PRESS RELEASE

Sale of Veolia Environmental Services solid waste businesses in the US
to ADS Waste Holdings is complete

Paris, November 21, 2012. Today, Veolia Environnement announced the completion of the sale of the Veolia solid waste businesses in the United States to ADS Waste Holdings, owners of Advanced Disposal Services, Inc. and Interstate Waste Services, Inc., for a total transaction value of \$1.909 billion (around €1.491 billion).

The U.S. Department of Justice approved the sale on Thursday, November 15, with the condition that certain waste collection assets in northern New Jersey, central Georgia, and the Macon, Ga., metropolitan area are divested to overcome anti-trust concerns.

The completion of this transaction reduced Veolia's net debt by approximately \$1.840 billion (around €1.440 billion), which contributes to the company's program to divest €5 billion in assets by the end of 2013.

Veolia will continue to grow its hazardous waste and industrial services businesses in North America.

Veolia Environnement (Paris Euronext: VIE and NYSE: VE) is the worldwide reference in environmental solutions. With more than 330,000 employees the company has operations all around the world and provides tailored solutions to meet the needs of municipal and industrial customers in four complementary segments: water management, waste management, energy management and passenger transportation. Veolia Environnement recorded revenue of €29.6 billion* in 2011. www.veolia.com
