## EXPLANATORY PARAGRAPH

This amendment on Form 10-K/A is being filed to include the conclusions of the principal executive officer and principal financial officer regarding the effectiveness of the disclosure controls and procedures as of December 31, 2004, as defined in Rule 13a-15(e) and 15d-15-(e) promulgated under the Securities Exchange Act of 1934. In addition, in connection with the filing of this amendment and pursuant to the rules of the Securities and Exchange Commission, this amendment includes certain currently dated certifications. This Form 10-K/A has not been updated for events or information subsequent to the date of filing of the original Form 10-K except in connection with the foregoing. This amendment has not resulted in any changes to our previously reported financial results.

### ITEM 9A. *Controls and Procedures*

Under the supervision and with the participation of our principal executive officer and principal financial officer, management has evaluated the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Rule 13a-15(e) and 15d-15(e) of the Securities Exchange Act of 1934) as of December 31, 2004. Based on that evaluation, our principal executive officer and our principal financial officer have concluded that our disclosure controls and procedures were effective as of December 31, 2004.

### MANAGEMENT'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING

Weingarten Realty Investors and subsidiaries ("WRI") maintain a system of internal control over financial reporting, as defined in Rules 13a-15(f) and 15d-15(f) under the Securities Exchange Act, which is a process designed under the supervision of the WRI's principal executive officer and principal financial officer and effected by WRI's board of trust managers, management and other personnel, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

WRI's internal control over financial reporting includes those policies and procedures that:

§ Pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of WRI's assets;

§ Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of WRI are being made only in accordance with authorizations of management and trust managers of WRI; and

§ Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of WRI's assets that could have a material effect on the financial statements.

WRI's management has responsibility for establishing and maintaining adequate internal control over financial reporting for WRI. Management, with the participation of WRI's Chief Executive Officer and Chief Financial Officer, conducted an evaluation of the effectiveness of WRI's internal control over financial reporting as of December 31, 2004 based on the framework established by the Committee of Sponsoring Organizations of the Treadway Commission.

Based on their evaluation of WRI's internal control over financial reporting, WRI's management along with the Chief Executive and Chief Financial Officers believe that the WRI's internal control over financial reporting is effective as of December 31, 2004. Deloitte & Touche LLP, WRI's independent registered public accounting firm that audited the financial statements and financial statement schedules included in this Form 10-K, has issued an attestation report on management's assessment of WRI's internal control over financial reporting.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Trust Managers and Shareholders of Weingarten Realty Investors

We have audited management's assessment, included in the accompanying Management's Report on Internal Control Over Financial Reporting, that Weingarten Realty Investors and subsidiaries (the "Company") maintained effective internal control over financial reporting as of December 31, 2004, based on criteria established in *Internal Control—Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission. The Company's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting. Our responsibility is to express an opinion on management's assessment and an opinion on the effectiveness of the Company's internal control over financial reporting based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. Our audit included obtaining an understanding of internal control over financial reporting, evaluating management's assessment, testing and evaluating the design and operating effectiveness of internal control, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinions.

A company's internal control over financial reporting is a process designed by, or under the supervision of, the company's principal executive and principal financial officers, or persons performing similar functions, and effected by the company's board of directors (or trust managers), management, and other personnel to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors (or trust managers) of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of the inherent limitations of internal control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may not be prevented or detected on a timely basis. Also, projections of any evaluation of the effectiveness of the internal control over financial reporting to future periods are subject to the risk that the controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, management's assessment that the Company maintained effective internal control over financial reporting as of December 31, 2004, is fairly stated, in all material respects, based on the criteria established in *Internal Control—Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission. Also in our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2004, based on the criteria established in *Internal Control—Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission.

We have also audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), the consolidated financial statements and financial statement schedules as of and for the year ended December 31, 2004 of the Company and our report dated March 11, 2005 expressed an unqualified opinion on those financial statements and financial statement schedules.
