Section 7 – Regulation FD

Item 7.01. Regulation FD Disclosure.

On October 1, 2008, Farmer Mac issued two press releases. One of those releases announced the issuance of \$65 million of preferred stock by Farmer Mac; the other announced the appointment of Michael Gerber as Acting President and Chief Executive Officer of Farmer Mac. Copies of the two press releases are attached to this report as Exhibit 99.1 and Exhibit 99.2, respectively.

With the infusion of \$65 million of capital from the investors in Farmer Mac’s preferred stock, the Corporation was in compliance with all of its regulatory capital requirements as of September 30, 2008, with a capital surplus of approximately \$29 million with respect to statutory minimum capital, compared to the Corporation’s capital surplus as of June 30, 2008, March 31, 2008 and December 31, 2007 of approximately \$40 million, \$29 million, and \$40 million, respectively. Farmer Mac believes that its current capital surplus is sufficient to support its continuing programs. The Corporation expects to continue to increase capital going forward. Farmer Mac’s core capital as of September 30, 2008 was approximately \$210 million; its estimated statutory minimum capital requirement as of that date was approximately \$181 million. The Corporation has provided this information to its regulator, the Farm Credit Administration.
