ITEM 12. Disclosure of Results of Operations and Financial Condition

On April 23, 2004, the Perrigo Company $\,$ released $\,$ earnings for the third quarter of fiscal 2004.

The earnings release contains a non-GAAP measure which is defined as a financial measure of the Company's performance that excludes or includes amounts thereby differentiating it from the most directly comparable measure presented in the financial statements that are calculated and presented in accordance with Generally Accepted Accounting Principles (GAAP). Pursuant to the requirements of Regulation G, the Company has provided a reconciliation within its earnings release to the most directly comparable GAAP measure for this non-GAAP measure.

The Company excludes unusual litigation income and a one-time tax benefit when monitoring and evaluating the on-going financial results and trends of its business due to the non-recurring nature of these items. The Company believes this information is also useful for investors since excluding these non-recurring items provides important insight into the Company's ongoing operations.

The press release related to Perrigo's earnings is attached as Exhibit 99.

The information in this Report is being furnished and shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section.
