Item 5.03	Amendments to the Articles of Incorporation or By-Laws; Change in Fiscal Year

On October 25, 2017, the Board of Directors of the Corporation amended Section 5 of Article I of the Corporation’s By-Laws, effective November 1, 2017, to implement a majority voting standard for uncontested elections of directors in lieu of the default plurality voting standard provided under the laws of New Jersey where the Corporation is incorporated. Plurality voting would continue to apply in any contested election.

The Corporation’s Corporate Governance Guidelines have long included a resignation policy for any director candidate in an uncontested election if the votes “withheld” from the election of such director exceed the votes cast “for” such election. The policy further provides that, in the absence of a compelling reason for the director to remain on the Board, the Board shall accept the resignation. This resignation policy remains in effect with conforming changes to reflect the majority voting provision.

The above description of the amendments to the By-Laws is qualified in its entirety by reference to the full text of the By-Laws filed as Exhibit 3(ii) to this Report.
