## REPORT OF INDEPENDENT AUDITORS

Administrative Committee  
Equitable Resources, Inc. Employee Stock Purchase Plan

We have audited the accompanying statements of net assets available for benefits of the Equitable Resources, Inc. Employee Stock Purchase Plan as of December 31, 2001 and 2000, and the related statements of changes in net assets available for benefits for each of the three years in the period ended December 31, 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2001 and 2000, and the changes in net assets available for benefits for each of the three years in the period ended December 31, 2001 in conformity with accounting principles generally accepted in the United States.

## EQUITABLE RESOURCES, INC. EMPLOYEE STOCK PURCHASE PLAN NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2001

## Edgar Filing: EQUITABLE RESOURCES INC /PA/ - Form 11-K

### 1. DESCRIPTION OF THE PLAN

The following description of the Equitable Resources, Inc. Employee Stock Purchase Plan (the Plan) provides only general information. Participants should refer to the summary plan description for a more complete description of the Plan's provisions.

#### GENERAL

The Plan is an employee stock purchase plan implemented on October 1, 1995 by Equitable Resources, Inc. and subsidiaries (the Company or Companies). Employees of the Company may purchase shares of the Company's common stock at a 10 percent discount through payroll deductions. All nonrepresented employees of the Companies are eligible to participate in the Plan immediately upon employment. Represented employee eligibility is subject to collective bargaining.

On April 19, 2001, the Board of Directors declared a two-for-one stock split payable on June 11, 2001 to shareholders of record on May 11, 2001. All amounts have been restated for the effect of the stock split.

#### CONTRIBUTIONS AND PURCHASE OF STOCK

Eligible employees can contribute from 1 to 10 percent of their annual base pay to the Plan on an after-tax basis. No interest will accrue or be payable with respect to any of the payroll deductions of a participant in the Plan. Contributions are initially deposited with Putnam Investments (Trustee) and are used to purchase shares of the Company's common stock in accordance with the provisions set forth in the plan agreement.

The price of stock purchased for a participant is 90 percent of the closing price of the stock on the second business day after the close of each monthly period.

The Company contributes the remaining 10 percent of the stock price and pays fees for the administration of the Plan and any commission charges associated with the purchase of the stock.

#### DIVIDENDS ON STOCK

Dividends on stock are automatically used to purchase additional shares for all participants. Participants may, however, make a written request to receive a cash distribution of dividend payments.

### 1. DESCRIPTION OF THE PLAN (CONTINUED)

#### SALE OF STOCK

Participants are required to hold any shares purchased through the Plan for a minimum of one year. Participants may elect withdrawals, subject to the holding period restriction, of shares of stock or cash from the proceeds of sale of shares. Participants are responsible for all costs associated with the sale of stock from their individual accounts. The costs of shares sold

are calculated using the "first-in, first-out" cost method.

### TERMINATION OF EMPLOYMENT

Upon termination of the participant's employment for any reason, payroll deductions credited to the participant's account(s) which have not yet been used to purchase stock will be returned to the participant. The participant has the option of either selling the total number of shares in his/her account or receiving a certificate for his/her holdings. Terminated participants are not permitted to purchase shares through the Plan or continue to hold shares in the Plan.

### PLAN EXPENSES

Expenses associated with the administration of the Plan are paid by the Company. Participants are responsible for all charges and expenses incurred through the sale of their shares.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
