Checkers and Rally's Supply Chain Not  
Linked to Mad Cow

TAMPA, FL - December 24, 2003 - Checkers  
Drive-In Restaurants, Inc., (NASDAQ: CHKR),  
the nation's largest double drive-thru chain,  
today said that its supply chain is not linked  
to a case of mad cow disease found at a farm  
in Washington state.

"The meat packer in question has no connection  
whatsoever to the Checkers(r) or Rally's(r) supply  
chain," said Kim Francis, spokesperson for  
Checkers Drive-In Restaurants, Inc. "All our  
products come from USDA approved vendors. We  
are confident the USDA is investigating this  
situation seriously and are taking all the  
appropriate steps to safeguard our country's  
beef supply."
