ITEM 2.01. Acquisition of Memorial Insurance Company of America.

On December 29, 2005, Security National Financial Corporation (the "Company"), through its subsidiaries, Security National Life Insurance Company, a Utah domiciled insurance company and wholly owned subsidiary of the Company, and Southern Security Life Insurance Company, a Florida domiciled insurance company and wholly owned subsidiary of Security National Life Insurance Company, completed a stock purchase transaction with Memorial Insurance Company of America, an Arkansas domiciled insurance company ("Memorial Insurance Company"),

Edgar Filing: SECURITY NATIONAL FINANCIAL CORP - Form 8-K

to purchase all of the outstanding shares of common stock of Memorial Insurance Company. Under the terms of the transaction, the shareholders of Memorial Insurance Company received a total purchase consideration of \$13,500,000 for all of the outstanding common shares of Memorial Insurance Company, with each shareholder having received a pro rata share of the total amount of the purchase consideration based upon the number of shares such shareholder owns.

The shareholders of Memorial Insurance Company received payment for their shares by means of distributions, with Security National Life Insurance Company and Southern Security Life Insurance Company simultaneously contributing sufficient capital and surplus to Memorial Insurance Company to maintain its status as an admitted insurer in good standing in the state of Arkansas. The transaction is to be treated, for federal and state tax purposes, as a part sale, part redemption of the Memorial Insurance Company stock. At the closing of the transaction, the shareholders of Memorial Insurance Company sold all of their shares of Memorial Insurance Company stock to Southern Security Life Insurance Company, such shares representing all of the issued and outstanding stock of Memorial Insurance Company. As a result, Memorial Insurance Company became a wholly owned subsidiary of Southern Security Life Insurance Company.

As of December 31, 2005, Memorial Insurance Company had 116,116 policies in force and 50 agents. For the year ended December 31, 2005, Memorial Insurance Company had revenues and net income of \$3,659,000 and \$837,000, respectively. As of December 31, 2005, the total assets and capital and surplus of Memorial Insurance Company were \$65,909,000 and \$2,505,000, respectively.

Under the terms of the transaction, as set forth in the Stock Purchase Agreement dated September 23, 2005 among Security National Life Insurance Company, Southern Security Life Insurance Company, and Memorial Insurance Company, the shareholders agree, where applicable following the closing of the transaction, to maintain any existing policies from Memorial Insurance Company that were previously sold through such shareholders' funeral and mortuary businesses and to avoid replacing any of such policies with the policies of other insurance companies. The shareholders further agree to use their reasonable best efforts to support the business and operations of Memorial Insurance Company, including, where applicable, to maintain a business relationship with Memorial Insurance Company to the extent such a business relationship existed prior to such closing.

Moreover, Security National Life Insurance Company and Southern Security Life Insurance Company agree, pursuant to the terms of the Stock Purchase Agreement, to maintain the corporate offices of Memorial Insurance Company at its current location in Blytheville, Arkansas. Furthermore, Security National Life Insurance Company and Southern Security Life Insurance Company agree to use their best efforts, following the closing of the transaction, to assist Memorial Insurance Company in retaining the sales agents and brokers in its business and operations. The obligations to complete the transaction were contingent upon approval of the transaction by the Arkansas Insurance Department. A hearing was held on December 9, 2005 with the Commissioner of the Arkansas Insurance Department to consider the request to approve the transaction, and the Commissioner issued an order dated December 21, 2005 approving the transaction.

Edgar Filing: SECURITY NATIONAL FINANCIAL CORP - Form 8-K

At the closing of the transaction, Security National Life Insurance Company and Memorial Insurance Company entered into a reinsurance agreement to reinsure the majority of the in force business of Memorial Insurance Company to Security National Life Insurance Company, as reinsurer, to the extent permitted by the Arkansas Insurance Department. The assets and liabilities to be reinsured under the reinsurance agreement will be deposited into a trust account, in which Zions First National Bank agrees to act as trustee. Under the terms of the reinsurance agreement, in the event of the insolvency of Security National Life Insurance Company, Zions First National Bank agrees to hold the assets and liabilities in trust for purposes of the administration of the assets and liabilities with respect to such insolvency.

As a result of the execution of the reinsurance agreement, certain insurance business and operations of Memorial Insurance Company will be transferred to Security National Life Insurance Company, including all policies in force as of the effective date thereof, except for certain policies to be retained by Memorial Insurance Company. Any future insurance business by Memorial Insurance Company will be covered by this reinsurance agreement. All of the business and operations of Memorial Insurance Company are to be transferred to Security National Life Insurance Company under the terms of the reinsurance agreement, except for capital and surplus of approximately \$1,000,000. Thus, approximately \$30,026,000 in assets and liabilities will be transferred from Memorial Insurance Company to Security National Life Insurance Company pursuant to the reinsurance agreement.

At the closing of the stock purchase transaction, Memorial Insurance Company issued a \$30,025,777 note to Security National Life Insurance Company payable, together with accrued interest, within 30 days from the date of issuance. The note is to be repaid in cash or in assets to be transferred to Security National Life Insurance Company. The note is secured by the assets owned by Memorial Insurance Company. In addition, Southern Security Life Insurance Company contributed \$2,200,000 to Memorial Insurance Company at closing in consideration for the surplus note. Memorial Insurance Company intends to repay the surplus note in early 2006 using the proceeds from the sale of the investments in common stock that it currently holds in its investment portfolio.

On December 31, 2005, Memorial Insurance Company entered into a reinsurance agreement with Security National Life Insurance Company for certain accident and health insurance policies of Security National Life Insurance Company. Under the terms of the reinsurance agreement, Memorial Insurance Company assumed 100% of the liabilities of these policies. In addition, pursuant to the agreement, Security National Life Insurance Company transferred \$96,345 in statutory reserves and assets to Memorial Insurance Company as of December 31, 2005. There was no additional consideration paid for these policies under the agreement.

Board of Directors
Memorial Life Insurance Company of America

We have audited the accompanying balance sheets of Memorial Life Insurance Company of America as of December 31, 2005 and 2004, and the related statements of operations, stockholders' equity, and cash flows for each of the years in the three-year period ended December 31, 2005. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining on a test basis evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion the financial statements referred to above present fairly, in all material respects, the financial position of Memorial Life Insurance Company of America as of December 31, 2005 and 2004, and the results of their operations and their cash flows for each of the years in the three year period ended December 31, 2005 in conformity with accounting principles generally accepted in the United States of America.

MEMORIAL LIFE INSURANCE COMPANY OF AMERICA
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2005, 2004 AND 2003

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Memorial Insurance Company of America is a corporation chartered in the State of Arkansas whose primary line of business is the issuance of life and annuity policies.

Method of Accounting

The accompanying financial statements have been prepared in conformity with generally accepted accounting principles in the United States of America (GAAP).

Business Risk and Uncertainties

The development of liabilities for future policy benefits for the Company's products requires management to make estimates and assumptions regarding mortality, morbidity, lapse, expense, and investment experience. Such estimates are primarily based on historical experience and future expectations of mortality, morbidity, expense, persistency, and investment assumptions. Actual results could differ materially from those estimates. Management monitors actual experience, and where circumstances warrant, revises its assumptions and the related future policy benefit estimates.

The company's investments are primarily comprised of fixed maturity securities and equity securities. The Company regularly invests in mortgage-backed securities and other securities subject to prepayment and call risk. Significant changes in prevailing interest rates may adversely affect the timing and amount of cash flows on such securities. In addition, the amortization of market premium and accretion of market discount for mortgage-backed securities is based on historical experience and estimates of future payments on the underlying mortgage loans. Actual prepayment experience will differ from original estimates and may result in material adjustments to amortization or accretion recorded in future periods.

Cash and Cash Equivalents

For purposes of the statements of cash flows, the Company considers cash, money markets, and investments with original maturities of three months or less to be cash and cash equivalents. All other investment securities are classified as investments.

Edgar Filing: SECURITY NATIONAL FINANCIAL CORP - Form 8-K

YEARS ENDED DECEMBER 31, 2005, 2004 AND 2003

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recognition of Premium Revenue

Benefits and expenses associated with premium revenue are recognized over the lives of the contracts through changes in policy reserves and deferred policy acquisitions costs, which are established as policies are placed in force.

During 2005, 2004, and 2003, the Company earned the following premiums:

	2005 ----	2004 ----	2003 ----
Life	\$ 837,478 =====	\$1,005,162 =====	\$1,259,401 =====

Deferred Policy Acquisition Costs

The costs of acquiring new business, principally commissions and other direct expenses of issuing new policies, have been deferred. These deferred policy acquisition costs are being amortized in proportion to the ratio of annual premium revenue to the total premium revenue over the life of the policy. The Company considers the impact of product profitability in determining the recoverability of the deferred policy acquisition costs.

Policy Benefit Reserves

The aggregate reserve for insurance policies has been actuarially determined using primarily the net level premium method based on estimated future investment yield, mortality and withdrawals. Estimated mortality has been established using the scaled valuation mortality tables. Investment yields have been estimated at 6% grading to 5% over 20 years. Withdrawals are estimated based upon the previous corporate experience. The increase in policy benefit reserves is as follows:

	2005 ----	2004 ----	2003 ----
Increase in policy benefit reserves	\$ 433,765 =====	\$ 450,822 =====	\$ 332,793 =====
In force policies at end of year	116,116 =====	100,710 =====	99,817 =====

Policy Claims

Policy claims represent the estimated liabilities on claims reported plus provision for claims incurred but not yet reported. The liabilities of unpaid claims are determined using both evaluations of each claim and statistical analysis and represent the estimated ultimate cost of all claims incurred through the end of the year.

Edgar Filing: SECURITY NATIONAL FINANCIAL CORP - Form 8-K

MEMORIAL LIFE INSURANCE COMPANY OF AMERICA NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2005, 2004 AND 2003

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Securities

Management determined the appropriate classification of securities at the time of purchase. All equity securities were classified as available-for-sale and were carried at market value as of December 31, 2005. The Company had the intent and the ability at the time of purchase to hold all debt securities until maturity. Therefore, they were classified as investments held-to-maturity and carried at amortized cost as of that date.

Realized gains and losses on dispositions were based on the net proceeds and the adjusted book value of the securities sold, using the specific identification method. Unrealized gains and losses on investment securities available for sale were based on the difference between book value and fair value of each security. These gains and losses are credited or charged to stockholders' equity, whereas realized gains and losses were recognized in the Company's operations.

Income Taxes

Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date.

Use of Estimates

In preparing the Company's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Impairment of Long-Lived Assets

The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable through undiscounted future cash flows. If it is determined that an impairment loss has occurred based on expected cash flows, such loss is recognized in the statement of operations.

Reclassification

Certain prior year amounts have been reclassified to conform to the current year presentation.

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recent Accounting Pronouncements

In December 2004, FASB revised SFAS 123 to Share-Based Payment ("SFAS 123(R)"). SFAS 123(R) provides additional guidance on determining whether certain financial instruments awarded in share-based payment transactions are liabilities. SFAS 123(R) also requires that the cost of all share-based transactions be recorded in the financial statements. The Company will adopt SFAS 123(R) using the modified prospective application approach effective January 1, 2006. Implementation of SFAS 123(R) will not have a significant impact on the Company's consolidated financial statements in the period of implementation. However, any future stock options granted could have a significant impact on the Company's consolidated financial statements.

In December 2004, the FASB issued SFAS No. 153, Exchange of Non-monetary Assets. SFAS No. 153 amends APB Opinion No. 29, Accounting for Non-monetary Transactions, to eliminate the exception for non-monetary exchanges of similar productive assets. The Company will be required to apply this statement to non-monetary exchanges after December 31, 2005. The adoption of this standard is not expected to have a material effect on the Company's financial position or results of operations.

In June 2005, the FASB issued SFAS No. 154, Accounting Changes and Error Corrections, a replacement of APB Opinion No. 20, Accounting Changes, and FASB No. 3, Reporting Accounting Changes in Interim Financial Statements. Statement 154 applies to all voluntary changes in accounting principle, and changes the requirements for accounting for and reporting of a change in accounting principle. Statement 154 requires retrospective application to prior periods' financial statements of a voluntary change in accounting principle unless it is impracticable. It is effective for accounting changes and corrections of errors made in fiscal years beginning after December 15, 2005. Earlier application is permitted for accounting changes and corrections of errors made occurring in fiscal years beginning after June 1, 2005. The Company expects that the adoption of SFAS 154 will not have a material impact on its financial statements.

In June 2005, the FASB Emerging Issues Task Force ("EITF") reached a consensus on Issue No. 05-6, "Determining the Amortization Period for Leasehold Improvements." The guidance requires that leasehold improvements acquired in a business combination or purchased subsequent to the inception of a lease be amortized over the lesser of the useful life of the assets or a term that includes renewals that are reasonably assured at the date of the business combination or purchase. The guidance is effective for periods beginning after June 29, 2005. The adoption of EITF No. 05-6 is not expected to have a material effect on the Company's financial position or results of operations.

NOTE 6- RELATED PARTY TRANSACTIONS

On December 29, 2005, Southern Security Life Insurance Company ("Southern Security"), a wholly owned subsidiary of Security National Life Insurance Company, completed a stock purchase transaction with the Company to purchase all of the outstanding shares of common stock of the Company. Under the terms of the transaction, the shareholders of the Company received \$13,500,000 in considerations for all of the common shares of the Company, with each shareholder having received a pro rata share of the total amount of the purchase considerations based upon the number of shares such shareholder owns.

The Company's shareholders received a total of \$13,500,000 for their shares by means of a distribution from the Company's capital and surplus with Southern Security simultaneously contributing a Surplus Note in the amount of \$2,200,000 to the Company to maintain its status as an admitted insurer in good standing in the state of Arkansas. The Surplus Note bears interest at 6% and is to be paid quarterly. The outstanding principal and interest can be repaid only if such payment would not reduce the capital and surplus of the Company below \$1,000,000 and the prior approval of the Arkansas Insurance Department.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED DECEMBER 31, 2005, 2004 AND 2003

NOTE 6- RELATED PARTY TRANSACTIONS (CONTINUED)

On December 29, 2005 Security National Life Insurance Company (Security National Life) entered into a reinsurance agreement to reinsure the majority of the in force business of the Company to Security National Life. The assets and liabilities to be reinsured under the reinsurance agreement will be deposited into a trust account in which Zion's First National Bank has agreed to act as trustee. Any future insurance business by the Company will be covered by this reinsurance agreement.

At the closing of the stock purchase agreement, Memorial Insurance issued a \$30,025,777 note to Security National Life payable, together with accrued interest, within 30 days from the date of issuance. The note is to be repaid in cash or in assets to be transferred to Security National Life in conjunction with the reinsurance.

The Arkansas and Florida Insurance Departments approved the stock purchase, reinsurance agreements and surplus note.

On December 31, 2005, the Company entered into a reinsurance agreement with Security National Life for certain accident and health policies of Security National Life. The Company assumed 100% of the liability for these policies. Security National Life transferred on December 31, 2005, \$96,345 in policy benefit reserves and a reinsurance receivable from this affiliate. There was not any additional consideration paid for these policies.

NOTE 7- COMMITMENTS AND CONTINGENCIES

The Company knows of no material contingent liabilities and has not committed any surplus funds to reserves for contingent liabilities. The Company also has no material lease obligations as of December 31, 2005.

NOTE 8- RETIREMENT PLAN

The Company maintains a non-contributory profit sharing plan covering all employees who have worked at least 1,000 hours in the first twelve months of employment and are at least 21 years old. Contributions to the plan are made at the discretion of the Company. Benefit payments are based on the participant's account balance, which is composed of the employer contributions and net earning or losses from invested assets. For the years ended December 31, 2005 and 2004, the Company contributed \$64,477 and \$10,160, respectively.

Item 9.01 Pro Forma Financial Information

The accompanying audited pro forma financial statements give effect to the acquisition of the insurance business of Memorial Life Insurance Company of America by Southern Security Life Insurance Company, a wholly owned subsidiary of Security National Financial Corporation. The adjustments to the pro forma

Edgar Filing: SECURITY NATIONAL FINANCIAL CORP - Form 8-K

balance sheets assume that the acquisition took place on January 1, 2004. The pro forma adjustments and the assumptions on which they are based are described in the accompanying notes to pro forma financial statements.

The pro forma information for Security National Financial Corporation was taken from the Form 10-Q and Form 10-K as filed with the Securities and Exchange Commission for the third quarter ended September 30, 2005, and year ended December 31, 2004. The pro forma information for Memorial Insurance Company of America is obtained from the financial statements presented elsewhere in this Form 8-K filing. Adjustments have been made to the Memorial Insurance Company of America financial statements for the year ended December 31, 2005 to reflect the nine months ended September 30, 2005 pro forma presentation.

The pro forma financial statements are not necessarily indicative of the results that actually would have occurred if the acquisition had been in effect as of and for the period presented or that may be achieved in the period subsequent to the acquisition.

Notes to Pro Forma
Consolidated Financial Statements

Note 1. Basis of Presentation

The accompanying audited pro forma consolidated financial statements have been prepared in accordance with generally accepted accounting principles for pro forma financial information and with the instructions to Form 8-K and Article 11 of Regulation S-X. The acquisition will be accounted for as a purchase by Security National. The pro forma adjustments presented are estimates as of the periods presented and do not necessarily reflect the actual amounts that will be booked on the actual purchase date and subsequent adjustments required for an appropriate pro forma presentation have been included.

On December 29, 2005, Southern Security Life Insurance Company ("Southern Security"), a wholly owned subsidiary of Security National Life Insurance Company, completed a stock purchase transaction with Memorial Insurance Company of America (Memorial Insurance), an Arkansas domiciled insurance company to purchase all of the outstanding shares of common stock of Memorial Insurance. Under the terms of the transaction, the shareholders of Memorial Insurance received \$13,500,000 in considerations for all of the common shares of Memorial Insurance, with each shareholder having received a pro rata share of the total amount of the purchase considerations based upon the number of shares such shareholder owns.

The shareholders received a total of \$13,500,000 for their shares by means of a distribution from Memorial Insurance capital and surplus with Southern Security simultaneously contributing a Surplus Note in the amount of \$2,200,000 to Memorial Insurance to maintain its status as an admitted insurer in good standing in the state of Arkansas. The Surplus Note bears interest at 6% and is to be paid quarterly. The outstanding principal and interest can be repaid only if such payment would not reduce the capital and surplus of Memorial Insurance below \$1,000,000 and the prior approval of the Arkansas Insurance Department.

On December 29, 2005 Security National Life Insurance Company (Security National Life) entered into a reinsurance agreement to reinsure the majority of the in force business of Memorial Insurance to Security National Life. The assets and liabilities to be reinsured under the reinsurance agreement will be deposited into a trust account in which Zion's First National Bank has agreed to act as trustee. Any future insurance business by Memorial Insurance will be covered by this reinsurance agreement.

At the closing of the stock purchase agreement, Memorial Insurance issued a \$30,025,777 note to Security National Life payable, together with accrued interest, within 30 days from the date of issuance. The note is to be repaid in cash or in assets to be transferred to Security National Life in conjunction with the reinsurance.

Edgar Filing: SECURITY NATIONAL FINANCIAL CORP - Form 8-K

The Arkansas and Florida Insurance Departments approved the stock purchase, reinsurance agreements and surplus note.
