Item 5. Other Events

On May 26, 2004, Fidelity National Financial, Inc. (FNF) announced the filing of a Registration Statement on Form S-1 with the Securities and Exchange Commission in connection with a proposed separation of FNF's non-insurance operations into a separately traded public company to be known as Fidelity National Information Services, Inc. (FIS). Under the terms of the transaction, FIS intends to issue common stock in an initial public offering (IPO). FNF later intends to distribute all of its ownership in FIS in a tax-free spin-off, accomplished through an anticipated special dividend to FNF common stockholders. That distribution is expected to occur by mid-2005. Completion of the distribution is contingent upon the satisfaction or waiver of a variety of conditions, including the receipt of a favorable tax ruling from the Internal Revenue Service. A copy of the press release is attached as Exhibit 99.1

Item 7. Financial Statements and Exhibits.

(a) (b) Not applicable.

(c) **Exhibits.**
