PROXY STATEMENT

February 22, 2011

This statement is furnished in connection with the solicitation by the Board of Directors of General American Investors Company, Inc. (hereinafter called the "Company" or the "Corporation") of proxies to be used at the annual meeting of stockholders of the Company, to be held at The Century Association, 7 West 43rd Street, New York City, N.Y., on Wednesday, April 13, 2011 at 10:00 a.m. (and at any adjournments or postponements thereof) for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. Stockholders who execute proxies retain the right to revoke them at any time, insofar as they have not been exercised, by written notice to the Secretary of the Company or by attendance at the Annual Meeting.

The close of business on February 15, 2011 has been fixed as the record date for the determination of the stockholders entitled to notice of, and to vote at, the meeting.

Proxies returned will be voted in accordance with the instructions thereon or, if no instructions are indicated, in favor of the nominees named herein and to approve the appointment of Ernst & Young LLP as auditors.

As of February 15, 2011, the Company had outstanding 30,423,294 shares of Common Stock, \$1 par value, and 7,604,687 shares of 5.95% Cumulative Preferred Stock, Series B ("Preferred Stock"), \$1 par value, each share carrying one vote.

The Annual Report of the Company, including audited financial statements for the fiscal year ended December 31, 2010, is enclosed in this mailing. This proxy statement and form of proxy are first being mailed to stockholders on or about February 22, 2011. The Company will provide, without charge, additional copies of the Annual Report to any stockholder upon request by calling Carole Anne Clementi, Corporate Secretary of the Company, at 1-800-436-8401.

The Company intends to treat properly executed proxies that are marked "abstain" or "withhold," including "broker non-votes" (that is, a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares on a particular matter with respect to which the broker or nominee does not have discretionary power), as present for purposes of determining the existence of a quorum for the transaction of business. A quorum will consist of a majority of the shares of stock of the Company entitled to vote on a matter at the meeting, present in person or represented by proxy. The election of the Company's directors requires a plurality of the votes of the shares present or represented by proxy at the meeting and entitled to vote on the election. In the election of directors, votes may be cast in favor of or withheld with respect to any or all nominees; votes that are withheld and broker non-votes will be excluded entirely from the vote and will have no effect on the outcome of the vote. The affirmative vote of the holders of a majority of the outstanding shares present in person or represented by proxy and entitled to vote on the matter is required to ratify the appointment of Ernst & Young LLP. In accordance with Delaware law, only votes cast "for" a matter constitute affirmative votes. Accordingly, votes that are withheld or abstentions from voting are not votes cast "for" a particular matter, and such votes have the same effect as negative votes or votes "against" a particular matter. Because of the routine nature of the items of business presented in this proxy statement, the rules of The New York Stock Exchange, Inc. permit member brokers who do not receive instructions from their customers who are beneficial owners of the

Company's shares to vote their customers' shares on these items of business.

A. Respecting the Election of Directors

Stockholders vote at the meeting by casting ballots (in person or by proxy) which are tabulated by one or two persons, appointed at the meeting, who serve as Inspectors of Election at the meeting and who execute an oath to discharge their duties. It is the intention of the persons named in the accompanying form of proxy to nominate and to vote such proxy for the election of persons named below or, if any such persons should be unable to serve, for the election of such other person or persons as shall be determined by the persons named in the proxy in accordance with their judgment. Directors - Leadership Structure and Oversight Responsibilities

Overall responsibility for general oversight of the Company rests with the Board of Directors. The Board of Directors has appointed Mr. Knafel as the Lead Independent Director. The Lead Independent Director presides over executive sessions of the Directors and also serves between meetings of the Board of Directors as a liaison with service providers, officers, counsel and other Directors on a wide variety of matters including scheduling agenda items for Board meetings. Designation as such does not impose on the Lead Independent Director any obligations or standards greater than or different from the other Directors. The Board of Directors has established Executive, Audit, Nominating, Compensation and Pension Committees to assist the Board of Directors in the oversight of the management and affairs of the Company. From time to time the Board of Directors may establish additional committees or informal working groups, to deal with specific matters.

All of the Company's Directors, other than Mr. Spencer Davidson, are independent Directors, and the Board of Directors believes they are able to provide effective oversight of the Company. In addition to providing feedback and direction during Board of Director meetings, the Directors meet regularly in executive session and independent Directors chair all committees of the Board of Directors.

The Company's operations entail a variety of risks including investment, administration, valuation, and a range of compliance matters. Although the officers and employees of the Company are responsible for managing these risks on a day-to-day basis within the framework of their established risk management functions, the Board of Directors is responsible for and oversees the risk management processes of the Company. As part of its oversight process, the Board of Directors reviews with officers at Board meetings the levels and types of risks being undertaken by the Company, and the Audit Committee discusses the Company's risk management and controls with the independent registered public accounting firm engaged by the Company. The Board of Directors reviews valuation policies and procedures and the valuations of specific illiquid securities. The Board of Directors also receives periodic reports from the Company's Chief Compliance Officer regarding compliance matters relating to the Company and its major service providers, including results of the implementation and testing of the Company's and such providers' compliance programs. The Board of Directors reviews its role in supervising the Company's risk management from time to time and may make changes in its discretion at any time.

The Board of Directors has determined that its leadership structure is appropriate for the Company because it enables the Board of Directors to exercise informed and independent judgment over matters under its purview, allocates responsibility among committees in a manner that fosters effective oversight and allows the Board of Directors to devote appropriate resources to specific issues in a flexible manner as they arise. The Board of Directors periodically reviews its leadership structure as well as its overall structure, composition and functioning and may make changes in its discretion at any time.

The Audit Committee consists of the following directors: Chairperson - Ms. D. Ellen Shuman, Mr. Arthur G. Altschul, Jr., Mr. Rodney B. Berens, Mr. Lewis B. Cullman and Mr. John D. Gordan, III. These directors are independent of management and the Company. Each of them is also "independent" as such term is defined in The New York Stock Exchange listing standards applicable to the Company. The organization and responsibilities of the Audit Committee are set forth in the Audit Committee Charter located on the Company's website at www.generalamericaninvestors.com. Generally, the Audit Committee assists the Board of Directors in its oversight of the Company's accounting and financial reporting, internal controls, and responsibilities concerning compliance with federal securities laws; the independent audit of the Company's financial statements; the selection of the independent auditors; and the evaluation of the independence of the independent auditors. The Report of the Audit Committee is set forth as an Exhibit on page 13. The Audit Committee met three times during the fiscal year, on January 20, July 21, and December 8, 2010, and once after the end of the fiscal year, on January 19, 2011.

The Compensation Committee consists of the following directors: Chairman: Mr. Arthur G. Altschul, Jr., Mr. Sidney R. Knafel, Mr. Daniel M. Neidich and Mr. Raymond S. Troubh. The Compensation Committee reviews: the operations and performance of the Company, the contributions of its officers and employees, proposals by management for year-end supplemental compensation and levels of compensation for the ensuing year, operating and compensation data for comparable companies in the investment industry, and information and trends provided by an outside consulting firm. The Compensation Committee makes recommendations on matters of compensation to the Board of Directors. The Committee met once during the fiscal year, on December 8, 2010.

The Executive Committee consists of the following directors: Chairman - Mr. Sidney R. Knafel, Mr. Spencer Davidson (an "interested person" of the Company), Dr. Gerald M. Edelman and Mr. John D. None of the members of the Committee are interested persons of the Company. The organization and responsibilities of the Nominating Committee are set forth in the Nominating Committee Charter located on the Company's website at www.generalamericaninvestors.com. The Nominating Committee is responsible for directing the process whereby individuals are selected and nominated to serve as directors of the Company. This includes canvassing, recruiting, interviewing and soliciting independent director candidates. This process also involves evaluating individual candidates and making recommendations to the Board with respect to individuals to be nominated to serve as directors. In addition, the Committee will consider nominees recommended by, and respond to related inquiries received from, stockholders. The Committee does not expect to consider self-nominating stockholders. The criteria evaluated and associated with candidates include factors such as judgment, skill, diversity, experience, the interplay of the candidate's experience with the experience of other board members and the extent to which the candidate would be a desirable addition to the Board of Directors. The Nominating Committee does not have a formal policy regarding the consideration of diversity in identifying candidates. All recommendations of a nominee must include biographical data regarding the nominee and the qualifications of the nominee, as well as the basis on which a nominee is or is not an "interested person" of the Company. Copies of responses, together with the related original communication, will be provided to each member of the Board, the Chairman of the Board or individual Directors, as deemed appropriate.

1 The amounts shown in this column represent the Company's payments made during 2010 to the trustee of the Company's Employees' Thrift Plan, as described below, or accounting reserves established during 2010 under the Company's Excess Contribution Plan, as described below, on behalf of the respective individuals.

During 2010, each director who was not a paid officer of the Company received a fee of \$15,000 as an annual retainer, a fee of \$1,250 for attendance at each Directors' meeting and a fee of \$1,250 for each Committee meeting which he or she attended in his or her capacity as a Director (a fee of \$750 if participation was by telephone).

With respect to the Company's Employees' Thrift Plan, the Company matches 150% of an employee's contributions up to 8% of basic salary to the plan. Company contributions are invested in shares of the Company's common stock. An employee's interest in Company contributions to his account is fully vested after six years of service. Partial vesting begins after two years of participation in the plan. All employees, including officers, are eligible to participate in the Thrift Plan after six months of service with the Company.

The Company has an Employees' Retirement Plan which is broadly characterized as a defined benefit plan. The Company contributes to the trustee for the plan annual costs which include actuarially determined current service costs and amortization of prior service costs. Retirement benefits are based on final average earnings (basic salary and, beginning in 2000, bonuses for non-highly compensated employees, exclusive of overtime, commissions, pension, retainer fees, fees under contracts or any other forms of additional or special compensation, for the five consecutive years in which the participant had the highest basic salary during the last ten years of service) and years of credited service, less an offset for social security covered compensation, plus an additional amount equal to \$150 for each year of credited service. All employees, including officers, over age 21 commence participation in the plan after one year of service and are fully vested after six years of service. Partial vesting begins after two years of service. Participants are eligible to receive normal retirement benefits at age 65. In certain instances, a reduced benefit may begin upon retirement between ages 55 and 65.

The following table shows the estimated annual retirement benefits (including amounts attributable to the Company's Excess Benefit Plan, as described below), which are subject to a deduction based on a portion of social security covered compensation, payable on a straight life annuity basis, at normal retirement date to all eligible employees, including officers, in specified compensation and years-of-service classifications:

<i>Final Average Earnings</i>	<i>Estimated Annual Benefits Based Upon Years of Credited Service</i>			
	<i>10</i>	<i>20</i>	<i>30</i>	<i>40</i>

The Company also has Excess Contribution and Excess Benefit Plans. Under such plans, the Company may establish accounting reserves and make payments directly to selected participants in the Company's Thrift and Retirement Plans, respectively, to the extent the levels of contributions or benefits for such participants under such plans are limited by sections 415, 416 and/or 401(a)(17) of the Internal Revenue Code. Such benefits commence at the time benefits commence under the related tax-qualified plan. Messrs. Davidson, Vindigni and Stuart are participants in both the Excess Contribution and Excess Benefit Plans.

B. Respecting the Ratification and Approval of Appointment of Auditors by the Board of Directors

Proposal (B) set forth in the accompanying Notice of Annual Meeting of Stockholders is the ratification or rejection of the action taken in the following resolutions unanimously adopted by the Board of Directors (a majority of non-interested directors voting in person) approving the appointment by the Audit Committee of the Company of the firm of Ernst & Young LLP to be the auditors of the Company for the fiscal year ending December 31, 2011.

"RESOLVED, that the appointment by the Audit Committee of the firm of Ernst & Young LLP to be the auditors of the Company with respect to its operations for the year 2011 be and it hereby is approved; and further

"RESOLVED, that such auditors be and they hereby are authorized and instructed to conduct an audit, in accordance with auditing standards generally accepted in the United States, of the financial statements of the Company as of and for the year ending December 31, 2011; and further

Edgar Filing: GENERAL AMERICAN INVESTORS CO INC - Form DEF 14A

“RESOLVED, that such auditors be and they hereby are authorized and instructed to conduct a review, in accordance with the standards of the Public Company Accounting Oversight Board (United States), of the interim financial statements of the Company as of and for the six months ending June 30, 2011; and further

“RESOLVED, that such appointment shall terminate (without penalty to the Company) in the event that it shall be rejected at the annual meeting of the stockholders of the Company in 2011; and further

“RESOLVED, that such appointment shall terminate (without penalty to the Company) if a majority (as defined in the Investment Company Act of 1940) of the outstanding voting securities of the Company at any meeting called for the purpose shall vote to terminate such appointment; and further

“RESOLVED, that the report of such auditors expressing their opinion with respect to the financial statements above described and the report of such auditors with respect to the review above described shall be addressed to the Board of Directors of the Company and to the stockholders thereof.”

While the rules under the Investment Company Act of 1940, as amended, would permit the Company not to submit to stockholders the ratification of the selection of Ernst & Young LLP as the Company’s auditors, it is being done because it continues the Company’s long-standing practice to do so and the Company believes that it is good corporate practice.

C. Respecting Other Matters Which May Come Before the Meeting

The Board of Directors of the Company does not know of any other matters which may come before the meeting. However, if any other matters, of which the Board of Directors is not now aware, are properly presented for action before the meeting, including any questions as to the adjournment or postponement of the meeting, it is the intention of the persons named in the accompanying form of proxy to vote such proxy in accordance with their judgment on such matters.

In order for a stockholder proposal to be considered for inclusion in the Company's proxy material relating to its 2012 annual meeting of stockholders, the stockholder proposal must be received by the Company no later than October 31, 2011, and must comply with certain other rules and regulations promulgated by the Securities and Exchange Commission.

In accordance with a notice sent to certain stockholders of the Company, who share a single address, only one copy of the Proxy Statement and our 2010 Annual Report is being sent to that address unless we received contrary instructions from any stockholder at that address. This practice, known as "householding," is designed to reduce our printing and postage costs. However, if any stockholder residing at such an address wishes to receive a separate copy of this Proxy Statement or our 2010 Annual Report, he or she may contact us at General American Investors Company, Inc., 100 Park Avenue, 35th Floor, New York, NY 10017, Attn: Carole Anne Clementi, Corporate Secretary, telephone: 1-800-436-8401, e-mail: InvestorRelations@gainv.com, and we will deliver those documents to such stockholder promptly upon receiving the request. Any such stockholder may also contact Ms. Clementi, if he or she would like to receive separate proxy statements and annual reports in the future and to revoke his or her consent to householding. If any stockholder revokes his or her consent, we will begin sending such stockholder individual copies of these documents within 30 days after we receive the revocation notice. If you are receiving multiple copies of our annual report and proxy statement, you may request householding in the future by contacting our Corporate Secretary.

The persons named as appointees for the 2012 annual meeting of stockholders will have discretionary authority to vote on any matter presented by a stockholder for action at that meeting unless the Company receives notice of the matter by January 14, 2012, in which case these persons will not have discretionary voting authority except as provided in the Securities and Exchange Commission's rules governing stockholder proposals.

The expense of the solicitation of proxies for this meeting will be borne by the Company. In addition to mailing copies of this material to stockholders, the Company will request persons who hold stock for others, in their names or custody or in the names of nominees, to forward copies of such material to those persons for whom they hold stock of the Company and to request authority for the execution of the proxies. The Company may reimburse such persons for their out-of-pocket expenses incurred in connection therewith.

It is important that proxies be returned promptly. Therefore, stockholders who do not expect to attend in person and who wish their stock to be voted are urged to fill in, sign and return the accompanying form of proxy in the enclosed envelope.

Report of the Audit Committee of

The Board of Directors of General American Investors Company, Inc.

The purposes of the Company's Audit Committee are set forth in the Committee's Charter. The purposes include assisting the Board of Directors in its oversight of the Company's financial reporting process and internal controls, the Company's financial statements and the selection of the Company's independent auditors. Management, however, is responsible for the preparation, presentation and integrity of the Company's financial statements, and the independent auditors are responsible for planning and carrying out proper audits and reviews.

Edgar Filing: GENERAL AMERICAN INVESTORS CO INC - Form DEF 14A

In connection with the audited financial statements as of and for the year ended December 31, 2010 included in the Company's Annual Report for the year ended December 31, 2010 (the "Annual Report"), at a meeting held on January 19, 2011, the Audit Committee considered and discussed the audited financial statements with management and the independent auditors, and discussed the audit of such financial statements with the independent auditors.

In addition, the Audit Committee discussed with the independent auditors the quality, and not just the acceptability under generally accepted accounting principles, of the accounting principles applied by the Company, and such other matters brought to the attention of the Audit Committee by the independent auditors required by Statement of Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee also received from the independent auditors the written disclosures and the letter required by Independence Standards Board Standard No. 1, as adopted by the Public Company Accounting Oversight Board in Rule 3600T, considered whether the provision of nonaudit services by the independent auditors is compatible with maintaining the auditors' independence and discussed with the auditors the auditors' independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditor independence. Moreover, the Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with auditing standards generally accepted in the United States, that the financial statements are presented in accordance with accounting principles generally accepted in the United States or that the Company's auditors are in fact "independent."

Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent auditors and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Committee's Charter and those discussed above, the Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report.
