("S&T") will be held on April 19, 2004, at 10:00 a.m., Eastern Time, at the S&T Training and Support Center, located at 355 North Fifth Street, Indiana, Pennsylvania 15701, for the purposes of considering and voting on the following matters:

2. The transaction of such other business as may properly come before the meeting or any adjournment thereof.

Only shareholders of record at the close of business on March 1, 2004, are entitled to notice of and to vote at such meeting or any adjournment thereof.

By Order of the Board of Directors,

/s/ Robert E. Rout

Robert E. Rout
Secretary

Indiana, Pennsylvania
March 17, 2004

IMPORTANT

YOUR VOTE IS IMPORTANT. IN ORDER TO ASSURE YOUR REPRESENTATION AT THE ANNUAL MEETING, PLEASE MARK, SIGN, DATE AND RETURN THE ENCLOSED PROXY AS SOON AS POSSIBLE IN THE ENCLOSED ENVELOPE. NO POSTAGE IS REQUIRED FOR MAILING IN THE UNITED STATES. THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE ELECTION AS DIRECTORS OF THE NOMINEES NAMED HEREIN.

IMPORTANT NOTICE REGARDING DELIVERY OF SECURITY HOLDER DOCUMENTS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process is commonly referred to as "householding."

S&T has implemented "householding" in an effort to reduce the number of duplicate mailings to the same address. This process benefits both shareholders and S&T, because it eliminates unnecessary mailings delivered to your home and helps to reduce S&T's expenses. "Householding" is not being used, however, if S&T has received contrary instructions from one or more of the shareholders sharing an address. If your household has received only one annual report and one proxy statement, S&T will deliver promptly a separate copy of the annual report and the proxy statement to any shareholder who contacts S&T's transfer agent, American Stock Transfer & Trust Company ("AST"), by calling their toll-free number, 1-800-937-5449, or by mail to the attention of the Shareholder Relations Department at 59 Maiden Lane, Plaza Level, New York, New York 10038. You can also notify S&T that you would like to receive separate copies of S&T's annual report and proxy statement in the future by calling AST. Even if your household has received only one annual report and one proxy statement, S&T will continue to send a separate proxy card for each shareholder residing at your address. Please note, however, that if you also hold shares of S&T in "street name" (e.g., in a brokerage account or retirement plan account) you may continue to receive duplicate mailings.

Each proxy card should be signed, dated and returned in the enclosed self-addressed envelope. If your household has received multiple copies of S&T's annual report and proxy statement, you can request the delivery of single copies in the future by calling AST, as instructed above, or your broker, if you hold the shares in "street name."

PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD APRIL 19, 2004

INTRODUCTION

This Proxy Statement is being furnished to shareholders of S&T Bancorp, Inc. ("S&T") in connection with the solicitation of proxies by the Board of Directors of S&T (the "S&T Board") for use at the Annual Meeting of Shareholders, and any adjournments thereof, to be held at the time and place set forth in the accompanying notice ("Annual Meeting"). It is anticipated that the mailing of this Proxy Statement and the enclosed proxy card will commence on or about March 17, 2004. At the Annual Meeting, shareholders of S&T will be asked to elect five directors of S&T to serve terms expiring in 2007.

All shareholders are urged to read this Proxy Statement carefully and in its entirety.

MEETING INFORMATION

Date, Place and Time

The Annual Meeting of Shareholders of S&T will be held on April 19, 2004, at 10:00 a.m., Eastern Time, at the S&T Training and Support Center, located at 355 North Fifth Street, Indiana, Pennsylvania.

Record Date; Voting Rights

The securities that can be voted at the Annual Meeting consist of shares of common stock of S&T, par value \$2.50 per share ("S&T Common Stock"), with each share entitling its owner to one vote on all matters. Only holders of record of S&T Common Stock at the close of business on March 1, 2004 (the "Record Date") will be entitled to notice of and to vote at the Annual Meeting. There were 3,155 record holders of S&T Common Stock and 26,710,234 shares of S&T Common Stock outstanding as of the Record Date.

A quorum is required for the transaction of business at the Annual Meeting. A "quorum" is the presence at the meeting, in person or represented by Proxy, of the holders of the majority of the outstanding shares. Abstentions are counted for purposes of determining presence or absence of a quorum, but are not considered a vote cast under Pennsylvania law. Abstentions will not affect the outcome of a vote on a particular matter. Shares held by brokers in street name and for which the beneficial owners have withheld the discretion to vote from brokers are called "broker non-votes." They are counted to determine if a quorum is present, but are not considered a vote cast under Pennsylvania law. Broker non-votes will not affect the outcome of a vote on a particular matter.

The director nominees will be elected by a plurality of the votes cast at the Annual Meeting. A withheld vote on any nominee will not affect the voting results. All other matters to be considered at the meeting require the affirmative vote of a majority of the votes cast at the meeting on the item to be approved.

Voting and Revocation of Proxies

If the appropriate enclosed form of proxy is properly executed and returned to S&T in time to be voted at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. Executed but unmarked proxies will be voted "FOR" the nominees proposed by the S&T Board, which are presented in the attached Notice of Annual Meeting of Shareholders. Except for procedural matters incident to the conduct of the Annual Meeting, S&T does not know of any matters other than those described in the

Page

Notice of Annual Meeting that are to come before the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named in the accompanying proxy will vote the shares represented by the proxies in their discretion on such matters as recommended by a majority of the S&T Board.

The presence of a shareholder at the Annual Meeting will not automatically revoke such shareholder's proxy. However, shareholders may revoke a proxy at any time prior to its exercise by filing with the Secretary of S&T a written notice of revocation, by delivering to S&T a duly executed proxy bearing a later date or by attending the Annual Meeting and voting in person.

Solicitation of Proxies

The cost of soliciting proxies in the form enclosed herewith will be borne by S&T. In addition to the solicitation of proxies by mail, S&T, through its directors, officers and regular employees, may also solicit proxies personally or by telephone. S&T also will request persons, firms and corporations holding shares of S&T Common Stock in their names or in the name of their nominees, which are beneficially owned by others, to send proxy material to and obtain proxies from the beneficial owners and will reimburse the holders for their reasonable expenses in so doing.

PRINCIPAL BENEFICIAL OWNERS OF S&T COMMON STOCK

Under Section 13(d) of the Securities Exchange Act of 1934, a beneficial owner of a security is any person who directly or indirectly has or shares voting power or investment power over such security. Such beneficial owner under this definition need not enjoy the economic benefit of such securities. The following is the only shareholder known to S&T to be deemed to be beneficial owner of 5% or more of the Common Stock of S&T as of December 31, 2003:

<u>Title of Class</u>	<u>Name and Address of Beneficial Owner</u>	<u>Amount and Nature of Beneficial Ownership</u>	<u>Percent of Class</u>
Common Stock	S&T Bank Wealth Management Group 43 South 9th Street Indiana, PA 15701	2,844,633*	10.67%

* Wealth Management Group ("WMG") has sole voting power for 1,515,819 of these shares and no voting power for 326,457 of these shares, held in customer accounts. It is the intention of management to vote the shares for which it has sole voting power "FOR" the matters to be acted upon at the Annual Meeting. The remaining 1,002,357 shares of S&T Common Stock are held by WMG as trustee of the Thrift Plan for Employees of S&T Bank (the "Thrift Plan"). The Thrift Plan participants will vote such shares directly through American Stock Transfer & Trust Company ("AST"), S&T's transfer agent. AST will vote any allocated shares for which it has not received any instruction in the same proportion as shares for which voting instructions have been received. S&T is not aware of any other person who beneficially owns more than five percent of any class of securities of S&T.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 ("Exchange Act") requires S&T's directors and Executive Officers, and persons who own more than 10% of S&T's stock, to report to the Securities and Exchange Commission ("SEC") certain of their transactions with respect to S&T's stock. The SEC reporting rules require that changes in beneficial ownership generally be reported on Form 4 within two business days after the date on which the change occurs. A Form 3 to report stock holdings in S&T must be filed within ten days of when a director, Executive Officer or person who owns more than 10% of S&T's stock becomes subject to Section 16(a) of the Exchange Act. During 2003, except for two directors and one Executive Officer, all directors and Executive Officers timely filed all required reports of beneficial ownership and changes in beneficial ownership. Directors Grant and Grube did not file a Form 4 within two business days to report four transactions and one transaction, respectively. Executive Officer Todd Brice did not include a restricted stock grant on Form 3. All required filings have since been made.

PROPOSAL 1-ELECTION OF DIRECTORS

General

The by-laws of S&T (the "S&T By-Laws") provide that the number of directors constituting the S&T Board shall consist of not less than 12 nor more than 25. Currently, there are 16 directors on the S&T Board. The S&T By-Laws also set the mandatory retirement age for directors at 75. The S&T Board has determined that the following directors are independent under the NASDAQ listing standards: Mr. Carino, Mr. Delaney, Mr. Donnelly, Ms. Grant, Mr. Grube, Mr. Jones, Mr. Kirk, Mr. Levy, Mr. Papernick, Mr. Sampson and Mr. Spadafora. The Articles of Incorporation of S&T provide for the classification of directors into three classes, as nearly equal in number as possible, with approximately one-third of the directors elected annually for three-year terms. Certain information about the Nominees (Class 2 Directors), whose current terms will expire in 2004, and who are presently members of the S&T Board and the S&T Bank Board, is set forth below:

Notes to Listing of Directors on Page 4

- (1) Members of the Executive Committee of S&T Bank and S&T. The committee, which is appointed annually by the S&T Board, has authority to take action between meetings of the S&T Board with respect to matters that a majority of the committee considers necessary to be addressed prior to the next meeting of the S&T Board. The committee did not meet during 2003.
- (2) Members of the Audit Committee of S&T Bank and S&T. On the Annual Meeting date, S&T will become subject to the independence standards for audit committees established by the Securities Exchange Commission and NASDAQ. All members to be appointed to the committee on the date of the Annual Meeting will meet these standards. The committee is governed by a written charter approved by the S&T Board. The Board adopted a new audit charter that includes the provisions required by the NASDAQ listing standards to be effective on the date of the Annual Meeting. This charter is included as Appendix A to this Proxy Statement. The committee has provided information regarding the functions performed by the committee and its membership in the "Report of the Audit Committee," included in this Proxy Statement. The S&T Board determined that S&T does not have an audit committee financial expert, because no individual member meets all of the attributes set forth by the SEC. However, all current committee members and all members to be appointed are financially literate and meet the financial sophistication rules required by the NASDAQ listing standards. The committee had five meetings during 2003.
- (3) Members of the Compensation and Benefits Committee of S&T Bank and S&T. The committee's function is to recommend to the S&T Board action on executive compensation and compensation and benefit changes brought to it by management. The committee will be comprised entirely of

independent board members on the Annual Meeting date. The committee had two meetings during 2003.

- (4) Members of the Nominating and Corporate Governance Committee of S&T Bank and S&T. The committee was formed in 2003, and the functions of this committee are to assist the Board in reviewing the qualification and independence of the members of the Board and its various committees on a periodic basis as well as the composition of the Board as a whole; to evaluate the performance of the Board and its committees as a whole; to select director nominees for election by shareholders and to provide guidance to the Board on corporate governance issues. The committee adopted a charter at its February 2004 meeting, which was approved by the S&T Board and is included in Appendix B to this Proxy Statement. The committee will be comprised entirely of independent board members on the Annual Meeting date. The committee had one meeting during 2003.
- (5) Director Nominee Brice has a son, Todd D. Brice, who has been employed by S&T Bank as a commercial loan officer since September 1985, and has been an executive vice president of S&T and S&T Bank since January 1, 2003.

The Nominating and Corporate Governance Committee (the "Committee") has adopted, and the S&T Board has ratified, a corporate policy for identifying and evaluating candidates for membership on the Board. The Committee identifies potential candidates based on suggestions from directors, officers of S&T and S&T shareholders. The Committee will consider shareholder nominations for directors in accordance with the procedure set forth in Section 202 of S&T's By-Laws and applicable law. The procedure provides that a notice relating to the nomination must be timely given in writing to the Secretary of S&T prior to the meeting. To be timely, the notice must be delivered not earlier than the close of business on the 120th day, nor later than the 60th day, immediately preceding the meeting. Such notice must be accompanied by the nominee's written consent to be named in the applicable proxy statement and contain information relating to the business experience and background and holdings of S&T stock of the nominee, and information with respect to the nominating shareholder. There are no differences in the manner in which the Committee evaluates candidates for membership on the Board based on whether such candidate is recommended by a shareholder, the Committee, or by any other source. The Committee shall take into account all factors and criteria it considers appropriate, which will include but not be limited to: high personal and professional integrity, sound judgment and exceptional ability; business experience; area of residence in relationship to S&T's geographic market; other

Page 5

directorship experience that would be beneficial to the Board and management of S&T; diversity of experience relative to that of other S&T directors; age; level and type of education; whether the candidate will be effective in serving the long-term interests of S&T's shareholders; whether the candidate has sufficient time and energy to devote to the affairs of S&T; whether the candidate possesses a willingness to challenge and stimulate management and the ability to work as part of a team; whether the candidate meets the independence requirements of the NASDAQ listing standards; whether the candidate is free from conflicts of interest with S&T; and any factors related to the ability and willingness of a new director to serve, or an existing director to continue his or her service.

The Committee is empowered to engage a third party search firm to assist it in identifying director candidates, but the Committee did not do so in 2004. S&T has not received shareholder nominations for consideration for this Annual Meeting. Accordingly, S&T has not rejected or refused such candidates.

Neither the Board nor the Committee has implemented a formal policy regarding director attendance at the Annual Meeting. Typically, the Board holds its annual reorganization meeting directly following the Annual Meeting, which results in most directors being able to attend the Annual Meeting. In 2003, 15 of S&T's 16 Directors attended the Annual Meeting.

During 2003, the S&T Board held 13 meetings. All but one director attended at least 75% of the total number of meetings of the S&T Board and committees. Director Olson attended 60% of the S&T Board and committee meetings.

Shareholders who desire to communicate with the Board or a specific director should send any communication, in writing, to S&T Bancorp, Inc., 43 South Ninth Street, Indiana, Pennsylvania 15701, ATTN: Corporate Secretary. Any such communication should state the number of shares beneficially owned by the shareholder. S&T's Corporate Secretary shall initially review all communications received in accordance with the Shareholders Communication Policy adopted by the Board. The Corporate Secretary will relay all such communications to the appropriate director or directors on a periodic basis unless the Corporate Secretary determines that the communication does not relate to the business or affairs of S&T or the functioning or constitution of the Board or any of its committees; relates to routine or insignificant matters that do not warrant the attention of the Board; is an advertisement or other commercial solicitation or communication; is frivolous or offensive; or is otherwise not appropriate for delivery to directors. The director or directors who receive any such communication will have discretion to determine whether the subject matter of the communication should be brought to the attention of the full Board or one or more of its committees and whether any response to the person sending the communication is appropriate. Any such response will be made through S&T's management and only in accordance with S&T's policies and procedures, applicable law and regulations relating to the disclosure of information.

S&T Board Fees

Non-employee members of the S&T Board are compensated at the rate of \$10,000 per year plus \$850 per meeting attended. Directors are paid \$400 for attendance at S&T Board committee meetings. If a committee meeting is held on a day other than the same day as a Board meeting, Directors are paid an additional \$300 for attending the meeting in person rather than by telephone. S&T Bank has a loan committee comprised of directors who serve on a rotating basis. These directors are compensated \$700 per meeting. In December 2003, each member of the S&T Board who was not an employee of S&T was granted an option to acquire up to 2,500 shares of S&T Common Stock at an exercise price of \$29.965 per share, the average of the high and low market price on the date of the grant. Fifty percent of these options are exercisable January 1, 2005, and the remaining options are exercisable January 1, 2006. The options must be exercised within ten years of the date of the grant. Mr. Duggan, who, as the Chairman, is active in developing and retaining S&T's customer and business relationships, receives an additional \$50,000 annual retainer, along with the aforementioned committee fees; payment of his country club and golf club dues and his and his spouse's medical costs, amounting to \$52,503 in 2003; and payment of \$15,600 for his participation on the senior loan committee of S&T Bank in 2003.

- (a) Reflects shares of restricted stock awarded under the S&T Bancorp, Inc. Amended and Restated 1992 Incentive Stock Plan (the "1992 Plan") on December 16, 2002, valued on the basis of the average of the high and low market price of the stock on the date of award. The shares of restricted stock that remain subject to forfeiture entitle the Named Officer to all of the rights of a shareholder generally, including the right to vote the shares and receive any dividends that may be paid thereon.

The shares of restricted stock awarded on December 16, 2002 vest equally over a four-year period. The first 25% vested on January 1, 2004. The remaining shares continue to be subject to risk of forfeiture, which will lapse upon vesting. Accelerated vesting will occur and restrictions will lapse in the event that certain change in control events occur.

The number and value of the aggregate restricted stock holdings for the Named Officers with restricted stock as of December 31, 2003 were as follows: Mr. Miller, 4,000 shares with a value of \$119,200; Mr. Krieger, 2,400 shares with a value of \$71,520; Mr. Hauck, 2,400 shares with a value of \$71,520; Mr. Rout, 2,400 shares with a value of \$71,520; and Mr. Brice, 2,400 shares with a value of \$71,520.

- (b) Reflects stock option grants under the 1992 Plan for the year 2001 and under the 2003 Incentive Stock Plan (the "2003 Plan") for the year 2003.

- (c) Consists of contributions by S&T Bank to the Thrift Plan for Employees of S&T Bank and to the nonqualified benefit plan that was established in order that certain management employees, including the Named Officers, not lose benefits that would normally have accrued in qualified plans except for federal tax laws setting annual compensation limits for qualified plans (\$200,000 in 2003) and additional limitations related to highly compensated employees.

Agreements with Executive Officers

Each of the five highest compensated Executive Officers of S&T, Messrs. Miller, Krieger, Hauck, Rout and Brice, is party to a change in control agreement with S&T. Each agreement provides that if the executive is terminated within one year following the occurrence of certain "changes in control" of S&T or of S&T Bank (as defined in each agreement) that were not pre-approved by the S&T Board, or if the executive voluntarily terminates his employment with S&T under certain specified circumstances following a change in control, the Executive Officer will be entitled to receive a lump sum cash payment based on the executive's salary immediately preceding the change in control and to receive certain continuing S&T employee benefits. In the case of Mr. Miller, the lump sum cash payment would equal three times his annual base salary immediately preceding the change in control; for each of the other Executive Officers, the cash payment would equal his annual base salary immediately preceding the change in control.

Retirement Plan and Thrift/Profit Sharing Plan

The Employees' Retirement Plan of S&T Bank ("Retirement Plan") covers all eligible employees and provides a monthly retirement income for employees and their spouses.

The following table shows the estimated annual benefit payable upon a normal retirement date to persons in specified remuneration and years of service classifications for the Retirement Plan. This benefit is payable in addition to Social Security and is calculated based upon the participant's average annual regular earnings for the highest five consecutive years in the last ten years ("Average Covered Compensation").

Effective January 1, 1994, federal tax laws lowered the amount of annual compensation that may be considered in calculating benefits under a qualified retirement plan to a current maximum of \$205,000 (the "Annual Compensation Limit"). In addition, federal tax laws limit the amount of annual benefit payable under a qualified retirement plan that is a defined benefit plan (such as the Retirement Plan), and that limit currently is \$165,000 (the "Annual Benefit Limit"). The amounts shown in the above Pension Plan Table have not been adjusted to reflect the Annual Compensation Limit or the Annual Benefit Limit.

As of December 31, 2003, completed years of credited service and Average Covered Compensation for the Named Officers are as follows:

Name	Years of credited service	Average covered compensation

J.C. Miller	32	\$417,260
D.L. Krieger	19	239,000
E.C. Hauck	29	205,860
R.E. Rout	13	188,760
T.D. Brice	19	155,554

S&T Bank also maintains a Thrift/Profit Sharing Plan with 401(k) provisions ("Thrift Plan") in which all employees may participate with elective salary deferrals. In 2003, S&T Bank made monthly matching contributions equal to 50% of the employees' 401(k) contributions, up to 3% of the eligible participants' compensation. In addition, S&T Bank made a 4% year-end contribution. Year-end contributions are based on the performance of S&T, compared to earnings per share goals, and are expected to range from 2% to 6%.

The compensation taken into account for determining the amount of contributions made on behalf of a participant under the Thrift Plan is subject to the Annual Compensation Limit. In addition, 401(k) contributions by employees are restricted by "highly compensated employee" formulas.

Page 9

In order that participants not lose benefits they would normally have been entitled to receive, non-qualified arrangements were approved to accumulate the benefits that would have accrued in the Retirement Plan and the Thrift Plan were it not for the impact of the eligible compensation restrictions. The non-qualified benefits related to retirement are unfunded.

Other benefits generally provided to all officers and full-time employees include a medical reimbursement plan, a dental plan, a vision care plan, a long-term disability income plan and life insurance. No outside director is provided these benefits.

Transactions with Management and Others

S&T Bank has made, and expects to make in the future, extensions of credit in the ordinary course of business to certain directors and officers. These loans are made on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the same time for comparable transactions with others. Such loans do not involve more than normal risk of collectability or present unfavorable features.

On January 31, 1992, S&T Bank entered into a limited partnership arrangement with RCL Partners, Inc. for the construction of 30 apartments in Indiana, Pennsylvania targeted for senior citizens. Total investment by S&T Bank was \$1,761,766 and entitled S&T Bank to certain tax credits, tax depreciation benefits and a share of cash flows under the Internal Revenue Service Section 42 program. Director Delaney (and affiliated parties) and Director Gatti (and affiliated parties) each hold a one-third interest in RCL Partners, Inc.

During 2003, S&T Bank made payments of \$201,820 to a company owned by Director Brice for the purchase of furniture and other equipment

On December 1, 1997, S&T Bank entered into an agreement to lease from Director Sampson branch space and a freestanding drive-up teller and ATM facility located in a shopping plaza. The lease agreement provides for a ten-year term, annually adjusted for changes in the consumer price index, and a ten-year renewal option. The current monthly rent is \$7,620.

During 2003, S&T Bank made payments for the purchase of goods and services from companies owned or controlled by Directors Delaney and Donnelly for \$145,161 and \$125,816, respectively.

On May 4, 2001, S&T Insurance Group, LLC, and Attorneys Abstract Company, Inc. entered into an agreement to form S&T Settlement Services, LLC (STSS), with respective ownership interests of 55% and 45%. STSS is a title insurance agency serving commercial customers. S&T Bank owns a 100% interest in S&T Insurance Group, LLC; Director Papernick owns 66.67% of the stock of Attorneys Abstract Company, Inc., which received \$156,747 in 2003 from its interest in STSS.

Director Papernick has a son who has a material interest in the law firm Papernick & Gefsky, LLC, which provided legal services to S&T Bank and received payments of \$68,218 during 2003.

Director Duggan has a daughter-in-law who is employed by S&T Bank and earned \$88,115 in 2003. Director Brice has a son who is also employed by S&T Bank and earned \$211,405 in salary and bonuses in 2003, as disclosed in the Summary Compensation Table.

In 2003 the Compensation and Benefits Committee members were Samuel Levy (Chairman), William Gatti, Ruth Grant, Joseph Kirk and Christine Olson.

During 2003, S&T Bank made payments of \$474,328 to Director Olson, and affiliates, for the lease of operations, branch and administrative facilities. The details of the transactions with Director Olson are described in the paragraphs below.

On October 1, 1986, S&T Bank entered into an agreement to lease, from Director Olson and Michael Toretti as trustees under an irrevocable trust, a building and land used as S&T Bank's North Fourth Street branch and operations center. The terms of the agreement provide for payment of \$10,000 per month for the first five years and options to renew for four, five-year terms with rent for each option term to be the rent from the previous term, plus 5%. On October 1, 2001, S&T Bank exercised its third renewal option at \$11,576 per month.

On August 1, 1992, S&T Bank entered into an agreement to lease from S.W. Jack Drilling Company, controlled by Director Olson, a building used for Trust Services and other executive offices. The terms of the agreement provide for monthly payments of \$6,500 for three years and the option to lease additional space on the second floor with additional successive terms of three years each, with rent for each renewal option to be the rent from the previous term, plus 5%. On July 1, 1993, S&T Bank exercised the option for the second floor space at the S.W. Jack Building. On August 1, 2001, S&T Bank exercised its third renewal option with a new, combined monthly rent of \$16,033.

On July 1, 2000, S&T Bank entered into an agreement to lease from Director Olson and James H. McElwain as trustees under an irrevocable trust, the third floor space, storage rooms and underground parking spaces at the aforementioned S.W. Jack Building. The terms of the agreement provide for monthly payments of \$7,388 for one year with additional four successive terms of three years each, with rent for each renewal option to be the rent from the previous term, plus 5%. On August 1, 2001, S&T Bank exercised its first renewal option at \$7,757 per month.

In addition, S&T Bank may make extensions of credit to members of the Compensation and Benefits Committee in the ordinary course of business and on the same terms as available to others. See "Transactions with Management and Others."

Board Compensation Committee Report on Executive Compensation

Executive compensation decisions are made by the five-member Compensation and Benefits Committee (the "Committee") of the S&T Board. Each member of the Committee is a non-employee director. All decisions relating to the compensation of executive officers are reviewed by the S&T Board, except for decisions about awards under the S&T Bancorp, Inc. 2003 Incentive Stock Plan (the "2003 Plan"), which are made solely by the Committee. The report set forth below is submitted by Directors Levy (Chairman), Gatti, Grant, Kirk and Olson, in their capacity as Committee members, addressing S&T's compensation policies for 2003 as they affected Mr. Miller, President and Chief Executive Officer, and the other executive officers of S&T in 2003 (collectively "Executive Officers").

The Committee, in its executive compensation decisions, considered overall corporate performance as well as individual initiative and achievements. The policy of the Committee is to provide competitive levels of compensation that integrate pay with S&T's performance goals, reward exceptional performance and assist S&T in attracting and retaining qualified executives. Compensation is set at levels that the Committee believes to be consistent with others in the industry that have similar responsibilities, with the Executive Officers' actual compensation packages increasingly being weighted toward programs contingent upon S&T's level of long-term (three years or greater) performance. As a result, the Executive Officers' actual compensation levels in any particular year may be above or below those of S&T's competitors, depending on S&T's performance. The Committee typically examines salaries and performance levels of peer banks that it selects for comparison with S&T based upon similar size and geographic location. The Committee also considers the SNL Securities Bank Performance Report. The peer banks utilized in this review may or may not be included in the KBW 50 Index or the S&P 500 Index as reflected in the Five-Year Cumulative Total Return performance graph.

The Committee continues to endorse the position that stock ownership by management and stock-based performance compensation arrangements are beneficial in aligning management's and shareholders' interests. The 1992 Plan has been considered an important element in designing the compensation packages of S&T. The S&T

Bancorp, Inc. 2003 Incentive Stock Plan will be an important element for future compensation packages.

Effective January 1, 1999, the Committee commenced the administration of a Management Incentive Plan to more closely align the interests of shareholders and senior management by making a greater percentage of senior management's total compensation dependent on the annual performance of S&T. Annually, the Committee establishes specific incentive opportunities, with primary emphasis on earnings per share goals, that are expressed as a percentage of each participant's base salary rate for the given year. Earnings per share in 2003 increased 7% over the prior year.

The Committee's general approach in setting the Chief Executive Officer's annual compensation is to seek to be competitive with compensation paid to other chief executive officers, with a similar scope of responsibilities, and by other companies in the industry based upon long-term performance. The Committee typically compares the Chief Executive Officer salary level and performance against the same peer banks discussed above.

Particular emphasis was placed upon S&T's performance as compared to earnings per share goals in 2003, as well as the subjective assessment of Mr. Miller's individual performance. The Committee also considered Mr. Miller's leadership in promoting the long-term strategic growth of S&T.

Mr. Miller's salary for 2003 was \$405,000. In addition to his salary, he was granted a Management Incentive Plan bonus of \$52,500 for achieving goals established for 2003.

In December 2003, the Committee granted Mr. Miller nonstatutory stock options for 15,000 shares of S&T Common Stock with an exercise price equal to the average of the high and low market price on the date of the grant. Fifty percent of these options are exercisable on January 1, 2005, and annually thereafter. The Committee believes that this award together with last year's award of restricted stock of 4,000 shares will encourage long-term performance and promote management retention. In addition to the restricted shares and options, Mr. Miller directly or indirectly owns 47,961 shares of S&T Common Stock. This significant interest in S&T's Common Stock is considered to be beneficial to the common interests of shareholders and management.

Report of the Audit Committee

The Audit Committee (the "Committee") oversees S&T's financial reporting process on behalf of the S&T Board. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of S&T's accounting principles and such other matters as are required to be discussed with the committee under generally accepted auditing standards or as are required by Statement on Auditing Standards No. 61 ("Communication with Audit Committees"). The Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committees"), as may be modified or supplemented, and has discussed with the independent auditors the auditors' independence. The Committee has considered the compatibility of non-audit services with the auditors' independence.

The Committee discussed with S&T's internal and independent auditors the overall scope and plans for their respective audits. The Committee met with the internal and independent auditors to discuss the results of their examinations, their evaluations of S&T's internal controls and the overall quality of S&T's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the S&T Board, and the Board has approved, that the audited financial statements be included in the annual report on Form 10-K for the year ended December 31, 2003, for filing with the Securities and Exchange Commission.

APPENDIX A

AUDIT COMMITTEE CHARTER

Pursuant to Article III, Section 303, of the By-Laws of S&T Bancorp, Inc. (S&T), the Board of Directors (the "Board") has formed the Audit Committee (the "Committee"). This Charter is intended to identify the purpose, composition, authority and responsibilities of the Committee.

PURPOSE

The Committee is established to oversee S&T's accounting and financial reporting processes and the audits of its financial statements and assist Board oversight of (1) S&T's compliance with legal and regulatory requirements, (2) the qualifications, independence and performance of the independent auditor, and (3) the performance of S&T's internal audit, risk management and regulatory compliance functions.

COMMITTEE MEMBERSHIP

Committee members are appointed annually by the Board and may be replaced by the Board. The Committee shall be comprised of three or more members. All members must meet the independence requirements of NASDAQ, the Securities and Exchange Commission and any standards of independence as may be prescribed for purposes of any applicable laws and regulations relating to the Committee's duties and responsibilities.

All members must have the requisite ability to read fundamental financial statements, including S&T's balance sheet, income statement and cash flow statement. In addition, the Board shall determine that at least one member has past finance or accounting experience or any other comparable financial oversight experience or background which results in the member's financial sophistication, as prescribed by NASDAQ rules.

The Board shall select one member of the Committee as its chairperson. The Committee may delegate to its chairperson such power and authority as the Committee deems to be appropriate, except such powers and authorities

required by law or regulation to be exercised by the whole Committee or a subcommittee of at least two members.

MEETINGS

The Committee shall meet at least once every fiscal quarter, or more frequently if circumstances dictate. The Committee may meet in executive session periodically at the Committee's discretion. At least annually, the Committee will meet with the senior internal auditor, the senior risk/compliance manager and the independent auditor to discuss any matters that the Committee or any of these persons or firms believes should be discussed privately, and without management present. Members of the Committee may participate in a meeting of the Committee by means of conference call or similar communications equipment by means of which all persons participating in the meeting can hear each other.

COMMITTEE AUTHORITY AND RESPONSIBILITIES

The Committee's primary responsibility is oversight. and financial reporting. The independent auditor shall report directly to the Committee but is accountable to the Committee and the Board. The independent auditor is responsible for planning and executing a proper audit of S&T's annual financial statements, reviewing S&T's quarterly financial statements prior to filing of each quarterly report and performing other procedures as directed by the Committee or required by laws, regulations or accounting standards. The Committee members are not, and do not represent themselves as performing the functions of, auditors or accountants.

The Committee's responsibilities include performance of the duties required of an audit committee at S&T's subsidiaries to the extent required and permitted by applicable laws and regulations. The Committee may meet simultaneously as a Committee of S&T and any other S&T affiliate.

In fulfilling his or her responsibility, each member of the Committee is entitled to rely in good faith upon S&T's records and upon information, opinions, reports or statements presented by any of S&T's officers or employees, or by any other person as to matters the member reasonably believes are within such other person's professional or expert competence and who has been selected with reasonable care by or on behalf of S&T. Each member of the Committee also may rely in good faith upon actions taken by other committees of the Board as committed to such committees under the resolutions and other directives of the Board.

To carry out this oversight responsibility, the Committee shall have the following specific duties and authority with regard to the independent auditor, internal audit, financial reporting, internal controls and risk management/compliance.

2. Pre-approve, or adopt appropriate procedures to pre-approve, all audit and non-audit services to be provided by the independent auditor.
3. Review, at least annually, the qualifications, performance and independence of the independent auditor. In conducting such a review, the Committee shall obtain and review a report prepared by the independent auditor, describing:
 - a. The independent auditor's internal quality control procedures.
 - b. Any material issues raised by:
 - i. The most recent internal quality control review, or peer review, of the independent auditors, or
 - ii. Any inquiry or investigation by governmental or professional authorities, within the previous 5 years, respecting any independent audits conducted by the independent auditor.
 - c. All relationships between the independent auditor and S&T consistent with Independence Standards Board Standard 1, including a statement of the fees billed in each of the last two fiscal years by category of service.
4. Discuss with the independent auditor any disclosed relationships or services that may impact the objectivity and independence of the auditor.
5. Ensure that rotation of the independent auditor's audit partners satisfies applicable regulatory requirements.
