Item 4. Changes in Registrant's Certifying Accountant

(a) On May 7, 2002, the engagement by Registrant of West & Company, LLC ("WEST") as the principal auditor of the Registrant's 401(k) Profit Sharing Plan was terminated. A copy of the letter from WEST dated May 7, 2002, is attached as Exhibit 99.1 to this report.

WEST's reports on the Registrant's 401(k) Profit Sharing Plan for the fiscal years ended December 31, 1998 and 1999 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended December 31, 1998 and 1999, there were no disagreements with WEST on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement(s), if not resolved to WEST's

satisfaction, would have caused it to refer to the subject matter of the disagreement(s) in connection with its reports. None of the following events has occurred within the Registrant's two fiscal years referenced above:

(1) WEST has not advised the Registrant that the internal controls necessary for the Registrant to develop reliable financial statements did not exist;

(2) WEST has not advised the Registrant that information had come to its attention that made it unwilling to rely on management's representations, or that it made it unwilling to be associated with the financial statements prepared by management;

(3) WEST has not advised Registrant that the scope of its audit should be expanded significantly, or that information has come to its attention that it has concluded will, or if further investigated may materially impact the fairness or reliability of a previously issued audit report of the underlying financial statements, or the financial statements issued or to be issued covering the fiscal periods subsequent to the date of the most recent audited financial statements (including information that might preclude the issuance of an unqualified audit report) and WEST did not expand the scope of its audit or conduct further investigation.

(b) On July 24, 2001, the audit committee of the Registrant approved the engagement of KPMG LLP ("KPMG"), and KPMG was engaged, as the principal auditor of the Registrant's 401(k) Profit Sharing Plan for the fiscal years ended December 31, 2000 and 2001. During the fiscal years ended December 31, 1998 and 1999, neither the Registrant nor anyone acting on its behalf consulted with KPMG regarding (i) either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the report of the Registrant's 401(k) Profit Sharing Plan; or (ii) any matter that was either the subject of a disagreement with WEST or a reportable event as defined in paragraph 304(a)(1)(v) of Regulation S-K with respect to WEST.

The Registrant has requested that WEST furnish it with a letter addressed to the SEC stating whether it agrees with the above statements. A copy of a letter from WEST to the SEC dated May 17, 2002 is attached as Exhibit 99.2 to this report.

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this Report to be signed on its behalf by the undersigned hereunto duly authorized.
