#### TRICO BANCSHARES ANNOUNCES QUARTERLY EARNINGS

CHICO, Calif. - (October 29, 2009) - TriCo Bancshares (NASDAQ: TCBK), parent company of Tri Counties Bank, today announced quarterly earnings of \$2,255,000 for the quarter ended September 30, 2009. This represents a 63.8% decrease when compared with earnings of \$6,235,000 for the quarter ended September 30, 2008. Diluted earnings per share for the quarter ended September 30, 2009 decreased 64.1% to \$0.14 from \$0.39 for the quarter ended September 30, 2008. The decrease in earnings from the prior year quarter was primarily due to the Company's decision to increase by \$5,400,000 the provision for loan losses to \$8,000,000 for the quarter ended September 30, 2009.

Total assets of the Company increased \$119,199,000 (6.0%) to \$2,095,666,000 at September 30, 2009 from \$1,976,467,000 at September 30, 2008. Total loans of the Company decreased \$32,024,000 (2.0%) to \$1,531,212,000 at September 30, 2009 from \$1,563,236,000 at September 30, 2008. Total deposits of the Company increased \$188,054,000 (12.0%) to \$1,751,895,000 at September 30, 2009 from \$1,563,841,000 at September 30, 2008. Diluted earnings per share for the nine months ended September 30, 2009 and 2008 were \$0.48 and \$0.78, respectively, on earnings of \$7,649,000 and \$12,557,000, respectively.

Net interest income on a fully tax equivalent basis (FTE) increased \$368,000 (1.6%) to \$23,257,000 during the third quarter of 2009 from the same period in 2008. The increase in net interest income (FTE) was due to a \$163,033,000 (9.0%) increase in average balances of interest-earning assets to \$1,969,043,000 that was partially offset by a 0.35% decrease in net interest margin (FTE) to 4.72% from the quarter ended September 30, 2008. The decrease in margin was mainly due to increased balances of interest-earning cash at the Federal Reserve Bank.

The Company provided \$8,000,000 for loan losses in the third quarter of 2009 versus \$2,600,000 in the third quarter of 2008. In the third quarter of 2009, the Company recorded \$7,073,000 of net loan charge-offs versus \$2,293,000 of net loan charge-offs in the third quarter of 2008. Included in the \$7,073,000 of net loan charge-offs during the third quarter of 2009 were \$2,293,000 on residential construction, \$2,095,000 on home equity lines and loans, \$1,488,000 on commercial (non-real estate), and \$855,000 on auto indirect loans.

At September 30, 2009, the sum of the Company's allowance for loan losses of

\$34,551,000 and the reserve for unfunded commitments of \$3,640,000 represented 82% of non-performing loans net of government agency guarantees. Non-performing loans, defined as non-accruing loans and accruing loans delinquent 90 days or more, net of government guarantees at September 30, 2009 increased \$3,234,000 (7.5%) to \$46,607,000 from \$43,373,000 at June 30, 2009.

Noninterest income for the third quarter of 2009 increased \$1,001,000 (14.7%) from the third quarter of 2008, mainly due to a \$864,000 (253%) increase in gain on sale of loans to \$1,205,000. Also contributing to the increase in noninterest income was a \$127,000 (3.1%) increase in service charges on deposit accounts to \$4,207,000, a \$123,000 (10.6%) increase in ATM fees and interchange revenue to \$1,287,000, and a \$155,000 (27.1%) increase in the change in value of mortgage servicing rights to (\$416,000). These increases were offset by a decrease of \$214,000 (36.0%) in commission on sale of nondeposit investment products to \$380,000. The increases in service charges on deposit accounts and ATM fees and interchange revenue were primarily due to increased numbers of customers. The increase in gain on sale of loans is primarily due to increased refinancing activity during the quarter. The following table summarizes the components of noninterest income for the quarters ended September 30, 2009 and 2008 (dollars in thousands).

	Three months ended September 30,	
	2009	2008
Service charges on deposit accounts	\$4 <b>,</b> 207	\$4,080
ATM fees and interchange revenue	1,287	1,164
Other service fees	567	551
Change in value of mortgage servicing rights	(416)	(571)
Gain on sale of loans	1,205	341
Commissions on sale of nondeposit investment products	380	594
Increase in cash value of life insurance	270	360
Other noninterest income	293	273
Total noninterest income	\$7 <b>,</b> 793	\$6 <b>,</b> 792

Noninterest expense for the third quarter of 2009 increased \$2,788,000 (16.8%) compared to the third quarter of 2008. Salaries and benefits expense increased \$832,000 (8.8%) to \$10,263,000 mainly due to annual salary increases and increased incentive compensation expense related to increased production of sold loans. Other noninterest expense increased \$1,956,000 (27.3%) primarily due to a \$579,000 (491%) increase in assessments and a \$600,000 increase in provision for losses on unfunded commitments. The following table summarizes the components of noninterest expense for the quarters ended September 30, 2009 and 2008 (dollars in thousands).

	Three month September	
	2009	2008
Base salaries, net of deferred loan origination costs	\$6 <b>,</b> 827	\$6 <b>,</b> 331
Incentive compensation	980	675
Benefits and other compensation costs	2,456	2,425
Total salaries and benefits expense	10,263	9 <b>,</b> 431

Occupancy	1,316	1,289
Equipment	953	1,017
Data processing and software	655	600

Assessments	697	118
Operational losses	97	81
Provisions for losses - unfunded commitments	500	(100)
Other	2,278	1,918
Total other noninterest expense	9,114	7,158
Total noninterest expense	\$19 <b>,</b> 377	\$16 <b>,</b> 589
Average full time equivalent staff Noninterest expense to revenue (FTE)	645	668 58.01%

As of September 30, 2009, the Company had repurchased 166,600 shares of its common stock under its stock repurchase plan announced on August 21, 2007, which left 333,400 shares available for repurchase under the plan.

Richard Smith, President and Chief Executive Officer commented, "While diluted earnings per share were much lower than the prior year's quarter due to increased provisioning for loan losses, total bank revenues exceeded the prior year's levels. This increasing revenue stream provides the bank with the earnings necessary to increase loan loss reserves, increase our capital levels, pay increased premiums for deposit insurance and remain profitable during these challenging economic times." Smith added, "Our levels of liquidity, capital and reserves for loan losses remain strong as we progress through this deep recessionary period."

In addition to the historical information contained herein, this press release may contain certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. The reader of this press release should understand that all such forward-looking statements are subject to various uncertainties and risks that could affect their outcome. The Company's actual results could differ materially from those suggested by such forward-looking statements. Factors that could cause or contribute to such differences include, but are not limited to, variances in the actual versus projected growth in assets, return on assets, interest rate fluctuations, economic conditions in the Company's primary market area, demand for loans, regulatory and accounting changes, loan losses, expenses, rates charged on loans and earned on securities investments, rates paid on deposits, competition effects, fee and other noninterest income earned as well as other factors detailed in the Company's reports filed with the Securities and Exchange Commission which are incorporated herein by reference, including the Form 10-K for the year ended December 31, 2008. These reports and this entire press release should be read to put such forward-looking statements in context and to gain a more complete understanding of the uncertainties and risks involved in the Company's business. Any forward-looking statement may turn out to be wrong and cannot be guaranteed. The Company does not intend to update any of the

forward-looking statements after the date of this release.

TriCo Bancshares and Tri Counties Bank are headquartered in Chico, California. Tri Counties Bank has a 34-year history in the banking industry. It operates 32 traditional branch locations and 26 in-store branch locations in 23 California counties.
