NOTES TO SCHEDULE OF INVESTMENTS

- (+) Investments in securities by Neuberger Berman California Intermediate Municipal Fund Inc. ("California"), Neuberger Berman Intermediate Municipal Fund Inc. ("Intermediate"), and Neuberger Berman New York Intermediate Municipal Fund Inc. ("New York") (individually a "Fund", and collectively,

the "Funds") are valued daily by obtaining bid price quotations from independent pricing services on all securities available in each service's data base. For all other securities, bid price quotations are obtained from principal market makers in those securities or, if quotations are not readily available, by methods each Fund's Board of Directors has approved on the belief that they reflect fair value. Numerous factors may be considered when determining the fair value of a security, including available analyst, media or other reports, trading in futures or ADRs and whether the issuer of the security being fair valued has other securities outstanding. Short-term debt securities with less than 60 days until maturity may be valued at cost which, when combined with interest earned, approximates market value.

(##) At January 31, 2007, selected Fund information on a U.S. federal income tax basis was as follows:

| (000'S OMITTED) | | GROSS UNREALIZED APPRECIATION | GROSS UNREALIZED DEPRECIATION |
|------------------|-----------|-------------------------------------|-------------------------------------|
| NEUBERGER BERMAN | COST | | |
| CALIFORNIA | \$153,567 | \$4,130 | \$36 |
| INTERMEDIATE | 467,516 | 12,154 | 422 |
| NEW YORK | 125,618 | 2,752 | 268 |

(@) At time of investment, municipal securities purchased by the Funds are within the four highest rating categories (with respect to at least 80% of total assets) assigned by a nationally recognized statistical rating organization ("NRSRO") such as Moody's Investors Service, Inc., Standard & Poor's, or Fitch Investors Services, Inc. or, where not rated, are determined by the Funds' investment manager to be of comparable quality. Approximately 80%, 68%, and 59% of the municipal securities held by California, Intermediate, and New York, respectively, have credit enhancement features backing them, which the Funds may rely on, such as letters of credit, insurance, or guarantees. Without these credit enhancement features the securities may or may not meet the quality standards of each Fund. Pre-refunded bonds are supported by securities in escrow issued or guaranteed by the U.S. Government, its agencies, or instrumentalities. The amount escrowed is sufficient to pay the periodic interest due and the principal of these bonds. Puttable bonds give the Funds the right to sell back the issue on the date specified.

(B) Security is guaranteed by the corporate or non-profit obligor.

(n) Restricted security subject to restrictions on resale under federal securities laws. These securities may be resold in transactions exempt from registration, normally to qualified institutional buyers under Rule 144A and have been deemed by the investment manager to be liquid. At January 31, 2007, these securities amounted to \$4,463,000 or 1.4% of net assets applicable to common shareholders for Intermediate.

(^^) Not rated by a NRSRO.

(u) Floating rate securities are securities whose yields vary with a designated market index or market rate. These securities are shown at their current rates as of January 31, 2007.

For more information on the Funds' significant accounting policies, please refer to the Funds' most recent financial statements.

ITEM 2. CONTROLS AND PROCEDURES.

- (a) Based on an evaluation of the disclosure controls and procedures (as defined in rule 30a-3(c) under the 1940 Act) as of a date within 90 days of the filing date of this document, the Chief Executive Officer and Treasurer and Principal Financial and Accounting Officer of the Registrant have concluded that such disclosure controls and procedures are effectively designed to ensure that information required to be disclosed by the Registrant on Form N-CSR and Form N-Q is accumulated and communicated to the Registrant's management to allow timely decisions regarding required disclosure.
- (b) There were no significant changes in the Registrant's internal controls over financial reporting (as defined in rule 30a-3(d) under the 1940 Act) that occurred during the Registrant's last fiscal quarter that have materially affected, or are reasonably likely to materially affect, the Registrant's internal control over financial reporting.

ITEM 3. EXHIBITS

The certifications required by Rule 30a-2(a) of the 1940 Act are filed herewith.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934 and the Investment Company Act of 1940, the Registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.
