of values of companies do not purport to be appraisals or necessarily reflect the actual prices at which companies or their securities actually may be sold. No company or transaction utilized in Boenning's analyses was identical to North Akron or Peoples or the Merger. Accordingly, an analysis of the results described below is not mathematical; rather, it involves complex considerations and judgments concerning differences in financial and operating characteristics of the companies and other facts that could affect the public trading value of the companies to which they are being compared. None of the analyses performed by Boenning was assigned a greater significance by Boenning than any other, nor does the order of analyses described represent relative importance or weight given to those analyses by Boenning. The analyses described below do not purport to be indicative of actual future results, or to reflect the prices at which North Akron common stock or Peoples common stock may trade in the public markets, which may vary depending upon various factors, including changes in interest rates, dividend rates, market conditions, economic conditions and other factors that influence the price of securities.

In accordance with customary investment banking practice, Boenning employed generally accepted valuation methods in reaching its opinion. The following is a summary of the material financial analyses that Boenning used in providing its opinion on April 21, 2014. Some of the summaries of financial analyses are presented in tabular format. In order to understand the financial analyses used by Boenning more fully, you should read the tables together with the text of each summary. The tables alone do not constitute a complete description of Boenning's financial analyses, including the methodologies and assumptions underlying the analyses, and if viewed in isolation could create a misleading or incomplete view of the financial analyses performed by Boenning. The summary data set forth below do not represent and should not be viewed by anyone as constituting conclusions reached by Boenning with respect to any of the

analyses performed by it in connection with its opinion. Rather, Boenning made its determination as to the fairness of the Merger consideration to the holders of North Akron common shares, from a financial point of view, on the basis of its experience and professional judgment after considering the results of all of the analyses performed. Accordingly, the data included in the summary tables and the corresponding imputed ranges of value for North Akron should be considered as a whole and in the context of the full narrative description of all of the financial analyses set forth in the following pages, including the assumptions underlying these analyses. Considering the data included in the summary table without considering the full narrative description of all of the financial analyses, including the assumptions underlying these analyses, could create a misleading or incomplete view of the financial analyses performed by Boenning.

In connection with rendering its opinion and based upon the terms of the draft merger agreement reviewed by it, Boenning assumed the effective consideration to be 80% Peoples common shares and 20% cash. The number of Peoples' common shares issuable in exchange for each North Akron common share will not be fixed until immediately prior to closing, so the price of the stock consideration received by the North Akron shareholders will not fluctuate between signing and closing. Each North Akron common share will be eligible to receive \$7,655.00 of consideration in cash or a to-be-determined number of Peoples' common shares valued at \$7,655.00 in the manner provided in the Merger Agreement. The total Merger consideration is \$20.1 million.

Comparison of Selected Companies. Boenning reviewed and compared the multiples and ratios of the current estimated price of North Akron common stock to North Akron book value, tangible book value, latest twelve months earnings per share, assets, tangible book premium to core deposits, and deposits, such multiples referred to herein as the pricing multiples, with the median pricing multiples for the current trading prices of the common stock of a peer group of eleven selected public banks and thrifts with assets between \$100 million and \$200 million, tangible common equity to assets between 8% and 11%, nonperforming assets to assets less than 3%, and latest twelve months core return on equity between 0% and 6%. Boenning first applied the resulting range of pricing multiples for the peer group specified above to the appropriate financial results without the application of any control premium, referred to as the unadjusted trading price. Boenning then applied a 27.8% control premium to the trading prices of the peer group specified above, referred to as the adjusted trading price, and compared the pricing multiples of the offer price to the median pricing multiples for the peer group adjusted trading prices. The 27.8% equity control premium is the median one day stock price premium for all bank and thrift merger and acquisition deals announced since January 1, 2000, based on data from SNL Financial.

Boenning analyzed certain information relating to recent transactions in the banking industry, consisting of (i) nine selected bank and thrift deals announced since January 1, 2013, with target headquartered in Ohio or contiguous states, assets less than \$500 million, latest twelve months return on equity between 0% and 7% and nonperforming assets to assets less than 4%, referred to below as Group A; and (ii) 12 selected nationwide bank and thrift transactions announced since January 1, 2013, with target assets between \$75 million and \$250 million, latest twelve months return on equity between 0% and 5%, and nonperforming assets to assets less than 4%, referred to below as Group B. Boenning then reviewed and compared the pricing multiples of the offer price and the median pricing multiples of the selected transaction values for Group A and Group B.

**Present Value Analysis.** Applying present value analysis to North Akron's theoretical future earnings, dividends and tangible book value, Boenning compared the offer price for one share of North Akron common stock to the present value of one share of North Akron common stock on a stand-alone basis. The analysis was based upon North Akron management's projected earnings growth, a range of assumed price/earnings ratios, a range of assumed price/tangible book value ratios and a 13.5% discount rate, which was determined using the Capital Asset Pricing Model which takes into account certain factors such as the current risk free rate, the beta of bank stocks compared to the broader market and the Ibbotson risk premium for small, illiquid stocks. The valuation was completed with a sensitivity analysis on the discount rate ranging from 9.5% to 17.5%. Boenning derived the range of terminal price/earnings multiple of 16.5x and terminal price/tangible book value multiple of 125.4% from the trading multiples of the SNL Micro Cap U.S. Bank and Thrift Index as of April 17, 2014. Sensitivity analyses for terminal price/earnings and price/tangible book ranged from 14.5x to 18.5x and 105% to 145%, respectively. The present value of North Akron common stock calculated on a stand-alone basis ranged from \$2,273.81 to \$4,051.34 per share based on price/earnings multiples and from \$3,034.27 to \$5,860.48 per share based on price/tangible book value multiples, compared to the offer price of \$7,655.00 per share. This analysis does not purport to be indicative of actual future results and does not purport to reflect the prices at which shares of North Akron common stock may trade in the public markets. A present value analysis was included because it is a widely used valuation methodology, but the results of such methodology are highly dependent upon the numerous assumptions that must be made, including earnings growth rates, dividend payout rates and discount rates.

**Discounted Cash Flow Analysis.** Discounted cash flow analysis approximates the value of a share of stock to an acquiror by calculating the present value of the target's dividendable cash flow in perpetuity. This analysis assumed a short-term earnings growth rate of 5.0% and a long-term growth rate of 2.5%, as well as a short-term balance sheet growth rate of 1.0% and a long-term growth rate of 2.5%, based on guidance from North Akron's management. The estimated cost savings of 45%, transaction costs of \$2.11 million after tax, credit mark of 2% and Federal Home Loan Bank prepayment penalty of 6% were based on guidance provided by Peoples. A discount rate of 13.5% was determined using the Capital Asset Pricing Model, which takes into account certain factors such as the current risk free rate, the beta of bank stocks compared to the broader market and the Ibbotson risk premium for small, illiquid stocks. Sensitivity analyses for discount rates and cost savings ranged from 11.5% to 15.5% and 35.0% to 55.0%, respectively. The present value of North Akron common stock calculated using discounted cash flow analysis ranged from \$4,965.41 per share to \$9,925.68 per share based on the cost savings estimates and discount rates used, compared to the offer price of \$7,655.00 per share. This analysis does not purport to be indicative of actual future results and does not purport to reflect the prices at which shares of North Akron common stock may trade in the public markets. A discounted cash flow analysis was included because it is a widely used valuation methodology, but the results of such methodology are highly dependent upon the numerous assumptions that must be made, including earnings growth rates, dividend payout rates and discount rates.

**Pro Forma Merger Analysis.** Boenning analyzed certain potential pro forma effects of the Merger, assuming the following: (i) each share of North Akron common stock will be eligible to receive consideration of \$7,655.00; (ii) multiples for North Akron based on a price of \$7,655.00 per share equate to 145% price to tangible book and 56.5x North Akron's latest twelve months' earnings per share; (iii) consideration structured 80% Peoples stock and 20% cash; (iv) North Akron estimated stand-alone core earnings: \$383,000 or \$145.62 per share in 2014 and \$395,000 or \$150.18 per share in 2015; (v) Peoples estimated stand-alone earnings: \$20.13 million or \$1.90 per share in 2014 and \$25.27 million or \$2.17 per share in 2015; (vi) one-time cash transaction expenses of \$2.5 million; (vii) \$1.9 million (45.0% of non-interest expense) in estimated annual pre-tax expense savings, with 100% of cost savings realized by 2015; (viii) gross loan credit mark of \$2.4 million (approximately 2.0% of gross loans) inclusive of the \$1.3 million allowance for loan losses; (ix) fair value adjustment on Federal Home Loan Bank advances of \$1.4 million (approximately 6.0% of face value); and (x) certain other assumptions pertaining to costs and expenses associated with the transaction, intangible amortization, opportunity cost of cash and other items. Peoples had previously announced pending acquisitions of Midwest Bancshares, Inc. and Ohio Heritage Bancorp, Inc., the balance sheet impact of which was not reflected in the analysis. Should both transactions close, they would add approximately \$344 million in assets and \$38 million in equity to Peoples' balance sheet and result in the issuance of 1.32 million new

Peoples common shares. Tangible common equity / tangible assets would increase from 7.29% to 7.37% and tangible book value would increase from \$13.79 to \$14.12. The analyses indicated that, for the full years 2015 and 2016, the merger (excluding transaction expenses) would be accretive to North Akron's and the combined company's projected earnings per share and accretive to North Akron's per share equivalent dividends. The actual results achieved by the combined company may vary from projected results and the variations may be material.

As described above, Boenning's opinion was just one of the many factors taken into consideration by the North Akron board of directors in making its determination to approve the Merger.

Boenning, as part of its investment banking business, regularly is engaged in the valuation of assets, securities and companies in connection with various types of asset and security transactions, including mergers, acquisitions, private

placements, public offerings and valuations for various other purposes, and in the determination of adequate consideration in such transactions. In the ordinary course of Boenning's business as a broker-dealer, it may, from time to time, purchase securities from, and sell securities to, Peoples and North Akron or their respective affiliates. In the ordinary course of business, Boenning may also actively trade the securities of Peoples and North Akron for its own account and for the accounts of customers and accordingly may at any time hold a long or short position in such securities.

Boenning will receive a fee of \$75,000 for rendering its opinion. However, such amount will be credited against the total estimated financial advisory fee of \$302,000 to be paid to Boenning upon the closing of the Merger. Boenning's fee for rendering its opinion is not contingent upon any conclusion that Boenning may reach or upon completion of the Merger. North Akron has also agreed to indemnify Boenning against certain liabilities that may arise out of Boenning's engagement.

Boenning has not had any material relationship with Peoples or North Akron during the past two years in which compensation was received or was intended to be received as a result of the relationship between Boenning and Peoples or North Akron. Boenning may provide investment banking services to Peoples in the future, although as of the date of Boenning's opinion, there was no agreement to do so.

Boenning's opinion was approved by Boenning's fairness opinion committee. Boenning did not express any opinion as to the fairness of the amount or nature of the compensation to be received in the Merger by the officers, directors, or employees of any party to the Merger Agreement, or any class of such persons, relative to the compensation to be received by the holders of North Akron common stock in the Merger.

#### Regulatory Approvals Required

The Merger must receive approval from both the OCC and the Federal Reserve before the proposed Merger may be consummated. Peoples has received such approval to consummate the Merger from the OCC, and has submitted an application to the Federal Reserve for such approval; this application is currently pending.

The approval of any regulatory applications merely implies the satisfaction of regulatory criteria for approval, which does not include review of the adequacy or fairness of the Merger consideration to North Akron shareholders. Furthermore, regulatory approvals do not constitute or imply any endorsement or recommendation of the Merger or the terms of the Merger Agreement.

#### Interests of North Akron Directors and Officers in the Merger

As described below, some of North Akron's directors and executive officers have interests in the Merger that may be different from, or in addition to, the interests of North Akron shareholders generally. The North Akron board of directors was aware of these interests and considered them in approving the Merger Agreement.

#### Severance Payments

Under the terms of the Merger Agreement, Peoples shall pay to each employee, including officers, of North Akron who (i) is not subject to an existing contract providing for severance and/or a change in control payment, (ii) is an employee of North Akron immediately before the effective time of the Merger, (iii) has been an employee of North Akron for at least six months prior to the effective time of the Merger, and (iv) is not offered continued employment by Peoples or any of its subsidiaries after the effective time of the Merger, or is offered employment more than 25 miles outside of the employee's current branch location, or at a salary less than his or her current salary, or is involuntarily terminated by Peoples without cause during the first six months after the effective time of the Merger, a severance amount equal to two weeks base pay multiplied by the number of whole years of service of such employee with North Akron, less applicable local, state and federal tax withholding; provided, however, that the minimum severance payment shall equal four weeks of base pay, and the maximum severance payment shall not exceed 26 weeks of base pay. Further, for any employee of North Akron participating in North Akron's group health program at the effective time of the Merger who is entitled to a severance payment, the employee will be able to purchase health

insurance coverage for the employee and for any spouse or other dependent covered by North Akron's group health program at the effective time of the Merger, at the full premium rate for the entire COBRA period.

**Advisory Board**

Peoples has agreed to establish and maintain, for a period of one year following the effective date of the Merger, an advisory board that will be comprised of outside directors of North Akron who desire to participate. The advisory board shall meet every other month during such one year period for the purpose of advising Peoples on client relations and post-acquisition transition matters.

**Indemnification and Directors' and Officers' Liability Insurance**

For a period of six years following the effective time of the Merger and subject to compliance with applicable state and federal laws, Peoples will indemnify each person who served as a director or officer of North Akron before the effective time of the Merger to the fullest extent provided by North Akron's governing documents, from and against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement in connection with any threatened, pending or completed action, suit or proceeding by reason of the fact that the person was an officer or director of North Akron. In addition, the Merger Agreement provides that, prior to the Merger, North Akron will purchase a directors' and officers' liability insurance policy to be effective for up to six years following the effective date of the Merger, on terms no less advantageous than those contained in North Akron's existing policy.

**Change in Control Payments**

North Akron has entered into employment agreements and/or change in control agreements with certain executive officers. Pursuant to those agreements, upon a change in control caused by the Merger, the individuals will be entitled to a lump sum payment if their employment by Peoples Bank terminates within a specified period following the Merger. The change in control payments under the aforementioned agreements would be paid by Peoples or Peoples Bank at or following the effective date of the Merger.

It is currently anticipated that Mr. Winebrenner and Ms. Wichman will be paid the full amount of their lump sum payments at the time of the Merger. Mr. Hailer has agreed to terminate his change of control agreement and to enter into an employment agreement with Peoples Bank for a period through December 31, 2015, pursuant to which Mr. Hailer would receive a base salary of \$180,000 and a restricted stock grant with a value of \$50,000. Mr. Hailer would not participate in any incentive compensation plans of Peoples during the period of the employment agreement and such agreements will include a covenant not to compete with Peoples. Mr. Fehr has also agreed to terminate his change of control agreement and enter into an employment agreement with Peoples Bank, pursuant to which Mr. Fehr would receive a base salary of \$88,500 and would receive a payment in February 2015 which would not exceed the amount of the Change of Control Lump Sum Payment specified below. The anticipated payment values under the agreements are set forth below.

Recipient	Change of Control Lump Sum Payment
Bryan Fehr	\$106,907
Stephen Hailer	\$176,634
Margaret Wichman	\$103,000
Kurt Winebrenner	\$124,103

**Material U.S. Federal Income Tax Consequences of the Merger**

**Reorganization Treatment**

The Merger will be a reorganization within the meaning of Section 368(a)(1)(A) of the Internal Revenue Code, and Peoples and North Akron each will be a "party to the reorganization" within the meaning of Section 368(b) of the Internal Revenue Code.

**Tax Consequences to Peoples and North Akron**

**No Gain or Loss.** No gain or loss will be recognized by Peoples or North Akron as a result of the Merger.

**Tax Basis.** The tax basis of the assets of North Akron in the hands of Peoples will be the same as the tax basis of such assets in the hands of North Akron immediately prior to the Merger.

**Holding Period.** The holding period of the assets of North Akron to be received by Peoples will include the period during which such assets were held by North Akron.

**Tax Consequences to North Akron Shareholders who Receive Only Peoples' Common Shares**

No gain or loss will be recognized by a North Akron shareholder who receives solely Peoples' common shares (except for cash received in lieu of fractional shares, as discussed below) in exchange for all of its North Akron common shares. The tax basis of the Peoples' common shares received by a North Akron shareholder in such exchange will be equal (except for the

basis attributable to any fractional Peoples' common shares, as discussed below) to the basis of North Akron's common shares surrendered in exchange for the Peoples' common shares. For shares held through a broker, the designation is made by giving written notice to the broker. For shares held in certificate form by the shareholder, the designation is made by a written designation in the shareholder's records. For tax purposes, the holding period of the Peoples' common shares received will include the holding period of North Akron common shares surrendered in exchange for the Peoples' common shares, provided that such shares were held as capital assets of the North Akron shareholder at the effective time of the Merger.

#### Tax Consequences to North Akron Shareholders who Receive Only Cash

A North Akron shareholder who receives solely cash in exchange for all of its North Akron common shares (and is not treated as constructively owning Peoples' common shares after the Merger under the circumstances referred to below under "Possible Dividend Treatment") will recognize a gain or loss for federal income tax purposes equal to the difference between the cash received and such shareholder's tax basis in North Akron's common shares surrendered in exchange for the cash. Such gain or loss will be a capital gain or loss, provided that such shares were held as capital assets of the North Akron shareholder at the effective time of the Merger. Such gain or loss will be long-term capital gain or loss if the North Akron shareholder's holding period is more than one year. The Internal Revenue Code contains limitations on the extent to which a taxpayer may deduct capital losses from ordinary income.

#### Tax Consequences to North Akron Shareholders who Receive a Combination of Cash and Peoples' Common Shares

A North Akron shareholder who receives a combination of Peoples' common shares and cash in exchange for its North Akron common shares will not be permitted to recognize any loss for federal income tax purposes. Such a shareholder will recognize gain, if any, equal to the lesser of (i) the amount of cash received or (ii) the amount of gain "realized" in the transaction. The amount of gain a North Akron shareholder "realizes" will equal the amount by which (a) the cash plus the fair market value, at the effective time of the Merger, of Peoples' common shares received exceeds (b) the shareholder's basis in North Akron's common shares to be surrendered in the exchange for the cash and Peoples' common shares. Any recognized gain could be taxed as a capital gain or a dividend, as described below. The tax basis of the Peoples' common shares received by such North Akron shareholder will be the same as the basis of the North Akron common shares surrendered in exchange for the Peoples' common shares, plus any gain recognized by such shareholder in the Merger, and minus any cash received by the shareholder in the Merger. The holding period for Peoples' common shares received by such North Akron shareholder will include such shareholder's holding period for North Akron's common shares surrendered in exchange for the Peoples' common shares, provided that such shares were held as capital assets of the shareholder at the effective time of the Merger.

A North Akron shareholder's federal income tax consequences will also depend on whether its North Akron common shares were purchased at different times and/or at different prices. If they were, the North Akron shareholder could realize gain with respect to some of the North Akron common shares and loss with respect to other shares. Such North Akron shareholder would have to recognize such gain to the extent such shareholder receives cash with respect to those shares in which the shareholder's adjusted tax basis is less than the amount of cash plus the fair market value at the effective time of the Merger of the Peoples' common shares received, but could not recognize loss with respect to those shares in which the North Akron shareholder's adjusted tax basis is greater than the amount of cash plus the fair market value at the effective time of the Merger of Peoples' common shares received. Any disallowed loss would be included in the adjusted basis of Peoples' common shares. Such a North Akron shareholder is urged to consult its own tax advisor respecting the tax consequences of the Merger to that shareholder.

#### Possible Dividend Treatment

In certain circumstances, a North Akron shareholder who receives a combination of cash and Peoples' common shares in the Merger may receive ordinary income, rather than capital gain, treatment on all or a portion of the gain recognized by that shareholder if the receipt of cash "has the effect of the distribution of a dividend." In general, the determination of whether such gain recognized will be treated as capital gain or has the effect of a distribution of a dividend depends upon whether and to what extent the exchange reduces the shareholder's deemed percentage of stock ownership of Peoples. For purposes of this determination, the shareholder generally will be treated as if it first exchanged all of its North Akron common shares solely for Peoples' common shares and then Peoples immediately

redeemed a portion of Peoples' common shares in exchange for the cash the holder actually received, which redemption shall be referred to herein as a "deemed redemption." Such gain recognized by a shareholder pursuant to the deemed redemption will be treated as a capital gain if the deemed redemption is (i) "substantially disproportionate" with respect to the shareholder (and, after the deemed redemption, the holder actually or constructively owns less than 50% of the voting power of the outstanding Peoples' common shares) or (ii) not "essentially equivalent to a dividend."

The deemed redemption will be "substantially disproportionate" with respect to a holder if the percentage of the outstanding Peoples' common shares that the holder actually and constructively owns immediately after the deemed redemption

is less than 80% of the outstanding Peoples' common shares that the shareholder is deemed actually and constructively to have owned immediately before the deemed redemption. The deemed redemption will not be considered to be "essentially equivalent to a dividend" if it results in a "meaningful reduction" in the shareholder's deemed percentage of stock ownership of Peoples. In applying the above tests, the shareholder may, under the constructive ownership rules, be deemed to own stock that is owned by other persons or otherwise in addition to the stock the holder actually owns or owned.

As these rules are complex and dependent upon each shareholder's specific circumstances, each North Akron shareholder should consult its own tax advisor to determine whether it may be subject to these rules.

#### Cash in Lieu of Fractional Shares

A North Akron shareholder that receives cash in lieu of a fractional Peoples' common share generally will be treated as having received such fractional share and then having received such cash in redemption of such fractional share. Gain or loss generally will be recognized based on the difference between the amount of cash received in lieu of the fractional share and the portion of the shareholder's aggregate adjusted basis in the shares of North Akron stock surrendered which is allocable to the fractional share. Such gain or loss generally will be long-term capital gain or loss if the shareholder's holding period for its North Akron stock exceeds one year at the effective time of the Merger.

#### Backup Withholding

Under certain circumstances, cash payments made to a holder of North Akron common shares pursuant to the Merger may be subject to backup withholding at a rate of 28% of the cash payable to the holder, unless the holder furnishes its taxpayer identification number in the manner prescribed in applicable Treasury regulations, certifies that such number is correct, certifies as to no loss of exemption from backup withholding and meets certain other conditions. Any amounts withheld from payments to a holder under the backup withholding rules will be allowed as a refund or credit against the holder's U.S. federal income tax liability, provided the required information is furnished to the Internal Revenue Service.

The discussion of material federal income tax consequences of the Merger is included in this proxy statement/prospectus for general information only. Each North Akron shareholder should consult with his, her or its own tax advisor regarding the specific tax consequences to the shareholder of the Merger, including the application and effect of state, local, and foreign income and other tax laws.

#### Accounting Treatment

The Merger will be accounted for under the acquisition method of accounting in accordance with U.S. GAAP. Under the acquisition method of accounting, the assets and liabilities of North Akron will be recorded and assumed at estimated fair values at the time the Merger is consummated. The excess of the estimated fair value of Peoples' common shares issued and the cash proceeds paid over the net fair values of the assets acquired, including identifiable intangible assets, and liabilities assumed will be recorded as goodwill and will not be deductible for income tax purposes. Goodwill will be subject to an annual test for impairment and the amount impaired, if any, will be charged as an expense at the time of impairment.

#### Resale of Peoples' Common Shares

Peoples has registered its common shares to be issued in the Merger with the SEC under the Securities Act of 1933, as amended (the "Securities Act"). No restrictions on the sale or other transfer of Peoples' common shares issued in the Merger will be imposed solely as a result of the Merger, except for restrictions on the transfer of Peoples' common shares issued to any North Akron shareholder who may become an "affiliate" of Peoples for purposes of Rule 144 under the Securities Act. The term "affiliate" is defined in Rule 144 under the Securities Act and generally includes executive officers, directors and shareholders beneficially owning 10% or more of the outstanding Peoples' common shares.

## Employee Matters

The Merger Agreement provides that employees of North Akron who become employees of Peoples as a result of the Merger will, as determined by Peoples, participate in either North Akron's employee benefit plans or, as soon as administratively practicable, in the employee benefit plans sponsored by Peoples for Peoples' employees. Employees of North Akron will receive credit for their years of service with North Akron, as applicable, for participation and vesting purposes under the applicable Peoples employee benefit plans, including credit for years of service and for seniority under vacation and sick pay plans and programs. The employee benefit plans offered to North Akron employees who become employees of Peoples will be substantially similar to those offered to similarly situated employees of Peoples. In addition, Peoples will waive all restrictions and limitations for pre-existing conditions under the Peoples group health plan and insurance policy.

Subject to any applicable regulatory restrictions, Peoples has agreed to pay to each employee of North Akron who (i) is not subject to an existing contract providing for severance and/or a change in control payment, (ii) is an employee of North Akron immediately before the effective time of the Merger, (iii) has been an employee of North Akron for at least six months prior to the Effective Time, and (iv) is not offered continued employment by Peoples or any of its subsidiaries after the effective time of the Merger, or is offered employment more than 25 miles outside of the employee's current branch location, or at a salary less than his or her current salary, or is involuntarily terminated by Peoples without cause during the first six months after the Effective Time, a severance amount. The severance amount will be equal to two weeks' base pay multiplied by the number of whole years of service of such employee with North Akron, less applicable local, state and federal tax withholding; provided, however, that the minimum severance payment shall equal four weeks of base pay, and the maximum severance payment shall not exceed 26 weeks of base pay. Further, for any employee of North Akron participating in North Akron's group health program at the effective time of the Merger who is entitled to a severance payment, the employee will be able to purchase health insurance coverage for the employee and for any spouse or other dependent covered by North Akron's group health program at the effective time of the Merger, at the full premium rate for the entire COBRA period.

#### ADJOURNMENT OF THE NORTH AKRON SPECIAL MEETING

In the event there are not sufficient votes to adopt and approve the Merger Agreement at the time of the North Akron special meeting, the North Akron shareholders cannot adopt and approve the Merger Agreement unless the special meeting is adjourned to a later date or dates in order to permit the solicitation of additional proxies. Pursuant to Ohio law, no notice of a meeting adjourned for less than 30 days needs to be given if the time and place to which the meeting is adjourned are fixed and announced at the meeting.

The proposal to adjourn the special meeting must be approved by the holders of a majority of North Akron's common shares present, in person or by proxy, at the special meeting. In order to permit proxies that have been received by North Akron at the time of the North Akron special meeting to be voted for an adjournment, if necessary, North Akron has submitted the proposal to adjourn the special meeting to the North Akron shareholders as a separate matter for their consideration.

The board of directors of North Akron recommends that you vote "FOR" the proposal to adjourn the special meeting.

## THE MERGER AGREEMENT

The following is a description of the material terms of the Merger Agreement. A complete copy of the Merger Agreement is attached as Annex A to this proxy statement/prospectus and is incorporated into this proxy statement/prospectus by reference. We encourage you to read the Merger Agreement carefully, as it is the legal document that governs the Merger.

The Merger Agreement contains representations and warranties of North Akron and Peoples. The assertions embodied in those representations and warranties are qualified by information contained in confidential disclosure schedules that the parties delivered in connection with the execution of the Merger Agreement. In addition, certain representations and warranties were made as of a specific date, may be subject to a contractual standard of materiality different from the standard of materiality generally applicable to statements made by a corporation to shareholders or may have been used for purposes of allocating risk between the respective parties rather than establishing matters as facts. Accordingly, you should not rely on the representations and warranties as characterizations of the actual state of facts, or for any other purpose, at the time they were made or otherwise.

### The Merger

Pursuant to the terms and subject to the conditions of the Merger Agreement, North Akron will merge with and into Peoples Bank, with Peoples Bank surviving the Merger and continuing as a national banking association.

### Effective Time

Peoples and North Akron will cause the effective time of the Merger to occur as soon as practicable after the last of the conditions set forth in the Merger Agreement have been satisfied or waived. Unless Peoples and North Akron otherwise agree in writing, the effective time of the Merger will not be later than January 31, 2015. The Merger will become effective upon the latest to occur of (a) the filing of a certificate of merger with the Ohio Secretary of State, or (b) at a later time that Peoples and North Akron agree to in writing and specify in the certificate of merger.

Peoples and North Akron currently anticipate closing the Merger and filing the certificate of merger with the Ohio Secretary of State in the fourth quarter of 2014.

### Merger Consideration

Under the terms of the Merger Agreement, shareholders of North Akron will be entitled to receive after the Merger is completed, for each North Akron common share:

\$7,655.00 in cash, or  
\$7,655.00 in Peoples' common shares (based upon the average closing sale price of a Peoples' common share on the NASDAQ Global Select Market® for the 20 consecutive trading days immediately preceding the effective date of the Merger (the "Peoples Market Price")), or  
a combination of both.

The form of consideration to be received by each North Akron shareholder is subject to reallocation in order to ensure that 20% of the Merger consideration will consist of cash and 80% of the Merger consideration will consist of Peoples' common shares.

Peoples will not issue any fractional common shares in connection with the Merger. Instead, each holder of North Akron common shares who would otherwise be entitled to receive a fraction of a share of Peoples' common shares

(after taking into account all shares of North Akron common shares owned by such holder at the effective time of the Merger) will receive cash, without interest, in an amount equal to the Peoples fractional common share to which such holder would otherwise be entitled to multiplied by the Peoples Market Price.

At the effective time of the Merger, North Akron's common shares will no longer be outstanding and will automatically be cancelled and cease to exist, and holders of North Akron common shares will cease to be, and will have no rights as, shareholders of North Akron, other than to receive the Merger consideration pursuant to the terms and conditions of the Merger Agreement (and dissenters' rights under Section 1701.85 of the Ohio General Corporation Law in the case of North Akron common shares as to which a holder has properly exercised dissenters' rights).

## Election and Payment Procedures; Surrender of Certificates

An election form (an "Election Form") will be mailed approximately ten business days following the date on which this proxy statement/prospectus is mailed to each holder of record of shares of North Akron common shares as of a record date which shall be the same date as the record date for eligibility to vote on the Merger. Each Election Form shall permit the holder (or in the case of nominee record holders, the beneficial owner through proper instructions and documentation) (i) to elect to receive Peoples' common shares with respect to all of such holder's North Akron common shares, (ii) to elect to receive cash with respect to all of such holder's North Akron common shares, (iii) to elect to receive cash with respect to some of such holder's North Akron common shares and to receive Peoples' common shares with respect to such holder's remaining North Akron common shares, or (iv) to indicate that such holder makes no such election with respect to such holder's North Akron common shares ("No Election Shares"). Any North Akron common shares with respect to which the holder has elected to receive cash are hereinafter referred to as "Cash Election Shares," and any North Akron common shares with respect to which the holder has elected to receive Peoples' common shares are hereinafter referred to as "Stock Election Shares." Any North Akron common shares with respect to which the holder thereof shall not have made, as of the Election Deadline (as defined below), an election by submission to Wells Fargo Shareowner Services, as Peoples' exchange agent (the "Exchange Agent"), of an effective, properly completed Election Form shall be deemed to be No Election Shares. Any shares held by holders exercising their dissenter's rights shall be deemed to be Cash Election Shares for purposes of reallocation of the Merger consideration, if applicable.

Any election to receive cash, Peoples' common shares or a combination of cash and Peoples' common shares will be considered to have been properly made by a North Akron shareholder only if the Exchange Agent receives a properly completed Election Form by the deadline set forth in the Election Form (the "Election Deadline"), accompanied by one or more certificates representing North Akron common shares ("Old Certificate(s)") (or customary affidavits and, if required by Peoples, indemnification regarding the loss or destruction of such Old Certificates) representing all North Akron common shares covered by such Election Form, together with duly executed transmittal materials included with the Election Form. Any North Akron shareholder who does not return an Election Form prior to the Election Deadline will receive a transmittal letter from the Exchange Agent as soon as practicable after the Election Deadline. The transmittal letter to be returned by mail from the North Akron shareholder will be deemed properly completed only if accompanied by the Old Certificates to be converted into cash, Peoples' common shares or some combination of both.

Any submitted Election Form may be revoked or changed by written notice to the Exchange Agent prior to the Election Deadline. The Exchange Agent shall be required to make all determinations as to when any election, modification or revocation has been received and whether any such election, modification or revocation has been properly made.

Promptly, and not more than three business days after the effective time of the Merger, the Exchange Agent will cause new certificates representing Peoples' common shares into which a shareholder's North Akron common shares were converted in the Merger, and a check in respect of cash to be paid as part of the Merger consideration and in respect of any fractional share interests or dividends or distributions which such shareholder is entitled to receive, to be delivered to the shareholder. No interest will be paid on any cash to be paid in exchange for North Akron common shares or in respect of any fractional share interests, dividends or distributions which any shareholder is entitled to receive under the terms of the Merger Agreement. Peoples shall not be responsible for lost, stolen, or damaged stock certificates or checks as a result of delivery to the shareholder.

Until surrendered, each North Akron stock certificate will be deemed after the effective time of the Merger to represent only the right to receive, upon surrender of such certificate, a Peoples stock certificate and/or a check in an amount equal to the sum of the cash to be paid to the holder as part of the Merger consideration, any cash to be paid in

lieu of any fractional Peoples' common shares to which the holder is entitled under the terms of the Merger Agreement and any cash to be paid in respect of any dividends or distributions to which the holder may be entitled with respect to his or her Peoples' common shares (in each case, without interest).

A North Akron shareholder will not be entitled to receive payment of any dividends or distributions with respect to Peoples' common shares with a record date occurring after the effective time of the Merger until the shareholder has followed the procedures described above for surrendering his or her North Akron stock certificates. After a North Akron shareholder has properly surrendered his or her North Akron stock certificates in exchange for Peoples' common shares, the shareholder will be entitled to receive any dividends or distributions on Peoples' common shares with a record date occurring on or after the effective time of the Merger. No interest will be paid on any such dividends or distributions.

If any North Akron stock certificate has been lost, wrongfully taken, or destroyed, the transmittal materials received from the Exchange Agent will explain the steps that the North Akron shareholder must take.

### Reallocation of Peoples' Common Shares and Cash

All elections by North Akron shareholders are subject to the allocation procedures described in the Merger Agreement. These procedures are intended to ensure that 20% of the Merger consideration will consist of cash and 80% of the Merger consideration will consist of Peoples' common shares. As a result, the Merger Agreement describes procedures to be followed if North Akron shareholders in the aggregate elect to receive more or fewer shares of Peoples' common shares than Peoples has agreed to issue. These procedures are summarized below:

**Undersubscription of Cash Elections:** If the number of Cash Election Shares (including cash to be paid in lieu of fractional Peoples' common shares) is less than 20% of the Merger consideration, then:

each of the Cash Election Shares shall receive cash;  
the Exchange Agent will designate first among the No Election Shares, on a pro rata basis, and then if necessary from Stock Election Shares, on a pro rata basis, a sufficient number shares to be reclassified to receive cash, until the number of Cash Election Shares (including cash to be paid in lieu of fractional Peoples' common shares) plus the number of Reallocated Cash Shares equals 20% of the Merger consideration; and  
each of the No Election Shares and Stock Election Shares that are not Reallocated Cash Shares shall be converted into the right to receive Peoples' common shares.

**Oversubscription of Cash Elections:** If the number of Cash Election Shares (including cash to be paid in lieu of fractional Peoples' common shares) is greater than 20% of the Merger consideration, then:

each of the Stock Election Shares and No Election Shares shall receive Peoples' common shares;  
the Exchange Agent will designate first among the Cash Election Shares, excluding any shares the holder of which has exercised his or her dissenters' rights, on a pro rata basis, a sufficient number shares to be reclassified to receive Peoples' common shares, until the remaining number of Cash Election Shares (including cash to be paid in lieu of fractional Peoples' common shares) equals 20% of the merger consideration; and  
each of the Cash Election Shares (other than dissenting shares) that are not Reallocated Stock Shares have the right to receive cash.

Neither North Akron nor Peoples is making any recommendation as to whether North Akron shareholders should elect to receive cash or Peoples' common shares in the Merger. Each North Akron shareholder must make his or her own decision with respect to such election.

No guarantee can be made that you will receive the amounts of cash or Peoples' common shares you elect. As a result of the allocation procedures and other limitations outlined in this proxy statement/prospectus and in the Merger Agreement, you may receive Peoples' common shares or cash in amounts that vary from the amounts you elected to receive.

### Indemnification and Directors' and Officers' Liability Insurance

For a period of six years following the effective time of the Merger and subject to compliance with applicable state and federal laws, Peoples will indemnify each person who served as a director or officer of North Akron before the effective time of the Merger to the fullest extent provided by North Akron's governing documents, from and against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement in connection with any threatened, pending or completed action, suit or proceeding by reason of the fact that the person was an officer or director of North Akron. In addition, the Merger Agreement provides that, prior to the Merger, North Akron will purchase a policy of directors' and officers' liability insurance to be effective for up to six years following the Merger, on terms no

less advantageous than those contained in North Akron's existing policy.

#### NASDAQ Stock Listing

Peoples' common shares currently are listed on the NASDAQ Global Select Market® under the symbol "PEBO." All fees, if any, to be paid to regulatory authorities in connection with the transactions contemplated by the Merger Agreement will be paid by Peoples.

#### Termination of the Merger Agreement

Termination by mutual consent. Pursuant to the Merger Agreement, Peoples and North Akron may mutually consent to terminate the Merger Agreement and abandon the Merger at any time before the Merger is effective, if the board of directors of each approves the termination by a vote of a majority of the members of its entire board of directors.

Termination by either Peoples or North Akron. Either Peoples or North Akron acting alone upon written notice to the other party may terminate the Merger Agreement and abandon the Merger at any time before the Merger is effective, if the Peoples board of directors or, in the case of North Akron, a duly appointed special committee of the board, approves the termination by a vote of a majority of the members of its board of directors in the following circumstances:

if there is a material breach by the other party of any representation, warranty, covenant or agreement contained in the Merger Agreement that cannot be or has not been cured by the breaching party within 30 days after the giving of written notice to the breaching party of such breach;

if the Merger has not been consummated by January 31, 2015, unless the failure to complete the Merger by that date is due to the knowing action or inaction of the party seeking to terminate the Merger Agreement;

if the approval of any governmental authority required for consummation of the Merger and the other transactions contemplated by the Merger Agreement has been denied;

if the North Akron shareholders fail to adopt and approve the Merger Agreement at the special meeting; or

#### Voting Agreements

#### Acquisition Proposals and Termination Fee

Pursuant to the Merger Agreement, North Akron may not, and must cause its officers, directors, employees and other agents not to, directly or indirectly take any action to solicit or initiate inquiries or proposals with respect to, or engage in negotiations concerning, or provide any confidential information to, any person other than Peoples relating to any sale of all or substantially all of the assets of North Akron or any merger, consolidation or business combination with North Akron, unless (i) North Akron's board of directors, after consultation with and based upon the advice of legal counsel, determines in good faith that it must enter into negotiations or discussions with another party that has made an unsolicited acquisition proposal in order to fulfill its fiduciary duties to North Akron shareholders under applicable law and (ii) before furnishing any information to, or entering into discussions or negotiations with another party, North Akron provides immediate written notice to Peoples of such action, the identity of the bidder and the substance of such unsolicited acquisition proposal.

In the event that North Akron either (i) after consultation with and based upon the advice of legal counsel, determines in good faith to pursue such acquisition proposal and terminate the Merger Agreement in order to fulfill its fiduciary duties to the shareholders of North Akron under applicable law, or (ii) executes a definitive agreement in respect of an acquisition proposal, North Akron must pay to Peoples in immediately available funds the sum of \$603,980 immediately after the earlier of such execution or giving notice of (i) above.

COMPARISON OF CERTAIN RIGHTS OF NORTH AKRON AND PEOPLES SHAREHOLDERS

Those shareholders of North Akron that do not exercise dissenters' rights will receive Peoples' common shares in the Merger and, therefore, will become shareholders of Peoples. Their rights as shareholders of Peoples will be governed by the Ohio Revised Code and by Peoples' Amended Articles of Incorporation and Regulations, while North Akron shareholders are currently governed by the Ohio Revised Code and by North Akron's Amended Articles of Incorporation and Constitution. Although the rights of the holders of Peoples' common shares and those of the holders of North Akron's common shares are similar in many respects, there are some differences. These differences relate to differences between provisions of the Amended Articles of Incorporation of Peoples and the Amended Articles of Incorporation of North Akron, and differences between provisions of the Regulations of Peoples and the Bylaws and Constitution of North Akron.

The following chart compares certain rights of the holders of shares of North Akron's common stock to the rights of holders of Peoples' common shares in areas where those rights are materially different. This summary, however, does not purport to be a complete description of such differences and is qualified in its entirety by reference to the relevant provisions of Ohio law and the respective corporate governance instruments of North Akron and Peoples.

If there is a transfer of ownership of any shares of NASB Common Shares not registered in the transfer records of NASB, the Merger Consideration shall be issued to the transferee thereof if the Old Certificates representing such NASB Common Shares are presented to the Exchange Agent, accompanied by all documents required, in the reasonable judgment of Peoples and the Exchange Agent, to evidence and effect such transfer and to evidence that any applicable stock transfer taxes have been paid.

(iii) No dividends or other distributions declared or made after the Effective Time with respect to Peoples Common Shares issued pursuant to this Agreement shall be remitted to any person entitled to receive shares of Peoples Common Shares hereunder until such person surrenders his or her Old Certificates in accordance with this Section 3.03. (h) Release of Exchange Fund. Any portion of the Exchange Fund that remains unclaimed by the shareholders of NASB for six months after the Effective Time shall be paid to Peoples. Any shareholders of NASB who have not theretofore complied with this Article III shall thereafter look only to Peoples for payment of the Merger Consideration. Notwithstanding the foregoing, neither the Exchange Agent nor Peoples shall be liable to any former holder of NASB Common Shares for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar laws.

(i) No Fractional Peoples Common Shares.

(i) No certificates or scrip representing fractional Peoples Common Shares shall be issued upon the surrender for exchange of Old Certificates, and such fractional Peoples Common Share interests will not entitle the owner thereof to vote or to any rights of a shareholder of the Surviving Bank.

To the extent that amounts are so withheld and paid over to the appropriate taxing authority by Peoples or the Peoples Exchange Agent, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of the NASB Common Shares.

(l) Book Entry. All shares of Peoples Common Shares to be issued in the Merger shall be issued in book entry form, without physical certificates; provided that Peoples may issue any of such shares in physical form at its sole discretion.

(m) Waiver. The Surviving Bank may from time to time, in the case of one or more Persons, waive one or more of the rights provided to it in this Article III to withhold certain payments, deliveries and distributions; and no such waiver shall constitute a waiver of its rights thereafter to withhold any such payment, delivery or distribution in the case of any person.

3.04 Dissenting Shares. Notwithstanding anything contained in this Agreement or elsewhere to the contrary, any holder of an outstanding NASB Common Share that seeks relief as a dissenting shareholder under Section 1701.85 of the OGCL shall thereafter have only such rights (and shall have such obligations) as are provided therein, and the Surviving Bank shall be required to deliver only such cash payments to which the Dissenting Shares are entitled pursuant to Section 1701.85 of the OGCL. If any holder of Dissenting Shares shall forfeit such right to payment of the fair value under Section 1701.85 of the OGCL, each holder's Dissenting Shares shall thereupon be deemed to have been converted as of the Effective Time into the right to receive the Merger Consideration, without interest.

(b) The parties agree to use their commercially reasonable efforts and to cooperate with the other party in all reasonable respects to prepare the Proxy Statement/Prospectus for filing with the SEC and, when the Registration Statement is effective, for delivery to NASB shareholders.

(c) If any party becomes aware prior to the Effective Time of any information that would cause any of the statements in the Proxy Statement/Prospectus to be false or misleading with respect to any material fact, or to omit to state any material fact necessary to make the statements therein not false or misleading, that party shall promptly inform the other thereof and take the necessary steps to correct the Proxy Statement/Prospectus.

6.04 Press Releases. Upon the execution of this Agreement, the parties shall issue a joint press release regarding this Agreement and the transactions contemplated hereby, which joint press release shall be subject to the prior approval of the parties. No party will, without the prior approval of the other parties, issue any other press release or written statement for general circulation relating to the transactions contemplated hereby, except as otherwise may be required to be made by applicable law or regulation before such consent can be obtained.

6.05 Access; Information.

(a) NASB shall afford to, upon reasonable notice and subject to applicable laws relating to the exchange of information, Peoples, Peoples Bank and their Representatives, such access during normal business hours throughout the period prior to the Effective Time to the books, records (including, without limitation, Tax Returns and work papers of independent auditors), properties and personnel and such other information as Peoples and Peoples Bank may reasonably request and, during such period, (i) shall furnish promptly to Peoples and Peoples Bank a copy of each material report, schedule and other document filed by it pursuant to federal or state securities or banking laws, to the extent permitted by applicable law and regulations; and (ii) shall grant access to all other information concerning the business, properties and personnel of NASB as Peoples and Peoples Bank may reasonably request. NASB shall invite two Representatives of Peoples selected by Peoples from time to time to attend, solely as observers, all meetings of the NASB Board (and committees thereof) after the date of this Agreement; provided, however, that in no event shall such Peoples Representatives be invited to or permitted to attend any executive session of NASB's board or any meeting at which NASB reasonably determines that such attendance is inconsistent with the fiduciary obligations or confidentiality requirements of the NASB Board, including, without limitation, any portion of any meeting where this Agreement, the transactions contemplated by this Agreement or any Acquisition Proposal or matters involving attorney client privilege are being discussed.

(b) None of the parties will, nor shall their respective Representatives, use any information obtained pursuant to this Section 6.05 (as well as any other information obtained prior to the date hereof in connection with the entering into of this Agreement) for any purpose unrelated to the consummation of the transactions contemplated by this Agreement, and such information will be subject to the confidentiality provisions of Section 6.16.

(c) In the event that this Agreement is terminated or the transactions contemplated by this Agreement shall otherwise fail to be consummated, each party shall promptly cause all copies of documents or extracts thereof containing information and data as to another party hereto to be returned to the party which furnished the same. No investigation by either party of the business and affairs of the other shall affect or be deemed to modify or waive any representation, warranty, covenant or agreement in this Agreement, or the conditions to either party's obligation to consummate the transactions contemplated by this Agreement.

#### 6.06 Acquisition Proposals; Break Up Fee.

(a) NASB shall not, and shall cause the officers, directors, employees, advisors and other agents of NASB not to, directly or indirectly, take any action to solicit or initiate inquiries or proposals with respect to, or engage in negotiations concerning, or provide any confidential information to, any Person, other than Peoples and Peoples Bank, relating to (i) any acquisition or purchase of all or substantially all of the assets of NASB or (ii) any merger, consolidation or business combination with NASB (hereinafter collectively referred to as an "Acquisition Proposal"); provided, however, that nothing contained in this Section shall prohibit NASB from furnishing information to, or entering into discussion or negotiations with, any Person which makes an unsolicited Acquisition Proposal if and to the extent that (A) the NASB Board, after consultation with and based upon the advice of legal counsel, determines in good faith that failure to do so would be reasonably likely to result in a breach of the fiduciary duties to the shareholders of NASB under applicable law and (B) before furnishing such information to, or entering into discussions or negotiations with, such Person, NASB provides immediate written notice to Peoples of such action, the identity of the bidder and the substance of such Acquisition Proposal.

(b) In the event that NASB executes a definitive agreement in respect of, or closes, an Acquisition Proposal while this Agreement is in effect, NASB shall pay to Peoples, on behalf of Peoples and Peoples Bank, in immediately available funds the sum of \$603,980, as a break up fee, immediately after the earlier of such execution or closing.

6.07 Takeover Laws. No party hereto shall take any action that would cause the transactions contemplated by this Agreement or the Voting Agreement to be subject to requirements imposed by the Takeover Law and each of them shall take all necessary steps within its control to exempt (or ensure the continued exemption of) this Agreement, the Voting Agreement and the transactions contemplated by this Agreement from or, if necessary, challenge the validity or applicability of, the Takeover Law, as now or hereafter in effect.

6.08 Certain Policies. Before the Effective Time, NASB shall, upon the request of Peoples and/or Peoples Bank, (i) modify and change its loan, investment portfolio, asset liability management and real estate valuation policies and practices (including, but not limited to, loan classifications and levels of reserves) so that such policies and practices may be applied on a basis that is consistent with those of Peoples Bank and (ii) evaluate the need for any reserves including, but not limited to, reserves relating to any outstanding litigation, any Tax audits or any liabilities to be incurred upon cancellation of any contracts as a result of the Merger; provided, however, that NASB shall not be obligated to take any such action pursuant to this Section 6.08 unless and until Peoples and Peoples Bank acknowledge that all conditions to its obligation to consummate the Merger have been satisfied (including, but not limited to, the receipt of the regulatory

approvals required by Section 7.01(b)) and certifies to NASB that their representations and warranties, subject to Section 5.02, are true and correct as of such date and that Peoples and Peoples Bank are otherwise in material compliance with this Agreement; provided further, however, that NASB shall not be obligated to take any such action pursuant to this Section 6.08 if such action would be clearly inconsistent with generally accepted accounting principles. NASB's representations, warranties and covenants contained in this Agreement shall not be deemed to be untrue or breached in any respect for any purpose as a consequence of any modifications or changes undertaken solely on account of this Section 6.08.

#### 6.09 Regulatory Applications.

(a) The parties shall cooperate and use their reasonable best efforts to allow Peoples and Peoples Bank to prepare, submit and file all applications and requests for regulatory approval, to timely effect all filings and to obtain all consents, approvals and/or authorizations of all the Regulatory Authorities necessary to consummate the transactions contemplated by this Agreement. In exercising the rights under this Section, each of the parties hereto agrees to act reasonably and as promptly as practicable. Peoples and Peoples Bank agree that they will consult with NASB with respect to the obtaining of all material consents, approvals and authorizations from the Regulatory Authorities necessary to consummate the transactions contemplated by this Agreement and keep NASB apprised of the status of material matters relating to obtainment of such consents, approvals and/or authorizations from the Regulatory Authorities. NASB shall have the right to review in advance, subject to applicable laws relating to the exchange of Information, all material written information submitted to the Regulatory Authorities in connection with the transactions contemplated by this Agreement. Notwithstanding the foregoing sentence, NASB shall not have any right to review and/or inspect any proprietary information submitted by Peoples or Peoples Bank to any Regulatory Authority, including, but not limited to any business plan and/or financial data or analysis prepared by Peoples or Peoples Bank in relation to such consents, approvals and/or authorizations from the Regulatory Authorities.

(b) NASB agrees, upon request, to furnish Peoples and/or Peoples Bank with all information concerning itself, directors, officers and shareholders and such other matters as may be reasonably necessary, advisable and/or required in connection with any filing, notice or application made by or on behalf of Peoples or Peoples Bank to any Regulatory Authority.

#### 6.10 Employment Matters; Employee Benefits.

(a) General. It is understood and agreed that nothing in this Section 6.10 or elsewhere in this Agreement shall be deemed to be a contract of employment or be construed to give NASB's employees any rights other than as employees at will under applicable law, and NASB's employees shall not be deemed to be third-party beneficiaries of this Agreement. Employees of NASB who become employees of Peoples or its Subsidiaries as a result of the Merger shall participate in either NASB's Compensation and Benefit Plans (for so long as Peoples determines necessary or appropriate) or in the employee benefit plans sponsored by Peoples for Peoples' employees (with credit for their years of service with NASB for participation and vesting purposes under Peoples' applicable plans), including credit for years of service and for seniority under vacation and sick pay plans and programs, but subject to the eligibility and other terms of such plans. In addition, to the extent NASB's employees participate in Peoples' group health plan (instead of continued participation in NASB's group health plan), Peoples agrees to waive all restrictions and limitations for pre-existing conditions under Peoples' group health plan and applicable insurance policy.

(b) Employee Severance. Subject to any applicable regulatory restrictions:

(i) Peoples shall pay to each employee of NASB who (A) is not subject to an existing contract providing for severance and/or a change in control payment, (B) is an employee of NASB immediately before the Effective Time, (C) has been an employee of NASB for at least six months prior to the Effective Time, and (D) is not offered continued employment by Peoples or any of its Subsidiaries after the Effective Time at a location within 25 miles of such employee's current normal place of employment, a severance amount equal to two weeks' base pay multiplied by the number of whole years of service of such employee with NASB, less applicable local, state and federal tax withholding; provided, however, that the minimum severance payment shall equal four weeks of base pay, and the maximum severance payment shall not exceed 26 weeks of base pay. Such severance pay shall be paid in a lump sum within 14 days following termination, provided that, for purposes of this paragraph, an employee will not be considered to have been offered continued employment by Peoples if such employee is not employed for a period of six months following the Effective Date, provided further that under no circumstances shall an employee be entitled to any such severance pay if such employee has been terminated for cause. For any employee of NASB participating in NASB's group health program at the Effective Time who is entitled to a severance payment, the employee will be able to purchase health insurance coverage at the full premium rate for the entire COBRA period.

(ii) In exchange for the severance pay described in this Subsection (i), terminated employees will be required to execute a final and binding general release in which the employee releases and waives any and all claims the employee may have against Peoples and Affiliates.

(c) NASB 401(k) Plan. NASB agrees to take any action, including, but not limited to, the adoption of a resolution by the Board of NASB, the adoption of an amendment to the plan, and the coordination with service professionals in connection with the plan, requested by Peoples to modify, amend, terminate, merge, spinoff, or transfer the assets of the Pentegra Defined Contribution Plan for Financial Institutions as adopted by North Akron Savings Bank (the "NASB 401(k) Plan") on or prior to the Effective Date. Following the Effective Date, Peoples, as the successor in interest to NASB, shall complete any requests to the IRS for a determination that the NASB 401(k) Plan is in compliance with Section 401(a) of the Code (the "Determination Letter") and shall facilitate the distribution, transfer or merging of benefits under the NASB 401(k) Plan. In the event the NASB 401(k) Plan is terminated on or prior to the Effective Date, Peoples agrees to take all commercially reasonable steps necessary or appropriate to accept roll-overs of benefits from the NASB 401(k) Plan to the Peoples 401(k) Plan for employees of NASB and its Subsidiaries who continue as employees of Peoples and its Subsidiaries after the Effective Time, subject to the provisions of the Peoples 401(k) Plan.

(d) NASB Defined Benefit Plan. NASB agrees to take any action, including, but not limited to, the adoption of a resolution by the Board of NASB, the adoption of an amendment to the plan, and the coordination with service professionals in connection with the plan, requested by Peoples to modify, amend, terminate, merge, spinoff, or transfer the assets of the Pentegra Defined Benefit Plan For Financial Institutions as adopted by North Akron Savings Bank (the "NASB Defined Benefit Plan") on or prior to the Effective Date.

6.11 Notification of Certain Matters. NASB shall give prompt notice to Peoples of any fact, event or circumstance known to NASB that (i) is reasonably likely, individually or taken together with all other facts, events and circumstances known to it, to result in any Material Adverse Effect with respect to NASB or (ii) would cause or constitute a material breach of any of NASB's representations, warranties, covenants or agreements contained herein.

6.12 No Breaches of Representations and Warranties. Between the date of this Agreement and the Effective Time, without the written consent of Peoples, NASB will not do any act or suffer any omission of any nature whatsoever which would cause any of the representations or warranties made in Article V of this Agreement to become untrue or incorrect in any material respect.

6.13 Consents. NASB shall use its best efforts to obtain any required consents to the transactions contemplated by this Agreement.

6.14 Insurance Coverage. NASB shall cause the policies of insurance listed in the Disclosure Schedule to remain in effect between the date of this Agreement and the Effective Date.

NASB shall promptly correct and supplement any information furnished under this Agreement so that such information shall be correct and complete in all material respects at all times, and shall include all facts necessary to make such information correct and complete in all material respects at all times.

6.16 Confidentiality. Except for the use of information in connection with the Proxy Statement/Prospectus described in Section 6.03 hereof and any other governmental filings required in order to complete the transactions contemplated by this Agreement, all information (collectively, the "Information") received by each of the parties pursuant to the terms of this Agreement shall be kept in strictest confidence; provided that, subsequent to the mailing of the Proxy Statement/Prospectus to NASB shareholders, this Section 6.16 shall not apply to information included in the Proxy Statement/Prospectus to be sent to the shareholders of NASB under Section 6.03. The parties agree that the Information will be used only for the purpose of completing the transactions contemplated by this Agreement. The parties agree to hold the Information in strictest confidence and shall not use, and shall not disclose directly or indirectly any of such Information except when, after and to the extent such Information (i) is or becomes generally available to the public other than through the failure of NASB, Peoples or Peoples Bank to fulfill its obligations hereunder, (ii) was already known to the party receiving the Information on a nonconfidential basis prior to the disclosure, or (iii) is subsequently disclosed to the party receiving the Information on a nonconfidential basis by a third party having no obligation of confidentiality to the party disclosing the Information. In the event the transactions contemplated by this Agreement are not consummated, the parties agree to return all copies of the Information provided to the other promptly.

6.17 Regulatory Matters. The parties shall cooperate and each of them agrees to use its reasonable best efforts to remediate any order, decree, formal or informal agreement, memorandum of understanding or similar agreement by NASB with, or a commitment letter, board resolution or similar submission by NASB to, or supervisory letter from any Regulatory Authority to NASB, to the satisfaction of such Regulatory Authority.

6.18 Indemnification.

(a) For a period of six years after the Effective Time, Peoples Bank shall indemnify each Person who served as a director or officer of NASB on or after the date of this Agreement and before the Effective Time, to the fullest extent provided by the NASB Articles and the NASB Bylaws, from and against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement in connection with any threatened, pending or completed action, suit or proceeding by reason of the fact that such Person was a director or officer of NASB; provided, however, that any such indemnification shall be subject to compliance with the provisions of applicable state and federal laws.

(b) Before the Effective Time, NASB shall procure a policy of directors' and officers' and company liability insurance ("D&O Policy") and cause such policy to be effective for a period of at least six years following the Effective Date, on terms no less advantageous than those contained in NASB's existing directors' and officers' and company's liability insurance policy.

6.19 Environmental Assessments. NASB hereby agrees to permit Peoples and/or Peoples Bank to engage, at the expense of Peoples and/or Peoples Bank, a qualified consultant, mutually agreeable to the parties, to conduct a Phase I Environmental Site Assessment in accordance with the requirements of ASTM E1527-05 "Standard Practice for Environmental Site Assessments: Phase I Environmental Site Assessment Practice ("Phase I") of each parcel of real estate owned by NASB, including real estate acquired by NASB upon foreclosure.

FORM OF VOTING AGREEMENT

THIS VOTING AGREEMENT (this “Agreement”) is entered into as of April 21, 2014, by and among Peoples Bancorp Inc., an Ohio corporation (“Peoples”), Peoples Bank, National Association, a national bank chartered under the laws of the United States (“Peoples Bank”) and North Akron Savings Bank, a state savings bank chartered under the laws of Ohio (“NASB”), and the undersigned shareholders of NASB (collectively, the “Shareholders”).

WHEREAS, the Shareholders collectively own [\_\_\_\_\_] shares of common stock, no par value, of NASB (such common shares, together with all shares of NASB which may hereafter be acquired by the Shareholders prior to the termination of this Agreement, shall be referred to herein as the “Shares”);

WHEREAS, Peoples, Peoples Bank and NASB propose to enter into an Agreement and Plan of Merger, dated as of the date hereof (the “Merger Agreement”), which provides, among other things, that NASB will merge with and into Peoples Bank pursuant to the Merger (this and other capitalized terms used and not defined herein shall have the meanings given to such terms in the Merger Agreement); and

WHEREAS, Peoples, Peoples Bank and NASB have made it a condition to their entering into the Merger Agreement that the Shareholders agree to vote the Shares in favor of the adoption of the Merger Agreement.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements contained herein, and intending to be legally bound hereby, the parties hereby agree as follows:

ARTICLE 1

Voting of Shares

1.1 Voting Agreement. The Shareholders, individually and not jointly, hereby agree that, during the time this Agreement is in effect, at any meeting of the shareholders of NASB, however called, and in any action by consent of the shareholders of NASB, they shall vote their Shares: (i) in favor of the adoption of the Merger Agreement (as amended from time to time) and (ii) against any proposal for any recapitalization, merger, sale of assets or other business combination between NASB and any person or entity other than Peoples, Peoples Bank or any of their Subsidiaries, or any other action or agreement that would result in a breach of any covenant, representation or warranty or any other obligation or agreement of NASB under the Merger Agreement or that would result in any of the conditions to the obligations of NASB under the Merger Agreement not being fulfilled. The parties hereto acknowledge and agree that nothing contained herein is intended to restrict any Shareholder from voting or otherwise acting in the Shareholder’s capacity as a director of NASB with respect to any matter.

## ARTICLE 2

### Representations and Warranties

Each of the Shareholders, individually and not jointly, hereby represents and warrants to Peoples and Peoples Bank as follows:

2.1 Authority Relative to this Agreement. He/She/It has all necessary power and authority or capacity, as the case may be, to execute and deliver this Agreement, to perform his, her or its obligations hereunder and to consummate the transaction contemplated by the Merger Agreement. This Agreement has been duly and validly executed and delivered by the Shareholder and constitutes a legal, valid and binding obligation of such Shareholder, enforceable against such Shareholder in accordance with its terms.

2.2 No Conflict.

(a) The execution and delivery of this Agreement by the Shareholder does not, and the performance of this Agreement by him/her/it will not (i) conflict with or violate any law, rule, regulation, order, judgment or decree applicable to him/her/it or by which the Shares are bound, or (ii) result in any breach of or constitute a default (or event that with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of a lien or encumbrance on any of the Shares held by him/her/it pursuant to, any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which he/she/it is a party or by which he/she/it or any Shares of him/her/it are bound, except, in the case of clauses (i) and (ii), for any such conflicts, violations, breaches, defaults or other occurrences which would not prevent or delay the performance by such Shareholder of his, her or its obligations under this Agreement.

(b) The execution and delivery of this Agreement by him/her/it does not, and the performance of this Agreement by him/her/it will not, require any consent, approval, authorization or permit of, or filing with or notification to, any federal, state, local or foreign regulatory body.

2.3 Title to the Shares. Each of the Shareholders is the owner of the number and class of Shares specified on Annex I hereto, free and clear of all security interests, liens, claims, pledges, options, rights of first refusal, agreements, limitations on voting rights, charges and other encumbrances of any nature whatsoever except as otherwise specified on Annex I. No Shareholder has appointed or granted any proxy, which appointment or grant is still effective, with respect to the Shares. Each Shareholder has sole voting power with respect to his, her or its Shares except as otherwise specified on Annex I.

### ARTICLE 3

#### Additional Covenants

3.1 Transfer of the Shares. Each of the Shareholders hereby covenants and agrees that, during the term of this Agreement, the Shareholder will not, without the prior written consent of Peoples, which consent shall not be unreasonably withheld, make any voluntary sale, pledge, transfer, or other disposition of any of the Shares which are owned by the Shareholder or take any other voluntary action which would have the effect of removing the Shareholder's power to vote his, her or its Shares or which would otherwise be inconsistent with this Agreement.

### ARTICLE 4

#### Miscellaneous

4.1 Termination. This Agreement shall terminate on the earlier to occur of (i) the date of consummation of the Merger and (ii) the date of termination of the Merger Agreement for any reason whatsoever.

4.2 Specific Performance. The Shareholders agree that irreparable damage would occur in the event any provision of this Agreement was not performed in accordance with the terms hereof and that Peoples and Peoples Bank shall be entitled to specific performance of the terms hereof, in addition to any other remedy at law or in equity.

4.3 Entire Agreement. This Agreement constitutes the entire agreement between the parties and supersedes all prior agreements and understandings with respect to the subject matter hereof.

4.4 Amendment. This Agreement may not be amended except by an instrument in writing signed by all the parties hereto.

4.5 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the fullest extent possible.

4.6 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Ohio.

4.7 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement.

4.8 Assignment. This Agreement shall not be assigned by operation of law or otherwise.

4.9 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of each party hereto, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other person any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

4.10 Transfers, Successors and Assigns.

(a) The terms and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the parties. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective successors and assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement.

(b) Each transferee or assignee of the Shares subject to this Agreement shall continue to be subject to the terms hereof, and, as a condition to the recognition of such transfer, each transferee or assignee shall agree in writing to be subject to each of the terms of this Agreement by executing and delivering an Adoption Agreement substantially in the form attached hereto as Exhibit A. Upon the execution and delivery of an Adoption Agreement by any transferee, such transferee shall be deemed to be a party hereto as if such transferee's signature appeared on the signature pages of this Agreement. By execution of this Agreement or of any Adoption Agreement, each of the parties appoints NASB as its attorney in fact for the purpose of executing any Adoption Agreement that may be required to be delivered under the terms of this Agreement. NASB shall not permit the transfer of the Shares subject to this Agreement on its books or issue a new certificate representing any such Shares unless and until such transferee shall have complied with the terms of this Section 4.10. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective executors, administrators, heirs, successors and assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement.

4.11 Spousal Consent. If any Shareholder who is a natural person is married on the date of this Agreement, such Shareholder shall cause the Shareholder's spouse to execute and deliver to NASB a consent of spouse in the form of Exhibit B hereto ("Consent of Spouse"), within 5 business days of the date of this Agreement. Notwithstanding the execution and delivery thereof, such consent shall not be deemed to confer or convey to the spouse any rights in such Shareholder's shares of capital stock that do not otherwise exist by operation of law or the agreement of the parties. If any Shareholder should marry or remarry subsequent to the date of this Agreement, such Shareholder shall within thirty 30 calendar days thereafter obtain his/her new spouse's acknowledgement of and consent to the existence and binding effect of all restrictions contained in this Agreement by causing such spouse to execute and deliver a Consent of Spouse acknowledging the restrictions and obligations contained in this Agreement and agreeing and consenting to the same.

ANNEX B

Dissenters' Rights Under Section 1701.85 of the Ohio General Corporation Law

1701.85 Dissenting shareholders - compliance with section - fair cash value of shares.

(A)(1) A shareholder of a domestic corporation is entitled to relief as a dissenting shareholder in respect of the proposals described in sections 1701.74, 1701.76, and 1701.84 of the Revised Code, only in compliance with this section.

(2) If the proposal must be submitted to the shareholders of the corporation involved, the dissenting shareholder shall be a record holder of the shares of the corporation as to which the dissenting shareholder seeks relief as of the date fixed for the determination of shareholders entitled to notice of a meeting of the shareholders at which the proposal is to be submitted, and such shares shall not have been voted in favor of the proposal.

(3) Not later than 20 days before the date of the meeting at which the proposal will be submitted to the shareholders, the corporation may notify the corporation's shareholders that relief under this section is available. The notice shall include or be accompanied by all of the following:

(a) A copy of this section;

(b) A statement that the proposal can give rise to rights under this section if the proposal is approved by the required vote of the shareholders;

(c) A statement that the shareholder will be eligible as a dissenting shareholder under this section only if the shareholder delivers to the corporation a written demand with the information provided for in division (A)(4) of this section before the vote on the proposal will be taken at the meeting of the shareholders and the shareholder does not vote in favor of the proposal.

(4) If the corporation delivers notice to its shareholders as provided in division (A)(3) of this section, a shareholder electing to be eligible as a dissenting shareholder under this section shall deliver to the corporation before the vote on the proposal is taken a written demand for payment of the fair cash value of the shares as to which the shareholder seeks relief. The demand for payment shall include the shareholder's address, the number and class of such shares, and the amount claimed by the shareholder as the fair cash value of the shares.

(5) If the corporation does not notify the corporation's shareholders pursuant to division (A)(3) of this section, not later than ten days after the date on which the vote on the proposal was taken at the meeting of the shareholders, the dissenting shareholder shall deliver to the corporation a written demand for payment to the dissenting shareholder of the fair cash value of the shares as to which the dissenting shareholder seeks relief, which demand shall state the dissenting shareholder's address, the number and class of such shares, and the amount claimed by the dissenting shareholder as the fair cash value of the shares.

(6) If a signatory, designated and approved by the dissenting shareholder, executes the demand, then at any time after receiving the demand, the corporation may make a written request that the dissenting shareholder provide evidence of the signatory's authority. The shareholder shall provide the evidence within a reasonable time but not sooner than 20 days after the dissenting shareholder has received the corporation's written request for evidence.

(7) The dissenting shareholder entitled to relief under division (A)(3) of section 1701.84 of the Revised Code in the case of a merger pursuant to section 1701.80 of the Revised Code and a dissenting shareholder entitled to relief under division (A)(5) of section 1701.84 of the Revised Code in the case of a merger pursuant to section 1701.801 of the Revised Code shall be a record holder of the shares of the corporation as to which the dissenting shareholder seeks relief as of the date on which the agreement of merger was adopted by the directors of that corporation. Within 20 days after the dissenting shareholder has been sent the notice provided in section 1701.80 or 1701.801 of the Revised Code, the dissenting shareholder shall deliver to the corporation a written demand for payment with the same information as that provided for in division (A)(4) of this section.

(8) In the case of a merger or consolidation, a demand served on the constituent corporation involved constitutes service on the surviving or the new entity, whether the demand is served before, on, or after the effective date of the merger or consolidation. In the case of a conversion, a demand served on the converting corporation constitutes service on the converted entity, whether the demand is served before, on, or after the effective date of the conversion.

B-1

---

(9) If the corporation sends to the dissenting shareholder, at the address specified in the dissenting shareholder's demand, a request for the certificates representing the shares as to which the dissenting shareholder seeks relief, the dissenting shareholder, within 15 days from the date of the sending of such request, shall deliver to the corporation the certificates requested so that the corporation may endorse on them a legend to the effect that demand for the fair cash value of such shares has been made. The corporation promptly shall return the endorsed certificates to the dissenting shareholder. A dissenting shareholder's failure to deliver the certificates terminates the dissenting shareholder's rights as a dissenting shareholder, at the option of the corporation, exercised by written notice sent to the dissenting shareholder within 20 days after the lapse of the 15-day period, unless a court for good cause shown otherwise directs. If shares represented by a certificate on which such a legend has been endorsed are transferred, each new certificate issued for them shall bear a similar legend, together with the name of the original dissenting holder of the shares. Upon receiving a demand for payment from a dissenting shareholder who is the record holder of uncertificated securities, the corporation shall make an appropriate notation of the demand for payment in its shareholder records. If uncertificated shares for which payment has been demanded are to be transferred, any new certificate issued for the shares shall bear the legend required for certificated securities as provided in this paragraph. A transferee of the shares so endorsed, or of uncertificated securities where such notation has been made, acquires only the rights in the corporation as the original dissenting holder of such shares had immediately after the service of a demand for payment of the fair cash value of the shares. A request under this paragraph by the corporation is not an admission by the corporation that the shareholder is entitled to relief under this section.

(B) Unless the corporation and the dissenting shareholder have come to an agreement on the fair cash value per share of the shares as to which the dissenting shareholder seeks relief, the dissenting shareholder or the corporation, which in case of a merger or consolidation may be the surviving or new entity, or in the case of a conversion may be the converted entity, within three months after the service of the demand by the dissenting shareholder, may file a complaint in the court of common pleas of the county in which the principal office of the corporation that issued the shares is located or was located when the proposal was adopted by the shareholders of the corporation, or, if the proposal was not required to be submitted to the shareholders, was approved by the directors. Other dissenting shareholders, within that three-month period, may join as plaintiffs or may be joined as defendants in any such proceeding, and any two or more such proceedings may be consolidated. The complaint shall contain a brief statement of the facts, including the vote and the facts entitling the dissenting shareholder to the relief demanded. No answer to a complaint is required. Upon the filing of a complaint, the court, on motion of the petitioner, shall enter an order fixing a date for a hearing on the complaint and requiring that a copy of the complaint and a notice of the filing and of the date for hearing be given to the respondent or defendant in the manner in which summons is required to be served or substituted service is required to be made in other cases. On the day fixed for the hearing on the complaint or any adjournment of it, the court shall determine from the complaint and from evidence submitted by either party whether the dissenting shareholder is entitled to be paid the fair cash value of any shares and, if so, the number and class of such shares. If the court finds that the dissenting shareholder is so entitled, the court may appoint one or more persons as appraisers to receive evidence and to recommend a decision on the amount of the fair cash value. The appraisers have power and authority specified in the order of their appointment. The court thereupon shall make a finding as to the fair cash value of a share and shall render judgment against the corporation for the payment of it, with interest at a rate and from a date as the court considers equitable. The costs of the proceeding, including reasonable compensation to the appraisers to be fixed by the court, shall be assessed or apportioned as the court considers equitable. The proceeding is a special proceeding and final orders in it may be vacated, modified, or reversed on appeal pursuant to the Rules of Appellate Procedure and, to the extent not in conflict with those rules, Chapter 2505 of the Revised Code. If, during the pendency of any proceeding instituted under this section, a suit or proceeding is or has been instituted to enjoin or otherwise to prevent the carrying out of the action as to which the shareholder has dissented, the proceeding instituted under this section shall be stayed until the final determination of the other suit or proceeding. Unless any provision in division (D) of this section is applicable, the fair cash value of the shares that is agreed upon by the parties or fixed under this section shall be paid within 30 days after the date of final determination of such value under this division, the effective date of the amendment to the articles, or the consummation of the other action involved,

whichever occurs last. Upon the occurrence of the last such event, payment shall be made immediately to a holder of uncertificated securities entitled to payment. In the case of holders of shares represented by certificates, payment shall be made only upon and simultaneously with the surrender to the corporation of the certificates representing the shares for which the payment is made.

(C)(1) If the proposal was required to be submitted to the shareholders of the corporation, fair cash value as to those shareholders shall be determined as of the day prior to the day on which the vote by the shareholders was taken and, in the case of a merger pursuant to section 1701.80 or 1701.801 of the Revised Code, fair cash value as to shareholders of a constituent subsidiary corporation shall be determined as of the day before the adoption of the agreement of merger by the directors of the particular subsidiary corporation. The fair cash value of a share for the purposes of this section is the amount that a willing seller who is under no compulsion to sell would be willing to accept and that a willing buyer who is under no compulsion to purchase would be willing to pay, but in no event shall the fair cash value of a share exceed the amount specified in the demand of the particular shareholder. In computing fair cash value, both of the following shall be excluded:

B-2

---

(a) Any appreciation or depreciation in market value resulting from the proposal submitted to the directors or to the shareholders ;

(b) Any premium associated with control of the corporation, or any discount for lack of marketability or minority status.

(2) For the purposes of this section, the fair cash value of a share that was listed on a national securities exchange at any of the following times shall be the closing sale price on the national securities exchange as of the applicable date provided in division (C)(1) of this section:

(a) Immediately before the effective time of a merger or consolidation;

(b) Immediately before the filing of an amendment to the articles of incorporation as described in division (A) of section 1701.74 of the Revised Code;

(c) Immediately before the time of the vote described in division (A)(1)(b) of section 1701.76 of the Revised Code.

(D)(1) The right and obligation of a dissenting shareholder to receive fair cash value and to sell such shares as to which the dissenting shareholder seeks relief, and the right and obligation of the corporation to purchase such shares and to pay the fair cash value of them terminates if any of the following applies:

(a) The dissenting shareholder has not complied with this section, unless the corporation by its directors waives such failure;

(b) The corporation abandons the action involved or is finally enjoined or prevented from carrying it out, or the shareholders rescind their adoption of the action involved;

(c) The dissenting shareholder withdraws the dissenting shareholder's demand, with the consent of the corporation by its directors;

(d) The corporation and the dissenting shareholder have not come to an agreement as to the fair cash value per share, and neither the shareholder nor the corporation has filed or joined in a complaint under division (B) of this section within the period provided in that division.

(2) For purposes of division (D)(1) of this section, if the merger, consolidation, or conversion has become effective and the surviving, new, or converted entity is not a corporation, action required to be taken by the directors of the corporation shall be taken by the partners of a surviving, new, or converted partnership or the comparable representatives of any other surviving, new, or converted entity.

(E) From the time of the dissenting shareholder's giving of the demand until either the termination of the rights and obligations arising from it or the purchase of the shares by the corporation, all other rights accruing from such shares, including voting and dividend or distribution rights, are suspended. If during the suspension, any dividend or distribution is paid in money upon shares of such class or any dividend, distribution, or interest is paid in money upon any securities issued in extinguishment of or in substitution for such shares, an amount equal to the dividend, distribution, or interest which, except for the suspension, would have been payable upon such shares or securities, shall be paid to the holder of record as a credit upon the fair cash value of the shares. If the right to receive fair cash value is terminated other than by the purchase of the shares by the corporation, all rights of the holder shall be restored and all distributions which, except for the suspension, would have been made shall be made to the holder of record of

the shares at the time of termination.

ANNEX C

April 21, 2014

Board of Directors  
North Akron Savings Bank  
111 North State Street  
West Harrison, IN 47060

Members of the Board:

You have requested our opinion as to the fairness, from a financial point of view, as of the date hereof, to the holders of common stock, \$100 par value (the "Company Common Stock"), of North Akron Savings Bank ("NASB") of the Merger Consideration (as defined below) to be received by such holders in the proposed merger (the "Proposed Merger") by and between NASB and Peoples Bank, N.A. ("Peoples Bank") as set forth in the Agreement and Plan of Merger (the "Merger Agreement") to be entered into among NASB, Peoples Bank, and Peoples Bancorp, Inc. ("PEBO"). As detailed in the Merger Agreement, NASB will merge with and into Peoples Bank and each share of Company Common Stock will be converted, at the election of the holder thereof, into the right to receive \$7,655.00 in cash, a number of shares common stock, without par value, of PEBO valued at \$7,655.00, or a combination thereof (the "Merger Consideration").

In arriving at our opinion, we have, among other things: (i) reviewed the historical financial performances, current financial positions and general prospects of PEBO and NASB and reviewed certain internal financial analyses and forecasts prepared by the management of NASB; (ii) reviewed a draft of the Merger Agreement, dated April 16, 2014; (iii) reviewed and analyzed the stock market performance of PEBO and the limited trading history of NASB; (iv) studied and analyzed the consolidated financial and operating data of PEBO and NASB; (v) reviewed the pro forma financial impact of the Proposed Merger on PEBO and NASB, based on assumptions relating to transaction expenses, purchase accounting adjustments, cost savings and other synergies determined by senior management of PEBO and NASB; (vi) considered the financial terms of the Proposed Merger between PEBO and NASB as compared with the financial terms of comparable bank and bank holding company mergers and acquisitions; (vii) met and/or communicated with certain members of PEBO's and NASB's senior management to discuss their respective operations, historical financial statements and future prospects; and (viii) conducted such other financial analyses, studies and investigations as we deemed appropriate.

Our opinion is given in reliance on information and representations made or given by PEBO and NASB, and their respective officers, directors, auditors, counsel and other agents, and on filings, releases and other information issued by PEBO and NASB including financial statements, financial projections, and stock price data as well as certain information from recognized independent sources. We have not independently verified the information concerning PEBO and NASB nor other data which we have considered in our review and, for purposes of the opinion set forth below, we have assumed and relied upon the accuracy and completeness of all such information and data. We have assumed that all forecasts and projections provided to us have been reasonably prepared and reflect the best currently available estimates and good faith judgments of the management of PEBO and NASB as to their most likely future

financial performance. We express no opinion as to any financial projections or the assumptions on which they are

---

based. We have not conducted any valuation or appraisal of any assets or liabilities of PEBO or NASB, nor have any such valuations or appraisals been provided to us. Additionally, we assume that the Proposed Merger is, in all respects, lawful under applicable law.

With respect to anticipated transaction costs, purchase accounting adjustments, expected cost savings and other synergies and financial and other information relating to the general prospects of PEBO and NASB, we have assumed that such information has been reasonably prepared and reflects the best currently available estimates and good faith judgment of the management of PEBO and NASB as to their most likely future performance. We have further relied on the assurances of management of PEBO and NASB that they are not aware of any facts or circumstances that would make any of such information inaccurate or misleading. We have not been asked to and have not undertaken an independent verification of any of such information and we do not assume any responsibility or liability for the accuracy or completeness thereof. We have assumed that the allowance for loan losses indicated on the balance sheets of PEBO and NASB is adequate to cover such losses; we have not reviewed loans or credit files of PEBO and NASB. We have assumed that all of the representations and warranties contained in the Merger Agreement and all related agreements are true and correct, that each party under the agreements will perform all of the covenants required to be performed by such party under the agreements, and that the conditions precedent in the agreements are not waived. We have assumed that the Proposed Merger will qualify as a tax-free reorganization for federal income tax purposes. Also, in rendering our opinion, we have assumed that in the course of obtaining the necessary regulatory approvals for the consummation of the Proposed Merger no conditions will be imposed that will have a material adverse effect on the combined entity or contemplated benefits of the Proposed Merger, including the cost savings and related expenses expected to result from the Proposed Merger.

Our opinion is based upon information provided to us by the management of PEBO and NASB, as well as market, economic, financial and other conditions as they exist and can be evaluated only as of the date hereof and accordingly, it speaks to no other period. We have not undertaken to reaffirm or revise this opinion or otherwise comment on events occurring after the date hereof and do not have an obligation to update, revise or reaffirm our opinion. Our opinion does not address the relative merits of the Merger and the other business strategies that NASB's Board of Directors has considered or may be considering, nor does it address the underlying business decision of NASB's Board of Directors to proceed with the Merger. We are expressing no opinion as to the value of the shares of PEBO common stock when issued to holders of outstanding NASB common stock pursuant to the Merger Agreement or the prices at which the Shares may trade at any time. Our opinion is for the information of NASB's Board of Directors in connection with its evaluation of the Proposed Merger and does not constitute a recommendation to the Board of Directors of NASB in connection with the Proposed Merger or a recommendation to any shareholder of NASB as to how such shareholder should vote or act with respect to the Proposed Merger. This opinion should not be construed as creating any fiduciary duty on Boenning & Scattergood, Inc.'s part to any party or person. Our opinion is not to be quoted or referred to, in whole or in part, in a registration statement, prospectus, proxy statement or in any other document, nor shall this opinion be used for any other purpose, without our prior written consent, except that, if required by applicable law, this opinion may be referenced and included in its entirety in any filing made by NASB or PEBO in respect to the Proposed Merger with the Securities and Exchange Commission; provided, however, any description of or reference to our opinion or to Boenning & Scattergood, Inc. be in a form reasonably acceptable to us and our counsel. We shall have no responsibility for the form or content of any such disclosure, other than the opinion itself.

Boenning & Scattergood, Inc., as part of its investment banking business, regularly is engaged in the valuation of assets, securities and companies in connection with various types of asset and security transactions, including mergers, acquisitions, private placements, public offerings and valuations for various other purposes, and in the determination of adequate consideration in such transactions. In the ordinary course of our business as a broker-dealer, we may, from time to time, purchase securities from, and sell securities to, PEBO and NASB or their respective affiliates. In the ordinary course of business, we may also actively trade the securities of PEBO and NASB for our own account and

for the accounts of customers and accordingly may at any time hold a long or short position in such securities.

We will receive a fee for rendering this opinion. Our fee for rendering this opinion is not contingent upon any conclusion that we may reach or upon completion of the Proposed Merger. NASB has also agreed to indemnify us against certain liabilities that may arise out of our engagement. Boenning & Scattergood, Inc. has not had any material relationship with PEBO or NASB during the past two years in which compensation was received or was intended to be received

as a result of the relationship between Boenning & Scattergood, Inc. and PEBO or NASB. Boenning & Scattergood, Inc. may provide investment banking services to PEBO in the future, although as of the date of this opinion, there is no agreement to do so.

This opinion has been approved by Boenning & Scattergood, Inc.'s fairness opinion committee. We do not express any opinion as to the fairness of the amount or nature of the compensation to be received in the Proposed Merger by the officers, directors, or employees of any party to the Merger Agreement, or any class of such persons, relative to the compensation to be received by the holders of Company Common Stock in the Proposed Merger.

Based on, and subject to the foregoing, it is our opinion that, as of the date hereof, the Merger Consideration to be received by the holders of Company Common Stock pursuant to the Merger Agreement, is fair, from a financial point of view, to such holders.

Sincerely,

BOENNING & SCATTERGOOD, INC.

Item 20. Indemnification of Directors and Officers.

(a) Ohio General Corporation Law

Section 1701.13(E) of the Ohio Revised Code grants corporations broad powers to indemnify directors, officers, employees and agents. Section 1701.13(E) provides:

(E)(1) A corporation may indemnify or agree to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, other than an action by or in the right of the corporation, by reason of the fact that the person is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, against expenses, including attorney's fees, judgments, fines, and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit, or proceeding, if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, if the person had no reasonable cause to believe the person's conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, the person had reasonable cause to believe that the person's conduct was unlawful.

(2) A corporation may indemnify or agree to indemnify any person who was or is a party, or is threatened to be made a party, to any threatened, pending, or completed action or suit by or in the right of the corporation to procure a judgment in its favor, by reason of the fact that the person is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, against expenses, including attorney's fees, actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit, if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any of the following:

(a) Any claim, issue, or matter as to which such person is adjudged to be liable for negligence or misconduct in the performance of the person's duty to the corporation unless, and only to the extent that, the court of common pleas or the court in which such action or suit was brought determines, upon application, that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court of common pleas or such other court shall deem proper;

(b) Any action or suit in which the only liability asserted against a director is pursuant to Section 1701.95 of the Revised Code.

(3) To the extent that a director, trustee, officer, employee, member, manager, or agent has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in division (E)(1) or (2) of this section, or in defense of any claim, issue, or matter in the action, suit, or proceeding, the person shall be indemnified against expenses, including attorney's fees, actually and reasonably incurred by the person in connection with the action, suit,

or proceeding.

(4) Any indemnification under division (E)(1) or (2) of this section, unless ordered by a court, shall be made by the corporation only as authorized in the specific case, upon a determination that indemnification of the director, trustee, officer, employee, member, manager, or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in division (E)(1) or (2) of this section. Such determination shall be made as follows:

(a) By a majority vote of a quorum consisting of directors of the indemnifying corporation who were not and are not parties to or threatened with the action, suit, or proceeding referred to in division (E)(1) or (2) of this section;

---

(b) If the quorum described in division (E)(4)(a) of this section is not obtainable or if a majority vote of a quorum of disinterested directors so directs, in a written opinion by independent legal counsel other than an attorney, or a firm having associated with it an attorney, who has been retained by or who has performed services for the corporation or any person to be indemnified within the past five years;

(c) By the shareholders;

(d) By the court of common pleas or the court in which the action, suit, or proceeding referred to in division (E)(1) or (2) of this section was brought.

Any determination made by the disinterested directors under division (E)(4)(a) or by independent legal counsel under division (E)(4)(b) of this section shall be promptly communicated to the person who threatened or brought the action or suit by or in the right of the corporation under division (E)(2) of this section, and, within ten days after receipt of that notification, the person shall have the right to petition the court of common pleas or the court in which the action or suit was brought to review the reasonableness of that determination.

(5)(a) Unless at the time of a director's act or omission that is the subject of an action, suit, or proceeding referred to in division (E)(1) or (2) of this section, the articles or the regulations of a corporation state, by specific reference to this division, that the provisions of this division do not apply to the corporation and unless the only liability asserted against a director in an action, suit, or proceeding referred to in division (E)(1) or (2) of this section is pursuant to section 1701.95 of the Revised Code, expenses, including attorney's fees, incurred by a director in defending the action, suit, or proceeding shall be paid by the corporation as they are incurred, in advance of the final disposition of the action, suit, or proceeding, upon receipt of an undertaking by or on behalf of the director in which the director agrees to do both of the following:

(i) Repay such amount if it is proved by clear and convincing evidence in a court of competent jurisdiction that his action or failure to act involved an act or omission undertaken with deliberate intent to cause injury to the corporation or undertaken with reckless disregard for the best interests of the corporation;

(ii) Reasonably cooperate with the corporation concerning the action, suit, or proceeding.

(b) Expenses, including attorney's fees, incurred by a director, trustee, officer, employee, member, manager, or agent in defending any action, suit, or proceeding referred to in division (E)(1) or (2) of this section, may be paid by the corporation as they are incurred, in advance of the final disposition of the action, suit, or proceeding, as authorized by the directors in the specific case, upon receipt of an undertaking by or on behalf of the director, trustee, officer, employee, member, manager, or agent to repay that amount, if it ultimately is determined that the person is not entitled to be indemnified by the corporation.

(6) The indemnification or advancement of expenses authorized by this section shall not be exclusive of, and shall be in addition to, any other rights granted to those seeking indemnification or advancement of expenses under the articles, the regulations, any agreement, a vote of shareholders or disinterested directors, or otherwise, both as to action in their official capacities and as to action in another capacity while holding their offices or positions, and shall continue as to a person who has ceased to be a director, trustee, officer, employee, member, manager, or agent and shall inure to the benefit of the heirs, executors, and administrators of that person. A right to indemnification or to advancement of expenses arising under a provision of the articles or the regulations shall not be eliminated or impaired by an amendment to that provision after the occurrence of the act or omission that becomes the subject of the civil, criminal, administrative, or investigative action, suit, or proceeding for which the indemnification or advancement of expenses is sought, unless the provision in effect at the time of that act or omission explicitly authorizes that elimination or impairment after the act or omission has occurred.

(7) A corporation may purchase and maintain insurance or furnish similar protection, including, but not limited to, trust funds, letters of credit, or self-insurance, on behalf of or for any person who is or was a director, officer, employee, or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under this section. Insurance may be purchased from or maintained with a person in which the corporation has a financial interest.

(8) The authority of a corporation to indemnify persons pursuant to division (E)(1) or (2) of this section does not limit the payment of expenses as they are incurred, indemnification, insurance, or other protection that may be provided

---

pursuant to divisions (E)(5), (6), and (7) of this section. Divisions (E)(1) and (2) of this section do not create any obligation to repay or return payments made by the corporation pursuant to division (E)(5), (6), or (7).

(9) As used in division (E) of this section, “corporation” includes all constituent entities in a consolidation or merger and the new or surviving corporation, so that any person who is or was a director, officer, employee, trustee, member, manager, or agent of such a constituent entity, or is or was serving at the request of such constituent entity as a director, trustee, officer, employee, member, manager, or agent of another corporation, domestic or foreign, nonprofit or for profit, a limited liability company, or a partnership, joint venture, trust, or other enterprise, shall stand in the same position under this section with respect to the new or surviving corporation as the person would if the person had served the new or surviving corporation in the same capacity.

(b) Regulations of Peoples

The Regulations of Peoples contains the following provisions with respect to the indemnification of directors and officers:

Article Five - Indemnification and Insurance

Section 5.01. Mandatory Indemnification. The corporation shall indemnify any officer or director of the corporation who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (including, without limitation, any action threatened or instituted by or in the right of the corporation), by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee or agent of another corporation (domestic or foreign, nonprofit or for profit), partnership, joint venture, trust or other enterprise, against expenses (including, without limitation, attorneys’ fees, filing fees, court reporters’ fees and transcript costs), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal action or proceeding, he had no reasonable cause to believe his conduct was unlawful. A person claiming indemnification under this Section 5.01 shall be presumed, in respect of any act or omission giving rise to such claim for indemnification, to have acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, and with respect to any criminal matter, to have had no reasonable cause to believe his conduct was unlawful, and the termination of any action, suit or proceeding by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, rebut such presumption.

Section 5.02. Court-Approved Indemnification. Anything contained in the Regulations or elsewhere to the contrary notwithstanding:

(A) the corporation shall not indemnify any officer or director of the corporation who was a party to any completed action or suit instituted by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee or agent of another corporation (domestic or foreign, nonprofit or for profit), partnership, joint venture, trust or other enterprise, in respect of any claim, issue or matter asserted in such action or suit as to which he shall have been adjudged to be liable for acting with reckless disregard for the best interests of the corporation or misconduct (other than negligence) in the performance of his duty to the corporation unless and only to the extent that the Court of Common Pleas of Washington County, Ohio or the court in which such action or suit was brought shall determine upon application that, despite such adjudication of liability, and in view of all the circumstances of the case, he is fairly and reasonably entitled to such indemnity as such Court of Common Pleas or such other court shall deem proper; and

(B) the corporation shall promptly make any such unpaid indemnification as is determined by a court to be proper as contemplated by this Section 5.02.

Section 5.03. Indemnification for Expenses. Anything contained in the Regulations or elsewhere to the contrary notwithstanding, to the extent that an officer or director of the corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Section 5.01, or in defense of any claim, issue or matter therein, he shall be promptly indemnified by the corporation against expenses (including, without limitation, attorneys' fees, filing fees, court reporters' fees and transcript costs) actually and reasonably incurred by him in connection therewith.

Section 5.04. Determination Required. Any indemnification required under Section 5.01 and not precluded under Section 5.02 shall be made by the corporation only upon a determination that such indemnification of the officer or director is proper in the circumstances because he has met the applicable standard of conduct set forth in Section 5.01. Such determination

---

may be made only (A) by a majority vote of a quorum consisting of directors of the corporation who were not and are not parties to, or threatened with, any such action, suit or proceeding, or (B) if such a quorum is not obtainable or if a majority of a quorum of disinterested directors so directs, in a written opinion by independent legal counsel other than an attorney, or a firm having associated with it an attorney, who has been retained by or who has performed services for the corporation, or any person to be indemnified, within the past five years, or (C) by the shareholders, or (D) by the Court of Common Pleas of Washington County, Ohio or (if the corporation is a party thereto) the court in which such action, suit or proceeding was brought, if any; any such determination may be made by a court under division (D) of this Section 5.04 at any time [including, without limitation, any time before, during or after the time when any such determination may be requested of, be under consideration by or have been denied or disregarded by the disinterested directors under division (A) or by independent legal counsel under division (B) or by the shareholders under division (C) of this Section 5.04]; and no failure for any reason to make any such determination, and no decision for any reason to deny any such determination, by the disinterested directors under division (A) or by independent legal counsel under division (B) or by shareholders under division (C) of this Section 5.04 shall be evidence in rebuttal of the presumption recited in Section 5.01. Any determination made by the disinterested directors under division (A) or by independent legal counsel under division (B) of this Section 5.04 to make indemnification in respect of any claim, issue or matter asserted in an action or suit threatened or brought by or in the right of the corporation shall be promptly communicated to the person who threatened or brought such action or suit, and within ten days after receipt of such notification such person shall have the right to petition the Court of Common Pleas of Washington County, Ohio or the court in which such action or suit was brought, if any, to review the reasonableness of such determination.

Section 5.05. Advances for Expenses. Expenses (including, without limitation, attorneys' fees, filing fees, court reporters' fees and transcript costs) incurred in defending any action, suit or proceeding referred to in Section 5.01 shall be paid by the corporation in advance of the final disposition of such action, suit or proceeding to or on behalf of the officer or director promptly as such expenses are incurred by him, but only if such officer or director shall first agree, in writing, to repay all amounts so paid in respect of any claim, issue or other matter asserted in such action, suit or proceeding in defense of which he shall not have been successful on the merits or otherwise:

(A) if it shall ultimately be determined as provided in Section 5.04 that he is not entitled to be indemnified by the corporation as provided under Section 5.01; or

(B) if, in respect of any claim, issue or other matter asserted by or in the right of the corporation in such action or suit, he shall have been adjudged to be liable for acting with reckless disregard for the best interests of the corporation or misconduct (other than negligence) in the performance of his duty to the corporation, unless and only to the extent that the Court of Common Pleas of Washington County, Ohio or the court in which such action or suit was brought shall determine upon application that, despite such adjudication of liability, and in view of all the circumstances, he is fairly and reasonably entitled to all or part of such indemnification.

Section 5.06. Article Five Not Exclusive. The indemnification provided by this Article Five shall not be exclusive of, and shall be in addition to, any other rights to which any person seeking indemnification may be entitled under the Articles or the Regulations or any agreement, vote of shareholders or disinterested directors, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be an officer or director of the corporation and shall inure to the benefit of the heirs, executors, and administrators of such a person.

Section 5.07. Insurance. The corporation may purchase and maintain insurance or furnish similar protection, including but not limited to trust funds, letters of credit, or self-insurance, on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, trustee, officer, employee, or agent of another corporation (domestic or foreign, nonprofit or for profit), partnership,

joint venture, trust or other enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the corporation would have the obligation or the power to indemnify him against such liability under the provisions of this Article Five. Insurance may be purchased from or maintained with a person in which the corporation has a financial interest.

Section 5.08. Certain Definitions. For purposes of this Article Five, and as examples and not by way of limitation:

(A) A person claiming indemnification under this Article Five shall be deemed to have been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in Section 5.01, or in defense of any claim, issue or other matter therein, if such action, suit or proceeding shall be terminated as to such person, with or without prejudice, without the entry of a judgment or order against him, without a conviction of him, without the imposition of a fine upon him and without his payment or agreement to pay any amount in settlement thereof (whether or not any such termination is based upon a judicial

---

or other determination of the lack of merit of the claims made against him or otherwise results in a vindication of him); and

(B) References to an “other enterprise” shall include employee benefit plans; references to a “fine” shall include any excise taxes assessed on a person with respect to an employee benefit plan; and references to “serving at the request of the corporation” shall include any service as a director, officer, employee or agent of the corporation which imposes duties on, or involves services by, such director, officer, employee or agent with respect to an employee benefit plan, its participants or beneficiaries; and a person who acted in good faith and in a manner he reasonably believed to be in the best interests of the participants and beneficiaries of an employee benefit plan shall be deemed to have acted in a manner “not opposed to the best interests of the corporation” within the meaning of that term as used in this Article Five.

Section 5.09. Venue. Any action, suit or proceeding to determine a claim for indemnification under this Article Five may be maintained by the person claiming such indemnification, or by the corporation, in the Court of Common Pleas of Washington County, Ohio. The corporation and (by claiming such indemnification) each such person consent to the exercise of jurisdiction over its or his person by the Court of Common Pleas of Washington County, Ohio in any such action, suit or proceeding.

(c) Insurance

Peoples maintains insurance policies under which directors and officers of Peoples are insured, within the limits and subject to the limitations of such policies, against expenses in connection with the defense of actions, suits or proceedings, and certain liabilities that might be imposed as a result of such actions, suits or proceedings, to which they are parties by reason of being or having been directors or officers of Peoples.

(b) Financial Statement Schedules

All schedules for which provision is made in the applicable accounting regulations of the Commission are not required under related instructions or are inapplicable and, therefore, have been omitted.

(c) Report, Opinion or Appraisal

Item 22. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement;

(i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement; and

---

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment will be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time will be deemed to be the initial bona fide offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

That prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

That every prospectus (i) that is filed pursuant to paragraph (c) immediately preceding, or (ii) that purports to meet the requirements of section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment will be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time will be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

The undersigned Registrant hereby undertakes to respond to requests for information that is incorporated by reference into the proxy statement/prospectus which forms a part of the registration statement pursuant to Item 4, 10(b), 11 or 13 of this Form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(g)

The undersigned Registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

---
