|X| EPS GROWS 56%

NEW HARTFORD, NY, PAR TECHNOLOGY CORPORATION (NYSE:PTC)

New Hartford, NY--April 27, 2006--PAR Technology Corporation (NYSE:PTC) today announced results from operations for the first quarter ended March 31, 2006.

PAR reported record first quarter revenues of \$52.6 million, an 8% increase over the \$48.8 million reported in the same period a year ago. Net income reported for the first quarter was \$2 million compared with net income of \$1.3 million in the first quarter of 2005, a 54% increase. The Company reported diluted earnings per share of \$0.14 for the first quarter of 2006, an increase of 56% when compared to diluted earnings per share of \$0.09 for the first quarter of last year. In addition, PAR began expensing stock options in accordance with Statement of Financial Accounting Standards No. 123R effective in the first quarter of 2006. The 2006 first quarter results include non-cash stock-based compensation expense of \$43,000, compared to no such expense in the first quarter of 2005.

John W. Sammon, PAR Chairman and CEO commented, "The ongoing success PAR has achieved shows that we are building one of the strongest brands in the hospitality technology industry. Our team continues to execute our customer centric-strategies, yielding the results reported. These results validate our belief that the buyers of PAR's premium products desire an integrated full solution approach to enhance their technology requirements."

Sammon concluded, "We continue to build our business based on our plan for sustainable growth. PAR continues to broaden its reach of our participation in the hospitality market, with the addition of new customers and the development of products for related markets that incorporate PAR's technologies."

Statements in this release or by the Company's spokespersons from time to time may contain forward-looking statements. Any statements in this document that do not describe historical facts are forward-looking statements. Forward-looking statements are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Investors are cautioned that all forward-looking statements involve risks and uncertainties, including without limitation, delays in new product introduction, risks in technology development and commercialization, risks in product development and market acceptance of and demand for the Company's products, risks of downturns in economic conditions generally, and in the quick service sector of the hospitality technology market specifically, risks of intellectual property rights associated with competition and competitive pricing pressures, risks associated with foreign sales and high customer concentration, and other risks detailed in the Company's filings with the Securities and Exchange Commission.
