Item 1.01 Entry into a Material Definitive Agreement

On August 9, 2006, the stockholders of Airgas, Inc. (the Company) approved the 2006 Equity Incentive Plan (the 2006 Plan) at the 2006 Annual Meeting of Stockholders. The Company's Board of Directors adopted the 2006 Plan on June 21, 2006, subject to stockholder approval. The purpose of the 2006 Plan is to provide for the granting of equity-based compensation to directors, executives and a broad-based category of employees of the Company. As of August 31, 2006, the effective date of the 2006 Plan, the 2006 Plan will terminate the Company's existing 1997 Stock Option Plan (1997 Plan) and the 1997 Directors' Stock Option Plan (Directors' Plan). As approved by the Company's stockholders, 3,200,000 shares of common stock will be available for grant under the 2006 Plan, plus the number, as of August 31, 2006, of shares remaining for issuance under the 1997 Plan and the Directors' Plan and the shares subject to outstanding options under the 1997 Plan and the Directors' Plan that terminate, expire or are canceled without having been exercised on or after August 31, 2006. As of August 9, 2006, options to purchase 7,097,873 shares were outstanding and 1,127,262 shares remained available for future grant under the 1997 Plan, and options to purchase 548,500 shares were outstanding and 181,500 shares remained available for future grant under the Directors' Plan. The actual number of shares that will be available or may become available in the future to be carried over to the 2006 Plan will be based upon the shares remaining available for issuance and the shares subject to outstanding options under the 1997 Plan and the Directors' Plan on August 31, 2006.

On August 9, 2006, each non-employee director received a grant of options to acquire 6,500 shares of the Company's common stock pursuant to the terms of the Company's Directors' Plan.

The description of the 2006 Plan set forth above is qualified in its entirety by reference to the 2006 Plan filed with this report as Exhibit 10.1.
