AMCON DISTRIBUTING COMPANY ANNOUNCES FULLY DILUTED EARNINGS OF \$9.57 PER COMMON SHARE FOR THE THIRD FISCAL QUARTER ENDED JUNE 30, 2009

## Edgar Filing: AMCON DISTRIBUTING CO - Form 8-K

### NEWS RELEASE

Chicago, IL, July 17, 2009 - AMCON Distributing Company ("AMCON") (AMEX:DIT), an Omaha, Nebraska based consumer products company is pleased to announce fully diluted earnings per share of \$9.57 for the third fiscal quarter ended June 30, 2009.

"This was an excellent quarter for the Company. We continued to perform well in both our segments. Moreover, we successfully completed the divestiture of our discontinued water assets and were able to significantly reduce long term debt," said Christopher Atayan, AMCON's Chairman and Chief Executive Officer. "Our entire management team is diligently implementing our focused business strategy. In tough economic times our emphasis on fundamentals stands out among the competition. We believe this serves our customers and shareholders well and the operating results are a testament to that."

On July 2, 2009, Mr. Atayan announced that he acquired 102,964 shares of common stock and 20,000 shares of series A convertible preferred from William Wright, the founder of the Company. "This is a significant personal investment for my family and reflects my confidence in the management team of our company and the strong relationships we have with our vendors and customers" added Atayan.

AMCON's wholesale distribution business reported revenues of \$233.8 million and operating income before depreciation and amortization of \$4.9 million in the third fiscal quarter of 2009. AMCON's retail health food business reported revenues of \$9.1 million and operating income before depreciation and amortization of \$0.9 million for the same period.

Kathleen Evans, President of AMCON's wholesale distribution business commented, "We were able to build on the momentum from our spring trade show this quarter. Our ability to work closely with vendors to develop opportunities for our customers is one of our strengths relative to our competition. In addition, we continue to emphasize our diverse selection of food service products as this enables our customers to increase their profits."

Eric Hinkefent, President of AMCON's retail health food business commented, "Market conditions continue to be challenging. We are continuing to make investments in our stores to make sure they are in a strong competitive position. We are also seeing attractive opportunities for store expansion. If the right opportunities present themselves, we will not hesitate to open new stores in our primary markets."

"This quarter, as previously announced, our inventory and revolving credit facility returned to normalized levels. The completion of our divestiture of our discontinued water assets reduced long-term debt by \$5.0 million. At the same time, we were able to retire \$3.6 million of other long-term debt and accrued interest with a one-time payment of \$0.8 million. The total reduction of long-term debt and accrued interest associated with this transaction was \$8.6 million. The total after tax gain on the transaction was \$4.7 million," noted Andrew Plummer, AMCON's Chief Financial Officer. "Our stockholder's equity grew to \$21.0 million during the period. We continue to maintain high levels of liquidity which inures to the benefit of our customers."

AMCON is a leading wholesale distributor of consumer products, including beverages, candy, tobacco, groceries, food service, frozen and chilled foods, and health and beauty care products with distribution centers in Illinois, Missouri, Nebraska, North Dakota and South Dakota. Chamberlin's Natural Foods, Inc. and Health Food Associates, Inc., both wholly-owned subsidiaries of The Healthy Edge, Inc., operate health and natural product retail stores

in central Florida (6), Kansas, Missouri, Nebraska and Oklahoma (4). The retail stores operate under the names Chamberlin's Market & Cafe and Akins Natural Foods Market.

This news release contains forward-looking statements that are subject to risks and uncertainties and which reflect management's current beliefs and estimates of future economic circumstances, industry conditions, Company performance and financial results. A number of factors could affect the future results of the Company and could cause those results to differ materially from those expressed in the Company's forward-looking statements including, without limitation, availability of sufficient cash resources to conduct its business and meet its capital expenditures needs. Moreover, past financial performance should not be considered a reliable indicator of future performance. Accordingly, the Company claims the protection of the safe harbor for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995 with respect to all such forward-looking statements.
