RADA Electronic Industries Ltd. Has Received a \$1.8M Order to Produce and Deliver Advanced Video Recording Systems and Head Up Display Cameras for a Strategic Customer in Latin America

Thursday February 12, 11:40 am ET

BANGALORE, India, Feb. 12, 2009 (GLOBE NEWSWIRE) -- RADA Electronic Industries Ltd. (NasdaqCM:RADA - News) announced today, at the Aero India show in Bangalore, India, that it has received purchase orders with total value of \$1.8 Million to produce and deliver its advanced airborne video and data recording system and Head Up Display Cameras to a strategic customer in Latin America.

This customer is a long term user of RADA HUD Camera systems and has recently decided to add the RADA video and data recorders onboard its fighter and trainer aircraft.

The Digital Video and Data Recorders as well as the HUD Cameras are some of RADA's current most-selling products worldwide and are in production for several years now.

The supply of the systems will commence during the second quarter of 2009 and will be completed in 2010.

Major General (Ret.) Herzle Bodinger, RADA's President and Chairman of the Board, commented on this order: "We are proud to provide our advanced video recording and cameras to leading air forces in the world. We notice continuous growth in the demand for our Data and Recording Management products. This order reinforces the satisfaction of our long term customers as well as the confidence of the market in RADA's advanced recording solutions."
